## **1. ENTERPRISE AGREEMENT**

- 1.1 This Enterprise Agreement is made pursuant to the *Fair Work Act 1994*, Chapter 3, Part 2.
- 1.2 This Enterprise Agreement may be referred to as the “South Australian Public Sector Wages Parity Enterprise Agreement: Salaried 2014”.
- 1.3 This Enterprise Agreement will have effect only if approved by the Industrial Relations Commission of South Australia (“Commission”).
- 1.4 The term of this Enterprise Agreement shall be two years from the date of approval by the Commission.
- 1.5 The parties to this Enterprise Agreement acknowledge that issues of Government policy, service levels, Commissioner for Public Sector Employment (CPSE) Standards, Directions, Circulars, Guidelines, including as may be issued under the *Public Sector Act 2009*, Chief Executive determinations and resource allocation fall outside the parameters of this Enterprise Agreement. The employer parties undertake to, wherever possible, keep relevant employees informed of these issues.

## **2. OBJECTS AND COMMITMENTS**

## **5. OTHER ENTERPRISE AGREEMENTS**

- 5.1 This Enterprise Agreement supersedes all previous enterprise agreements that applied to some or all of the employees bound by this Agreement and no party will oppose an application to formally rescind a superseded enterprise agreement.
- 5.2 The clauses in each Part of Appendix 3 are “saved clauses” from superseded Enterprise Agreements. Each Part of Appendix 3 will only apply to the particular agency, or part of the particular agency; and the salaried employees within the particular agency or part, as is specified in the Part.

## **6. SALARY AND WAGE ADJUSTMENTS**

- 6.1 This clause refers to the salary schedules appearing in Appendix 2: Parity Salaries and Wages.

### **SALARY INCREASES**

- 6.2 Except as provided by this clause, the salaries payable to employees are those detailed in Appendix 2: Parity Salaries and Wages which provides for salaries which will operate from the first full pay period (ffpp) to commence on or after the dates specified (the “applicable date”), namely:
- 1 October 2014;
  - 1 October 2015 and
  - 1 October 2016 respectively.
- 6.3 The salary payable to an employee as at the applicable date shall not reduce by reason of a salary schedule in this Enterprise Agreement.
- 6.4 This sub-clause applies to “pegged employees”. A “pegged employee” is an employee who is in receipt of a wage rate which has been pegged at a rate above that which is generally payable in relation to the employee’s classification or position.
- 6.4.1 A pegged employee will not be entitled to any percentage or other increase in wage rate by reason of this Enterprise Agreement, unless the increase to the substantive rate of pay for an employee’s classification, or position, brings that rate up to an amount higher than the pegged rate. In that event, the increase payable will be the difference between the new substantive rate and the pegged rate.
- 6.4.2 Once the rate of pay for a pegged employee’s classification equals or exceeds the employee’s pegged rate, the employee will, for all purposes, be regarded as not being subject to a pegged rate of pay.
- 6.5 Where applicable, a reference in Appendix 2: Parity Salaries and Wages to date of approval will be taken to mean the first pay period to commence on or after the date on which the Commission approves this Enterprise Agreement.

### **INCREMENTAL PROGRESSION**

- 6.6 An employee will progress to the next increment as currently occurs (‘their expected increment date’) unless, in the course of implementing an agency’s performance management and/or development system (however described), the employee is assessed either as not performing at a satisfactory level (i.e. the work being performed or produced is not commensurate with the level, quality and timeliness required from the duties (or position)); or as not meeting performance standards. For the purposes of this clause, this assessment is referred to as ‘the initial assessment’.
- 6.6.1 An employee will be entitled to at least three calendar months prior notice (written or email) of the initial assessment as per clause 6.6 and may, within one month, request either a reassessment or a review of the assessment, which is to be concluded by not later than one month prior to their expected increment date.

- 6.6.1.1 If upon a reassessment or review the employee is assessed either as performing at a satisfactory level or as meeting performance standards, the employee will not be impeded from progressing to the next increment level.
- 6.6.2 If pursuant to this clause an employee does not progress to the next increment level, the employee will work with the agency with the object of improving their performance to at least a satisfactory level during the ensuing six months after the initial assessment (and thereafter as may be applicable).
- 6.6.3 During the six months after the initial assessment, an employee may, at not less than three monthly intervals, request to be reassessed.
- 6.6.4 If, during six months after the initial assessment, an employee is assessed as:
  - 6.6.4.1 Performing at a satisfactory level or as meeting performance standards, the employee will progress to the next incremental level at the six calendar month anniversary after what would otherwise have been their expected incremental date; or
  - 6.6.4.2 Not performing at a satisfactory level or as not meeting performance standards, the employee will not progress to the next increment level.
- 6.6.5 If, more than six months after the initial assessment, an employee is assessed as:
  - 6.6.5.1 Performing at a satisfactory level or as meeting performance standards, the employee will progress to the next incremental level at the twelve month anniversary after what would otherwise have been their expected incremental date; or
  - 6.6.5.2 Not performing at a satisfactory level or as not meeting performance standards, the employee will not progress to the next increment level.
- 6.6.6 An employee who does not progress to the next increment level consequent on an assessment during the first twelve months after what would otherwise have been their expected incremental date, may request a reassessment at not less than six monthly intervals. If assessed as performing at a satisfactory level or as meeting performance standards, the employee will progress to the next incremental level at the subsequent applicable anniversary of what would otherwise have been their incremental date in that year, otherwise the employee will not progress.
- 6.6.7 In this clause “performance standards” means achieving performance targets or work output applicable to the employee; behaviour in accordance with the public sector code of conduct; actively participating in an agency’s performance management and/or development system (however described); and applying learning and development.
- 6.6.8 This clause does not apply to an age or qualification based increment and is not intended to preclude a process that may occur pursuant to the *Public Sector Act 2009*.

## **7. SALARY PACKAGING ARRANGEMENTS**

- 7.1 This clause applies for the period an employee enters into a Salary Sacrifice Agreement. A Salary Sacrifice Agreement (SSA) is the formal administrative instrument between the employer and the employee which enables salary packaging arrangements to be put in place.
  - 7.1.1 Subject to this clause, the salary payable to an employee, or applicable to a position where the occupant elects to enter into a SSA, pursuant to this Wages Parity (Salaried) Enterprise Agreement (WPEA) will be the salary payable under the SSA, notwithstanding any other provision in, or Schedule of, this WPEA.
  - 7.1.2 Any entitlement to payment of overtime, leave loading or shift allowance will be based on the salary that would have been payable had the employee not entered into a SSA.
  - 7.1.3 Where, on cessation of employment, the employer makes a payment in lieu of notice; or a payment in respect of accrued recreation or long service leave entitlements (instead of transferring leave credits to another employer party to this WPEA in the event the employee immediately becomes employed by that employer party), the payment thereof shall be based on the salary that would have been payable had the employee not entered into a SSA.

## **8. REDEPLOYMENT, RETRAINING AND REDUNDANCY**

- 8.1 Subject to this clause and conditional on approval of this Enterprise Agreement, the parties acknowledge that this agreement is made and entered into on the basis that a new redeployment, retraining and redundancy scheme as detailed in Appendix 1 will be implemented to apply to agencies and employees covered by this Enterprise Agreement.
- 8.2 The parties to this Enterprise Agreement agree that a CPSE's Determination in relation to Redeployment, Retraining and Redundancy will apply to the parties bound as defined in Clause 4 of this Enterprise Agreement. Where an agency is not usually bound by a CPSE Determination it will adopt that as policy to apply to employees to be covered by the proposed Agreement.

## **9. WORKLIFE FLEXIBILITY**

### **VOLUNTARY FLEXIBLE WORKING ARRANGEMENTS**

- 9.1 The parties acknowledge the mutual benefit to the employer and employee of Voluntary Flexible Working Arrangements (VFWA) to balance work and other (including family) commitments.
- 9.1.1 Agencies will promote and improve the awareness of VFWAs in the public sector during the life of this Enterprise Agreement.
- 9.1.2 A Chief Executive will consider an employee's request to participate in a VFWA having regard both to the operational needs of the agency or particular workplace, and the employee's circumstances.
- 9.1.3 This clause applies for the period an employee participates in a VFWA.
- 9.1.3.1 Subject to this clause, the salary or wages payable to an employee, or applicable to a position, where the employee elects to participate in a VFWA, will be adjusted to take account of the VFWA in which the employee is participating, notwithstanding any other provision in, or Schedule of, this Enterprise Agreement or relevant Award.
- 9.1.3.2 Where an employee is participating in a Purchased Leave type of VFWA, the rate of pay to be used for calculating overtime payments, leave loading or shift penalties will be the rate of pay that would have been payable had the employee not been participating in the Purchased Leave arrangement.
- 9.1.3.3 Where an employee is participating in a Compressed Weeks type of VFWA, the nominated normal hours for any day will constitute the employee's ordinary hours for the day. Overtime will only be payable where the employee is required to work hours in excess of those ordinary hours on any day or in excess of the total of those ordinary hours in a week.
- 9.1.3.4 Where, on cessation of employment, the employer makes a payment in lieu of notice; or a payment in respect of accrued recreation or long service leave entitlements (instead of transferring leave credits to another employer party to this Enterprise Agreement in the event the employee immediately becomes employed by that employer party), the payment thereof (or the transferred leave credits) shall have regard to any period/s in which the employee participated in a VFWA and be adjusted accordingly.

### **PAID MATERNITY LEAVE AND PAID ADOPTION LEAVE**

- 9.2 Paid maternity leave, paid adoption leave and paid leave to enable parent-child relationships through surrogacy parenting applies in accordance with this clause. For the purpose of this clause maternity and adoption leave includes a parent taking primary caring responsibility (parent-child relationship) as a consequence of a surrogacy arrangement.
- 9.3 This clause applies to employees who commence an absence on maternity leave or adoption leave on or after the date of approval by the Commission of this Enterprise Agreement.
- 9.3.1 Subject to this clause, an employee, other than a casual employee, who has completed 12 months continuous service immediately prior to the birth of the child, or immediately prior to taking custody of an adopted child (as applicable), is entitled to: sixteen (16) weeks paid maternity or adoption leave (as applicable) (the "applicable maximum period"). "Adopted child" means a child under 16 years of age.

