24. PART TIME EMPLOYMENT

The parties recognise that there may be valid reasons for a part-time employee to vary their normal working hours. However, given that part-time workers often have other commitments outside of their normal hours of work, any variation to normal working hours must be agreed between the employer and employee.

25. POSITION PROFILES

All Council positions must have an approved Position Profile which accurately reflects the position duties and scope of responsibility. It does not need to have comprehensive, complete and/or an exhaustive list of responsibilities and accountabilities but must describe it in a form which can be used to compare the job with the classification criteria outlined in Schedule 7 of the Award.

26. RECRUITMENT

Council confirms its preferred position is to recruit from within rather than to recruit external applicants. This results in assisting employee career paths, provides opportunities for employees "down the line" to progress to more senior levels, and benefits the Council by utilising the expertise within the existing employee group.

- 26.1. Where a choice of suitably qualified and experienced competitive applicants exist within the Council who are likely to apply for the vacant position, the vacancy will be advertised internally within Council.

- 26.2. Selection to all vacancies shall be made on the basis of 'merit' except where re-deployees are available who may, either with or without training, be able to satisfactorily perform the duties, in which case preference shall be afforded to re-deployees.
- 26.3. Where the recruitment base is considered unduly restrictive, a vacancy may be simultaneously advertised in the outside media and within Council.
- 26.4. Existing employees who meet essential criteria outlined in the Position Profile will be granted an interview and their ability to do the job tested. Providing the employee is not a declared re-deployee, selection shall be based on 'merit'.
- 26.5. Where an internal and external applicant is considered equal on merit following the selection process, preference will be given to the internal candidate if covered by this agreement.
- 26.6. Internal applicants who are unsuccessful in gaining an advertised vacancy will be provided with feedback from the selection panel and, where applicable, with appropriate training to further their career opportunities.
- 26.7. The recruitment and selection process will be guided by Council's policies and procedures.

27. CONTRACTING OUT

The arrangements in Clause 28 provide an understanding and recognition by the parties regarding the need for Council to provide efficient and effective services to the community. The parties recognise that in this regard Council work will continue to be undertaken by a mix of internal Council labour and external service providers. The parties acknowledge the right of Council and the Senior Management Team to make decisions relating to service delivery having regard to cost implications, efficiency and effectiveness of service delivery together with any other relevant considerations.

- 27.1. The use of outside service providers by Council will generally have at least one of the following characterisations:
- to supplement the Council labour force in the performance of seasonal, maintenance or other short-term work requirements to undertake new or renewable construction work and / or projects
 - circumstances that require specialist skills, and / or the operation of plant and equipment not readily available through existing Council resources
 - other Council operations as may be resolved by Council
- 27.2. Management will fully consult with relevant employees and their representatives prior to the implementation of any significant change to existing working / operational arrangements. In particular the Agreement requirements pursuant to Clause 17 (Introduction of Change), and Clause 18 (Employment Security) are acknowledged as being relevant and applicable to the change process.

28. SUPPLEMENTARY LABOUR

Council undertakes to employ staff to undertake work which is of a permanent, ongoing basis and to limit the use of supplementary labour to:

- Replace employees on leave or extended absence from duty;

- Undertake seasonal or other short term project work;
- Undertake project work where Council is unable to resource its performance from within existing staff resources; or
- Replace existing staff temporarily assigned to undertake project work.

28.1. Where supplementary staff are engaged, Council will ensure Enterprise Agreement rates of pay will apply.

28.2. Management Representatives will consult with the Team Leader in charge of the team, prior to the work being undertaken by supplementary labour to ensure that the work could not be undertaken in-house at a competitive rate. The Management Representative will report all instances at the SBU meeting to monitor its performance.

29. WAGE RATES

Upon approval of this Agreement the employer agrees to pay the following wage increases to all employees covered by the Award.

Wage adjustment will be based on the rates of pay in accordance with the Schedule of Wages as agreed in the City of Mitcham Local Government Employees Award Enterprise Agreement No. 11 of 2016.

Payments will be made as follows:

Item	Year 1 1.7.2018 (a)	Year 2 1.7.2019 (b)	Year 3 1.7.2020 (b)
Wage Increase	2.3%	2% or CPI (capped at 3%)	2% or CPI (capped at 3%)

Explanations:

- (a) Increases apply from 1st full pay period on or after 1st July each year
- (b) % increase OR the Australian Bureau of Statistics South Australian CPI (to a maximum of 3%) as forecasted at the March quarter for the upcoming year, whichever is greater.

