35.1 Employer's duty to notify:

Where an employer has made a definite decision to introduce major changes in production, program, organisation, structure or technology that are likely to have significant effects on employees, the employer shall notify the employees who may be affected by the proposed changes and the Union.

35.1.2 "Significant effects" include termination of employment; major changes in the composition, operation or size of the employer's workforce or in the skills

required; the elimination or diminution of job opportunities, promotion opportunities or job tenure; the alteration of hours of work, the need for retraining or transfer of employees to other work or locations and the restructuring of jobs, provided that where the Award makes provision for alteration of any of the matters referred to herein an alteration shall be deemed not to have significant effect.

35.2 Employer's duty to discuss change:

The employer shall discuss with the employees affected and the relevant union(s) prior to the introduction of the changes referred to in Clause 35.1 hereof, the effects the changes are likely to have on employees, measures to avert or mitigate the adverse effects of such change on employees, and shall give prompt consideration to matters raised by the employees and/or the relevant union(s) in relation to the changes.

35.2.1 The discussions shall commence as early as practicable after a definite decision has been made by the employer to make the changes referred to in Clause 35.1 hereof.

35.2.2 For the purposes of such discussion, the employer shall provide in writing to the employees concerned and the relevant union(s) all relevant information about the changes including the nature of the changes proposed, the expected effects of the changes on employees and any other matters likely to affect employees provided that any employer shall not be required to disclose confidential information the disclosure of which would be inimical to the employer's interests.

Clause 36 Reclassification

36.1 For the purpose of classifying and reclassifying positions, the sole point of reference will be the South Australian Municipal Salaried Officers Award.

36.2 Any request for a reclassification shall be examined and determined by the employer within two months of receipt of such application, unless agreed between the Council and employee(s). Date of reclassification shall take effect from the date the employee commenced the changed duties.

36.3 Any member not satisfied with the determination may access the dispute resolution/grievance procedure as per Clause 40 of the Agreement.

Clause 37 Employee Relations

37.1 The Parties:

- a. Recognise the need to build relationships based on care, trust, mutual respect and empathy.
- b. Agree with the need to work in partnership and cooperation with each other.

- c. Recognise that participatory decision-making processes are an essential ingredient of workplace change processes.

Clause 38 Employment Security

38.1 There shall be no forced redundancies during the life of this Agreement.

38.2 Any determination being made regarding redundant positions will be made by the organisation in conjunction with employees and the Australian Services Union.

38.3 The means of adjustment in those situations where organisational change results in positions being no longer required will be dealt with in the following way:

38.3.1 Natural attrition, or

38.3.2 Redeployment to a position of the same classification level, or

38.3.3 Redeployment to a position of lower classification level with income maintenance, or

38.3.4 Voluntary separation package.

However, employees may seek a voluntary separation package at any stage of the process.

38.4 It is the primary aim to redeploy employees into a position of equal classification and status as their pre-redeployment position.

38.5 After examining all options, it is agreed by all of the parties that if redeployment to such a position is not feasible, an employee may be redeployed into a position of lower classification on the following basis:

38.5.1 The redeployment must be a position which is compatible with the employee's skills, abilities and training.

38.5.2 The employer will, as a matter of priority, provide training to assist the redeployee into the new position.

38.5.3 The employee's pre-redeployment wage shall be maintained for 12 months, including all incremental advances due, and Agreement increases relevant to the pre-redeployed position. At the end of that term, the employee's wage shall be frozen until the salary of the new classification equals the employee's pre-redeployment classification. The period of income maintenance will be from the date the employee commences the new position, excluding all leave previously accrued.

38.6 Where redeployment occurs the Redeployment and Retraining Guidelines (Appendix A) shall be adhered to.

- 38.7 The employee must either accept the permanent redeployment offer or access the voluntary separation package.
- 38.8 Should an employee elect to take a voluntary separation package, such package shall comprise:
- 38.8.1 Ten (10) weeks notice of termination or payment of total weekly salary in lieu thereof.
 - 38.8.2 Three (3) weeks of total weekly salary as severance payment for each year of service in local government.
 - 38.8.3 Long Service Leave entitlements after more than five (5) years of continuous service.
 - 38.8.4 A payment representing 10% of total annual salary for the purpose of outplacement counselling/training. This payment to be made available on a reimbursement for costs incurred basis for a maximum period of 12 months from the date of separation or until the employee obtains alternative employment, whichever is sooner.

Clause 39 Staff Development & Training

- 39.1 A system will be applied for the development of employees involving regular performance conversations to review KPI's and performance to assist in defining career paths.
- 39.2 Equal Employment Opportunity principles must be observed in any staff development and appraisal system.
- 39.3 Management, in consultation with employees, will develop an appropriate training program based on a training needs analysis and shall implement such training at the earliest possible opportunity.
- 39.4 Training sessions may be offered outside of the ordinary spread of hours (including weekends); however, it is acknowledged that training outside of ordinary hours is voluntary.
- 39.5 Training conducted outside of ordinary hours is to be accrued as Flexi Time at ordinary time rates.

