Such grounds might include cost, lack of adequate replacement staff, loss of efficiency and the impact on customer service.

6.4.17.3 The employee's request and the employer's decision made under clauses 6.4.17.1(b) and 6.4.17.1(c) must be recorded in writing.

PART 1 - INTRODUCTION

- S4.1 This schedule provides benefits to eligible officers with eligible injuries that would have been applicable under the WR&C Act if they cease to be entitled to similar benefits under the RTW Act.
- S4.2 A return to work within the meaning of the RTW Act is the main objective in managing all work injuries. The primary return to work objective will be employment in SAPoL. New or other return to work options can only be explored when return to work options within SAPoL have been fully explored (and the onus of proof to establish this lies with the employer) or if the officer requests the exploration of new or other employment options in writing (which request may be withdrawn). The Association will reasonably support and co-operate in the pursuit of this objective.
- S4.3 This schedule operates in addition to and not instead of any entitlements applicable under any other statute or law, except that:
 - S4.3.1 any payment which would otherwise be payable under this schedule will not be payable if precisely the same payment has already been made under a compensation Act; and
 - S4.3.2 if an eligible officer receives a payment for economic loss pursuant to Part 4, Division 6 of the RTW Act, S4.60 through S4.63 apply.
- S4.4 Providing the criteria in S4.35 through S4.36 are met, if an entitlement has been claimed by an eligible officer under a compensation Act and that claim has been rejected, any equivalent or similar entitlement may be claimed, and if rejected disputed, under this Schedule notwithstanding that proceedings relating to the rejected compensation Act claim are extant. In making such a claim or in any dispute about such a claim, the matter shall proceed on the basis that the relevant claim under a compensation Act shall remain rejected.
- S4.5 If the employer is considering making a decision about an employee's entitlements pursuant to this Schedule which may be adverse to the relevant employee, the employer must provide procedural fairness to the relevant employee before any final decision is made.

S4.6 Claims for entitlements under this Schedule must be made in writing.

PART 3 - ELIGIBLE INJURIES

Only eligible officers can have eligible injuries

- S4.29 An injury is not an eligible injury unless the injured officer is an eligible officer.

Temporal connection to employment

- S4.30 An eligible injury arises out of or in the course of the eligible officer:

S4.30.1 being on duty; or

S4.30.2 lawfully exercising the powers of a police officer; or

S4.30.3 genuinely believing that they are exercising the powers of a police officer.

Causal connection to the nature of policing

- S4.31 To be an eligible injury the injury must have:

S4.31.1 resulted from conduct directed at the officer that is or appears to be a criminal offence; and / or

- S4.31.2 occurred as a direct and immediate result of conduct that is or appears to be a criminal offence;
- S4.31.3 occurred in other circumstances where the officer is placed in a dangerous situation (however psychiatric injuries are only eligible injuries pursuant to S4.31.3 if they are caused as a consequence of a specific incident or incidents).

Incapacity required for eligibility

- S4.32 An eligible injury temporarily or permanently incapacitates the injured officer for work (including because of a need to attend on a medical practitioner for treatment or examination).

When an injury ceases to be an eligible injury

- S4.33 An eligible injury ceases to be an eligible injury when:
- S4.33.1 the injured officer makes a return to work within the meaning of the RTWA which is sustainable and is earning a salary or wage that is the same or more than their Notional Weekly Earnings; and
- S4.33.2 there is no reasonable basis to incur medical and / or related expenses (whether to treat symptoms or reduce the likelihood of symptoms recurring or for any other reason deemed appropriate by a medical practitioner).

When an injury resumes being an eligible injury

- S4.34 If an eligible injury ceased to be an eligible injury pursuant to S4.33 but the criteria in S4.33 are no longer met, the injury resumes being an eligible injury.

Compensation Act status for an injury to be an eligible injury

- S4.35 To be an eligible injury a claim for compensation relating to the injury must have been accepted under a compensation Act.
- S4.36 If, in relation to a particular injury:
- S4.36.1 no compensation has been paid under the RTW Act and no Recovery/Return to Work Plan has been established under the RTW Act;
- S4.36.2 that injury is only an eligible injury to the extent that the eligible officer would be entitled to receive benefits or entitlements under the WR&C Act (disregarding the operation of the RTW Act).

