To this end, the employer agrees to facilitate appropriate training for committee members, in the employer's time. Further, such training is to be discussed and approved by agreement between the employer and the Unions. CLAUSE 11 - EMPLOYEE RELATIONS

The parties recognise the need to maintain mutual trust and understanding to improve employee relations throughout the organisation.

The parties agree the need to refocus the traditional Industrial Relations approach to one of employee relations, where consultation is viewed as essential to any change. Management and employees commit to achieving effective improvements in productivity and customer service.

Management is committed to ensure that there is an opportunity for employees to be involved and express their opinions before changes occur which are likely to have an impact on the workplace and their jobs.

CLAUSE 12 - CONTESTABILITY

The City of Victor Harbor is committed to the position that work historically undertaken by employees will, subject to present and future requirements of the Local Government Act, continue to be performed by the workforce, subject to cost, quality and levels of service.

In this regard, it is agreed to adopt the following contestability measures:

- Where deemed appropriate by Management, and in consultation with Consultative Committee, work currently performed by the existing workforce will be benchmarked against like industries/organisations to identify the benchmark price and service quality required to effectively deliver the service to a predetermined specification.
- Provided the work undertaken by existing employees is able to match or better the benchmark, then the work will continue to be performed in-house.
- Should the work currently being performed not meet the benchmark, then employees will be granted a further period of twelve (12) months (except where IFAs are in place) to introduce efficiency gains and improved work practices which will enable them to meet the benchmark price and service quality required by the specification of works. For its part, the City of Victor Harbor will provide appropriate training and support for any group of employees affected by this process.

At the conclusion of the twelve (12) month period, the employees will be allowed to continue to perform the work in accordance with the above process, provided the benchmark is met. In the event that the benchmark is not met the work will be subject to competitive tendering and the employees will be able to tender for the works.

- During the life of this Agreement work that arises, and which is additional to programmed works and services presently undertaken by the employees, will be subject to market forces through public tender. Should the employees seek to gain this additional work, appropriate training and support will be developed for those groups engaged in competitive tendering.

The City of Victor Harbor is committed to the philosophy that all tenders contested should, in the workplace environment created by this Agreement, be able to be won by the existing workforce where appropriate.

Key Performance Indicators (KPIs)

The parties, through the Consultative Committee, may develop performance indicators which will allow for improvements in Council's business to be quantified and measured on an ongoing basis.

KPIs may include, but are not limited to, the following:

- Community Responsiveness;
- Customer Satisfaction;
- Productivity;
- Safety (eg. lost time injury frequency rate);
- Absenteeism;
- Customer Complaints.

A range of KPIs will be identified as providing an appropriate measure of productivity improvement. The KPIs shall be the method to measure productivity performance.

CLAUSE 13 - DEMARCATION

The parties recognise that the normal role for an "ASU Employee" does not include the continuous performance of "hands-on" work. Accordingly the parties accept that "ASU Employees" will not (as part of normal duties) perform the physical "hands-on" work of an employee employed pursuant to the Local Government Employees' Award.

Under the following circumstances however the parties agree that an "ASU Employee" may carry out work covered under the Local Government Employees' Award.

- i. In any unforeseen and pressing situation where there is no skilled employee to perform the work; or

- (ii) Any determination being made regarding any redundant positions will be made by the City of Victor Harbor in conjunction with the Unions.

An allowance will be paid to elected Health and Safety representatives of \$18 per fortnight. The allowance will be paid to "deputy" representatives when undertaking the Health and Safety representatives' role.

CLAUSE 16 - DISPUTE SETTLEMENT PROCEDURE

The procedures below are established and agreed to between the parties in order to minimise the potential elevation of industrial disputes around the Agreement and disputes pertaining to employee/employer relationships and are entered into as a measure and commitment to this effect without limiting the rights of any party.

At all stages of the procedures, the parties to the dispute shall endeavour to resolve the matter promptly and shall endeavour to have work proceed without stoppage or the imposition of bans, limitations or restrictions (except where justified on the grounds of work health and safety), and no party shall be prejudiced as to the final settlement by the continuance of work in accordance with this Clause.

