2.1.1.2 has one or more members employed by the employer to perform work in the relevant workplace

[Note: The failure by an employer to give each relevant association an opportunity to be involved in the consultative process leading to the making of an agreement may result in the *Commission* adjourning or refusing the application to vary the award.]

2.1.2 At each workplace, consultative mechanisms and procedures will be established comprising representatives of the employer and employees. Each *relevant association* is entitled to be represented.

2.1.3 The particular consultative mechanisms and procedures will be appropriate to the size, structure and needs of the workplace.

PART 3 - COMMUNICATION, CONSULTATION AND DISPUTE RESOLUTION

OPDATE 26:11:2002 on and from

Clause 3.1 Grievance and Dispute Settling Procedures

OPDATE 19:05:2008 on and from

Any grievance, industrial dispute or matter likely to create a dispute should be dealt with in the following manner:

- 3.1.1 The respective parties are obliged to make every effort to ensure that these procedures operate effectively.
- 3.1.2 Unions and the Department should inform each other, in writing, of the names of their duly accredited representative responsible, in the first instance, for matters arising on the job. The union's appointed job representative(s) will be entitled to represent union members employed by the Department. The Department's representative(s) will be responsible for dealing with matters raised by the union's job representative(s).
- 3.1.3 If the employee is not a member of a union or is a member of a union and does not wish the union to represent them they are entitled to have a representative of their choice act on their behalf, providing the nominated representative agrees to provide representation.
- 3.1.4 The appointed representative(s) will make themselves available for consultation as required under these procedures.
- 3.1.5 The union's representative(s) or employee representative should discuss any matter affecting an employee with the supervisor in charge of the section or sections in which the grievance, dispute or likely dispute exists.
- 3.1.6 If the matter is not resolved at this level the union's representative(s) or employee representative should ask that it be referred to the Department's representative nominated above, who will then arrange a conference to discuss the matter.
- 3.1.7 The consultation process referred to above will be commenced within 24 hours of the grievance, dispute or likely dispute having been registered, or such longer period or shorter as may be agreed to by the parties.
- 3.1.8 If the matter is not resolved at the conference referred to above, the union's representative(s) will advise the appropriate official of the union of the issue and a conference will be arranged. If the aggrieved employee is not being represented by a union then they or their representative should arrange the conference. The conference must be attended by the official(s) and the union job representative concerned (provided that the Union so decides), or the employee concerned and their representative and by the designated Departmental representatives, which may include a representative of the Office for the Commissioner for Public Employment (if the Department so decides).
- 3.1.9 If the matter cannot be resolved employing the above procedures, the Department and the union or the employee and their representative should enter into consultation at a higher level, as the parties consider appropriate. At this level of consultation the Chief Executive, Department of the Premier and Cabinet must be involved.
- 3.1.10 After consultation has occurred between the parties in accordance with these procedures, either party may request and be entitled to receive a response to its representations within a reasonable time as may be agreed to by the parties.
- 3.1.11 If the matter is not resolved in accordance with these procedures either party may refer the matter to the *Commission*.

- 3.1.12 Without prejudice to either party, and except where a bona fide health and safety issue is involved, work should continue on a status quo basis while matters in dispute are being dealt with in accordance with these procedures. A "status quo basis" will mean the work situation in place at the time the matter was first raised in accordance with these procedures.
- 3.1.13 If there is undue delay on the part of any party to the matter, the party complaining of the delay may take the matter to a higher level in the dispute process.
- 3.1.14 In the event of a party failing to observe these procedures the other party may take such reasonable steps as are considered necessary to resolve the matter.
- 3.1.15 These procedures will not restrict the Department, or its representative(s), or a duly authorised official of the union or the employee or their representative from making representations to each other.
- 3.1.1.6 For the purpose of this clause "employee representative" means a person that is not a union representative or union official and who is representing an employee in this procedure.

Table 3: Wage rates for part-time Certificate IV Traineeships (\$ per hour):

Trainees undertaking a part-time AQF IV **traineeship** shall receive the relevant hourly rate for AQF III trainees at Wage Levels A, B or C as applicable under Table 1 or 2 with the addition of 3.8 per cent of that wage rate.

An **adult trainee** (as defined) who is undertaking a part-time **traineeship** for an AQF IV qualification shall receive the following hourly rate as applicable based on the allocation of AQF III qualifications:

<i>Wage Level</i>	<i>First year of traineeship</i>	<i>Second year of traineeship</i>
	\$	\$
Wage Level A	23.64	24.53
Wage Level B	22.73	23.59
Wage Level C	20.72	21.52

S2.11.3 The hours for which payment shall be made are determined as follows:

S2.11.3.1 Where the **Approved Training** for a **Traineeship** (including a school based **Traineeship**) is provided off-the-job by a registered training organisation, for example at school or at TAFE, these rates shall apply only to the total hours worked by the part-time **Trainee** on-the-job.