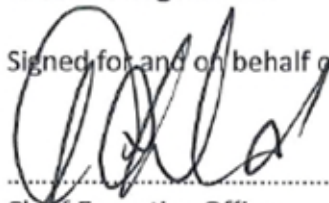

Clause 40 Dispute Resolution

- 40.1 The parties to this Agreement are committed to using the disputes resolution procedure set out below in respect to any dispute arising out of or in relation to the terms of this Agreement.

- 40.2 It is the aim of both parties to ensure that grievances are resolved as quickly as possible in order to preserve positive working relationships.
- 40.3 Employee(s) will in the first instance seek to resolve any dispute with the relevant Supervisor. If the employee wishes, he or she may involve the Workplace Representative or Industrial Officer in attempting to resolve the dispute. Conversely, supervisors should seek to resolve any dispute with the employees concerned.
- 40.4 If the matter is not resolved at that stage, the employee (and the Workplace Representative if desired) may refer the matter to the Chief Executive Officer. The employee and Workplace Representative may involve the Union Industrial Officer at this stage.
- 40.5 Either party reserves the right to notify the South Australian Employment Tribunal (SAET) of a dispute at any stage. If the issues are not resolved in the conference process, the matter will be referred for determination and the SAET will then arbitrate and make a decision about the issues between the parties.
- 40.6 Work shall continue as normal whilst these processes are being undertaken.

APPENDIX A – Redeployment and Retraining Guidelines

1. Introduction of Change

1.1 Employer's duty to notify:

Where an employer has made a definite decision to introduce major changes in production, program, organisation, structure or technology that are likely to have significant effects on employees, the employer shall notify the employees who may be affected by the proposed changes and the Union.

1.1.1 "Significant effects" include termination of employment; major changes in the composition, operation or size of the employer's workforce or in the skills required; the elimination or diminution of job opportunities, promotion opportunities or job tenure; the alteration of hours of work, the need for retraining or transfer of employees to other work or locations and the restructuring of jobs, provided that where the Award makes provision for alteration of any of the matters referred to herein an alteration shall be deemed not to have significant effect.

1.2 Employer's duty to discuss change:

The employer shall discuss with the employees affected and the relevant Union(s) prior to the introduction of the changes referred to in Clause 34.1 hereof, the effects the changes are likely to have on employees, measures to avert or mitigate the adverse effects of such change on employees, and shall give prompt consideration to matters raised by the employees and/or the relevant Union(s) in relation to the changes.

1.2.1 The discussions shall commence as early as practicable after a definite decision has been made by the employer to make the changes referred to in Clause 34.1 hereof.

1.2.2 For the purposes of such discussion, the employer shall provide in writing to the employees concerned and the relevant Union(s) all relevant information about the changes including the nature of the changes proposed, the expected effects of the changes on employees and any other matters likely to affect employees provided that any employer shall not be required to disclose confidential information the disclosure of which would be inimical to the employer's interests.

1.3 The employee will be consulted, with the aim of reaching agreement on the acceptability of a position to the individual, prior to redeployment to that position.

1.4 To facilitate redeployment, employees will:

a. have assistance in the form of career counselling and the provision of financial advice as appropriate;

- b. be encouraged to apply for vacant positions at any level provided they meet the selection criteria for the vacant position to the satisfaction of the appropriate Manager and it is consistent with their skills and interests.
- 1.5 At all times employees are to be treated with respect and dignity and any redeployment option must be treated as a high priority and give due regard to the personal situation of the employee.
- 1.6 Notwithstanding the contents of these guidelines the employer will endeavour to ensure that in all instances the best person for the job will be appointed.

2. Purpose

- 2.1 The purpose of this policy is to enable Management to redeploy people to meet the employer's needs in a fair and consistent manner.

3. Responsibility

- 3.1 All Managers are responsible for the effective implementation and administration of this policy.
- 3.2 The employee must genuinely consider all reasonable redeployment options and locations.

4. Management of Redeployment

- 4.1 In accordance with the Change Management clause of this Agreement appropriate consultation will occur prior to the introduction of change.
- 4.2 When an employee occupies a position which is declared surplus to requirements the appropriate supervisor shall:
- 4.2.1 Immediately advise the Chief Executive Officer;
 - 4.2.2 Retain responsibility for the welfare of the employee until redeployment;
 - 4.2.3 Give the employee written confirmation of the proposed change to their employment conditions. It is noted that Clause 37 of the Agreement sets out salary maintenance provisions;
 - 4.2.4 Meet with the employee on a regular basis (at intervals to be agreed between the employee and supervisor) to discuss options or developments and to outline the process and assistance available to them.
- 4.3 The overriding priority in redeployment is to place the employee in a position (full-part time) that is acceptable to the employer and the employee. To facilitate the following options will be considered:

- 4.3.1 Same job type
- 4.3.2 Same work level
- 4.3.3 Similar job type or work level (same \$), minor skill difference that can be learnt in 3-6 months
- 4.3.4 Different job type*
- 4.3.5 Different work level*.

