Overtime will only be payable where the employee is required to work hours in excess of those ordinary hours on any day or in excess of the total of those ordinary hours in a week.
 - (d) Where, on cessation of employment, the employer makes a payment in lieu of notice; or a payment in respect of accrued recreation or long service leave entitlements (instead of transferring leave credits to another employer party to this Enterprise Agreement in the event the employee immediately becomes employed by that employer party), the payment thereof (or the transferred leave credits) shall have regard to any period/s in which the employee participated in a VFWA and be adjusted accordingly.

- 23.3 Employers consult in good faith, not simply advise what will be done.
- 23.4 It is an accepted principle that effective workplace relationships can only be achieved if appropriate consultation between the parties occurs on a regular basis.
- 23.5 Workplace change which will affect a significant number of employees should not be implemented before appropriate consultation has occurred with employee representatives.
- 23.6 Employee representatives will be given the opportunity to adequately consult with the people they represent in the workplace, in relation to any proposed changes that may affect employees' working conditions or the services employees provide.

- 24.7 There will be a commitment by the parties to achieve adherence to this procedure including the earliest possible advice by one party to the other of any issue or problem which may give rise to a grievance or dispute. Throughout all stages of the procedure all relevant facts will be clearly identified and recorded.
- 24.8 Sensible time limits will be allowed for the completion of the various stages of the discussions. Discussions outlined in each of the first two stages above should, if possible, take place within 24 hours after the request of the employee/s or their representative.
- 24.9 Emphasis should be placed on a negotiated settlement. However, if the process breaks down, or is exhausted without the dispute being resolved, any party may refer the matter to the Industrial Relations Commission of South Australia, where appropriate. Parties receiving such notice will respond as soon as practicable and preferably within 28 days of receipt.
- 25.2 The parties recognise that the Act permits the Commission to vary an Enterprise Agreement.

Fixed Term Contracts

A number of staff at SARDI are employed under contracts which specify that they are employed for a fixed term. The employment of such staff members terminates at the end of the fixed term of their contracts unless they are offered and accept a further contract of employment with SARDI. Where the contract of such staff members expires, and where such staff members have been employed for a continuous period of 5 years or more, they will be offered a further period of employment subject to the following conditions:

- an offer of a further contract of employment in accordance with this clause will be made to the staff member concerned approximately 6 weeks prior to the expiry of the staff member's fixed term of employment.

Time in Lieu of Overtime

In respect to the operation of TIL in SARDI the parties agree that where an employee has elected to access TIL and not overtime payment:

- each employee eligible for overtime payments for approved additional hours worked as defined in Commissioners Determination No. 1, may accumulate a balance of up to 100 hours TIL.
- Balances of TIL are to be taken as soon as practicable following the accumulation of overtime hours, and not more than seven months after the time was accumulated.
- Local managers must approve all hours recorded as TIL and be responsible for management of records of TIL balances and ensure that all employees are treated equitably and fairly in regard to accumulation of hours and take out of accumulated time.
- Where an employee cannot access TIL balances because of operational demands a local manager may present a case to the relevant delegate that the outstanding balance be paid at normal rates of pay.

Employees in receipt of a specific allowance or loading for out of hours work are not eligible for the accumulation of TIL under the conditions described above.

This Schedule applies only to those employees bound by this Enterprise Agreement and who are classified as "Ministerial Chauffeurs" under the *Chauffeurs' (Ministerial) Public Service Award* and are employed in the Ministerial/VIP Chauffeur Service of Fleet SA, Department for Administrative and Information Services (or any successor of Fleet SA).

The Schedule will come into effect on and from the first full pay period to commence on or after the date of approval of this Enterprise Agreement.