Consequential injuries taken to be part of original eligible injuries

- S4.37 Any injury arising out of or in the course of an eligible officer's attendance at a place to:

Injuries and incapacity attributable to surgery etc

- S4.38 Any injury or incapacity attributable to surgery or other treatment or service or advice performed or provided with due care and skill by a person professing to have particular skills and undertaken or provided in relation to an eligible injury will be taken to constitute part of the original eligible injury.

Medical and related expenses – entitlement

- S4.39 The employer must pay compensation for medical and/or related expenses incurred in consequence of an eligible injury, whenever any such expenses are incurred. To avoid doubt, an eligible officer's entitlement to medical and/or related expenses does not end only because income compensation payments to the eligible officer cease. However, if a redemption or commutation in respect of medical and/or related expense entitlements arising out of a particular injury or injuries has been paid pursuant to s42 of the WR&C Act or s54 of the RTW Act, no medical and/or related expenses are payable under this Schedule in relation to that injury or injuries.

- S4.40 Medical expense lump-sums (in addition to such compensation as is payable for medical and related expenses incurred before receiving a medical expense lump-sum payment) may be paid to eligible officers.

Medical and related expenses – effect of medical expense lump-sum

- S4.41 Once an eligible officer has received a medical expense lump-sum payment the employer is not obliged to pay compensation for medical and/or related expenses pursuant to this Schedule if:
- S4.41.1 medical and/or related expenses are incurred in consequence of a particular eligible injury after the day when the eligible officer receives a medical expense lump-sum payment; and
 - S4.41.2 a medical expense lump-sum payment received by the eligible officer is specifically in respect of that particular eligible injury.

Medical and related expenses – pre-approval

- S4.42 An eligible officer is entitled to a decision by the employer on a claim for compensation for a medical and / or related expense that the eligible officer wishes to incur but is yet to incur. For the avoidance of doubt, a decision to reject such a claim (in whole or in part) is a decision for the purposes of this Schedule.

PART 5 - INCOME COMPENSATION ENTITLEMENTS & LUMP SUMS

S4.43 The employer must pay weekly payments of income compensation in respect of incapacity for work (whether partial or total) arising out of an eligible injury in accordance with the following principles. However, if a redemption or commutation in respect of weekly payments arising out of a particular injury or injuries has been paid pursuant to s42 of the WR&C Act or s53 of the RTW Act, no income compensation is payable under this Schedule in relation to that injury or injuries.

Work capacity review

S4.44 An eligible officer's entitlement to income compensation in respect of a particular eligible injury does not arise without an entitling assessment pursuant to S4.49 (work capacity review) and ceases if there is a disentitling assessment pursuant to S4.51.

Income compensation – quantum

S4.45 Weekly payments must be paid at the rate of 80% of the eligible officer's Notional Weekly Earnings or, if the eligible officer has actual earnings, 80% of the difference between actual earnings and the eligible officer's Notional Weekly Earnings.

Income compensation – duration

S4.46 An eligible officer's entitlement to income compensation ceases when the eligible officer reaches retiring age.

S4.47 If an eligible officer breaches the obligation of mutuality, the eligible officer's entitlement to income compensation may be discontinued for such time as the eligible officer remains in breach of the obligation of mutuality. An eligible officer resigning (other than on medical advice to resign) after claiming income compensation under this Schedule breaches mutuality. Lawful termination of employment by the employer on the ground of serious and wilful misconduct and/or criminal conduct breaches mutuality.

S4.48 An eligible officer's entitlement to income compensation may be discontinued if there is a disentitling assessment on a work capacity review.

Work Capacity Reviews

S4.49 An eligible officer's entitlement to receive income compensation does not commence unless the eligible officer is assessed in relation to the cumulative effect of one or more eligible injuries (an **entitling assessment**) by the employer as:

S4.49.1 having no current work capacity; and

S4.49.2 likely to continue indefinitely to have no current work capacity; or

S4.49.3 being in employment but because of the injury or injuries is likely to continue indefinitely to be incapable of undertaking further or additional employment or work that would increase the eligible officer's current weekly earnings.