2. Council has a commitment to the on-going training and professional development of its employees and development of a multi-skilled workforce.
3. The parties to this Agreement recognise that a commitment to training and skill development is essential to increase the productivity and efficiency of the Council and to enhance career development of the employees. The parties agree to consider and/or adopt appropriate national standards in the development of training skills programs for the employees.

A training day and related reimbursement of expenses shall be based on the time taken up to the 'span of hours' (Refer Clause 17.4).

4. Staff training refers to the wide range of activities undertaken by staff in the course of their employment, which seek to increase the skills, expertise and/or efficiency of staff, thus leading to a more productive workforce, increased job satisfaction and career advancement potential.

The Council also recognises that a practical, effective way of developing a multi-skilled workforce is to provide opportunities for employees to relieve in higher classifications.
7. Council aims to demonstrate its commitment to training by ensuring maximum access to a wide range of training opportunities and by ensuring specialised training is provided where this is deemed necessary or desirable.
8. Council is committed to the maximum use of existing training opportunities wherever possible and supports the work of bona fide organisations involved in this field.

Principles

The following principles shall apply with reference to the implementation of Council's staff training policy.

1. All staff have the right to access adequate and appropriate ongoing training to enable them to undertake duties for which they are appointed.
2. The training needs of staff should be addressed regularly in the normal course of supervision.
3. The active participation of staff in determining their own training needs will ensure a more productive and satisfied workforce.
4. Priority should be given to training which improves the skills and expertise of staff in their respective job roles or careers and which promotes the occupational health safety and welfare of all employees.
5. Training should seek to address change which constantly occurs in today's workforce, including technological change.

Employees when accessing income protection and journey injury insurance shall be considered to be on leave with no pay and no leave entitlements will accrue while absent. The superannuation guarantee levy will be met by Council. The period of time absent on income protection or journey injury insurance will not break service, but shall not count towards service.

CLAUSE 37 - LONG SERVICE LEAVE

This Agreement shall incorporate the Long Service Leave Act, 1987 as a term and condition of the Agreement. Where an employee's contracted weekly/fortnightly hours are either increased or reduced then Long Service Leave entitlements will be based on the employee's average contracted weekly/fortnightly hours over the entitlement period. Should there be any inconsistency between the Agreement and the Act, this Agreement shall prevail to the extent of the inconsistency.

CLAUSE 38 - AGREEMENTS

38.1 Industrial Flexible Agreements (IFAs) may be established for specific operational or work group areas provided that such agreements have a nominal life not exceeding that of the Enterprise Agreement.

38.2 Any IFA will not be inferior to the Enterprise Agreement.

38.3 Prior to the negotiation of an IFA, the employer will notify the Union and the Consultative Committee of its intention to negotiate an IFA.

CLAUSE 39 - SUPERANNUATION

The parties agree that the StatewideSuper fund will be the default superannuation fund for employees. Employees will have the option of nominating (in writing) an alternative superannuation fund.

The amount of employer superannuation contribution means:

- Contributions which the employer must pay to a superannuation fund in respect of the employee in order to avoid the imposition of a superannuation guarantee charge under the Superannuation Guarantee (Administration) Act 1992 (Commonwealth); and
- Any additional superannuation contributions that the employer agrees to pay in respect of an employee.

- 1.4 At all times employees are to be treated with respect and dignity and any redeployment option must be treated as a high priority and give due regard to the personal situation of the employee.
- 1.5 Notwithstanding the contents of these guidelines, the employer will endeavour to ensure that in all instances the best person for the job will be appointed.

purpose

- 2.1 The purpose of this policy is to enable the management to redeploy people to meet the employer's needs in a fair and consistent manner.

- 3.2 The Enterprise Bargaining Committee is responsible for monitoring the effectiveness of this policy.

management of redeployment

In accordance with Clause Fourteen (14) of this Agreement, appropriate consultation will occur prior to the introduction of change.

 - 4.1.4 meet with the employee on a regular basis (at intervals to be agreed between the employee and supervisor) to discuss options or developments and to outline the process and assistance available to them.
- 4.2 The overriding priority in redeployment is to place the employee in a position (full – part time) that is acceptable to the employer and the employee. To facilitate this the following options will be considered:
 - 4.2.1 same job type;
 - 4.2.2 same work level;
 - 4.2.3 similar job type or work level (same \$), minor skill difference that can be learnt in 3 to 6 months;