Annual Leave Loading (representing 17.5% of 4 weeks wages of the employees substantive classification) shall continue to be paid to employees as an annual payment and shall form part of the employees wage thus increasing the wage rate by 1.35% ($4/52 * 17.5\%$).

31. MIXED FUNCTIONS

An employee engaged for 2 hours or more on any one day on duties carrying a higher rate than their ordinary classification will be paid the higher rate for such day. If for less than 2 hours on any one day the higher rate for the time so worked is paid. Upon application the Council may deduct Union fees.

- 33.2. Any employee who works on any statutory or gazetted holiday is paid for the time so worked at the rate of double time and a half, and receives a minimum payment of 3 hours. The rate of double time and a half includes the ordinary time rate which would normally apply for the day's work.

34. THREE (3) GRACE DAYS

This clause provides for Grace Days for all employees, excluding casual employees, and is provided in addition to other leave entitlements. Grace Days for part time employees will be based on their hours of duty averaged out over the preceding 12 months and their agreed and documented days of work.

Employees will be entitled to three (3) additional days off work per 12 months (referred to as 'Grace Days'). These three (3) days can be taken at any time during the 12 month period to which they relate but as they are not regarded as Annual Leave. "Salarylink Contributions" has the meaning given to that term under the Trust Deed.

An employee may elect with the consent of their manager, to take annual leave in single days providing the total does not exceed five (5) days in any calendar year.

49. LONG SERVICE LEAVE

Long Service Leave will be administered in accordance with the SA Long Service Leave Act, 1987 with the provisions of this Act incorporated in this Agreement. The intent of this provision is that there should be no diminution of entitlements currently provided by the Long Service Leave Act for the life time of this Agreement. The following exceptions will apply:-

- 49.1. Long Service Leave may be taken at a time mutually convenient or may be cashed in at the employee's request and subject to approval, after 7 years of service.

- 49.2. An employee may take Long Service Leave in the following manner:
- i. normal pay for the period taken;

An employee (other than a casual employee), on the death or in the event of a life threatening injury or illness of a member of their immediate family or household is entitled, on reasonable notice, to paid leave of two days duration per occasion. This leave can be extended up to four days where the relationship is of a direct nature, i.e. partner, mother, father, child. This leave is without deduction of pay for a period not exceeding the number of hours worked by the employee in four ordinary days work.

An employee who is on annual leave is entitled to take personal leave if the employee is too sick to work for a period of at least 3 days. In this case, the annual leave taken while sick would be reimbursed and the leave deducted from the employee's personal leave entitlement.

- a) the employee gives Council notice of the leave, its nature and estimated duration before the period for which personal leave is sought begins. However, if the nature of sudden onset of the sickness makes it impracticable to give the notice before the period begins (for instance hospitalisation), the notice is validly given if given as soon as practicable and not later than 24 hours after the period begins; and

- b) applies in writing by completing a prescribed form together with any supporting documentation and forwarding such to their immediate supervisor,
 - c) the employee, at the request of Council, provides a medical certificate or other reasonable evidence of sickness (which may include but is not limited to a statutory declaration, or a pharmacy sick certificate).

- 51.6. Compassionate leave as provided under clause 50 of this Agreement is not affected by this leave provision.

52. DOMESTIC AND FAMILY VIOLENCE LEAVE

The City of Mitcham recognises that some of its employees may experience situations of violence in their personal life which may impact on their attendance or performance at work.

Domestic and Family Violence means any violence between family members including current or former partners whenever and wherever the violence occurs. It encompasses any behaviour that is violent, threatening, controlling or intended to make a person feel scared and unsafe. The violence may be physical, emotional, verbal, financial, social, sexual, stalking, spiritual and image-based abuse.

- 52.3. The employee's personal information concerning domestic and family violence will be kept confidential in line with applicable legislation and the City of Mitcham's policies and procedures. No information will be kept on the employee's personnel file without their express written permission.

53. 48/52 PURCHASED LEAVE

The parties agree to a 48/52 Purchased Leave without pay model. The parties expect the model to increase staff retention, produce savings and provide greater flexibility to employees in meeting family and personal interests. Under the 48/52 Purchased Leave model, an employee can apply and be granted a maximum of 4 weeks leave without pay each year. However by spreading the 48 weeks pay over a working year (52 weeks), the employee receives the same fortnightly pay for the whole year.