S4.50 The employer may make an entitling assessment on any basis.

S4.51 A **disentitling assessment** is an assessment that the eligible officer does not meet the criteria in S4.49. A disentitling assessment can only be made if:

S4.51.1 the employer has sought and obtained an opinion from an IMA (whose expertise is appropriate to the particular injury or injuries) about whether the eligible officer meets the criteria in S4.49; and

- S4.51.2 if the eligible officer has earnings in employment or other work, the IMA considers that notwithstanding the eligible injury or injuries the eligible officer is, and is likely to continue indefinitely to be, capable of undertaking further or additional employment or work which would increase the eligible officer's earnings, and specifies what that additional employment or work is; and
- S4.51.3 the IMA provides a written opinion that the eligible officer does not meet the criteria in S4.49; and
- S4.51.4 if the eligible officer has earnings in employment or other work, the IMA specifies on reasonable grounds the additional employment or work the IMA considers that the eligible officer could do to increase their earnings.

Work capacity reviews and ceasing income compensation

- S4.52 An eligible officer receiving income compensation under this Schedule shall continue to receive income compensation under this Schedule until at least 13 weeks after the eligible officer receives written notification from the employer that the eligible officer is no longer entitled to receive income compensation under this Schedule because of a disentitling assessment.

Work capacity reviews and commencing or recommencing income compensation

- S4.53 If an eligible officer who is not receiving income compensation under this Schedule or a compensation Act claims income compensation the employer is not obliged to pay income compensation under this Schedule until an entitling assessment is made. In those circumstances, if an entitling assessment is made the eligible officer is entitled to arrears and interest for all periods when they are entitled to income compensation.

First work capacity review; timing

- S4.54 A work capacity review may be performed before or after an eligible officer has exhausted their entitlement to weekly payments under a compensation Act.
- S4.55 An eligible officer who, immediately before the end of the second designated period defined in s39 of the RTW Act, was in receipt of weekly payments under the RTW Act is entitled to receive income compensation pursuant to this Schedule at the same rate unless and until a work capacity review is conducted.
- S4.56 If S4.55 applies and the outcome of the work capacity review is:

- S4.56.1 an **entitling assessment**, the employer must conduct reviews in accordance with Part 9 of this Schedule and adjust the eligible officer's income compensation accordingly;
- S4.56.2 a **disentitling assessment**, S4.52 and Part 8 of this Schedule apply.

Reassessment

- S4.57 An eligible officer's work capacity may be reassessed consistent with S4.49 through S4.51 at any reasonable time and must be reassessed as often as is reasonably necessary.

Income compensation – effect of income compensation lump-sum

- S4.58 An income compensation lump-sum (in addition to such compensation as is payable for income compensation before receiving an income compensation lump-sum payment) may be paid to eligible officers.

- S4.59 Once an eligible officer has received an income compensation lump-sum payment the employer is not obliged to pay weekly payments pursuant to this Schedule if:
- S4.59.1 an entitlement to income compensation in consequence of a particular eligible injury arises after the day when the eligible officer receives an income compensation lump-sum payment; and
 - S4.59.2 an income compensation lump-sum payment received by the eligible officer is specifically in respect of that particular eligible injury.