- 9.3.2 An employee who, at the time of commencing such paid maternity or adoption leave, has been employed in the SA public sector for not less than five (5) years (including any periods of approved unpaid leave will be entitled to twenty (20) weeks (the “applicable maximum period”).
- 9.3.3 The following conditions apply to an employee applying for paid maternity leave or paid adoption leave:
- 9.3.3.1 The total of paid and unpaid maternity/adoption/surrogacy/parental/special leave is not to exceed 104 calendar weeks in relation to the employee’s child. For the purposes of this clause, child includes children of a multiple birth/adoption/surrogacy.
- 9.3.3.2 An employee will be entitled to the applicable maximum period, paid at the employee’s ordinary rate of pay (including allowances that are expressed as being payable ‘for all purposes’ but otherwise excluding allowances, penalties or other additional payments) from the date maternity/adoption/surrogacy leave commences. The paid maternity/adoption/surrogacy leave is not to be extended by public holidays, rostered days off, programmed days off or any other leave falling within the period of paid leave.
- 9.3.4 At the time of applying for paid maternity leave or paid adoption leave, the employee may elect in writing:
- 9.3.4.1 To take the paid leave in 2 periods split into equal proportions during the first 12 months of the commencement of their paid leave; or
- 9.3.4.2 To take the paid leave at half pay in which case, notwithstanding any other clause of this Enterprise Agreement, the employee will be entitled, during the period of leave, to be paid at half the ordinary rate of pay (including allowances that are expressed as being payable ‘for all purposes’ but otherwise excluding allowances, penalties or other additional payments) from the date maternity/adoption leave commences; or
- 9.3.4.3 A combination of (a) and (b).
- 9.3.5 Part time employees will have the same entitlements as full time employees, but paid on a pro-rata basis according to the average number of contracted hours during the immediately preceding 12 months (disregarding any periods of leave).
- 9.3.6 During periods of paid or unpaid maternity leave, sick leave with pay will not be granted for a normal period of absence for confinement. However, any illness arising from the incidence of the pregnancy may be covered by sick leave to the extent available, subject to the usual provisions relating to production of a medical certificate and the medical certificate indicates that the illness has arisen from the pregnancy.
- 9.3.7 Where both prospective parents are employees covered by this Enterprise Agreement; or if the other prospective parent is an employee of the same agency as the employee who is taking paid leave in accordance with this clause (i.e. the other prospective parent is not covered by this Enterprise Agreement but is employed by the same agency), the period of paid maternity, adoption leave (as applicable) may be shared by employees, provided that the total period of paid maternity, adoption leave does not exceed the applicable maximum and that the leave is taken in periods of not less than four weeks and has regard to the operational needs of the agency or agencies. Parents who are employees of the same agency but are covered by different enterprise agreements may only share a period of paid maternity or adoption leave arising under one or other enterprise agreement (i.e. it is not intended that a public sector employee would somehow have access to more than one entitlement to paid maternity or adoption leave in respect of a child/ren).
- 9.3.8 The parties acknowledge that the new federal parenting leave scheme proposed to commence in July 2015 may result in variation to and/or new entitlements that may be taken in lieu of current entitlements.

#### **RETURN TO WORK ON A PART TIME BASIS**

- 9.4 Subject to this clause, an employee is entitled to return to work after maternity or adoption leave on a part time basis, at the employee’s substantive level, until the child’s second birthday. The days and hours for the part time arrangement will be as agreed between the relevant Chief Executive and the employee.
- 9.4.1 The following conditions apply to an employee applying to return on a part time basis:

- 9.4.1.1 The employee will provide such request at least 6 weeks prior to the date on which the employee's maternity or adoption leave is due to expire, and will provide to the Chief Executive such information as may reasonably be required, including the proportion of time sought, and the date of the relevant child's second birthday.
- 9.4.1.2 At least 6 weeks prior to the relevant child's second birthday, the employee will advise the Chief Executive whether the employee will revert to employment on a full time basis or seeks to continue to be employed on a part time basis.
- 9.4.1.3 An employee's return to work part time will be on a non-discriminatory basis so as to operate in the same manner as any other employee returning from a period of leave.
- 9.4.1.4 If an agency (as prescribed in clause 4.2) has less than 100 (FTE) employees, a minimum of 12 weeks will apply instead of the 6 weeks prescribed in this sub-clause.

#### **PAID PARTNER LEAVE**

- 9.5 Subject to this clause, an employee (other than a casual employee) is entitled to access up to one calendar week (i.e. five working days) (*pro rata* for part-time employees) of their accrued sick leave entitlement on the birth or adoption of a child/ren for whom the employee has direct parental care responsibility. The leave will be taken as full working day/s within 3 months of the birth or adoption of the child/ren.
- 9.5.1 It is not intended that this paid partner leave entitlement will detract from any more beneficial entitlement or arrangement applicable within an agency as at the commencement of this clause (i.e. an 'existing arrangement'). An employee can make use of that existing arrangement or the paid partner leave, but not both.
- 9.5.2 Except in relation to an existing arrangement; an agency's specific paid partner leave policy; or a requirement of this clause, the administrative arrangements within an agency for taking this leave will generally be as applicable to Family Carer's Leave.

#### **FAMILY CARER'S LEAVE**

- 9.6 For the purpose of this clause, the following are to be regarded as members of a person's family: a spouse (including a defacto spouse or a former spouse); a child or step child; a parent or parent in-law; any other member of the person's household; a grandparent or grandchild; any other person who is dependent on the person's care.
- 9.6.1 An employee (other than a casual employee) with responsibilities in relation to a member of the employee's family who needs the employee's care and support due to personal injury or for the purposes of caring for a family member who is sick and requires the employee's care and support or who requires care due to an unexpected emergency, is entitled to up to 10 days (or the equivalent in hours) of their accrued sick leave entitlement in any completed year of continuous service (*pro rata* for part time employees) to provide care and support for such persons when they are ill.
- 9.6.2 This access is available if the following conditions are satisfied: the employee must have responsibility for the care of the family member concerned; and the employee produces satisfactory evidence of sickness of the family member, if requested.
- 9.6.3 The ability to access this leave does not in any way limit an employee's right to apply for special leave in accordance with arrangements provided elsewhere for this leave.

#### **REIMBURSEMENT OF REASONABLE CHILD CARE COSTS**

- 9.7 Where an employee, other than a casual employee, is given less than 24 hours prior notice that the employee is required to work outside of their ordinary hours of work, and consequently the employee utilises paid child care, the agency will reimburse the reasonable child care costs incurred by the employee arising from performing such work, subject to this clause.
- 9.7.1 The prior period of 24 hours is to be calculated from the time at which the work is to begin.
- 9.7.2 The work, or the hour/s to be worked, is not part of a regular or systematic pattern of work or hour/s performed by the employee.
- 9.7.3 The reimbursement will be in respect of the reasonable costs incurred by the employee in respect of the work.

- 9.7.4 Reimbursement will be made for child care costs in respect of Registered Care or Approved Care after all other sources of reimbursement have been exhausted. Where the child care costs are incurred for child care not in a registered or approved centre, reimbursement will be made in accordance with a child care reimbursement rate, and guidelines, published from time to time by the CPSE or the employee's agency.
- 9.7.5 The employee will provide the agency with a Child Benefit Claim Form for either Registered Care or Approved Care, tax invoice/receipt, or other supporting documentation as may from time to time be required detailing the cost incurred, or reimbursement sought, in respect of the work.
- 9.7.6 For the purposes of this clause, a reference to work is a reference to the work outside the employee's ordinary hours, or regular or systematic pattern of work or hour/s, for which less than 24 hours prior notice is given.

**REIMBURSEMENT OF REASONABLE TRAVEL COSTS**

- 9.8 Where an employee, other than a casual employee, is required to work outside of their ordinary hours of work and the period of work starts or finishes outside of the ordinary timetabled operating hours of public transport, the employee will be entitled to reimbursement of reasonable home to work or work to home (as applicable) travel costs, subject to this clause.
  - 9.8.1 The work, or the hour/s to be worked, is/are not part of a regular or systematic pattern of work or hour/s performed by the employee.
  - 9.8.2 The employee ordinarily uses public transport.
  - 9.8.3 Travel is by the most direct or appropriate route.
  - 9.8.4 Reimbursement of reasonable taxi costs, or mileage at a rate determined from time to time by the CPSE.
  - 9.8.5 The employee will provide the agency with such tax invoice/receipt or other supporting documentation as may from time to time be required detailing the cost incurred or reimbursement sought.

**DOMESTIC / RELATIONSHIP VIOLENCE**

- 9.9 The parties acknowledge that an employee who is experiencing domestic or relationship violence (actual or threatened) can make reasonable use of, and an agency will provide reasonable access to, existing leave and flexible and safe working arrangements.

**10. OVERTIME SALARY**

- 10.1 Subject to this clause, a reference in clause 6.1.3 of the S.A. Public Sector Salaried Employees Interim Award (SAPSSEI Award) to a maximum salary of a classification shall be taken to be a reference to a maximum salary of a classification as provided in this clause.
  - 10.1.1 For the purposes of clause 6.1.3 of the SAPSSEI Award, the maximum salary in relation to the payment for overtime for an employee or position that has a classification in Column 1 is the top increment of the classification level in Column 2.

11.2 On-Call Allowances

11.2.1 Employees bound by this Enterprise Agreement, who are rostered to be on-call of a night time, will be paid an allowance for each night as follows:

On-call Allowance	Current	First full pay period on or after 1/10/2014	First full pay period on or after 1/10/2015	First full pay period on or after 1/10/2016

- b) Of ‘a night time’ during Monday – Friday that is a ‘part-day public holiday’,
  - the on-call allowance in sub- clause 11.2.2 will apply to the ‘night time’ (i.e. instead of the rate in sub- clause 11.2.1),
  - For example: (a) If a public holiday falls on a Wednesday and the employee is rostered on-call for both the Tuesday night time and the full public holiday, the employee will be entitled to the public holiday on-call rate for the Tuesday ‘night time’ period. (b) If a ‘part-day public holiday’ (refer: amended Holidays Act 1910) falls on a Monday and an employee is rostered on-call for that night time, the employee will be entitled to the public holiday rate.

11.3 On-Call Conditions

11.3.1 No employee should be rostered or required to be on-call more frequently than a total of 7 days every 14 days. Any arrangement that would require an employee to be on-call more frequently than this must only be introduced where the employee concerned genuinely agrees to it.

11.3.2 The frequency, duration, etc. of being on-call is to be established through consultation with the employees affected and if requested by the employees, their representatives, having particular regard to occupational health and safety considerations.

11.3.3 Employees who are on-call must be contactable whilst on-call but will not be restricted to their residence.

11.3.4 Employees who are on-call will be provided with any equipment required for their work (except where existing award provisions or other agreed arrangements, which require employees to provide their own equipment, are in place).

- 11.4.2 Subject to 11.4.3 below, employees bound by this Enterprise Agreement, regardless of classification and salary level (but less than executive level or equivalent), will be entitled to payment at overtime rates (or time off in lieu by agreement) for work performed from home when on-call, provided that the total time spent so working on any day and/or night is at least 30 minutes.
- 11.4.3 The rate of pay to be used for calculating the payment for overtime worked in the circumstances described in 11.4.1 and 11.4.2 is in accordance with Clause 11 Overtime Salary.
- 11.4.4 Despite the provisions of 11.4.3, the CPSE may determine special arrangements where the particular circumstances of any case require a different approach. Where such special arrangements are inconsistent with any of the provisions of this clause, they will prevail over the provisions of this clause to the extent of that inconsistency.
- 11.4.5 All employees who travel to work as a result of receiving a recall to work will be:
- 11.4.5.1 Reimbursed for use of a private motor vehicle for the journey to and from the workplace using the shortest, most practicable route (together with any parking fees) (provided that no employee will be required to use a private vehicle for work purposes); or

  - Achieving continuous improvement, and best practice, in occupational health and safety, and injury management performance.
  - Implementation and continuous improvement of monitoring and reporting systems.
  - Development and implementation of more flexible "return to work" options aimed at improving return to work performance.

