- 16.1.10 Employees subject to this allowance are required to work an average of 152 hours over 28 consecutive days.
- 16.1.11 The number of ordinary hours to be worked in any day will not be less than 8 hours, excluding meal breaks.
- 16.1.12 Recall to work on RDOs will be for an emergency or an urgent requirement for immediate police attendance and will not form part of a regular rostered duty that will in effect do away with the RDO.
- 16.1.13 Flexible rostering principles that apply throughout SAPOL will generally apply for rosters associated with one and two person stations,

with rosters designed to accommodate the provision of an appropriate policing service to rural communities. With prior approval of the LSA manager or delegate, Rest Days Off may be altered to accommodate planned events and alternate RDOs should be rostered. Where there are insufficient days in the current pay fortnight to enable 4 RDOs as a result of the RDO alteration to accommodate a planned event, an alternate RDO will be taken in the following pay fortnight.

This effectively permits rostered RDOs from one fourteen day pay period to be deferred in to the next pay period when insufficient days remain for all rostered RDOs to be taken in the current pay period. SAPOL and PASA require particular attention to be given to health, safety and welfare aspects associated with working on an excessive number of consecutive days when the deferment of RDOs is being contemplated. All rosters will continue to provide four RDOs in each pay period. For administrative purposes, RDOs deferred into the next period will be recorded as overtime (time off in lieu) in one period and taken as time off in lieu in the next period.

16.1.14 Diversion of Telephones when on Rest Days Off:

- (a) Members will divert telephones to the appropriate 24 hour Police Station or another Station which has a police officer on duty when rostered on RDOs, PDOs and Public Holidays (Rostered Off) to ensure that those days are uninterrupted other than by a necessary recall to duty.
- (b) Recall to duty in accordance with Clause 16.1.14 (a) will be in circumstances of an emergency or an urgent requirement for immediate police attendance.

16.1.15 Recalled to work on a Rest Day Off (RDO) in the member's Clause 14 Police Station District:

- (a) Recall to duty for an emergency or an urgent requirement for immediate police attendance where 4 hours or less are worked will continue to be covered by the allowance.
- (b) Recall to duty for an emergency or an urgent requirement for immediate police attendance where more than 4 hours is worked, will entitle the person to time off in lieu (TOIL) on an hour for hour basis to the nearest 15 minutes for the time worked in excess of 4 hours, with no option for payment.
- (c) A second or subsequent recall to duty for an emergency or an urgent requirement for immediate police attendance on the same RDO (regardless of the amount of time worked on the first recall) will entitle the person to Time Off in Lieu (TOIL) on an hour for hour basis to the nearest 15 minutes for all time worked (excluding the first recall if 4 hours or less).

16.1.16 Recalled to work on a Rest Day Off into another Clause 14 Police Station District:

Recall to duty for an emergency or an urgent requirement for police attendance will entitle the person to time off in lieu (TOIL) on an hour for hour basis to the nearest 15 minutes with no option for payment for all hours worked.

16.1.17 Recalled to work on a Rest Day Off into a non Clause 14 Police Station District:

Recall to duty for an emergency or an urgent requirement for police attendance will entitle the person to payment at overtime rates in accordance with Clause 12 of the Police Officers Award in addition to the Clause 14 allowance whilst undertaking duties in that district.

16.1.18 Rostered to work in a non Clause 14 Police Station District on a Saturday, Sunday or Public Holiday for a Specific Rural Event or Operation:

In lieu of the Clause 14 allowance a payment at the Award rates of 50% for a Saturday or Sunday and 150% for a Public Holiday will apply.

16.1.19 Recalled to work on Programmed Day Off (PDO):

- (a) No additional payment as this requirement is included in the Clause 14 allowance.
- (b) An alternate PDO will be granted if recalled to work within the rostered shift hours for that day.
- (c) If recalled to work outside of the rostered shift for that day no additional payment or alternate PDO as the PDO has been taken.

16.1.20 Work on Public Holidays in own Clause 14 Police Station District:

- (a) May be rostered to work for up to 5 Public Holidays in any financial year without additional payment.
- (b) May be recalled to work on a public holiday that has been rostered for work (1 of the 5 public holidays in a financial year) without additional payment.
- (c) Entitled to Clause 12 of the Police Officers Award public holiday penalty rates (150%) in lieu of the Clause 14 allowance if rostered to work on a public holiday after having worked 5 public holidays for that financial year.
- (d) Entitled to Time Off in Lieu (TOIL) if recalled for an emergency/urgent requirement for police attendance on a public holiday that has been allocated as a grace day (i.e. over and above five public holidays that have been worked or rostered to work).

16.1.21 Clause 14 workers directed to work on independently funded road safety initiatives (e.g. State or Federally funded RBT operations) will be paid in addition to the Clause 14 allowance, the applicable penalties when required to work in circumstances for which those penalties would have been payable if the employees were shift workers, if the operation is

conducted outside of their allocated district. Those penalty payments will only apply to the actual hours worked on independently funded road safety initiatives.

