The object of this Agreement is to define the conditions under which, by working extra time on nineteen (19) days in a four (4) week period, employees make up sufficient time to take the 20th day off without alteration to pay or operational requirements.

Standard Day

A standard day shall be eight (8) hours duration worked between the hours of 7.30 a.m. and 5.15 p.m. with an unpaid meal break of up to 45 minutes.

Operation

- a) The rostered day off (RDO) is to be taken by mutual agreement. Such day off shall be taken at a time selected to ensure that sufficient staff are available at all times to carry out daily duties without the need for additional staff.
- b) The RDO shall be approved unless the work load or staffing levels in a particular period are such that employees cannot be spared at that time. In this event, the RDO shall be deferred by agreement to a mutually accepted date which shall be no later than three (3) months after the rostered day off was due.
- c) An employee may change their rostered day off in consultation with their General Manager / Coordinator.

Leave

Annual Leave will be construed as 152 hours annually. Where an employee takes less than four (4) weeks annual leave at any one time, the rostered time off in that period is to be commensurate with the time worked in excess of 7.6 hours per day.

Overtime

Overtime, if so worked, is to commence on the completion of ten (10) hours duty, on any day.

Termination of Employment

A calculation will be carried out on all leave credits or debits (other than sick leave), as the case may be and shall be accounted for in an employee's final pay.

Optional Working of 19 Pays Per 4 Week Period

The working of 19 days per 4 week period is optional, employees may choose to work normal hours spread over 20 days per 4 week period.

23. ANNUALISATION OF WORK-RELATED ALLOWANCES

The following reimbursements and allowances will remain unaltered and unaffected by this Agreement:

- a) Where identified by management, and in consultation with the employee, an employee may seek to have the costs associated with maintaining their driver's licence reimbursement by Council where it is a core requirement of their role to maintain a drivers licence, as per the provisions of the Award
- b) First Aid Allowance – for designated First Aid Officers.

24. EXTERNAL VOLUNTEER WORK

Staff be offered the opportunity once in every financial year to access up to one (1) days leave per annum to contribute volunteer labour to a Registered Community or Charitable Organisation within the Council area or one that services the District.

All applications to access this leave must be authorised by the respective General Manager to be taken at a time where the employees' duties are not inconvenienced. Proof of the volunteering effort must also be provided to the respective Manager from the volunteer organisation.
