 - 4.1.4.2 a matter referred to in 4.1.1 from being a reason for terminating a person's employment as a member of the staff of an institution that is conducted in accordance with the doctrines, tenets, beliefs or teachings of a particular religion or creed, if the Chief Executive terminates the employment in good faith in order to avoid injury to the religious susceptibilities of adherents of the religion or creed.

CLAUSE 5.2 LOCALITY ALLOWANCES

OPDATE 06:02:2001 on and from

5.2.1.2 “**spouse**” means a person with whom an officer is cohabiting either in marriage, or a permanent de facto or bona fide domestic relationship.

5.2.2 The locality allowances as set out in Schedule S3 of this Award are to be paid to officers appointed to the worksites specified, in addition to their salaries, by way of compensation for the following factors:

5.2.2.1 adverse environment;

5.2.2.2 the cost of travelling from distant worksites to Adelaide for recreation leave during the vacation period;

5.2.2.3 abnormal depreciation of motor vehicles;

5.2.2.4 increased cost of living and some aspects of isolation.

5.2.3 The allowances prescribed by this clause and as set out in Schedule S3, will be paid to full-time officers and to part-time officers who teach not less than 4/10ths time and who reside at or near the worksite by virtue of their appointment.

5.2.4 Where an officer's spouse is also employed as an officer, one allowance only, calculated at the rate applying to an officer cohabiting with a dependent spouse, is to be divisible equally between each spouse.

5.2.5 In the case of an officer whose spouse is not employed as an officer and is not substantially dependent upon such officer the officer will, despite any other provisions of this clause, only be entitled to receive an allowance equivalent to the rate prescribed for an officer without a spouse.

5.2.6 An officer living separately and apart from his or her spouse will, for the purposes of this clause, be deemed to be an officer without a spouse.

- 5.2.7 Where an officer is required to live in an area attracting locality allowances which are higher than those applicable in the area in which the worksite at which he or she holds an appointment is situated, then he or she will be paid the allowances applicable in the area in which his or her place of residence is situated.
- 5.2.8 Where both the officer and the officer's spouse who is also employed as an officer are appointed to worksites located in different locality allowance areas and their place of residence is logically located in an area in which higher locality allowances apply, then subject to 5.2.4, they will be paid the locality allowances applicable in the area in which their place of residence is situated.
- 5.2.9 Any disputes in relation to this clause will be dealt with under Clause 3.2 Dispute Resolution Procedures.

CLAUSE 5.3 REIMBURSEMENT OF TELEPHONE COSTS

OPDATE 06:02:2001 on and from

The Chief Executive may authorise whole or part reimbursement of an officer's telephone rental or call charges. The reimbursement is to be paid only to the officer or officers identified by the Institute Director as persons necessary to be available for "after hours" contact on behalf of the Institute to which the officer is appointed.

CLAUSE 5.4 TRAVEL AND ACCOMMODATION EXPENSES - MEDICAL AND DENTAL TREATMENT

OPDATE 07:05:2008 on and from

5.4.1 For the purpose of this clause:

- 5.4.1.1 **“Dependent”** in relation to a spouse or child of a prescribed Lecturer means substantially reliant upon that Lecturer for his or her financial support and who is normally resident with the Lecturer.
- 5.4.1.2 **“Practitioner”** means any legally qualified and lawfully practising practitioner as listed below from whom a prescribed Lecturer, their dependent spouse or child, receives treatment. In respect of practitioners in group (b), a referral by a medical practitioner is required:
- Group (a) - medical practitioner
- dentist
- chiropractor
- Group (b) - psychologist
- optometrist
- podiatrist
- physiotherapist
- 5.4.1.3 **“Duly qualified”** means a practitioner practising in Australia who, by training skill and experience, is competent to diagnose, advise with regard to and/or treat the condition in relation to which relevant medical or dental assistance, as the case may be, is reasonably sought.
- 5.4.1.4 **“Lecturer”** means an officer appointed by the Minister in accordance with section 15 of the Act (other than a Lecturer's Assistant), but does not include any such officer for the time being appointed for less than 4/10ths time.
- 5.4.1.5 **“Prescribed Lecturer”** means a Lecturer (other than a Lecturer for the time being on maternity leave) who is appointed to or promoted within a worksite situated outside of the *metropolitan area*. As a result of the appointment or promotion reasonably resides outside that area. However if the teacher has resided in the same locality for ten years or more following their appointment or promotion then there will be a prima facie presumption that the teacher has elected to become a permanent resident in that locality. In general this will mean that:
- 5.4.1.5(a) a Lecturer who has elected to become a permanent resident in the relevant locality will cease to be a “prescribed Lecturer” at the expiration of the tenth anniversary of taking up residence in such locality but,
- 5.4.1.5(b) a Lecturer who necessarily has to change residence (not being a change within the same town or general locality) as a result of a transfer within the same region will for the purposes of this definition be considered to be a new appointee as of the date of transfer.