## **16.2 Overtime**

- 16.2.1 There are two types of activities that occur outside of ordinary hours that are categorized as overtime for employees subject to this allowance. These can be defined as follows:
- i. **Tasking / Emergency Overtime:**-Where an employee is directly required to respond for an emergency or an urgent requirement for police attendance. This overtime will come under one or more of the category codes listed on the rear of the PD 39 Time sheet.
  - ii. **Self Generated Overtime:**-Where an employee creates overtime other than where there is a necessity for the employee to return to duty for an emergency or an urgent requirement for police attendance. The employee has control over this overtime and has alternatives available other than an immediate return to duty. Those alternatives may include changing rostered hours of duty to meet known commitments. Employees are not required to return to duty to service routine public inquiries on RDOs, PDOs or other occasions out of ordinary rostered hours.
- 16.2.2 Members are required to obtain prior authority to work overtime from the LSA Manager, Senior Sergeant or shift manager. When it is not practicable to obtain this authority, the LSA Manager, Senior Sergeant or shift manager will be informed of the overtime being worked as soon as it is practicable in order that approval is obtained.
- 16.2.3 Self-generated overtime is to be strictly controlled, and to that end will be recorded on the PD 39 under the code S.G.
- 16.2.4 Other than in exceptional circumstances where overtime is necessary, it will be so arranged that employees have at least 8 consecutive hours off duty between work on successive days. Employees will not return to duty within the 8 consecutive hours off duty period without the approval of the LSA Manager or Senior Sergeant, and then only for an emergency or an urgent requirement for police attendance.
- 16.2.5 Recall to duty outside of rostered hours will be in response to an emergency or an urgent requirement for police attendance. Telephones will be diverted when employees are on RDOs, PDOs or out of their district, or have been relieved from duty by their LSA Manager or Senior Sergeant.
- 16.2.6 Where employees subject to this allowance are rostered to work outside of their station district by the LSA Manager or Senior Sergeant, alongside employees in receipt of shift and or overtime penalties, they are to receive overtime payments for all time worked in excess of eight ordinary hours.

### **16.3 Managerial Guidelines**

- 16.3.1 Managers responsible for employees subject to this allowance are to ensure that the hours and days on which Police Station Offices will be open for the public for routine police matters are clearly advertised at the front of the station and that the community is made aware of them. Such hours and days are to be developed through consultation with stakeholders. Employees will not be required to return to duty to service routine station orientated matters outside the identified hours / days or whilst on RDOs and PDOs.
- 16.3.2 Where prior notice of commitments outside of normal working hours is received, hours of duty are to be adjusted where practicable to include such commitments in the ordinary hours of work for that day.
- 16.3.3 Employees will not ordinarily be required to return to duty on RDOs and PDOs except for an emergency or an urgent requirement for police attendance.
- 16.3.4 LSA Managers or Officers in Charge are to ensure that adequate coverage is provided at all times for emergency deployment whilst employees are on RDOs and PDOs or absent from their district.
- 16.3.5 Employees are to be clearly instructed by managers that they are to have four RDOs during each fourteen-day pay period. (Refer to Clause 16.1.13 where insufficient days remain in a current pay period)
- 16.3.6 It is incumbent upon both managers and employees to adhere to these guidelines. The purpose of these guidelines is to ensure a consistent approach across SAPOL for Clause 14 workers. Clause 14 workers have unique policing responsibilities to the community in which they serve, and should generally not be required to perform extraneous duties outside of their geographical district. It is recognised however, that all police have an obligation to assist where ever needed. If this occurs, then LSAs may incur additional penalty entitlements for this group of employees in accordance with these guidelines or relevant Police Officers Award/Enterprise Agreement provisions to compensate them for the additional social dislocation incurred.

### **16.4 Telephones**

- 16.4.1 Managers and Officers in Charge will ensure that appropriate arrangements and facilities are in place to ensure that employees who remain in their station district on RDOs and PDOs are able to be contacted and deployed for immediate emergency response.
- 16.4.2 Managers and Officers in Charge are to ensure that both the station to which telephones are diverted and/or the nearest 24 hour Police Station are aware of arrangements made for coverage whilst the employee is on an RDO or PDO or absent from their district.

- 16.4.3 Employees may with the approval of the LSA Manager or delegate divert telephones to a neighbouring station or the nearest 24 hour station after a period of extended duty or overtime, to ensure the employee has a period of 8 consecutive hours rest between shifts. Agreement must be reached on when the telephone diversion will commence and finish, on the clear understanding that the employee may still be required to respond for an emergency or an urgent requirement for police attendance during the period of diversion and only if able to do so.
- 16.4.4 For the purpose of ensuring employees have adequate rest after periods of extended duties LSA Managers may direct an employee to be relieved of duty to allow them a period of at least 8 consecutive hours off duty. Arrangements for adequate coverage of the police area during this period, including for telephone diversion and emergency response, are to be made by the LSA Manager.

## **16.5 Station Reliefs**

- 16.5.1 Two person stations or units will not as a general rule be provided with a relief member whilst one member is absent on leave or for some other purpose unless an assessment of operational requirements and efficiency coupled with service delivery, indicates a need to do so. The decision to relieve those positions remains with the LSA Manager.
- 16.5.2 Distance between neighbouring stations, work load, seasonal and local conditions are factors that will be considered in determining whether a one person station or unit is to be provided with a relief officer during the absence of the incumbent employee.
- 16.5.3 Managers are to ensure sufficient arrangements are in place to provide adequate coverage to those stations/units or areas if a relieving officer is not provided. Due regard will be given to operational requirements and efficiency, service delivery, occupational health, safety and welfare, and employee social and family considerations.
- 16.5.4 The second officer at two person stations or units may be used to relieve other stations or units where the allowance applies. This option may be used as a developmental strategy for those officers to gain wider experience. This may require the officer to travel daily from the home station to the station or unit where relief is being provided. The relieving officer will have responsibility for emergency and tasking responses in the area being relieved, and will have access to a SAPOL vehicle for this period for the purpose of travelling to and from the area being relieved.