- A collaborative approach to identifying hazards, assessing risks and implementing reasonable measures to eliminate or minimise those risks.
  - Participation in pro-active prevention strategies aimed at improving the health, safety and well-being of all employees.

- 13.4 The employer acknowledges the benefits both to the organization and individual employees gained through employees having a balance between their work and personal life.
- 13.4.1 In establishing and maintaining a safe and healthy work environment, an agency will not require an employee to have an unreasonable workload in the ordinary discharge of the employee's duties.
- 13.4.2 The employer and agencies recognise that the allocation of work (including new or revised duties) must include consideration of the employee's hours of work, health and safety. Work will be allocated so that there is not an allocation that routinely requires work to be undertaken beyond an employee's ordinary hours of work.
- 13.4.3 A Chief Executive may require an employee to work overtime:
- 13.4.3.1 If work is unavoidable because of work demands and reasonable notice of the requirement to work overtime is given by the Chief Executive; or
- 13.4.3.2 If, due to an emergency or immediate service delivery need, it has not been possible to provide reasonable notice.
- 13.4.4 If an individual or group of individuals believe that there is an unreasonable allocation of work leading to employees being overloaded with work or an employee is unable to access accrued recreation leave as a result of work load (as distinct from operational requirements), the individual, group of individuals, or Union concerned may first raise the allocation with local management and if applicable seek to have the allocation reviewed by the Chief Executive. The review will address the employees' concerns and identify how workloads can be managed without creating unreasonable workloads.

- 14.1 The parties are committed to, and acknowledge the mutual benefit to the employer and employee of planned human resource development and the provision and participation in relevant development opportunities (including accredited training).
- 14.2 The parties acknowledge that value is created for employees, agencies, and the public by building employee capability and by investing in the development of skills and capabilities that will support a continually changing public sector environment, career opportunities, flexibility and responsiveness to client and agency needs and the reputation of the public sector as an employer of choice.
- 14.3 The parties acknowledge that agencies will continue to implement the principles contained in the Guideline for Planned Human Resource Development and the Guideline for Individual Performance Development issued by the CPSE (or other such guidelines as may be issued by an agency).

- 15.1.1 Reimbursement of the reasonable cost of appropriate professional development expenses incurred during their employment subject to the following:
  - 15.1.1.1 The professional development is a compulsory requirement of a recognised professional registration or accreditation body applicable to the employee's professional capacity in order for the employee to maintain or acquire his or her registration or accreditation in the professional occupation or capacity in which he or she is employed; and
  - 15.1.1.2 The agency explicitly requires such registration or accreditation to be maintained or acquired for the performance by the employee of the duties for which he or she is employed;
  - 15.1.1.3 Provided that reimbursement will not apply:
    - i. If the employee does not successfully complete the relevant professional development; or
    - ii. If the employee ceases for any reason to be registered or accredited or is the subject of any disciplinary process being undertaken by the registration or accreditation body that may result in loss of registration or accreditation (but reimbursement will apply if there is no adverse disciplinary finding); or
    - iii. If the fees or charges were partly or wholly incurred before entering employment with the agency or undertaking with the agency the duties of the applicable professional occupation, provided that the agency may agree to meet any part that arises during employment or the performance of the relevant duties.
- 15.1.2 Up to 5 days paid professional development leave over two years to attend approved professional development for which the employee is entitled to reimbursement under this clause. Any request for leave beyond 5 days will be subject to the applicable (discretionary) processes within the agency in relation to paid or unpaid leave.

    - i. If the regional employee's headquarters is more than 100km by road (including ferry) from the Adelaide GPO that employee will be entitled to receive one day of travelling time per annum for the purposes of undertaking applicable professional development within metropolitan Adelaide or at a location more than 100km by the safest direct road (including ferry) route from the employee's headquarters.
    - ii. - 15.2 This clause does not detract from the operation of clause 15 Training and Development.

## **16. WORKPLACE FLEXIBILITY**

- 16.1 The parties agree that an agency may negotiate and reach agreement at a workplace level with employees within that workplace (including an individual employee), on more flexible employment arrangements that will better meet the operational needs of the workplace having regard to the needs of employees (including taking into account employees' family and other non-work responsibilities).

### **WORKPLACE FLEXIBILITY PROPOSAL**

- 16.2 This clause applies to a proposal by an agency or employee/s within a workplace to negotiate and agree flexible employment arrangements to operate within a workplace (a "Workplace Flexibility Proposal").
  - 16.2.1 Where an agency or employee/s intends to initiate a Workplace Flexibility Proposal, the initiator will notify the agency or employee/s (as applicable) within the workplace likely to be affected, of the terms of the proposal and the manner in which it is intended to operate. The agency will provide such information to such employee representative/s party to this

Enterprise Agreement that it believes may represent employees within the applicable workplace and will consult with the employee representative/s and affected employee/s in accordance with the consultative principles in this Enterprise Agreement.

- 16.2.2 Consultation in respect of a Workplace Flexibility Proposal will have regard to operational efficiency and productivity work and non-work impacts on individual affected employees and whether the Proposal has policy implications across agencies in the public sector. Where such policy implications arise, the affected employee/s, or relevant employee representative/s party to this Enterprise Agreement, may refer the Proposal to the CPSE for consultation with those employee/s and with relevant employee representative/s party to this Enterprise Agreement.
- 16.2.3 A Workplace Flexibility Proposal may not be put to a vote by affected employees where it proposes employment arrangements that are less favourable (considered as a whole) than arrangements applying pursuant to this Enterprise Agreement (including a relevant Award) provided that this requirement will be deemed to be met where the relevant agency and the relevant employee representative/s party to this Enterprise Agreement have agreed that this requirement has been met.
- 16.2.4 Where a majority of affected employees agree (whether by ballot or otherwise) to a Workplace Flexibility Proposal, the employment arrangements agreed will be provided in writing and will apply as if incorporated as an appendix to this Enterprise Agreement (a "Workplace Flexibility Agreement").
- 16.2.5 A party may apply to vary this Enterprise Agreement to add any Workplace Flexibility Agreement as a schedule within Appendix 4 Workplace Flexibility Agreements to remove any uncertainty in the operation of this clause in giving effect to any Workplace Flexibility Agreement. The parties agree that any such application will be dealt with in accordance with the Variation clause in this Enterprise Agreement and will operate only in respect of the agency and workplace specified within the schedule.

#### **PERSONAL FLEXIBILITY AGREEMENT**

- 16.3 An individual employee and Chief Executive of an agency may mutually and voluntarily agree to make a written "Personal Flexibility Agreement" that will apply in accordance with this clause.
- 16.3.1 The employee and Chief Executive of an agency must agree that there is mutual advantage in making such agreement (i.e. they each consider themselves better off overall having regard to this enterprise agreement and applicable award (considered as a whole)).
- 16.3.2 The Personal Flexibility Agreement will operate in accordance with its terms notwithstanding this Enterprise Agreement (other than this clause) and/or applicable award and will not operate for a period/s that extend/s beyond the life of this Enterprise Agreement.
- 16.3.3 A Personal Flexibility Agreement will cease to operate at the end of not less than four weeks written notice to the other (the last day to coincide with the end of a pay period applicable to the employee), unless earlier cessation is agreed by the Chief Executive and employee.
- 16.3.4 A Personal Flexibility Agreement may, for example, provide for a personal arrangement as to the hours within which work is to be performed (whether at ordinary or penalty rates); configuration of working hours; and/or an all-inclusive or 'loaded' salary (that may have regard to eg. out of ordinary hours; split working day arrangement; personal configuration for hours work; on-call and/or recall; availability and/or work performed out of hours whether at a workplace or by telephone and/or electronic means; annualised salary having regard to working arrangement and/or anticipated out of hours work; the particular nature of the work being performed; or otherwise). Other than in relation to personal details, the content of a Personal Flexibility Agreement will not be confidential.
- 16.3.5 A request by an individual employee to an agency for a Personal Flexibility Agreement is not a breach of the no extra claims clause and an agency is not required to accede to such request (i.e. it is wholly voluntary on the part of each of the employee and agency). Despite any other clause of this Enterprise Agreement, a decision by an employee or an agency to not consider and/or to make a Personal Flexibility Agreement cannot be the subject of a dispute or review.
- 16.3.6 In this clause, "individual employee" means an employee:

- 16.3.6.1 whose salary is not less than the equivalent of step 1 of ASO6 (irrespective of classification stream); or
- 16.3.6.2 who has not less than 10 years experience in the occupation or duties for which the employee is employed (whether gained within or outside the public sector); or
- 16.3.6.3 who is employed in a discrete function or occupation/profession for which personalised flexibility is considered both by the employee and the chief executive as being mutually beneficial.

## **17. RECLASSIFICATION DATE**

- 17.1 Where an employee makes application for reclassification to the Chief Executive in writing on a form approved by the Chief Executive, and if that application is acceded to, the operative date for that application will be no earlier than the date of lodgement and no later than three (3) calendar months from the date of lodgement.

## **18. TOIL AND FLEXI-TIME ACCRUALS**

- 18.1 An employee who accrues:
  - 18.1.1 Time off in lieu of the payment of overtime (TOIL) in accordance with the applicable Award or this Agreement; or
  - 18.1.2 Flexi-time (as accrued through a "flexi-time arrangement") with the approval of management to meet workload demands,
    - a) Cannot lose that entitlement of accrued TOIL or flexi-time; and
    - b) Must take the entitlement of accrued TOIL or flexi-time in accordance with the following:
      - i. At a time agreed with the employer within 3 months of accrual; or
      - ii. With the agreement of the employer, may accrue up to 10 days TOIL or 10 days of such flexi-time in a financial year before being subject to a direction to take the time; or
      - iii. At a time directed by the employer where the employee has not taken the time within 3 months of accrual or would otherwise carry forward to the next financial year more than 10 days TOIL or 10 days of such flexi-time.
- 18.2 Where an employee has been permitted to accrue TOIL or such flexi-time in excess of 10 days, the employee may apply to the employer to convert such TOIL or flexi-time (as applicable) into a payment at their ordinary rate of pay.

## **19. MINIMUM HOURS OF ENGAGEMENT**

- 19.1 During the life of this Enterprise Agreement, a casual employee will be engaged for a minimum period of three (3) hours, unless otherwise expressly agreed between the agency and the employee.
- 19.2 During the life of this Enterprise Agreement, a part time employee will be engaged for a minimum shift period of three (3) hours, unless otherwise agreed between the agency and the employee.
- 19.3 Nothing in this clause affects the operation of clause 12 On-call/Recall, nor does this apply to an employee to whom Schedule 1.8 Interpreters and Translators applies.