1. Overtime Allowance

- 1.1 The payment of an allowance to Ministerial Chauffeurs for the performance of the first 10 hours of overtime each week will be trialled for a period of six months from the date of approval of this Agreement.
- 1.2 Ministerial Chauffeurs will be paid an overtime allowance of:
 - (a) \$15,715 per annum on and from the first full pay period to commence on or after the date of approval of this Enterprise Agreement;
 - (b) \$16,466 on and from 1 October 2005 (subject to arrangements being successfully trialled and implemented);

(i.e. 48% of the annual rate of pay for a Ministerial Chauffeur step 3) in lieu of overtime payment, payable fortnightly with their normal remuneration, for the performance of the first 10 hours of overtime each week. The allowance is inclusive of all overtime rates that are otherwise applicable (i.e. time and a half, double time, and double time and a half).
- 1.3 In determining if a Ministerial Chauffeur has worked the required 10 hours per week of overtime, the time he/she works will be averaged over an accounting period of two weeks. The accounting period will be aligned with the pay cycle.
- 1.4 The allowance will be paid during periods of annual leave (up to 4 weeks per annum), but will not be paid during periods of sick leave, long service leave or during periods of special leave (whether or not such leave is paid or unpaid).
- 1.5 Ministerial Chauffeurs can 'bank' up to 20 hours of overtime in a 'Time Bank' on the following basis:
 - (a) the Time Bank will operate from 1 March to 28 February of the following year (or 29 February of a leap year). Ministerial Chauffeurs will ensure that a zero balance of time credits exists at each 1 March.
 - (b) Ministerial Chauffeurs will be permitted to draw upon the Time Bank to mitigate any fluctuations in their hours during an accounting period provided that the total number of hours used from the time bank does not exceed the balance of the Time Bank.
 - (c) the hours accumulated in the Time Bank cannot be redeemed as a cash payment and Ministerial Chauffeurs will not be otherwise paid for hours that are allocated to the Time Bank.
 - (d) in the event that a Ministerial Chauffeur leaves Ministerial/VIP Chauffeur Service, any hours accumulated in the Time Bank for that individual will be credited against the required 10 hours of overtime each week for the payment of the allowance.

- 1.6 When Ministerial Chauffeurs are called back to duty ('Call-backs'), they will be paid in accordance with clause 5.3 of the *Chauffeurs (Ministerial) Public Service Award*. (Call backs are not included as part of the allowance.)
- 1.7 Normal overtime provisions will apply to any overtime worked in excess of the 10 hours of overtime prescribed for the purposes of the allowance, with the exception of hours that are allocated to the Time Bank.
- 1.8 In so far as is reasonably possible (to ensure, that all Ministerial Chauffeurs have the opportunity to work the overtime required to attract the payment of the allowance) Ministerial Chauffeurs are required to submit approved timesheets daily. In the event a Ministerial Chauffeur is unable to submit an approved timesheet by the due time, the Ministerial Chauffeur will ensure the timesheet is submitted (by facsimile if appropriate) as soon as practicable.
- 1.9 The trial of this allowance will remain in force for a period of 6 months following the date of commencement of this Schedule. A review of the trial will commence at the end of the 5th month. If it is deemed by management that the trial arrangements are unsuccessful or not practical it may be discontinued.
- 1.10 Consistent with the provisions prescribed (clause 1.8) the decision to continue the provision of the allowance following the trial will be dependent upon the achievement of a number of criteria. The criteria will include, but not be limited to, whether all Ministerial Chauffeurs have had the opportunity to work the overtime required to attract the payment of the allowance.
- 1.11 Notwithstanding the 6 month trial, the terms of the trial will continue to have life during and following the review, until such time as the Public Service Association or the Chief Executive of the Department for Administrative and Information Services give written notice to the other of the cessation of the trial. The trial will then end as of the completion of the second pay period following the date of the formal written notice.
- 1.12 If following the review the allowance is to be continued, neither party will oppose an application to vary the *Chauffeurs (Ministerial) Public Service Award* to give effect to this allowance as an award provision. In this event, the Chief Executive of the Department for Administrative and Information Services will make application to vary the aforementioned Award.
- 1.13 If following the review the trial arrangements are to be discontinued, normal Award arrangements will be reinstated and Ministerial Chauffeurs will be expected to use any accumulated banked time as time off in lieu of overtime within a reasonable period.