## **16.6 Occupational Health, Safety & Welfare**

- 16.6.1 Managers and employees have a duty to ensure that safe working practices are adopted in respect of employees subject to this allowance.

- 16.6.2 Employees are not to work excessive hours without periods of at least 8 consecutive hours of rest.
- 16.6.3 Excessive hours means any period of continuous duty which exceeds 12 hours or where an employee has worked so much overtime as to be too fatigued to be able to work safely.
- 16.6.4 Employees will have the right to consult with their LSA Manager at any time they are directed to undertake any duty when they believe they are so fatigued as to be unable to carry out that duty safely.
- 16.6.5 The LSA Manager will ensure employees are not directed to undertake duties whilst fatigued, in particular the driving of vehicles after excessive hours of duty or overtime. Managers are to make arrangements for the relief of employees who have worked excessive hours, and this may include allowing for a period of at least 8 consecutive hours off duty.
- 16.6.6 Managers and employees are to ensure that the policies and directions contained in General Order 8540 (Occupational Health and Safety) are complied with.
- 16.6.7 In circumstances where employees are aggrieved by the application of these guidelines, for example, the amount of overtime or the number of P.M. shifts and/or weekends being worked and the matter cannot be resolved at the local level, a meeting shall be convened between the respective Assistant Commissioner and the Officer in Charge for the area concerned, Manager Industrial Relations and a PASA representative. It is expected that the outcome of any such meeting will provide a satisfactory resolution to a particular grievance in accordance with the Enterprise Agreement Grievance and Dispute Avoidance procedures.

## **16.7 Guidelines Review**

- 16.7.1 The parties agree to periodically review these guidelines and make agreed changes where appropriate to ensure continued relevance and application. If changes sought to these guidelines are not agreed between the parties then the matter will be dealt with in accordance with the Enterprise Agreement Grievance and Dispute Avoidance Procedures.

## **17. SENIOR SERGEANTS**

### **17.1 Senior Sergeants Additional Responsibilities Allowance (ARA)**

- 17.1.1 The Senior Sergeants ARA will continue to be paid at a rate of 2.5 per cent of the individual's base rate, to Senior Sergeants receiving the allowance on the date of restructure, and will be discontinued from the beginning of the first pay period commencing on or after 1 October 2006.

- 17.1.2 Members relieving in Senior Sergeant positions on the date of restructure will continue to receive the ARA until that period of relieving ceases.
- 17.1.3 Other than for periods of paid leave the ARA will not form part of annual salary and will not be included for the purposes of calculating any other Award/Agreement entitlements (eg overtime, shift allowance, etc) or superannuation.

## **17.2 Senior Sergeants Review (2003)**

As a consequence of the 2003 Senior Sergeants' Review, during the life of this Agreement, SAPOL will conduct an examination of the work performed by those positions classified as Senior Sergeant in order to determine which Senior Sergeant positions are appropriate for reclassification to a new rank between Senior Sergeant and Inspector. The new rank will be introduced from 1 July 2007, as a part of the next enterprise agreement for SAPOL. Prior to commencement of the examination of the Senior Sergeants positions, the parties will confer on the process and criteria to be used for the conduct of the examination.

## **18. PROSECUTION**

- 18.1 A Prosecutors Retention Payment (PRP) will be introduced in order to attract and retain appropriate personnel to the role of prosecutor.
- 18.2 Prosecutors, excluding Officers of Police, who are appointed to permanent positions in Criminal Justice Sections or other areas where they provide prosecutorial services, will receive the payment.
- 18.3 A payment of \$3000 per year will be made to all prosecutors for the first two years of service. After two years of satisfactory service across all prosecutorial roles (legal research, adjudication, advocacy, prosecution) the payment will increase to \$5000 per year.
- 18.4 The payment will not form part of annual salary and will not be included for the purposes of calculating any other Award/Agreement entitlements (eg. overtime, shift penalties, etc) or superannuation. The payment will continue whilst the member is absent on all forms of paid leave.
- 18.5 Prosecutors who work on a part-time basis will receive the payment on a pro-rata basis.
- 18.6 The payment will be made fortnightly.
- 18.7 The payment will continue whilst a member leaves an area temporarily to attend training commitments providing the member returns to the area where the payment is applicable at the completion of the training.

- 18.8 The payment will cease to be paid to a prosecutor from the date of his/her transfer to any position outside of a Criminal Justice Section or other area to which this payment applies.
- 18.9 Where an officer is appointed into a permanent position within a Criminal Justice Section having performed a period of continuous relieving or secondment, the officer is eligible to have that period of relieving or secondment counted as service for the purpose of calculating payment entitlements.
- 18.10 Should a member return to, and be re-appointed to, a position within a Criminal Justice Section within 5 years of previous service within a Criminal Justice Section or other area where prosecutorial services are provided, that previous service will count towards aggregation of time in calculating the level of payment to be made to the officer.