## **20. PUBLIC HOLIDAYS**

### **LIMIT ON PUBLIC HOLIDAY WORK**

- 20.1 An employee may be required to work on public holidays as part of their normal working arrangements, provided that generally an employee should not be required to work more than 7 public holidays (not counting a 'part-day public holiday') in any one calendar year except with the agreement of the employee or in unavoidable circumstances.

## **PUBLIC HOLIDAYS – EMPLOYEES ROSTERED OVER 6 DAYS**

- 20.2 Where a full-time employee is required to work on active duty over 6 days of the week including Saturdays and Sundays and a public holiday (other than a 'part-day public holiday') falls between Monday to Friday on a day which is their rostered day off that employee will be paid an additional day's pay.
- 20.3 An employee who is entitled to an additional day's pay is to be paid for the time that they would have usually worked on that day of the week on which the public holiday falls.
- 20.4 If the employer and employee agree, in lieu of an extra day's pay, the employee will be given an alternative rostered day off, on the working day immediately preceding or immediately following the public holiday, or as soon as practicable thereafter.

## **PUBLIC HOLIDAYS – CORRECTIONAL AND CORRECTIONAL INDUSTRY OFFICERS**

- 20.5 This clause applies to employees to whom the SA Public Sector Salaried Employees Interim Award "Part 9 – Special Conditions for Employees Employed as Correctional Officers" applies.
- 20.5.1 In relation to Clause 9.9 of the SAPSSEI Award, Appendix 7 prescribes arrangements for designating employees as "stood down" and thus not required to work on a particular public holiday (other than a 'part-day public holiday').

## **21. MEAL BREAKS**

- 21.1 Subject to this clause, a minimum meal break of 30 minutes per day is to be taken by all employees, which time will not count as part of an employee's ordinary working hours.
- 21.2 No employee will be required to work more than 5 hours without such a break, except where the employee is subject to the following arrangements:
- a. the employee is employed for not more than 6 hours;
  - b. there is a need, or the employee elects, to maintain continuity of active duty, care or service provision;
  - c. the employee is subject to a working arrangement that provides for a crib break; or
  - d. the employee has an arrangement approved by the chief executive to accommodate the employee's personal circumstances or a request by the employee for a flexible working arrangement.
- 21.3 Where an employee is required by an authorised person to work without having had, or commenced, a minimum meal break or crib break (as applicable), the employee will be paid an additional 50% of the employee's ordinary hourly rate from the commencement of the sixth hour until the employee is provided with a meal break or crib break (as applicable) or until the completion of the employee's ordinary hours of work for that day or shift. It is not the intention of the parties that this clause or penalty would detract from providing an employee with a break after five hours of work.
- 21.4 Unless the employer has already made payment of a penalty, a penalty payment under this clause must be requested by the employee to be paid within 8 weeks of the end of the pay-cycle in which the meal or crib break was not provided, absent which no penalty is payable under this clause.
- 21.5 For the purposes of this clause:
- 21.5.1 "crib break" means a period of time during which the employee takes sustenance while remaining on duty or available for duty and if necessary will resume the performance of duties, which time either counts as part of the employee's ordinary hours or accrues as TOIL or similar.
- 21.5.2 "authorised person" means a person who has authority to direct the manner in which, or the times during which, the employee is to work.
- 21.5.3 "TOIL" means time off in lieu of the payment of overtime, which time cannot be lost if accrued pursuant to this clause.
- 21.5.4 "flexible working arrangement" includes a crib or paid meal break; TOIL; time credits; shortening of the work day; rostered day off, or similar.

- 21.6 This clause does not replace the provisions of clause 9.5, Part 9 – Special Conditions for Employees Employed as Correctional Officers of the S.A. Public Sector Salaried Employees Interim Award.

## **22. PERFORMANCE IMPROVEMENT**

- 22.1 This Agreement recognises that the SA Public Sector will continue to evolve as a dynamic productive and customer responsive entity.
- 22.2 Initiatives have been, and will continue to be, introduced to improve the efficiency and effectiveness of the service and provide quality services to clients.
- 22.3 In making and applying this Enterprise Agreement, the parties are committed to facilitating the implementation of initiatives aimed at achieving ongoing improvements in productivity and efficiency and enhanced performance of the South Australian public sector and its agencies, including:
- 22.3.1 Facilitating ongoing improvements to service delivery and achievement of “best practice”.
- 22.3.2 Facilitating the ongoing introduction of business reforms in agencies, including adoption and implementation of technologies such as e-learning, e-business and other technological advances.
- 22.3.3 Facilitating the assessment and reform of existing work processes and ongoing improvements to work practices.
- 22.3.4 Facilitating the achievement of an agency’s performance goals and performance measures.
- 22.3.5 Supporting an agency requiring employees to participate in performance or skills development and workplace related training/retraining (including accredited training).
- 22.3.6 Facilitating an agency identifying trends and assessing their relevance to its operations.
- 22.3.7 Enabling improvements in cost effectiveness, timely and transparent decision-making, and delegating decision-making.
- 22.4 The parties are also committed to achieving and facilitating productivity and efficiency improvements to, and improving career paths and development opportunities in, the SA Public Sector and its agencies through the examination and implementation of shared services and service centres within the public sector. The parties commit to the principles in Appendix 5 in relation to the implementation of any shared services initiatives.

## **23. MEDICAL SCIENTISTS – LEAVE**

- 23.1 Clause 7.1.3 of the Medical Scientists (South Australian Public Sector) Award is to be read subject to the following:
- 23.1.1 An employee who:
- 23.1.1.1 Is a Toxicologist and is classified at MeS3 and above; or
- 23.1.1.2 After the commencement of this clause, becomes classified or is employed within the MeS classification stream at MeS3 and above,
- and is not required to perform out of hours work (other than in exceptional or emergency circumstances), is entitled to a grant of recreation leave as applies to Medical Scientists classified MeS2 and, if required to work out of hours in exceptional or emergency circumstances, is entitled to overtime applicable to Medical Scientists classified MeS2.

## **24. PAYMENT OF ADDITIONAL DUTIES**

- 24.1 There is no minimum statutory requirement relating to the number of days that additional duties are to be performed in order for an employee to be paid an allowance for performing such duties, (i.e. a minimum of 5 days is not required to enable a payment to be made).
- 24.2. The following considerations are to be taken into account in determining whether an additional duties allowance is payable to an employee, and if so, what quantum of allowance is to be paid,

- (a) an employee is entitled to be paid for the work value of the duties they are required to perform;
- (b) chief executives and delegates should consider each situation on a case-by-case basis having regard to the nature and responsibilities of the requisite duties, including whether or not the employee is required to exercise delegated authority;
- (c) a reasonable estimated work value of the additional (higher) duties required to be performed by the employee;
- (d) the extent to which some or all of the duties of an absent employee are being performed; are likely to be performed; or are shared or distributed amongst other employees;
- (e) if some or all of the relevant duties are performed in the absence of another employee, the difference in remuneration payable to that employee and the normal substantive remuneration payable to the person directed to perform the additional (higher) duties; and
- (f) the period during which the duties are to be performed.

## **25. NO EXTRA CLAIMS**

- 25.1 This Enterprise Agreement and its salary schedules will be taken to have satisfied and discharged all claims of any description (whether as to monies or conditions).
- 25.2 The rates of pay provided for in this Enterprise Agreement are inclusive of all previously awarded safety net adjustments and all future increases during the term of this Enterprise Agreement, arising out of the *General Review of Award Wages and Minimum Standard for Remuneration* (or its equivalent), including safety net adjustments, living wage adjustments or general increases, howsoever described.
- 25.3 Subject to this clause, the employees (including an employee agent that is a signatory) and associations undertake that for the term of this Enterprise Agreement, they (jointly and severally) will not pursue any further or other claims within the parameters of this Enterprise Agreement, except where consistent with State Wage Case principles.
- 25.4 A proposal or request for or to make a Workplace Flexibility Agreement or a Personal Flexibility Agreement will not be considered as a claim or extra claim.
- 25.4.1 A State Registered Association is not precluded from making application pursuant to relevant provisions of section 72B of the Fair Work Act 1994.

## **26. CONSULTATIVE PROCESSES**

- 26.1 The parties commit to the following consultative principles.
  - 26.1.1 Consultation involves the sharing of information and the exchange of views between employers and persons or bodies that must be consulted and the genuine opportunity for them to contribute effectively to any decision making process. This includes consultation with the applicable Union whose members are affected.
  - 26.1.2 Employers and Agencies consult in good faith, not simply advise what will be done.
  - 26.1.3 It is an accepted principle that effective workplace relationships can only be achieved if appropriate consultation between the parties occurs on a regular basis.
  - 26.1.4 Workplace change that will affect a significant number of employees should not be implemented before appropriate consultation has occurred with employee representatives.
  - 26.1.5 Employee representatives will be given the opportunity to adequately consult with the people they represent in the workplace, in relation to any proposed changes that may affect employees' working conditions or the services employees provide.
- 26.2 In relation to significant issues of public sector wide reform, the CPSE will consult with the "SA Unions" (i.e. formerly known as the UTLC) in accordance with the above principles.

## 27. GRIEVANCE AND DISPUTE AVOIDANCE PROCEDURES

27.1 These procedures aim to avoid industrial disputes in the agencies covered by this Enterprise Agreement. Where a dispute occurs, it provides a means of settlement based on consultation, co-operation and discussion with the aim of the avoiding interruption to work performance and service delivery.

### DISPUTE RESOLUTION

27.1.1 If a dispute relates to a matter arising under this Enterprise Agreement, this clause sets out procedures to settle the dispute, provided that a dispute about workload will be dealt with in accordance with sub-clause 27.1.1.9.

27.1.1.1 An employee who is a party to the dispute may appoint a representative for the purposes of the procedures in this clause.

27.1.1.2 In the first instance, the parties to the dispute must try to resolve the dispute at the:

- a) Workplace level by discussions between the employee/s and relevant supervisor/s and/or management ('workplace discussions'); or
- b) Agency level by discussions between the employee/s and/or their representative and, if applicable, the agency's workforce management representative ('agency discussions'), while maintaining the *status quo* existing immediately prior to the dispute (unless a *bona fide* health and safety issue is involved).

27.1.1.3 If workplace or agency discussions (as applicable) do not resolve the dispute, a party to the dispute may refer the matter to the Industrial Relations Commission of South Australia (IRCSA).

27.1.1.4 The IRCSA may deal with the dispute in two stages:

- i. The IRCSA will first attempt to resolve the dispute as it considers appropriate, including by mediation, conciliation, expressing an opinion or making a recommendation about the dispute, its resolution and/or the *status quo*; and
- ii. If the IRCSA is unable to resolve the dispute at the first stage, the IRCSA may then:
  - arbitrate the dispute; and
  - make a determination that is binding on the parties to the dispute.

27.1.1.5 *Note:* If the IRCSA arbitrates the dispute, it may also use the powers that are available to it under the *Fair Work Act 1994*.