S2.11.3.2 Where the **Approved Training** is undertaken solely on-the-job and the average proportion of time to be spent in **Approved Training** is 20% (i.e. the same as for the equivalent full-time **Traineeship**), then the total hours on-the-job shall be multiplied by the applicable hourly rate, and then 20 per cent shall be deducted.

S2.11.3.3 Where the **Approved Training** the training is partly on-the-job and partly off-the-job and the average proportion of time to be spent in **Approved Training** is 20% (ie the same as for the equivalent full-time **Traineeship**), then the total of all hours spent in work and training shall be multiplied by the applicable hourly rate, and then 20 per cent shall be deducted.

Note: As noted in clause S2.8, 20 per cent is the average proportion of time spent in **Approved Training**, which has been taken into account in setting the wage rates for most full-time **Traineeships**.

S2.11.3.4 Where a person was employed part-time by an employer under this Award immediately prior to becoming a part-time **adult trainee** with that employer, such person shall not suffer a reduction in the hourly rate of pay by virtue of becoming a **trainee**.

S2.11.3.5 Where the normal full-time weekly hours are not 38 the appropriate hourly rate may be obtained by multiplying the rate in the table by 38 and then dividing by the normal full-time hours.

S2.11.4 **General Formula**

S2.11.4.1 For **Traineeships** not covered by S2.11.2.1, the following formula for calculation of wage rates shall apply:

The wage rate shall be pro-rata the full-time rates based on variation in the amount of training and/or the amount of work over the period of the **Traineeship**, which may also be varied on the basis of the following formula:

$$\text{Full-time wage rate} \times \frac{\text{Trainee hours} - \text{average weekly training time}}{30.4^*}$$

* Note: 30.4 in the above formula represents 38 ordinary full-time hours less the average training time for full-time *Trainees* (ie 20%). A pro-rata adjustment will need to be made in the case where the Award specifies different ordinary full-time hours: for example where the ordinary weekly hours are 40, 30.4 will be replaced by 32.

- (a) *Full-time wage rate* means the appropriate rate as set out in S2.8.4, S2.8.5, S2.8.6 and S2.8.7 of this Schedule.
- (b) *Trainee* hours shall be the hours worked per week including the time spent in *Approved Training*.
- (c) Average weekly training time is based upon the length of the *Traineeship* specified in the *Traineeship Agreement* or *Training Agreement* as follows:

$$\frac{7.6 \times 12}{\text{Length of the } \textit{Traineeship} \text{ in months}}$$

Note 1: 7.6 in the above formula represents the average weekly training time for a full-time *Trainee* whose ordinary hours are 38 per week. A pro-rata adjustment will need to be made in the case where the Award specifies different ordinary time hours for example, where the ordinary weekly hours are 40, 7.6 will be replaced by 8.

Note 2: The parties note that the *Training Agreement* will require a *Trainee* to be employed for sufficient hours to complete all requirements of the *Traineeship*, including the on the job work experience and demonstration of competencies. The parties also note that this would result in the equivalent of a full day's on the job work per week.

S2.11.5 Example of the calculation for the wage rate for a part-time traineeship

A school student commences a *Traineeship* in year 11. The ordinary hours of work in the *Award* are 38. The *Training Agreement* specifies two years (24 months) as the length of the *Traineeship*.

Average weekly training time is therefore $7.6 \times 12/24 = 3.8$ hours.

Trainee hours totals 15 hours; these are made up of 11 hours work which is worked over two days of the week plus 1-1/2 hours on the job training plus 2-1/2 hours off the job *Approved Training* at school and at TAFE.

So the wage rate in year 11 is:

$$\frac{\$340 \times 15 - 3.8}{30.4} = \$125.26 \text{ (plus any applicable penalty rates under the Award)}$$

The wage rate varies when the student completes year 11 and passes the anniversary date of 1 January the following year to begin year 12 and/or if *trainee* hours changes.

S2.11.6 Employment conditions for all part-time trainees

- S2.11.6.1 A part-time *Trainee* shall receive, on a pro-rata basis, all employment conditions applicable to a full-time *Trainee*. All the provisions of the Award shall apply to part-time *Trainees* except as specified in this Schedule.
- S2.11.6.2 However, a *Trainee* undertaking a school based *Traineeship* may, with the agreement of the *Trainee*, be paid an additional loading 20 per cent on all ordinary hours in lieu of annual leave, sick leave, personal leave and public holidays. Notwithstanding this, where a *Trainee* is called upon to work on a public holiday the provisions of the Award shall apply.
- S2.11.6.3 A part-time *Trainee* may, by agreement, transfer from a part-time to a full-time *Traineeship* position should one become available.
- S2.11.6.4 The minimum engagement periods specified in the Award shall also be applicable to part-time *Trainees*.