## **19. RESTRUCTURING ALLOWANCE**

All employees in receipt of the restructuring allowance via Clause 14 of the South Australia Police Department Ordinary Rank and Non Commissioned Officer Enterprise Agreement 1998, on the date of the approval of this Agreement, will be paid an allowance of \$800 per annum, effective 1 July 2004, 1 July 2005 and 1 July 2006. The allowance only applies whilst the employees hold their current rank and will not be extended to any further employees.

## **20. PEGGED EMPLOYEES**

Any employees in receipt of a “pegged” rate of pay will not receive the increases referred to in this Agreement, unless the increase to the substantive rate of pay for an employee’s classification brings that rate up to an amount higher than the pegged rate. In this case, the increase payable will be the difference between the new substantive rate and the pegged rate. Once the rate of pay for the employee’s classification equals or exceeds the employees pegged rate, the employee will, for all purposes, be regarded as not being subject to a pegged rate of pay.

## **PART D - WORKING CONDITIONS AND ENTITLEMENTS**

### **21. FLEXIBLE ROSTERING**

#### **21.1 Flexible Rostering Guidelines**

SAPOL will continue with the concept of flexible rostering that enables each workplace to roster staff to meet service delivery requirements.

**Flexible Rostering Guidelines** are as follows:

- 21.1.1 All rosters must comply with the Police Officers Award and any associated Enterprise Agreement conditions, and be developed at the local level in consultation with the employees who will be working the roster.
- 21.1.2 The circadian method of rostering with the basic roster pattern following a day, afternoon and night shift cycle is recommended. Sample rosters will be available from the Industrial Relations Branch to assist Local Service Areas in the design of rosters to meet local needs.
- 21.1.3 The locally approved rosters will be registered on the Human Resources Management System and will be indicative to clearly identify that managers retain the capacity to modify the numbers of people on any shift or day to maintain effective service delivery and to allow for training, developmental and other contingencies.
- 21.1.4 Roster cycles must not exceed 18 weeks to accommodate administrative requirements of the payroll segment of the Human Resource Management System.
- 21.1.5 A precise disposition roster will be posted in each work place which details specific shift commencement times for all employees. This roster will give employees a minimum of 14 days notice of respective shift starting times, programmed hours off and rest days off, with 28 days notice being given where possible. This does not restrict the discretionary ability to alter shifts at short notice in accordance with the Award.
- 21.1.6 A high degree of predictability is to be achieved where possible to assist employees in accommodating their family responsibilities and other non-work related personal activities. Shift starting times and rest days are to be structured to provide partners with compatible working arrangements where possible.
- 21.1.7 A Request Book will be maintained at each workplace where employees may formally identify personal rostering requirements for consideration by the local Rostering Coordinator in advance of the compilation of the disposition roster.
- 21.1.8 Rostering practices will not generally maintain a fixed team structure nor shall they be constrained by the need to maintain regulated shift starting times. Staggered shift starting times may be utilised to meet varying workloads and to assist with employee family commitments.
- 21.1.9 Whilst there are no maximum or minimum number of PM shifts that can be worked, nor a minimum number of weekends that will be rostered off, rosters will be designed to achieve an equitable range of PM shifts and weekends on duty through the roster cycle. In normal circumstances, it is recommended that clear weekends off duty should represent at least 33 per cent of the indicative cycle roster.

- 21.1.10 The maximum number of consecutive PM shifts (either afternoon or night) should be limited to seven and, where practicable, no more than four.
- 21.1.11 Grievances associated with rostering are to be resolved in accordance with the established dispute resolution procedures as detailed in the Enterprise Agreement.

## **21.2 Flexible Shiftwork Allowance (FSA)**

- 21.2.1 The FSA will apply to all full-time police officers not being Officers of Police, who are required to work shifts in Branches, Sections and Units listed in Attachment 2.
- 21.2.2 Any police officers not being Officers of Police, who are working part-time in Branches, Sections and Units listed in Attachment 2, will have the option of receiving the FSA on a pro-rata basis in lieu of the provisions contained in Clause 10A of the Police Officers Award.
- 21.2.3 An allowance of 18.5% of an officer's base salary is to be paid fortnightly in lieu of penalty payments provided in Clause 10 (Hours of Work), Clause 11 (Shift Work Allowance for Shift Workers), and where applicable, Clause 10A (Part-time Employment) of the Police Officer's Award. The allowance is to be exclusive of penalty payments for work on public holidays, and overtime.
- 21.2.4 For the purposes of FSA, "required to work shifts" means an officer allocated to an approved indicative roster which requires the officer to work on any day, afternoon or night shifts rotating on any two or three of such shifts.
- 21.2.5 Employees in receipt of the allowance will be required to participate in flexible rostering with varied work patterns which will be driven by the problem-solving philosophy of crime management operating within SAPOL.
- 21.2.6 Predictable patterns of work will be maintained wherever practicable, however flexible working arrangements are a key objective of the allowance. Indicative roster cycles will continue to be approved by the relevant managers in consultation with the employees affected by the roster. The Flexible Rostering Guidelines set out in Clause 21.1 (excluding Clause 21.1.9) will apply to employees in receipt of the FSA.
- 21.2.7 Indicative rostering will limit the maximum number of PM shifts worked to an average of one third of the roster cycle, and weekend days worked to two thirds of the roster cycle. Operational circumstances may require individual employees to work in excess of the aforementioned limits.
- 21.2.8 In circumstances where employees are aggrieved by the number of PM shifts and/or weekends being worked, and the matter cannot be resolved at the local level, a meeting will be convened between the respective

Assistant Commissioner, the Officer in Charge of the area concerned, Manager Industrial Relations and a PASA representative. It is expected that the outcome of any such meeting will provide a satisfactory resolution to a particular grievance in accordance with the Flexible Rostering Guidelines.