27.1.1.6 A decision that the IRCSA makes when arbitrating a dispute is agreed by the parties as being a determination for the purpose of Div 4 of Part 3 of Chapter 5 of the *Fair Work Act 1994*. Therefore, an appeal may be made against the decision.

27.1.1.7 While the parties are trying to resolve the dispute using the procedures in this clause:

- i. an employee must continue to perform his or her work as he or she would normally unless he or she has a reasonable concern about an imminent risk to his or her health or safety; and
- ii. an employee must comply with a direction given by the employer (or applicable agency) to perform other available work at the same workplace, or at another workplace, unless:
  - the work is not safe; or
  - applicable occupational health and safety legislation would not permit the work to be performed; or
  - the work is not appropriate for the employee to perform; or
  - there are other reasonable grounds for the employee to refuse to comply with the direction.

27.1.1.8 The parties to the dispute agree to be bound by a decision made by the IRCSA in accordance with this clause.

27.1.1.9 A grievance or dispute concerning workload will be handled as follows:

- i. The employee/s will notify their manager in writing of the workload issue/s.

- ii. The manager should initiate discussion with the employee/s within 24 hours.
- iii. Should the matter not be resolved discussion should occur between the employee, employee's representative, the employee's manager and the relevant Director.
- iv. If the matter remains unresolved a record of the foregoing discussions shall be forwarded to the Chief Executive who may issue directions as to the issue/s.

## **ENFORCEMENT**

27.1.2 If a Union reasonably believes that in respect of its members there is a purported breach or non-compliance with this Enterprise Agreement in relation to: an express basis on which this agreement is made; or a parliamentary process that reduces or removes an employment benefit; an existing condition; or a condition prescribed in this agreement, the Union may seek redress to the Industrial Relations Commission of South Australia in relation thereto.

## **28. VARIATIONS**

28.1 Where a party believes that a variation is required by reason of ambiguity or uncertainty, that party will give notice of the basis for its belief to the CE, DPC or the associations as applicable. Parties receiving such notice will respond as soon as practicable and preferably within 28 days of receipt.

28.2 The parties recognise that the Act permits the Commission to vary an Enterprise Agreement.

28.3 The parties agree that amendments to this Enterprise Agreement can be developed to facilitate:

28.3.1 Consistent application within a particular agency of clauses identified at Appendix 3: Saved Clauses.

28.3.2 The implementation of a Workplace Flexibility Agreement.

28.3.3 Any other agreed changes within the agency.

28.4 For the purposes of facilitating variations in respect of particular agency/ies which have been agreed by employees (or their representatives) within the particular agency/ies; to give effect to a Workplace Flexibility Agreement; or to give effect to an agreed matter, the parties undertake and agree that where a proposed variation:

28.4.1 Is in respect of a part of, or a clause in a part of, Appendix 3; or will affect a particular agency/ies referred to in the proposed variation, the variation will be taken to have been agreed by the parties if a majority of the employees within the particular agency/ies agree to the variation; or

28.4.2 Is to give effect to a Workplace Flexibility Agreement, the variation will be taken to have been agreed by the parties if a majority of affected employees agree to the variation; or

28.4.3 Is to give effect to an agreed matter, the variation will be taken to have been agreed by the parties if the applicable employer and relevant employee representative/s party/ies to this Enterprise Agreement agree to the variation.

## **29. REVIEW**

29.1 Residential Care Workers Review (DECD)

29.1.1 This clause only applies to employees in the Department for Education and Child Development (DECD) who are designated as "Residential Care Worker" and who are working in that department performing duties applicable to a Residential Care Worker.

29.1.1.1 The Chief Executive of the Department of Education and Child Development will complete his review of classification arrangements in relation to Residential Care Workers in conjunction with implementation of service delivery changes ("the Review").

29.1.1.2 Pending the outcome of the Review (including implementation of applicable service delivery changes), the Residential (Secure) Care Allowance described in Schedule 1.13C ("the Allowance") will continue to apply to Residential Care Workers in DECD who meet the criteria specified in that schedule.

29.1.1.3 The Residential (Secure) Care Allowance will cease from the end of the applicable pay period that occurs immediately prior to the date of implementation of any classification outcome of the Review or confirmation by the Chief Executive, DECD that the Review has concluded and classification arrangements are confirmed ("the Cessation Date"). Such implementation may, at the discretion of the Chief Executive, DECD, be effected administratively by the CE, DECD or by making a Workplace Flexibility Agreement under this Enterprise Agreement.

29.1.1.4 Schedule 1.13C will cease to have any effect from the Cessation Date notwithstanding any other clause of this Enterprise Agreement and the Allowance described therein will likewise cease to be payable for any purpose whatsoever.

29.1.1.5 For the purposes of this clause, Residential Care Worker means staff who perform their duties within a DECD residential care house/s and provide the care, supervision and support of children and young people who are required to live in a residential care house/s.

### **30. RENEGOTIATION**

## APPENDIX 1: REDEPLOYMENT, RETRAINING AND REDUNDANCY

### Policy Statement

A modern public service works together with citizens, business and communities to deliver results for South Australia<sup>1</sup>.

- Public service employment and employees are high performing and adaptive to the evolving requirements of government and the public.
- As an employer of choice<sup>2</sup>, the public service provides opportunities and challenges to employees to adapt and develop; to deliver and serve; and to redeploy and retrain.
- This policy statement outlines how the SA Public Service will address “reasonable endeavours” as required by section 54 (2) of the *Public Sector Act 2009* (i.e. to find suitable employment).
- *Note: work injured employees who are not able to carry out their normal duties as a result of compensable injury and therefore require alternative duties as part of a Rehabilitation and return to Work Plan are to be given priority consideration ahead of excess employees.*

### Principles

1. The parties acknowledge the following principles that outline the core elements proposed for a redeployment, retraining and redundancy policy for the SA Public Sector. Implementation will be supported by a detailed practical Commissioner’s Determination on managing excess employees.
2. The parties acknowledge that this policy is not intended to cover performance-related matters and/or misconduct that are the subject of a specific Commissioner’s Guideline (*Management of Unsatisfactory Performance (Including Misconduct)*). This guideline will apply in the event that an employee declared excess declines to elect an option, participate in this process or refuses a reasonable alternative role.
3. The SA Public Sector is a dynamic workplace with diversity of skills, capabilities and employees. This policy recognises this diversity and the challenges that the wider economic environment will place on the:
  - a. need for increased flexibility towards changing skills sets;
  - b. the retention of existing skills and capabilities over time; and
  - c. managing service delivery within available resources.
4. Public Sector agencies will manage workforce careers, training and redeployment to meet current and future service delivery and capability needs within the state public service and, wherever possible, limit the use of term contract and labour hire staff.
5. Public Sector employees will adapt and develop capabilities to meet changing needs and challenges and those who are engaged on an ongoing basis<sup>3</sup> and become displaced as a result of restructuring (“declared excess employees”) will engage in opportunities for retraining and redeployment.
6. The Commissioner for Public Sector Employment (CPSE) will establish a Committee to review, monitor and report on agency strategies.
7. Where an agency undertakes a restructure/reorganisation it will consult with employees/employee associations and actively case-manage an employee declared excess (refer to “responsibilities section”).
8. An employee declared excess will be advised in writing to that effect: provided with access to and considered for vacancies and invited to consider voluntary separation with appropriate payments.
9. Where an employee declared excess has been unsuccessful in obtaining an alternative ongoing position in the SA Public Sector after 12 months (since written advice of being declared excess), they may be separated with a suitable payment.
10. An employee who is placed in an ongoing or term/contract employment of no less than 12 months must be formally advised that they are no longer an excess employee. The 12 month period will include the cumulative effect of extensions in the same funded position.

<sup>3</sup> s.45(2)(a) *Public Sector Act 2009*

## Responsibilities

### 11. Commissioner for Public Sector Employment will:

- a. establish a Committee to review, monitor and report on agency strategies;
- b. consult with relevant employee associations about the process for management of excess employees;
- c. consult with relevant employee associations before the conclusion of the initial 12 months to evaluate the implementation of the new guideline; and
- d. provide an electronic jobs vacancy facility (e.g. JobsSA) to assist excess employees access suitable alternative roles in a more timely manner.

### 12. SA Public Sector agencies will:

- a. Ensure compliance with *The Public Sector Act 2009* and other applicable legislation; with applicable industrial instruments (enterprise agreements and awards) made under the *Fair Work Act 1994* and with relevant Commissioner's determinations or guidelines including:
  - i. Consult with employees and employee associations about significant restructuring/reorganisation that is expected to result in fewer roles/positions.
  - ii. Ensure that the use of term contract and labour hire staff is reduced wherever possible.
  - iii. Ensure available roles and vacancies are promoted/advertised and support employees to be redeployed.
  - iv. Actively case-manage excess employees to effectively assist in any transition to new roles including:
    1. providing access to vacancies and interview/active consideration for a role (which may occur at the same time as the role is being advertised) where an excess employee is identified for/applies for a vacancy and there is a skills and capabilities match;
    2. provide access to retraining support that may be available in accordance with terms and conditions specified from time to time, including arrangements that may apply to particular occupational groups, agencies or restructures; and
    3. adhere to voluntary separation arrangements<sup>4</sup> and/or release of an employee.
- b. Where an employee has not been able to secure a new role by the end of the 12 month period and has declined consideration of an early voluntary separation package during that time, they may be separated with a suitable payment.
- c. The period for counting towards the 12 months as an excess employee commences at the date of the written advice to the employee that they are declared excess.
- d. An agency that proposes to activate separation of an excess employee at the end of a 12-month period must be satisfied that it has met the requirements of sub-sections 54 (2) and (3) of the *Public Sector Act 2009*.

### 13. Public Sector Excess Employees

- a. Are responsible for actively adapting and developing their skills including:
  - i. Following receipt of written advice of being declared an excess employee, actively consider and indicate their preferred option: to either work to secure another ongoing role/position i.e. redeployment; seek the applicable case manager's assistance; or seek an invitation for an early separation payment.
  - ii. Co-operating with the current agency or an agency to which they may be assigned, participate in re/training opportunities and make every effort to adapt to and undertake the role/s or position/s identified or into which she/he is placed or assigned.
  - iii. Work with an agency nominated person or external service provider who is allocated to assist with a restructure and/or redeployment, including counselling; skills and capability development; and consideration of opportunities within the public or private sectors.
  - iv. Must accept as quickly as possible and must not refuse assignment or placement into an alternative or another role/position that is a reasonable match with their skills and capabilities (incl. with training)<sup>5</sup>.

---

<sup>4</sup> Treasurer's Budget Statement June 2014: TVSP 10 weeks plus 2 weeks payment per year of service to a maximum of 52 weeks.

- b. Continue to be subject to processes and requirements (legislative, policy and administrative) applicable to a public sector employee.<sup>6</sup>

#### **14. Application of separation payments**

- a. An applicable voluntary separation arrangement must be offered to an excess employee if they haven't been successful in gaining an alternative ongoing position within the first 3 months of being declared excess (date of written notice).
- b. Where an employee declared excess identifies a preference for redeployment/retraining and declines the invitation to express interest in an early separation package in the first 3 months, then the quanta of any future invitation to accept a separation package will be reduced:
  - i. Redeployment period more than 3 months and up to 6 months 50% reduction;
  - ii. Redeployment period greater than 6 months and up to 9 months – 75% reduction.