- 53.1. Eligibility. All employees may apply for Purchased Leave including contract employees providing they have at least one years employment remaining. The 48/52 model is a voluntary mode of employment. This mode of employment is not automatic with each application being considered on its merit. (There will be no retrospectivity of 48/52 periods).
- 53.2. Application. Employees shall apply for Purchased Leave in writing on a form provided.
- 53.3. Leave Entitlements. Purchased Leave does count as service and therefore leave accruals and increment dates will not be affected.

- 54.1. An employee (excluding casual employees) shall be granted parental/adoption leave on full pay:

 - 54.2.2. The employee applies in writing to the Council for paid parental/adoption leave, including a certificate from a qualified medical practitioner stating the expected date of birth of the child (or a statutory declaration of scheduled adoption leave date). The application must be received by the Council:

54.2.3. In the case of parental/adoption leave for the primary carer, the period of 12 weeks absence shall be taken in one consecutive block or in 24 weeks at half pay within the 12 month parental/ adoption period to commence immediately following the birth/adoption of the child.

54.2.4. Any public holiday or other statutory holiday that falls within the period of parental/adoption leave shall be counted as a day of such parental leave; and

54.2.5. An employee may instead of or in conjunction with parental leave, take other leave entitlements which they have accumulated, such as annual leave or long service leave. The total amount of leave taken must not be more than 52 weeks, unless a longer period is agreed in writing with the Council.

55. SPECIAL LEAVE (UNPAID)

Upon application to the Chief Executive Officer or their delegate, employees may be granted up to 12 months leave without pay to care for an immediate family member subject to employee having five years continuous service at the time of taking the leave.

56. DEFENCE RESERVE LEAVE

Council recognises the importance of Defence Reserve Service and the need to provide appropriate benefits to Reserve members who are employees of this organisation. Benefits are provided in two forms. Via paid leave for periods of peace time training and via unpaid leave during periods of full-time service as provided in the Defence Legislation Amendment (Enhancement of the Reserves and Modernisation) Act 2001.

56.1. Leave Entitlement During Periods of Peacetime Training. Employees who are Reserve members shall be granted additional leave for the purposes of participating in training camps, or equivalent continuous duty.

- 56.4. The period of absence will be treated as continuous service for the purposes of calculating annual leave, long service leave, sick leave or any other entitlements.
- 56.5. Superannuation will be paid by Council on the Reservist employee's normal weekly salary.
- 56.6. Prior notice of the requirements to attend, and certification of attendance and completion of the training will be required.
- 56.7. Leave Entitlement during Periods of Full-time service (call outs). The Employer Support Payment (ESP) assists employers to offset the costs and consequences of releasing Reserve members for full-time service, (call outs). In the event of a call out, a reservist employee normally would be granted special leave without pay for the whole period of their absence with Council claiming the Employer Support Payment as provided for in the Defence Reserve Service (Protection) Act (Commonwealth) 2001.
- 56.8. Council undertakes to re-employ the reservist employee after Defence service, and
 - 56.8.1. not to compel reservist employees to use annual leave or long service leave for Defence service, and
 - 56.8.2. to treat the period of Defence service as continuous service for the purposes of calculating annual leave, long service leave, sick leave or other entitlements.

57. EMERGENCY SERVICES LEAVE

The City of Mitcham supports participation by employees in the Country Fire Service (CFS) and the State Emergency Service (SES), both of which provide valuable community protection against loss of life and property.

- 57.1. The Chief Executive Officer is authorised to approve special leave with full pay for employees who participate in authorised activities at a time of genuine and substantial emergency or crisis during normal working hours. Approval will not normally be extended to casual or contract staff.
- 57.2. Voluntary attendance at incidents would not normally qualify for approval. Leave without pay, recreation leave or Rostered Days Off would be utilised in such situations.

- 57.4. Where possible, employees should advise their manager/supervisor in advance by telephone if they are required to participate in CFS/SES activity which could involve an absence from work.
- 57.5. Leave applications must be in writing and must be approved by the CEO before being referred to the payroll officer. Such leave shall count as service for leave purposes.

61. PERSONAL (INCL SICK) LEAVE INCENTIVE

Both parties commit themselves to the reduction of unwarranted personal leave and in challenging the prevailing culture in the taking of personal leave. Our strategy in addressing this is to provide some form of financial incentive which encourages regular work attendance, the accumulating of personal leave credits and commitment to the work unit.

- 61.1. In the absence of any agreement to the contrary, the scheme will continue during the life of the Agreement.