- 5.4.1.5(c) It is noted that the definition of “prescribed lecturer” has been applied administratively by consent from 6 October 1989.
- 5.4.1.6 **“Reimbursable expense”** means;
- 5.4.1.6(a) actual travel costs in excess of \$10.00 in any one instance reasonably incurred in transporting a prescribed Lecturer and/or their dependent spouse and/or their dependent child from his or her place of residence to a place at which a duly qualified practitioner is consulted;
- 5.4.1.6(b) travel charges in excess of \$10.00 in any one instance made by a duly qualified practitioner reasonably summoned to attend a prescribed Lecturer, their dependent spouse or their dependent child at or near the place of residence;
- 5.4.1.6(c) actual cost of accommodation not being hospital or nursing accommodation reasonably and necessarily incurred by a prescribed Lecturer, their dependent spouse or their dependent child, in connection with the attendance of that person away from his or her place of residence at a place at which a duly qualified practitioner is consulted;
- 5.4.1.6(d) actual travel costs in excess of \$10.00 reasonably incurred by a Lecturer during term time to visit a spouse or child confined to a hospital or nursing home for one visit for each week the spouse or child is confined to the hospital or nursing home.
- 5.4.1.7 **“Travel costs”** means the actual return transport costs payable for the most appropriate form of travel in the circumstances. If travel is by a motor vehicle owned by a prescribed Lecturer or their spouse, an amount calculated at the lower of the motor vehicle reimbursement rates for cars with engines of more than four cylinders or with a rotary engine. The rates are the rates prescribed at that time by PSM Act Determination 15 for the total distance travelled. However for Lecturers appointed to schools worksites listed within Groups 1 - 4 inclusive of Schedule S3 of this Award, but excluding Yalata, the reimbursement rate will have a loading of forty percent. It is a provision that the transport costs will not in any circumstances exceed the amount which would be paid for a return trip from the prescribed Lecturer's place of residence and the Adelaide GPO.
- 5.4.2 Where a prescribed Lecturer reasonably incurs reimbursable expense, reimbursement will be paid upon written application made to the Chief Executive.
- 5.4.2.1 A prescribed Lecturer will not lose their entitlement to this payment merely because the reimbursable expense incurred was in relation to attendance by or upon a duly qualified practitioner who was not the nearest available at the time. This is provided there were special circumstances that made it desirable that the services of some other duly qualified practitioner be sought.
- 5.4.2.2 In any instance where it is necessary for a prescribed Lecturer, their spouse or some other attendant to accompany the person for whom the reimbursable expense is incurred then the reimbursable expense will include the additional travel and accommodation costs reasonably and actually incurred.
- 5.4.3 A prescribed Lecturer may be required to provide reasonable evidence in substantiation of a claim for reimbursable expenses.
- 5.4.3.1 The Chief Executive is entitled to refuse payment of any claim where it appears that the expense arose as a direct consequence of the serious and wilful misconduct or gross negligence of the person in respect of whom the expense was incurred.
- 5.4.3.2 A prescribed Lecturer is required to take all reasonable steps to recover any benefits which may be lawfully due in respect of any occurrence related to a reimbursable expense. These benefits may include insurance, contributory fund, workmen's compensation or other payments as well as common law damages. The payment of these benefits to the Lecturer will reduce the sum of the reimbursable expense. If any benefit is paid after payment has been made for reimbursable expenses, the Lecturer will repay the amount to the Chief Executive. The Chief Executive will not be entitled to withhold payment of reimbursable expense upon the ground that it, or some portion of it, may be recoverable at some time in the future from a third party.

- 5.4.4 The Chief Executive may by notice in writing require a prescribed Lecturer to commence and maintain a policy of insurance or membership of a contributory ambulance or other fund to cover that Lecturer's liability for items of the nature of reimbursable expense under this Award.
- 5.4.4.1 In any such case the Chief Executive will reimburse to the prescribed Lecturer the amount by which any premium or contribution incurred in so doing exceeds the sum of \$6.00 per annum.
- 5.4.4.2 If a prescribed Lecturer fails to comply with a requirement made by the Chief Executive under this clause such Lecturer will not be entitled to claim any reimbursable expense which, but for his or her failure, would have been recouped to that Lecturer as a result of the relevant insurance or membership.
- 5.4.4.3 If a prescribed Lecturer is necessarily absent from duty because they, their dependent spouse or their child is attending a duly qualified practitioner the absence due to travel to or from the place of residence, will not be debited against that Lecturer's sick leave credit.
- 5.4.4.4 The Chief Executive may, with discretion, retain the right to transfer the Lecturer to a worksite nearer to the place of consultation or treatment should it be deemed desirable to do so.
- 5.4.5 The payment of reimbursable expense may be declined when the expense relates to a non-urgent elective consultation or treatment which might reasonably have been sought during a vacation period while the prescribed Lecturer, their dependent spouse or child had, in the normal course, travelled to a location at which the type of consultation or treatment could be obtained.
- 5.4.6 Any disputes in relation to this clause will be dealt with under Clause 3.2 Dispute Resolution Procedures.

CLAUSE 5.5 ALTERNATIVE DUTIES

OPDATE 06:02:2001 on and from

- 5.5.1 Where an officer is authorised to perform temporarily the duties of a higher classification for a continuous period exceeding one week, they will be paid the salary and increments to which they would have become entitled if permanently appointed to that classification. Where the continuous period exceeds 3 months the non-attendance time of the officer concerned may be adjusted accordingly.
- 5.5.2 If the acting officer is appointed permanently to the higher classification, service in the acting capacity will count as service for all purposes of salary and entitlements.
- 5.5.3 If circumstances so require, an officer may be directed to carry out duties which fall within that officer's level of skills, competence and training provided that such direction is not to result in any loss of salary or conditions.