A Chief Executive must notify the union/s, and at the same time the CPSE, at least three months prior the employee being due to reach the end of the 12 months of being excess.

Excess employees may be separated with a suitable package in the event that they are unable to be placed at the end of 12 months.

Where a significant number of employees are to be declared excess then the CPSE must be advised at the earliest opportunity.

This Appendix is to be read in conjunction with the Determination to be issued by the CPSE as referred to in Paragraph 1 above.

The parties to this Enterprise Agreement agree that a CPSE's Determination in relation to Redeployment, Retraining and Redundancy will apply to the parties bound as defined in Clause 4 of this Enterprise Agreement. Where an agency is not usually bound by a CPSE Determination it will adopt that as policy to apply to employees to be covered by this Enterprise Agreement.

---

<sup>5</sup> This is intended to be broadly considered: does the person have the skills and capabilities to perform the duties to a substantial extent (including with training). That is, there does not need to be direct match with all of the requirements of the role/position.

<sup>6</sup> This includes any review, appeal and/or performance management process/es that may apply to the employee or that may be utilised by an agency.

- If an employee is required to work on a public holiday which falls on Saturday, the appropriate penalty will apply.
- Services to customers will be provided between the hours of 8.00am and 6.00pm, Monday to Friday.
- It shall be a feature of working under this Agreement that the development of flexible working arrangements and hours of work shall be made with appropriate consideration to business needs and the needs of employees, having particular regard to those employees with family responsibilities. Where there is a demonstrable operational need or organisational requirement, staff may be required to work outside ordinary hours of work as currently directed.

**Appendix 3.2 State Aboriginal Affairs Division Agreement (now known as “Aboriginal Affairs and Reconciliation” in the Department of State Development)**

8.4.12 Cultural Leave

For the purpose of this paragraph:-

An Aboriginal is a person who identifies as such and is regarded as an Aboriginal person by the Aboriginal Community.

(a) Ceremonial Leave

Ceremonial Leave without pay may be granted with approval of the Chief Executive, to an employee of Aboriginal descent for ceremonial purposes:

- Connected with the death of a member of the family; or

(b) NAIDOC Week

The maximum time available to attend such functions shall be 10 hours in a calendar year.

### Appendix 3.3 Attorney-General's Department

#### 7.5 Payment of Fees by Employer

The employer will pay any fees and charges necessary to enable an employee to practise the profession or occupation in which the employee is employed in the Department.

Without limiting the above, the employer will pay, for example -

- Fees for practising certificates and other levies or charges required to be paid for practising law.
- Charges imposed for continuing legal education forming a compulsory requirement for practising law.
- Fees for registration required to be paid for practising as a conveyancer.
- Fees for membership of an organisation that the employer requires the employee to join.

However, the employer is not liable to pay fees or charges incurred by the employee before entering employment with the employer.

#### 8.2 Negotiation and Consultation on Measures

Negotiation and/or consultation on measures to improve productivity, efficiency and flexibility of the Department (including measures identified in Schedule 1) will commence and continue through the Single Bargaining Centre, the Single Bargaining Unit and the consultative committees as required.

- 8.3 The Chief Executive undertakes to keep employees informed of government policy issues (including service levels and resource allocation) falling outside the parameters of this Agreement that may affect the Attorney-General's Department.
- 8.4 The parties recognise the role of management in managing the budget and identifying, and providing the means to implement, measures to improve productivity, efficiency and flexibility of the Department.
- 8.5 The parties recognise the role that employees play in achieving improved productivity, efficiency and flexibility and employees are encouraged to identify measures to improve productivity, efficiency and flexibility (including by identifying inefficiencies in expenditure of the Department).
- 8.6 Negotiation on measures to improve productivity, efficiency and flexibility of the Department will proceed with a view to achieving real and sustainable savings and benefits, while recognising appropriate industry benchmarks and achieving best practice.
- 8.7 Consultation about a proposal for a review or assessment of an area, practice or other matter will proceed (as early as possible) with the employees who may be affected by the proposal and relevant employee associations (within the meaning of the I&ER Act).
- 8.8 If proposed measures to improve productivity, efficiency and flexibility of the Department involve significant changes to work practices, structures or conditions (including changes involving reducing staff numbers), all affected employees and relevant employee associations (within the meaning of the I&ER Act) will be fully consulted before the measures are implemented.
- 8.9 Consultation involves the sharing of information and the exchange of views between employers and the persons or bodies that must be consulted and the genuine opportunity for them to contribute effectively to any decision-making process.
- Consultation is to be done in good faith and not simply involve advising employees what will be done.
  - It is an accepted principle that effective workplace relationships can only be achieved if appropriate consultation between the industrial parties occurs on a regular basis.

- Workplace change which will affect a significant number of employees should not be implemented before appropriate consultation has occurred with employees and/or their representatives.
- Employee representatives will be given the opportunity to adequately consult with the people they represent in the workplace, in relation to any proposed changes that may affect employees' working conditions or the services employees provide.

8.10 These procedures are designed to achieve a joint commitment to, and consensus about, organisational change following full consultation before implementation of significant change.

8.11 If consensus cannot be reached about proposed changes to work practices, structures or conditions (including changes involving reducing staff numbers), the procedures for preventing and settling industrial disputes set out in this Agreement apply.

#### Carer's Leave

##### Use of sick leave accruals

9.1 Carer's Leave as provided for in the Agreement may be accessed as carer's leave by an employee in respect of an absence from work due to the employee accompanying a family member to a medical, dental or other health related consultation.

9.2 A person will be regarded as a family member if, for example, the person is:

- A child of, or in the care of, the employee or of the employee's spouse or putative spouse; or
- A spouse or putative spouse of the employee; or
- A parent or grandparent of the employee or the employee's spouse or putative spouse; or
- A brother or sister of the employee; or
- A person who is a member of the employee's household; or
- A person with whom the employee has a close personal relationship.

Step relationships should be treated in the same way as blood relationships.

9.3 Procedures for the taking of carer's leave (including the provision of evidentiary certificates) will be similar to the procedures for the taking of ordinary sick leave.

#### **Appendix 3.4 Department for Families and Communities**

1. Housing employees
- 1.1 The current flexi-time arrangements in discrete Housing areas will remain in place.
- 1.2 The conditions of employment for employees previously covered by the Housing, Urban Development and Local Government Relations Portfolio Agreement 1996 who are now party to this Agreement will be in accordance with the conditions of employment for Public Sector Management Act employees, except for income maintenance arrangements for those employees who:

### 10 EMPLOYMENT CONDITIONS

#### FIXED TERM CONTRACTS

A number of staff at SARDI are employed under contracts which specify that they are employed for a fixed term. The employment of such staff members terminates at the end of the fixed term of their contracts unless they are offered and accept a further contract of employment with SARDI. Where the contract of such staff members expires, and where such staff members have been employed for a continuous period of 5 years or more, they will be offered a further period of employment subject to the following conditions:

- SARDI is not able to make available a further fixed term contract either because a project has been completed or because a lack of further industry funds has precluded further work on the project; and
- The staff member has not succeeded in winning a new position on the basis of merit;
- The staff member in question has demonstrated a satisfactory work performance;
- The offer of a further contract of employment will be for a minimum period of 3 months and for a maximum period of 12 months.
- Although SARDI is unable to predict the terms on which any such offer will be made prior to the offering of any such further contract of employment, SARDI anticipates that any such offer is likely to include terms and conditions such as location at which the work will be offered.
- An offer of a further contract of employment in accordance with this clause will be made to the staff member concerned approximately 6 weeks prior to the expiry of the staff member's fixed term of employment.

#### TIME IN LIEU OF OVERTIME

The parties agree that approved additional hours worked involved with meeting seasonal work demands or work required for completion of projects or experiments may be managed by the use of time off in lieu (TIL) of payment for overtime hours worked.

In respect to the operation of TIL in SARDI the parties agree that where an employee has elected to access TIL and not overtime payment:

- Each employee eligible for overtime payments for approved additional hours worked as defined in Commissioner's Determination No. 1, may accumulate a balance of up to 100 hours TIL.
- Balances of TIL are to be taken as soon as practicable following the accumulation of overtime hours, and not more than seven months after the time was accumulated.
- Local managers must approve all hours recorded as TIL and be responsible for management of records of TIL balances and ensure that all employees are treated equitably and fairly in regard to accumulation of hours and take out of accumulated time.
- Where an employee cannot access TIL balances because of operational demands a local manager may present a case to the relevant delegate that the outstanding balance be paid at normal rates of pay.

Employees in receipt of a specific allowance or loading for out of hours work are not eligible for the accumulation of TOIL under the conditions described above.

## Appendix 3.7 Department of Treasury and Finance

### 7 Employment Conditions

#### (1) Flexible Working Hours and Overtime

Except as detailed below, the current guidelines relating to the recording and management of flexitime, as provided in Commissioner's Circular No. 34 will continue to apply.

The bandwidth within Treasury and Finance will be 7.00am to 7.00pm.

Working arrangements within these hours will be negotiated between staff and branch managers, recognising that current Government policy is to ensure provision of a quality client service between the hours of 8.00am and 6.00pm.

Core Time The term 'core time' refers to the timeframe within which all staff rostered for work on a particular day will normally be present.

The core time will remain as 10.00am to 4.00pm.

#### Hours Worked

Management and recording of flexitime will continue to be over existing '4 week accounting periods', with the number of hours normally expected of any officer over that period remaining at 150.

#### Credit Hours

The number of credit hours able to be carried forward to the next accounting period will increase to 20 hours.

#### Debit Hours

The number of debit hours able to be carried forward to the next accounting period will remain at 10 hours.

#### Time Off

Within each 4 week period, the amount of time able to be taken off by any officer will increase to 2 days (i.e. 2 full days, or 4 half days, or a combination thereof).

Officers wishing to utilise the time off provisions must make relevant arrangements in advance with their manager, and final approval remains the discretion of management.

#### (2) Overtime

Except as detailed below, the provisions of Commissioner's Determination No. 1 will continue to apply.

#### Overtime Reduction

Branch Managers are to adopt staffing practices aimed at achieving a 50% reduction target in relation to paid overtime, and it is anticipated that the more flexible working hours outlined above will assist in that process.

#### Time Off in Lieu

Whilst retaining the right of Branch Managers to approve paid overtime in special circumstances, it has been agreed that all staff will work towards time off in lieu as the future norm within Treasury and Finance.

#### Special Arrangements

      - Any formal applications for reclassification lodged prior to the announcement of the shared service initiative must be determined by the relevant agency prior to any transition process.
      - Any employee who is declared a redeployee as a result of a shared service initiative will be considered an internal redeployee in both agencies affected by the shared service initiative. Such employees will be provided with retraining and development opportunities by the declaring agency.