- 21.2.9 Employees attached or seconded to the identified areas in *Attachment 2*, that are required to work shifts will be paid the allowance in recognition of their need to work flexible hours incorporating shifts and weekends
- 21.2.10 Where an officer **agrees**, RDOs from one pay period may be deferred to the next pay period. This effectively permits rostered RDOs from one fourteen day period to be deferred to the next pay period when insufficient days remain for all rostered RDOs to be taken in the current pay period. SAPOL and PASA require particular attention to be given to health, safety and welfare aspects associated with working on an excessive number of consecutive days when the deferment of RDOs is being contemplated. All rosters will continue to provide four RDOs in each pay period. For administrative purposes, RDOs deferred to the next period will be recorded as overtime (time off in lieu) in one period and taken (as time off in lieu) in the next period.
- 21.2.11 The allowance will continue whilst an officer is absent on the following paid leave entitlements:
- care of sick child
  - urgent pressing necessity
  - compassionate
  - family carers
  - maternity/adoption
- 21.2.12 The allowance will continue during periods when an officer is absent on accrued time off in lieu of overtime regardless of the day or shift that has been rostered.
- 21.2.13 The allowance will continue whilst an officer is on dayshift, eg attending as a police witness in court.
- 21.2.14 The allowance will continue whilst an officer leaves an area temporarily to attend training commitments providing the officer returns to an area where the allowance is applicable at the completion of the training.
- 21.2.15 The allowance will continue whilst an officer is on Programmed Hours Off.
- 21.2.16 An officer seconded or transferred from a shift work roster to an area where the allowance is applicable and where they are required to work shifts will change over to the allowance on the day the transfer or

secondment commences and their shift work status will continue for annual leave loading purposes.

21.2.17 Employees in receipt of the allowance will be classified as shift workers for the purpose of annual leave loading and will receive a loading of 20% of base salary.

21.2.18 The allowance will not be paid on any day that an officer is absent on sick leave.

21.2.19 The allowance will not be paid on any day that an officer is absent on long service leave or unpaid leave.

21.2.20 During the life of the Agreement, other areas identified as requiring the FSA by either party and agreed by both parties to this Agreement will, if it is agreed by the majority of employees attached to that area, have the ability to receive the FSA.

21.2.21 Attachment 2 provides further details.

## **22. FAMILY CARERS' LEAVE**

The parties to this Agreement agree that employees who have exhausted their entitlements with respect to Special Leave with Pay – Sick Child/Urgent or Pressing Necessity, may access up to five working days (40 working hours) of the employee's paid Sick Leave entitlement in any one year to provide support for a family member.

22.1 The family member is either a member of the employee's household or a near relative of the employee as defined in the State Equal Opportunity Act, 1984;

22.2 the employee must have responsibility for the care of the family member;

22.3 the employee must declare that the period of absence was necessary and unavoidable; and

22.4 the employee must produce satisfactory evidence of sickness of family member, if requested.

## **23. MATERNITY LEAVE / ADOPTION LEAVE**

23.1 An employee who has completed 12 months of continuous service prior to the expected date of birth of their child will be eligible to apply for eight weeks of paid maternity leave.

23.2 An employee who has completed 12 months of continuous service before the date of taking custody of an adopted child is entitled to eight weeks of paid adoption leave.

- 23.3 The following conditions apply to an employee applying for paid maternity leave or paid adoption leave:
- 23.3.1 An employee will be entitled to eight weeks at the ordinary rate of pay from the date maternity / adoption leave commences. The eight weeks paid leave is to be inclusive of any public holiday or programmed hours off which may fall during the period of leave. The eight weeks paid maternity / adoption leave therefore, is not extended by any public holidays or PDO's that fall during the period of paid leave.
- 23.3.2 At the time of applying for paid maternity/adoption leave, the employee may elect in writing:
- (a) To take the leave at half pay in which case, notwithstanding any other clause of this Agreement, the employee will be entitled during the 16 weeks, to be paid at half the ordinary rate of pay from the date maternity/adoption leave commences; or
  - (b) To take the paid maternity/adoption leave in 2 periods of 4 weeks during the first 12 months of the commencement of their paid leave; or
  - (c) A combination of (a) and (b)
- 23.3.3 Any employee who is subject to Section 27 (4) of the Police Act, 1998 (Probationary Appointment), who elects to take maternity/adoption leave at half pay pursuant to Clause 23.3.2, will be considered to be on leave with pay for 8 weeks.
- 23.3.4 Paid leave may be taken in conjunction with annual leave, long service leave and other parental leave.
- 23.3.5 The total of paid maternity leave and unpaid parental leave is not to exceed 104 calendar weeks in relation to the employee's child. For the purposes of Clause 23, child includes children of a multiple birth/adoption.
- 23.3.6 Up to 52 weeks (in total) of paid maternity leave and unpaid parental leave will count as service pursuant to Regulation 49(5) of the Police Regulations, 1999. Parental Leave in excess of this 52 weeks will not be counted as service.
- 23.4 Part-time employees will have the same entitlements to paid maternity / adoption leave as full-time employees on a pro-rata basis according to the average number of contracted hours during the immediately preceding 12 months (disregarding any periods of leave).
- 23.5 During periods of paid maternity / adoption leave or parental leave, sick leave with pay will not be granted for a normal period of absence for confinement. However, any illness arising from the incidence of the pregnancy may be covered by sick leave to the extent available, subject to