- 61.2. To ensure equity in treatment all employees shall be granted their personal leave entitlement (10 days) on 1st July each year. In making this adjustment, personal leave to 30th June will be allocated on a pro-rata basis from their anniversary date.
- 61.3. On termination, (resignation, death, redundancy or permanent disability) payment of a percentage of the accumulated leave as at termination of employment will be made. The following rates are to apply.

PERSONAL (INCL SICK) LEAVE ACCUMULATED	
HOURS	% CONVERTED TO DOLLARS
less than 76 hours (10 days)	nil
less than 190 hours (25 days)	10
less than 380 hours (50 days)	25
less than 760 hours 100 days	40
Over 760 hours (100 days)	50

Termination on the grounds of serious and wilful misconduct and/or other grounds for dismissal will not be eligible for payment.

- 61.4. These incentives are based on current trends and should not be seen as a precedent in determining any future bonus or incentive. Bonuses and incentives will be set at each agreement negotiation stage based on past and current trends.

WORKPLACE HEALTH AND SAFETY

62. WORKPLACE HEALTH AND SAFETY (WHS)

Council and employees recognise the importance of an effective workplace health and safety program in providing a safe work environment for all employees. Improved WHS will ultimately increase productivity throughout Council by reducing the number of incidents / accidents and therefore lost time.

- 62.1. Council and employees will at all times meet their respective obligations and duty of care required of them under the WHS Act and Regulations. All employees shall be assured of a safe and healthy work environment at all times. The parties shall co-operate in the achievement of high standards of workplace health and safety
- 62.2. Council and employees will strive to continually improve WHS performance in accordance with the WorkCover Exempt Employer Performance Standards and provide the highest level of rehabilitation and support processes for employees who sustain a work related injury or illness.
- 62.3. The parties recognise safety education and safety programs shall be fundamental in achieving this objective. On all projects there shall be strict compliance with the relevant WHS guidelines so as to provide and maintain a safe working environment.

65. INCLEMENT WEATHER

The arrangements regarding finishing work due to inclement weather are to be considered in conjunction with Council's relevant WHS policies and procedures.

- 65.1. Where the Team Leader (acting in accordance with the Council's WHS Policy and Procedure) is of the opinion that, weather conditions existing at the time are such that continuing to work at the assigned task and in the assigned location would be:-
- detrimental to the employee's health, safety and welfare (detailed within WHS Policy/Procedure);
 - dangerous to the public; or
 - impractical for operational reasons.

The Team Leader shall, subject to approval from the Line Manager (or nominee), after ensuring the safety of the worksite, direct the work team (or individuals as appropriate) to cease this work. The Team Leader shall make every effort to ensure that employees are then relocated to other productive and meaningful functions or tasks, (which may or may not be within their team's normal scope of duties), and are within the capabilities of the employees. Where alternative productive and meaningful work is not available, the Line Manager (or nominee) may decide that work will cease for the remainder of the day.

- 65.2. Time lost due to employees being stood down under extreme weather conditions shall be adjusted hour for hour whereby 50% of the time shall be taken from the individual employees accumulated TOIL bank and 50% of the time is paid by Council. For example if the employee normally works an 8.5 hour day and is stood down due to extreme weather conditions after 4.5 hours, then 2 hours will be paid by the Council to the employee and 2 hours will be deducted from the employee's TOIL bank.

- 65.3. Within any financial year the maximum number of hours that any employee can be stood down under the terms of the weather extremes clause shall be 33.8 hours (ie no employee shall be required to offset their TOIL hours bank by any more than 16.9 hours in the financial year). Should the stand down hours be greater than 33.8 hours in a financial year, the Council will pay 100% of wages for the hours greater than 33.8. The following provisions apply in respect of the these arrangements;-
- the employee will be provided with an opportunity to accrue TOIL having regard to the operational areas in which they work;
 - where employee/s are not provided with such opportunity to accrue TOIL, the employee/s may alternatively access their annual leave, personal leave entitlements or convert up to 2 x Grace Days in any 12 month period (provided that the TOIL is used within the same 12 month period within which the Grace Days were provided) to offset the time referred above.
 - Provided that an employee/s shall not access personal leave entitlements where the accrued entitlement is 10 days or less and provided further that the debits to all sick leave and annual leave shall be deducted in full days.
- 65.4. This clause shall not apply to employees working on essential or emergency services/situations, who will be required to remain at work. Provided however, (subject to sub-clause v), that where an employee as aforesaid is required to leave the Depot to attend emergency work, the employee shall receive an allowance of 25% per hour for time spent attending to the emergency
- 65.5. Employees operating suitably air conditioned plant or able to continue work by working in air conditioned buildings will remain at work.