Where the Peer Assessment Panel determines that an AHP is eligible for progression the date of operation for the new salary will be either from the date of receipt of application for assessment or the employee's incremental service date, whichever is the later.

Following assessment should an AHP not progress to AHP 2 the relevant supervisor or manager will be responsible for implementing a Performance Review and Development Plan in consultation with the AHP to address any issues arising from the assessment.

Should an AHP be assessed as not meeting the criteria for progression the AHP will not be eligible to apply for progression until such time as the relevant supervisor or manager is satisfied that the issues have been satisfactorily addressed through the Performance Review and Development Plan process.

The Peer Assessment Process does not remove or diminish the opportunity for an AHP to apply for a reclassification (if eligible). A reclassification application will be considered and determined in accordance with existing *Agency* policies and procedures.

## SECTION 2: PEER ASSESSMENT PROCESS

In recognition of advanced skills and experience relevant to being a *medical scientist*, permanently appointed (or ongoing) *medical scientists* who have been at the top increment of MeS1 for 12 months or greater can apply to a Peer Assessment Panel for assessment to progress to MeS2.

For the purpose of the peer assessment process "advanced skills and experience" means beyond routine professional tasks.

A supervisor or manager of an eligible *medical scientist* may initiate an application for assessment by the Peer Assessment Panel for an ongoing/permanent *medical scientist* as per the above criteria without the need for that *medical scientist* to complete 12 months at the top increment of MeS 1.

A supervisor or manager of an eligible *medical scientist* may initiate an application for assessment by the Peer Assessment Panel for an ongoing/permanent *medical scientist* as per the above criteria without the need for that *medical scientist* to complete 12 months at the top increment of MeS1.

Temporary appointed *medical scientists* who have been employed for a period of not less than 5 years, can apply to a Peer Assessment Panel for assessment to progress to MeS 2.

- (a) "Temporary appointed" means either a temporary contract for a specified period of time or successive temporary contracts that have been consecutive, provided that a break between two temporary contracts for the period of a weekend and/or a public holiday will be disregarded.

A supervisor or manager of an eligible MeS 1 may initiate an application for assessment by the Peer Assessment Panel for a temporary appointed AHP without the need for the 5 years to be in successive temporary contracts.

For example: An MeS 1 was on a temporary contract from 1 July 2005 to 30 June 2010. That employee has a subsequent contract from 1 January 2011 and has for all time been employed as a *medical scientist* and was/is currently employed by an *agency*. The supervisor or manager may initiate an application for assessment by the Peer Assessment Panel.

A supervisor or manager initiated application is subject to assessment by the Peer Assessment Panel.

In determining if a *medical scientist* will progress to MeS2, the Peer Assessment Panel will consider the following:

1. The work level definition of MeS2 as defined has been met; and
2. The *medical scientist's* professional:
  - (a) performance;
  - (b) aptitude;
  - (c) experience;
  - (d) responsibilities; and
  - (e) initiative.
3. and that the *medical scientist* has complied with all requirements of their current management-approved Performance Review and Development Plan.

The Peer Assessment Panel will include a discipline specific *medical scientist* (at a minimum level of a MeS3) and a management representative. A human resources representative will also be on the Peer Assessment Panel.

Where the Peer Assessment Panel determines that a medical scientist is eligible for progression the date of operation for the new salary will be either from the date of receipt of application for assessment or the employee's incremental service date, whichever is the later.

Following assessment should a *medical scientist* not progress to MeS2 the relevant supervisor or manager will be responsible for implementing a Performance Review and Development Plan in consultation with the *medical scientist* to address any issues arising from the assessment.

Should a *medical scientist* be assessed as not meeting the criteria for progression the *medical scientist* will not be eligible to apply for progression until such time as the relevant supervisor or manager is satisfied that the issues have been satisfactorily addressed through the Performance Review and Development Plan process.

#### Reclassification

The Peer Assessment Process **does not** remove or diminish the opportunity for a *medical scientist* (if eligible) to apply for a reclassification. A reclassification application will be considered and determined in accordance with the SA Health (Health Care Act) Human Resource Manual.

## APPENDIX 6D: GRANT FUNDED SCIENTISTS WORK LEVEL DEFINITIONS

### DEFINITIONS:

The following definitions relate to the meanings of the words within these work level definitions.

**“Agency”** means an administrative unit or Agency as defined by the South Australian Public Sector Wages Parity Enterprise Agreement: Salaried 2014.

**“Broad guidelines”** means instructions received essentially in the form of broadly stated objectives which require competent and professional experience to apply both initiative and *professional judgement*.

**“Complex”** means professional work which is characterised by ambiguity and/or novelty.

**“Co-ordination”** means the organising of employees, activities and, students where necessary, to meet operational requirements which contributes to the timeliness, effectiveness, quality and efficiency of a work unit.

**“Crucial”** means that a component, an issue, or a decision is fundamental to subsequent actions, considerations and decisions.

**“Innovative”** means the extent to which there is a requirement to vary from, or make changes to, established professional processes, systems and/or standards.

**“Limited complexity”** means work which involves the application of established principles, practices and procedures. Generally, such comprises actions and responses which can be readily identified and repeated from previous experience.

**“Managerial responsibilities”** means an employee:

1. Is required to determine operational policy and procedures for a work unit within the framework of an agency’s (or health unit’s) requirements; and
2. Is required to ensure the timeliness, effectiveness, quality and efficiency of a work unit; and
3. Has significant independence of action including the use or allocation of both financial and human resources within the constraints or guidelines laid down by executive management; and
4. Undertakes human resource management functions including planning, developing and implementing programs associated with equal employment opportunity and occupational health, safety and welfare within the functional area of responsibility; and
5. Trains staff, coordinates workflow processes, ensures quality of output of the work unit, conducts performance assessment and review, staff counselling, career planning and development.

**“Novel”** means the nature of professional work that requires the extension and application of theories and concepts beyond established principles. Such may include, for instance, creative research or the introduction of new technology.

**“Papers”** means peer reviewed papers in relevant journals/publications of operational or theoretical interest to other discipline-based scientists.

**“Professional direction”** means the form of control exercised, and may include guidance and monitoring, over other *grant funded scientists* demanding *professional judgement*, including:

- Assessing the application of discipline standards;
- Weighing and discussing professional approaches used;
- Determining professional solutions; and
- Verification and validation of results.

**“Professional discipline”** means a non-repetitive field of activity which requires a degree in a professional discipline, is exercised with increasing levels of autonomy and accountability, and is governed by standards, ethics and objectives prescribed by a representative professional body and, may interdependently, by the employing agency.

**“Professional independence”** means the level of accountability within a *professional discipline*.

**“Professional judgement”** means the application of an amalgam of *professional knowledge* and experience to derive appropriate resolutions within prescribed standards, ethics and objectives.

**“Professional knowledge”** means an understanding of theory, techniques, practices and principles gained through degree-level discipline-based study.

**“Grant funded scientist”** means a research scientist who is employed by the Institute of Medical and Veterinary Science, the Royal Adelaide Hospital, the Queen Elizabeth Hospital and the Repatriation General Hospital, using funds provided by the National Health and Medical Research Council and other external grant funding bodies which allocate grants on competitive basis.

**“Significant”** means professional work which is noteworthy, or of considerable amount, effect or importance.

**“Specialising”** refers to work which focuses on one operationally narrow aspect within a *professional discipline* using either acquired experience or a combination of acquired experience and discipline based study.

**“Specialist”** means a *grant funded scientist* who has acquired through study and application special subject knowledge which is recognised by peers to be different, distinctive or unique.

**“Statutory action”** means action taken or authorised by statute.

**“Straightforward”** means work which is without difficulty and is uncomplicated to a person qualified within the *professional discipline*.

**“Very complex”** means the application of a soundly based working knowledge of established professional principles, practices and procedures as they affect all aspects of the range of operations, or an in-depth *professional knowledge* of an operation which feature both ambiguity and novelty. Generally responses require the exercise of high levels of analytical skill.

## SECTION 2: PEER ASSESSMENT PROCESS

In recognition of advanced skills and experience relevant to being a *grant funded scientist*, temporary appointed *grant funded scientists* who have been employed for a period of not less than 5 years, can apply to a Peer Assessment Panel for assessment to progress to GFSc 2.

- (a) "Temporary appointed" means either a temporary contract for a specified period of time or successive temporary contracts that have been consecutive, provided that a break between two temporary contracts for the period of a weekend and/or a public holiday will be disregarded.
- (b) For the purpose of the peer assessment process "advanced skills and experience" means beyond routine professional tasks.

A supervisor or manager of an eligible GFSc 1 may initiate an application for assessment by the Peer Assessment Panel for a temporary appointed GFSc without the need for the 5 years to be in successive temporary contracts.

For example: An GFSc 1 was on a temporary contract from 1 July 2005 to 30 June 2010. That employee has a subsequent contract from 1 January 2011 and has for all time been employed as a *grant funded scientist* and was/is currently employed by an *agency*. The supervisor or manager may initiate an application for assessment by the Peer Assessment Panel.

A supervisor or manager initiated application is subject to assessment by the Peer Assessment Panel.

In determining if a *grant funded scientist* will progress to GFSc2, the Peer Assessment Panel will consider the following:

1. The work level definition of GFSc2 as defined has been met; and
2. The *grant funded scientist's* professional:
  - (a) performance;
  - (b) aptitude;
  - (c) experience;
  - (d) responsibilities; and
  - (e) initiative.
3. and that the *grant funded scientist* has complied with all requirements of their current management-approved Performance Review and Development Plan.

The Peer Assessment Panel will include a discipline specific *grant funded scientist* (at a minimum level of a GFSc3) and an SA Pathology management representative. A human resources representative will also be on the Peer Assessment Panel.

Where the Peer Assessment Panel determines that a Grant Funded Scientist is eligible for progression the date of operation for the new salary will be either from the date of receipt of application for assessment or the employee's incremental service date, whichever is the later.

Following assessment should a *grant funded scientist* not progress to GFSc 2 the relevant supervisor or manager will be responsible for implementing a Performance Review and Development Plan in consultation with the *grant funded scientist* to address any issues arising from the assessment.

Should a *grant funded scientist* be assessed as not meeting the criteria for progression the *grant funded scientist* will not be eligible to apply for progression until such time as the relevant supervisor or manager is satisfied that the issues have been satisfactorily addressed through the Performance Review and Development Plan process.

### Reclassification

The Peer Assessment Process **does not** remove or diminish the opportunity for a *grant funded scientist* (if eligible) to apply for a reclassification. A reclassification application will be considered and determined in accordance with the SA Health (Health Care Act) Human Resource Manual.

## APPENDIX 7: CORRECTIONAL OFFICERS

This Appendix is to be read in conjunction with Part 9 of the *S.A. Public Sector Salaried Employees Interim Award* ("SAPSSEI Award").

For the purposes of this Appendix, a Correctional Officer means "an employee recruited, selected, trained and designated by the Department as a Correctional Officer who is an active participant in the management of prisoners, and ensures the safety and security of prisoners and correctional facilities".