the usual provisions relating to production of a medical certificate and the medical certificate indicates that the illness has arisen from the pregnancy.

## **24. SALARY SACRIFICE**

Voluntary Salary Sacrifice provisions, on a cost neutral basis, as presently provided for public sector employees by virtue of the South Australian Government Wages Parity Enterprise Agreement 2001 or its successor, are available for all staff.

## **25. TIME OFF IN LIEU OF OVERTIME (TOIL)**

- 25.1 During the same pay period in which the overtime is worked, an employee may request equivalent time off in lieu of payment, and in such case the time off in lieu may be granted at a time mutually agreed between the employer and employee concerned. Time off in lieu of overtime is calculated on an hour for hour basis.
- 25.2 Once an employee requesting time off in lieu of payment for overtime (Clause 12 of the Police Officers Award) receives authority for time off in lieu of payment, all entitlement to future payment for that overtime is forfeited. Notwithstanding, employees separating from SAPOL at short notice without the opportunity to access any accrued TOIL will receive the equivalent payment previously due for the overtime.
- 25.3 An employee may request time off in lieu of payment for attendance at community programs or for other activities outside of ordinary hours providing the attendance at the community program or participation in the activity is authorised prior to attendance by a senior sergeant or above. This time off in lieu option is only to be initiated at the employee's request as it does not contemplate any option for payment for the overtime.
- 25.4 For the purposes of Clause 25.3, "other activities" does not include operational activities related to normal service delivery such as patrols, attending sporting or special events, RBT operations, et cetera.
- 25.5 If the time off cannot subsequently be granted at the mutually agreed time because of justifiable SAPOL requirements, the employee will renegotiate another mutually agreed time.
- 25.6 Employees with accrued TOIL in excess of twenty four hours may be directed to take time off equivalent to the excess hours by a senior sergeant or above in accordance with organisational requirements, without financial disadvantage.
- 25.7 Overtime that is to be taken as TOIL must be recorded on the timesheet. When the time off is taken, timesheets must show a reduction in ordinary hours which related to time off in lieu of overtime as per administrative instructions.

- 25.8 Employees' pay advice slips will show accrued time in lieu in hours.
- 25.9 This provision excludes Officers of Police and members assigned to the Police band whilst conducting Band duties.

## **26. OVERTIME WORKED AS A RESULT OF RECALL**

In lieu of Sub-clause 12 (e) (iii) of the Police Officers Award, where an employee is recalled to duty, the time so worked will interrupt the eight consecutive hours off duty provision of Clause 12 (i) of the Award and actual time worked will count for the purposes of Clause 12 (i).

## **27. PROGRAMMED HOURS OFF**

This clause does not apply to Officers of Police.

In lieu of Clause 10 (h) of the Police Officers Award:

- 27.1 Within every period of 28 consecutive days each employee will be entitled to 8 consecutive working hours off duty (not occurring on a public holiday) without loss of pay and such hours will be known as Programmed Hours Off.
- 27.2 Notice will be given at least 28 days prior to the hours off and once designated, the programmed hours off will not be changed except by;
- Mutual consent of the Commissioner of Police or delegate and the individual employee concerned, or
  - The employee being recalled to work. In these circumstances, the employee may be granted an alternative number of programmed hours off equal to the number initially designated. No additional payment will be made with respect to work performed during the programmed hours off unless more than the designated hours are worked.
- 27.3 However, nothing contained in this Agreement will entitle an employee to more than 96 programmed hours off in a period of 12 calendar months.
- 27.4 Employees posted to a one or two person country unit/station, and remote stations, may accrue programmed hours off to a maximum of 96 hours per annum. Country units/stations will mean units/stations located outside Metropolitan Adelaide as defined by the Development Plan established under the Planning Act, 1982.
- 27.5 Police cadets at training camps or undertaking the academic phases at the Police Academy, Fort Largs, will not be entitled to programmed hours off.

- 27.6 Police cadets not at training camps or not undertaking the academic phases at the Police Academy, Fort Largs, are entitled to programmed hours off.
- 27.7 However, where it is not practical for cadets to take programmed hours off in each period of 28 days, then the programmed hours off may accrue to be taken at the end of the training period.
- 27.8 Where possible programmed hours off should be rostered so that they may be taken in conjunction with rest days off duty.