*Employee will be required to undertake appropriate training and skill development.

4.4 The Chief Executive Officer will be responsible for coordinating the redeployment program. This will include:

- 4.4.1 Advising redeployees of appropriate job opportunities;
- 4.4.2 Arrange a skill survey for each redeployee;
- 4.4.3 Providing appropriate support and counselling as required;
- 4.4.4 Ensuring redeployees are properly informed of their employment status;
- 4.4.5 Ensuring the appropriate Union is consulted;
- 4.4.6 Ensure identified training needs are satisfied.

4.5 The Manager of the area to which the employee is to be redeployed is responsible for:

- 4.5.1 Supporting employees redeploying to their Department;
- 4.5.2 Arranging for employees redeployed to their department to be properly inducted into the local work environment paying particular attention to occupational health, safety and welfare issues;
- 4.5.3 Arranging appropriate training for employees who have been redeployed to their department; and
- 4.5.4 Preparing ongoing feedback on performance and development;
- 4.5.5 Ensuring temporary redeployees are provided with all necessary support to enable them to properly undertake the temporary assignment.

5. Employees requiring Redeployment

5.1 Employees requiring redeployment will be given information, support and opportunity by their Managers to fulfil the following responsibilities:

- 5.1.1 To fully inform themselves of the various options available;
- 5.1.2 To actively and positively seek an approved position compatible with their skills;
- 5.1.3 To seriously consider any positions offered by the employer;
- 5.1.4 To undertake training which is considered necessary to enable them to carry out the duties of the position to which they are redeployed.

6. Training

- 6.1 Training and development programs will be developed to meet an individual employee's needs and the employer's operational requirements. The training or retraining of an employee to enable redeployment to an identified position should be given priority over normal operational training except where such training is for safety reasons.

7. Temporary Placement

- 7.1 Where an approved position is not readily available, excess employees may be seconded or temporarily transferred to another job. This could include assisting with short term placements to meet customer services. Placements of this nature should be seen as opportunities to enhance future work prospects and may require some additional training.
- 7.2 Where possible temporary placements should be of a reasonable duration, not exceeding 4 weeks.
- 7.3 Managers will monitor all temporary placement arrangements to ensure that the employee's needs and the Council's customer service needs are being met.

8. Procedure

- 8.1 The employer will maintain a register of employees declared surplus and:
 - 8.1.1 ensure a skill survey is conducted for each redeployee;
 - 8.1.2 advise each employee of potential vacancies;
 - 8.1.3 ensure identified training needs are satisfied;
 - 8.1.4 ensure all redeployees are fully informed of these guidelines

APPENDIX B – Transition to Retirement

1. Transition to retirement will enable employees who are approaching retirement (within 2 years), but are unable to continue to work full-time or do not wish to continue to work full-time, to combine aspects of their careers and income with family involvement, other responsibilities and interests.
 2. By written agreement between an eligible full-time or part-time employee and the relevant Manager and Director, an employee may participate in a transition to retirement program that is offered by Council. Participation is voluntary and must be requested by the employee. Transition to retirement will be at the discretion of the relevant Director and must be approved by the CEO.
 3. The terms of the transition of retirement must be specified in a written agreement that is to be signed by the employee and the Director. The agreement must include a nominated retirement date which must be within two years of the agreement date. The nominated retirement date cannot be deferred by more than three months (except in exceptional circumstances), and may be brought forward according to Clause 5 below.
 4. An employee participating in a phased retirement program may be eligible to work part-time and access their accrued leave entitlements (excluding personal [sick] leave) to make up a full fortnight's (76 hours) pay, and may access unpaid leave (provided that no other leave balances are available) under the following conditions:
 - a. A minimum of three (3) months written notice is provided to the Director.
 - b. The employee has completed at least three (3) years continuous service with PPRC.

 - f. That the employee has received professional superannuation advice on how the change of employment arrangements affects their superannuation.
 - g. That the employee is aware that when opting for part time hours, Long Service Leave accruals will be accrued on that basis (full time hours will be preserved as per Clause 25.2 of the Agreement).
-

5. An employee who is participating in a transition to retirement program may, subject to the provision of four (4) weeks notice, elect to retire earlier than the date originally nominated by the employee. A shorter notice period maybe agreed at the discretion of the employee's supervisor.
6. Casual employees are excluded from Appendix B Transition to Retirement.
7. It is expected that management of transitioning employees will be undertaken respectfully and with dignity for the transitioning employee. Employees participating in these arrangements may, by agreement, be appointed to another position at the same level as the substantive position that utilises the employee's skills and abilities, while enabling another employee to be appointed to the role in a full time capacity. The employee transitioning may also be used to mentor the new employee to enable critical knowledge and skills to be transferred.