### 1. CORRECTIONAL OFFICERS WORK LEVEL DEFINITIONS

#### Definitions

**"Correctional Institution"** means a prison.

**"One Stripe Officer"** Means a CO-2 who is undertaking their workplace assessment guide for completion of their Certificate III in Correctional Practice.

**"Advanced Correctional Officer"** means a CO-2 who is assigned to CO-3 as a result of recognition of performance and the meeting of CO-3 criteria. Such officers are for all purposes part of the establishment base for Correctional Officers.

#### Correctional Officer Level 1 (CO-1)

Employees at this level work under close direction and undertake activities in a *Correctional Institution* which require the application of basic practical skills, and knowledge of custodial operational procedures. Problems can be resolved by reference to procedures, well documented methods, and instructions. Work routines are established and there is only limited scope for interpretation. Limited discretion may be available by agreement to vary methods but not procedures. Assistance is available when problems occur. Training is a predominant feature of this level.

#### Correctional Officer Level 2 (CO-2)

Employees at this level work under general direction and undertake a range of custodial functions involved in the practical application of skills developed through training and successful completion of Certificate III in Correctional Practice. Demonstrate a competent level of understanding of case management and appropriate security measures based on policy and procedures. Work routines and methods are established but there is some scope for the use of discretion in the application of those skills. Problems can be resolved by reference to procedures, documented methods and instructions. Assistance is available when problems occur. Employees at this level may be required to assist CO-1 or "one stripe officers" in their daily activities.

#### Correctional Officer Level 3 (CO-3)

Employees at this level work under general direction and undertake a broad range of custodial functions within a *Correctional Institution*, including successful completion of Certificate IV in Correctional Practice or equivalent. At this level, a CO-3 will be undertaking all of the following:

- a) exercising skills, experience and knowledge to a higher level than CO-2;
- b) demonstrate a superior level of understanding of case management and appropriate security measures based on policy and procedures;
- c) demonstrate increased competence, a commitment to service excellence and professionalism in the operations of *the Correctional Institution*.

Work routines and methods are established but there is scope for the use of discretion in the application of those skills. Problems can be resolved by reference to procedures, documented methods and instructions. Assistance is available when problems occur.

Employees at this level may also provide specialist skills which assists in the development, implementation and assessment of relevant prisoner industry or vocational programs.

Employees at this level may be required to assist CO-1 or “one stripe officers” in their daily activities. This may include the allocation of work, monitoring of the quality of work undertaken, the determination of priorities and providing on the job training and mentoring.

Employees at this work level may also be titled Correctional Industry Officer who possess a Certificate III in Correctional Practice and a recognised trade qualification or equivalent to a trade qualification.

#### **Correctional Officer Level 4 (CO-4)**

Employees at this level work under general direction and may provide supervision and leadership to a small team of Correctional Officers, including the coordination of operations in areas of a *Correctional Institution*. Supervision requirements will include all of the following:

- a) determining priorities and the allocation of work;
- b) ensuring Correctional Officers maintain an effective system of static and dynamic security in the *Correctional Institution*;
- c) delegated authority for leave matters and undertaking the performance and development of staff, and completing performance development plans;
- d) undertake the Officer in Charge functions as required.

Employees at this level may have responsibility for implementation of contemporary case management practices for an allocated caseload of prisoners. This requires demonstrated sound understanding of the principles of case management in a custodial environment including effective interpersonal, counselling and mediation skills. Effective evaluation and implementation of policies and procedures including the preparation of written reports is required.

Work routines, and methods, are established but there is scope for interpretation. Problems can usually be resolved by reference to procedures, well documented methods, and instructions. Assistance is available when problems occur.

#### **Correctional Officer Level 5 (CO-5)**

An employee at this level will be exercising skills, experience and knowledge that exceed CO-4. Employees at this level work under general direction and exercise responsibility for a large work group or a particular custodial function, including contributing specific expertise to planning, policy development and evaluation of programs within an area or unit. Work routines, methods and procedures are normally established but there is considerable scope for interpretation. Solutions to problems can generally be found in documented precedents, guidelines or instructions. Assistance is available if required. A significant involvement in the planning and delivery of training programs may be a feature of this level.

Employees may be required to undertake supervision of Correctional Officers. Supervision requirements will include all of the following:

- a) determining priorities and the allocation of work;
- b) ensuring Correctional Officers maintain an effective system of static and dynamic security in the *Correctional Institution*;
- c) delegated authority for leave matters and undertaking the performance and development of staff, and completing performance development plans.

#### **Correctional Officer Level 6 (CO-6)**

- 2.1 It is recognised and acknowledged that Correctional Industry Officers may have future opportunities as a result of being classified in accordance with the Correctional Officer work level definitions in accordance with this Appendix.
- 2.2 A Correctional Industry Officer who possesses a Certificate III in Correctional Practice and a recognised trade qualification or trade equivalent qualification may apply to translate and be classified in accordance with the Correctional Officer work level definitions.

## **3. PUBLIC HOLIDAYS AND CHRISTMAS DAY ON A SATURDAY – NOT REQUIRED**

- 3.1 Despite clause 9.9 Public Holidays of “Part 9 – Special Conditions for Employees Employed as Correctional Officers” of the SAPSSEI Award, an employee who is advised that he or she is not required for a public holiday will be deemed not to come within clause 9.9.
- 3.2 Where the Chief Executive of DCS (or delegate) wants to stand down one or more employees in relation to a public holiday, the arrangements for DCS designating an employee as not required for a public holiday are as follows.
  - 3.2.1 In this clause, a reference to “DCS” means the Department for Correctional Services (and includes an institution (i.e. prison), division or unit); “stand down” and “stood down” means not required to work (i.e. attend for duty) on a public holiday.
  - 3.2.2 DCS will first call for volunteers to stand down for a public holiday. DCS will provide a means by which employees may record or notify that they wish to be considered and that should preferably be provided not less than one month prior to the relevant public holiday.
  - 3.2.3 If the number of volunteers exceeds the number of employees that DCS wishes to stand down, a ‘draw of names’ (eg. from a hat, box or appropriate container) will be conducted by the prison manager (or delegate thereof). The names drawn will be those that will stand down.
  - 3.2.4 If by not less than two weeks prior to the public holiday the number of volunteers is less than the number of employees that DCS wishes to stand down, then DCS will select the employees to be stood down by selecting employees based on an alphabetical register of surnames (and where applicable, first and then second names) of employees that is maintained from one public holiday to another.
  - 3.2.5 The relevant DCS manager and PSA worksite representatives at an institution may agree that this process for designating an employee will be applied at the division or unit level, provided that where no agreement can be reached, the process will occur at the institution level.
  - 3.2.6 DCS will maintain appropriate records by which to ascertain employees who have and have not been required to stand down.

- 3.2.7 An employee who is notified that he or she has been designated as not required, is then not required to be contactable or available for duty on the applicable public holiday.
- 3.2.8 If a dispute arises in relation to the application of these arrangements to a particular public holiday, the applicable manager and PSA worksite representative will immediately try to resolve it at the local level. This process does not displace the dispute resolution process in this Enterprise Agreement provided that that process will be conducted quickly having regard to the limited time available.
- 3.2.9 A failure to strictly act in accordance with these timeframes and processes does not make void the designation of an employee as not required for a public holiday.
- 3.2.10 The number of spares to be retained on any public holiday will be solely at the discretion of DCS (or delegate thereof, eg. the General Manager of an institution).

#### **4. CORRECTIONAL OFFICERS – HOURS OF WORK**

For the purposes of Correctional Officer establishment, officers classified at either CO-2 and CO-3 are counted as a single group and backfill or overtime or call back is based on the substantive classification level of the officer called in. That is where an Advanced Correctional Officer CO-3 who is rostered and on leave is backfilled by a CO-2, that CO-2 is paid as a CO2.
- 7.3 The implementation will be phased in equally over a three year period commencing not earlier than 6 months from the first full pay period commencing on or after 1 January 2013.
- 7.4 The number of CO-3 positions at each Correctional Institution will be proportionate to the Correctional Institution's CO-2 workforce establishment:
- (a) *For example* where there are 30 Correctional Officer (CO-2) positions, up to ten CO-2 positions will be reclassified to CO-3 on a phased basis.
- 7.5 Assignment to the CO-3 level will be subject to a selection process based on merit (which includes consideration of experience, performance, training and conduct); the work level definitions and agreed job and person specification.
- (a) The selection process will require applicants to the CO-3 positions to demonstrate that they possess the Certificate IV in Correctional Practice, or equivalent qualification(s) approved by the Chief Executive, DCS and have a current performance development plan.

## 2. TRANSLATION ARRANGEMENTS

- a. These translation arrangements are a reference to that which applied immediately prior to the commencement of operation of this classification structure for Medical Physicist. The new Medical Physics structure will apply from the first full pay period (FFPP) after 1 October 2014.
- b. The new increment date for current SA Health employees who translate to the Medical Physicists structure will be the date the new structure takes effect (FFPP after 1 October 2014).
- c. **Non-Certified\* DIMPS** and **ROMPS**, who are employed by SA Health as at 20 October 2014, will transition to the new structure in the same manner as those enrolled in **TEAP** or with **ACPSEM** certification, but will not be eligible for promotion or reclassification to a higher level until they achieve **ACPSEM** certification.
- d. **DIMPs** and **ROMPs** with **certification** will translate into the new classification levels based on the following:

Transition Schedule for Medical Physicists as at FFPP after 1 October 2014	
MeS1 (all)	MPH-1 Step 1

MeS5 Increment 4	MPH-4 Step 3
MeS6 A	MPH-5 Level A
MeS6 B	MPH-5 Level B

\* **Non-certified:** under certain circumstances a Medical Physicist may be classified as non-certified. This can arise from:

- A Medical Physicist employed within the previous Medical Scientist Classification (MeS), i.e. MeS2 or below, who at the time of transitioning into the Medical Physics (MPH) classifications did not have:
  - 1) **ACPSEM** certification, or
  - 2) registration on the **ACPSEM Register of Qualified Medical Physics Specialists**, or
  - 3) acceptance to the **ACPSEM TEAP** Program.
- An experienced Medical Physicist employed within the previous Medical Scientist Classification (MeS), i.e. MeS3 or above, who at the time of transitioning into the Medical Physics (MPH) classifications did not have:
  - 1) **ACPSEM** certification, or
  - 2) registration on the **ACPSEM Register of Qualified Medical Physics Specialists**.

**NOTIONAL PRESERVED SALARY**

- a. The notional preserved salary for each of the named employees in Table 1 (below) is inclusive of all wage increases during the life of the Agreement and is paid for all purposes, including leave on termination.
- b. Where an employee accepts a position outside of the Medical Physics classification; or progresses to a level within the Medical Physics structure which provides a rate of pay that is equal to, or greater than the notional preserved salary as provided in Table 1, the notional preserved salary will cease and will be replaced with the substantive salary of that position/level/step.