## **28. SICK LEAVE / ANNUAL LEAVE IN WORKING HOURS**

- 28.1 The provisions of Clause 19 of the Police Officers Award will apply except to the extent that sick leave will be credited and debited on an hourly basis.
- 28.2 An employee's sick leave hour credit will be calculated by multiplying the entitlements to days (ordinarily being 12 working days subject to proportionate entitlements and other variations) by 8.
- 28.3 For any period during which an employee is absent on sick leave with full pay, the employee will be deemed to have taken sick leave for the number of working hours equal to the number of hours the employee would have been required to be on duty, if they had not been absent on sick leave.
- 28.4 The provisions of Clause 21 of the Police Officers Award will apply except to the extent that annual leave will be credited and debited on an hourly basis.
- 28.5 An employee's annual leave hour credit will be calculated by multiplying the total working day entitlement (ordinarily being 30 working days subject to proportionate entitlements and other variations) by 8.
- 28.6 For any period during which an employee is absent on annual leave, the employee will be deemed to have taken the number of hours equal to the number of hours the employee would have been required to be on duty if they had not been on annual leave, provided that no debit will be made for a public holiday falling on a Monday to Friday.

## **29. ANNUAL LEAVE LOADING PAYMENTS**

- 29.1 Annual leave loading for all employees will be paid at the day worker rate of 17.5 percent with the balance (where applicable for shift workers) being paid at the end of each financial year. This is done to reduce the incidence of overpayments of leave loading to employees and thus reduce the manual administrative time needed to recoup payments.
- 29.2 Employees may elect to receive annual leave loading payments at the start of the leave as a single whole payment or be paid per fortnight whilst on leave.

29.3 This clause does not apply to Officers of Police.

## **PART E – CAREER PROGRESSION**

### **30. INCREMENTAL PROGRESSION**

#### **30.1 Clause 15 – Mixed Functions**

30.1.1 Subject to Clause 30.2.1, a person required to perform the duties of a position carrying a higher rate of pay in accordance with Clause 15 of the Police Officers Award will be paid at a rate equivalent to the rank of the position for which the higher duties are performed at the first increment level of that rank for the period that the higher duties are paid.

30.1.2 For the purposes of this Clause, ‘a position carrying a higher rate of pay’ means a prescribed promotional position as defined by Section 53 of the Police Act, or a temporary holding position which has been determined by the relevant Assistant Commissioner or Director as having a work value equivalent to the rank of Senior Constable First Class, Sergeant or Senior Sergeant.

#### **30.2 Aggregation of Mixed Function Periods**

30.2.1 A person who has performed higher duties commencing on or after 19 November 1998, for aggregated periods of twelve months will receive the next increment level for subsequent periods of relief, or for appointment to an NCO rank, except that:

- i. there will be no aggregation of higher duty periods in constable / senior constable positions from 1 October 2004.

30.2.2 Aggregation of higher duty periods for Officers of Police will be allowed following the completion of twelve months of service at the highest increment of their substantive rank.

#### **30.3 Continuous Relieving Provision**

30.3.1 Where a member is appointed into a promotional position at the rank at which he/she is performing continuous higher duties relieving for a period of less than twelve months, the member is eligible to receive a backdated incremental date to the commencement of that continuous relieving period.

### **31. OFFICER EXTENDED DUTIES**

In lieu of the 80 per cent extended duties allowance prescribed in Clause 15A of the Police Officers Award, the allowance will be 100 per cent.

### **32. SENIOR CONSTABLES**

In situ promotion is a process whereby employees who have met all criteria for promotion to a particular rank will be able to progress to that rank in the role they are currently performing.

#### **32.1 In Situ Progression Process**

32.1.1 In situ progression from Constable to Senior Constable will occur 5 years after permanent appointment (5 years of service at the rank of Constable), subject to qualification for the rank of Senior Constable.

32.1.2 Constables who become Senior Constables through in situ progression will progress according to years of service through the Senior Constable incremental range up to and including Increment Level 6.

32.1.3 To facilitate in situ progression, PIDs will be grouped into the following categories:

- Constable/Senior Constable PIDs
- Senior Constable First Class PIDs
- Senior Constable First Class PIDs with service conditions including the availability of Brevet Sergeant rank.

32.1.4 There will be no higher duties relieving in Constable/Senior Constable positions.

32.1.5 Members who join the Police Band after 1 October 2004 will only be eligible to progress to Senior Constable provided they are able to meet normal recruit entry standards and successfully complete all aspects of the Constable Development Program (which includes a Recruit Training Course and a period as a Probationary Constable during which they are required to demonstrate designated workplace competencies) prior to satisfying the requirements for in situ progression as provided in Clause 32.1.1.

#### **32.2 Transition Arrangements**

32.2.1 As per the Increment Progression Policy in SAPG 167/02, aggregated periods of higher duties relieving in Senior Constable positions between the dates of 19 November 1998 and 1 October 2004, which are of twelve months, will be recognised for the purposes of determining the Senior Constable incremental level to which a Constable, eligible for in situ

promotion, may proceed. In exceptional circumstances, long-term higher duty performance prior to 19 November 1998, may be aggregated. From 1 October 2004, Clause 30 of this Agreement will apply with respect to incremental progression.