ATTACHMENT A

This attachment is included only for the purpose of information.

“Attachment C – Changes to Redeployment Practice”
of the MOU is varied as follows with effect from 28 October 2004.

The following changes to redeployment practice presently prescribed in Public Sector Management Act Determination No. 3 (made on 19/03/03) have been agreed between the parties to take effect from 28 October 2004. The changes will apply to employees who are excess on or after 28 October 2004.

The following will be added to PSM Act Determination 3:

Chief Executives will ensure that proper consideration is given to redeployees in the filling of all vacancies including short term appointments (less than 3 months), and additional duties appointments/assignments in accordance with PSM Act Determination 2.

Where a redeployee is not placed in an alternative ongoing or long term position at the employee's substantive level, the income maintenance period will begin 3 months following the employee being declared as excess to an agency's requirements (or, in the case of existing unplaced redeployees from 28 October 2004. (The period of income maintenance, remains the same as that prescribed in PSM Act Determination 3). Should a redeployee be placed in a suitable position at their substantive level during the time that income maintenance is received, income maintenance will be suspended for the period of that placement.

Where, at the cessation of the income maintenance period, the employee has not been placed in an ongoing or long term position at the appropriate substantive level, the employee's salary and rate of pay will be pegged until that employee is placed in an ongoing position.

The period of income maintenance will continue (up to the maximum entitlement) if an employee accepts an offer of an ongoing position classified below the redeployee's substantive classification. The redeployees rate of pay applying at the nominal end of the income maintenance period will then be pegged at that amount until such time as the rate of pay for the new position equals or exceeds the pegged rate of pay.

Redeployees shall be required to take part in training and retraining to facilitate placement in funded public sector work at their substantive level, which may be to a different career stream.

The following changes were agreed in the South Australian Government Wages Parity Enterprise Agreement 2001 in relation to redeployment practice which at that time were prescribed in Public Sector Management Act Direction No. 6 (made on 01/01/97) and were agreed to take effect from 2 October 2001, and to apply to employees who are excess on or after 2 October 2001. Those changes were included in Public Sector Management Act Determination No. 3 (made on 19/03/03). Subject to the changes to Determination 3 identified above, to have effect from the date of approval of this Agreement, those changes will continue to have effect.

The following will be added to Part 6 Redeployment Principles in Direction No. 6.

6.1(e) Pending assignment/transfer/placement in an ongoing position, an excess employee will be provided with and will undertake temporary work. During the period the employee is undertaking such temporary work, the employing agency will identify, in consultation with the employee, opportunities for training, re-training or other relevant

development in order to expand the employee's options for redeployment. The employee will co-operatively and actively participate in any such identified training, retraining or other relevant development opportunities.

6.1(f) If after a period of 6 months as an excess employee no suitable ongoing position has been offered or accepted, the excess employee may be directed to a position/work (not necessarily within the employee's substantive agency) that is within the excess employee's skills or abilities, with training if required. A position or package of work will be deemed suitable even if it involves variation to any, or all of, starting and finishing times, distance from home (provided every effort is made so as not to involve relocation of the employee's household and due consideration is given to the employee's personal circumstances), or rate of pay (provided that this clause will not affect the Income Maintenance clause in Direction No. 6). An employee who has been an excess employee for at least 6 months will be subject to this clause. If an employee believes the direction to be unreasonable, the employee may request the Commissioner for Public Employment (or delegate) to mediate between the employee (including a representative of an employee association, if applicable) and the agency in order to resolve the issue.

6.1(g) An excess employee will:

- (i) with the assistance and support of the employing agency, prepare, maintain and provide in a timely manner an up to date resume to the agency's redeployment case manager or other designated person;
- (ii) attend interviews as requested and participate in them in a positive and constructive manner;
- (iii) actively co-operate in an agency's efforts to effect redeployment to an ongoing position (including redeployment to a position on a trial basis);
- (iv) comply with any reasonable request/direction from the agency's redeployment case manager or other designated person (however designated); and
- (v) comply with all attendance requirements.