32.2.2 Constables who have voluntarily reverted in rank from Senior Constable, and who on the date of restructure become Senior Constables through in situ progression, may have their previous service as a Senior Constable taken into account for the purpose of determining which Senior Constable incremental level they shall commence from at the date of restructure.

## **PART F – FUTURE DIRECTIONS AND ONGOING CONSULTATIONS**

### **33. VOLUNTARY FLEXIBLE WORKING ARRANGEMENTS**

The parties acknowledge the mutual benefit to the employer and employee of Voluntary Flexible Working Arrangements (VFWAs) to enable organisational and staff flexibility and to assist employees to balance work and other (including family) responsibilities.

The following types of VFWA will be available to all SAPOL staff covered by this Agreement according to the guidelines and conditions stated in SAPOL policies:

- Purchased Leave
- Special Leave Without Pay (SLWOP) (includes Career Breaks)
- Working from Home

### **34. INDIVIDUAL PERFORMANCE MANAGEMENT PROGRAM**

The parties are committed to the continued implementation of the individual performance management program on a trial basis, with the objective of extending the program to all employees covered by this Agreement.

### **35. COUNTRY INCENTIVES**

#### **35.1 Hard to Fill Rural and Remote Postings**

On occasions, SAPOL experiences difficulties in attracting suitable police officers to certain rural or remote locations. The following strategies, designed to attract more police officers to these hard to fill locations, will be introduced during the life of this Agreement:

35.1.1 A classification system incorporating two levels of incentives has been created to apply to rural and remote postings which SAPOL has difficulty filling by the normal selection processes.

35.1.2 Level 2 incentives will apply where a police officer is required to reside in the Anangu Pitjantjatjara or Yalata Lands. The initial vacancy advertisement in the South Australian Police Gazette (SAPG) will carry the notification of the 'Level 2 Hard to Fill' classification in recognition of the unique difficulties in working at these locations and the importance of attracting suitable staff. This classification enables a negotiable conditions package to be available as part of the terms and conditions for appointment to the position.

- 35.1.3 All other rural and remote positions will be advertised in the usual manner with the usual selection processes following, including the utilisation of Regulation 29 transfers if appropriate. Should the vacancy remain unfilled, Level 1 incentives **may** be invoked at the discretion of the Commissioner of Police or his delegate. The vacancy will then be readvertised in the SAPG with the 'Level 1 Hard to Fill' classification. This classification enables a negotiable conditions package to be available as part of the terms and conditions for appointment to the position.
- 35.1.4 Any gazetted 'Hard to Fill' position will be open to Regulation 29 applicants. Further, the Commissioner of Police or nominated delegate may determine that any Hard to Fill position be open to candidates of a higher rank than the advertised position, up to the rank of Sergeant, subject to changes to the Police Regulations, 1999, to facilitate this. An employee of a higher rank, transferring to a position of lower rank pursuant to Clause 35.1.4, will maintain their higher rank and increment level.
- 35.1.5 The parties will work together to seek any legislative changes required to Part 7 Transfers, of the Police Regulations, 1999, to facilitate Clause 35.1.4.
- 35.1.6 It is intended that members may select incentives which are suited to their particular needs. The cost of providing each incentive will vary from situation to situation and the total cost of the nominated incentives to SAPOL will be taken into consideration by the Commissioner of Police or his delegate, in negotiating a package.
- 35.1.7 Attachment 3 sets out the conditions and benefits that will be considered for inclusion as part of Level 1 and Level 2 incentives.
- 35.1.8 Incentives will apply for the duration the position is occupied by the selected member only.
- 35.1.9 Level 1 incentives will not be permanently attached to any specific position. Each position will be reviewed upon it becoming vacant.
- 35.1.10 A contract on agreed conditions will be established between the member and the Commissioner of Police or his delegated authority prior to the appointment being gazetted.

## **35.2 Country Relief Allowance**

Metropolitan-based Operations Service Relief Members (PID 1088) are required to serve at any posting throughout the State and can be deployed for an extended period at very short notice. In practice, postings are generally three months in duration.

As an incentive to attract members to these positions, the following payment will be introduced:

35.2.1 Operations Service Relief Members will, for the duration of any temporary transfer to country locations where they are required to reside away from their normal place of residence, be paid a Country Relief Allowance of \$100 per week, or part thereof, in addition to other Award/Agreement entitlements.

35.2.2 The payment will not form part of annual salary and will not be included for the purposes of calculating any other Award/Agreement entitlements (eg. overtime, shift penalties, etc) or superannuation.

### **36. CONSTABLE DEVELOPMENT PROGRAM REVIEW / PATROL TUTOR ALLOWANCE**

SAPOL will proceed with implementation of the approved recommendations resulting from the Constable Development Program Review including the creation of a patrol tutor function to directly manage the development of cadets during “outphase” and probationary constables during the first six months of service following graduation.

36.1 Upon implementation, a daily payment of \$8 (Patrol Tutors Allowance) will be made to designated patrol tutors (Constables, Senior Constables and Senior Constables First Class, where applicable) for each day that they undertake the function.

36.2 The payment will not form part of annual salary and will not be included for the purposes of calculating any other Award/Agreement entitlements (eg. overtime, shift penalties, etc) or superannuation.

36.3 It is anticipated that implementation of the Proposed Constable Development Program will occur from January 2006.