Income compensation – effect of lump-sum payment for economic loss

- S4.60 If this Award applies to an employee who claims compensation pursuant to Part 4, Division 6 of the RTW Act, before paying any such compensation the employer must:
- S4.60.1 give the employee written notice of:
 - S4.60.1.1 the dollar amount of compensation the employer says the employee is entitled to; and
 - S4.60.1.2 clauses S4.60 through S4.63 of this Schedule; and
 - S4.60.2 request written confirmation from the employee that, having regard to clauses S4.60 through S4.63 of this Schedule, they wish to be paid compensation pursuant to Part 4, Division 6 of the RTW Act and allow a reasonable time for the employee to respond in writing.
- S4.61 If an eligible officer has received a payment pursuant to Part 4, Division 6 of the RTW Act (**the payment**) 3 months or more after this Schedule is inserted into the Award the eligible officer is not entitled to income compensation pursuant to this Schedule in relation to the same injury or injuries that the payment related to.
- S4.62 If an eligible officer has received a payment pursuant to Part 4, Division 6 of the RTW Act (**the payment**) before 3 months after this Schedule is inserted into the Award, the eligible officer is not entitled to income compensation pursuant to this Schedule in relation to the same injury or injuries that the payment related to unless they agree in writing to repay the payment and comply with that agreement, with repayments to be made by periodic payments in accordance with S4.78.1 unless otherwise agreed in writing.
- S4.63 If an eligible officer has received income compensation pursuant to this Schedule and then receives a payment pursuant to Part 4, Division 6 of the RTW Act (**the payment**):
- S4.63.1 the eligible officer ceases to be entitled to income compensation pursuant to this Schedule in relation to the same injury or injuries that the payment related to; and
 - S4.63.2 the employer is entitled to deduct from the payment any income compensation previously paid to the eligible officer pursuant to this Schedule in relation to the same injury or injuries that the payment related to.

PART 6 - RECOVERY/RETURN TO WORK PLANS

Continuing operation of plans established under the RTW Act

S4.64 If a recovery/return to work plan established under s25 of the RTW Act has not reached its completion date or action when entitlements under this Schedule arise, it continues to operate by virtue of this Schedule irrespective of whether the RTW Act authorises its continued operation until the date or action the plan is expressed to conclude on, unless the eligible officer and the employer agree that the plan should cease operation or be varied or if SAET determines that the plan should cease operation or be varied.

When plans are established - entitlement

S4.65 If it is reasonable to do so, the employer may establish a written recovery/return to work plan in relation to an eligible officer who has an eligible injury. If an eligible officer's entitlements under this Schedule are not exhausted, the employer must establish a written recovery/return to work plan if the eligible officer requests such a plan in writing.

Content of plans

S4.66 A recovery/return to work plan may provide for any assistance, service, payments or return to work arrangement that may reasonably assist the full restoration of the eligible officer to the workforce and/or the community, including by alleviating the impact of the disability so far as is possible. A recovery/return to work plan must assist the full restoration of the eligible officer to the workforce and/or the community, including by alleviating the impact of the disability, so far as is reasonably practicable, and must be in accordance with Attachment 1 to this Schedule.

S4.67 Recovery/return to work plans under this Schedule may not impose unreasonable obligations on eligible officers.

S4.68 An eligible officer whose entitlements under this Schedule are not exhausted is entitled to a reasonable recovery/return to work plan if the employer establishes a recovery/return to work plan or if the officer requests a recovery/return to work plan.

S4.69 If:

S4.69.1 an eligible officer who has been incapacitated for work in consequence of an eligible injury is able to return to work, whether on a full-time or part-time basis and whether or not to their previous employment;

S4.69.2 the employer must provide suitable employment for the eligible officer (the employment being employment for which the eligible officer is fit and, subject to that qualification employment which is, so far as reasonably practicable the same as, or equivalent to, the employment in which the eligible officer was working immediately before the incapacity) as part of a recovery/return to work plan;

S4.69.3 if the eligible officer requests it; but not if

S4.69.4 it is not reasonably practicable to provide such employment (and the onus of establishing that lies on the employer); or

S4.69.5 the eligible officer left the employment of the employer before the commencement of the incapacity for work; or

S4.69.6 the eligible officer terminated the employment after the commencement of the incapacity for work; or

- S4.69.7 new or other employment options and any ancillary matters have been agreed and remain agreed between the eligible officer and employer and are contained in a current recovery/return to work plan; or
- S4.69.8 the eligible officer has otherwise sustainably returned to work earning at or above the eligible officer's Notional Weekly Earnings.
- S4.70 Suitable employment to be provided by the employer includes employment in respect of which the number of hours each day or week that the officer performs work or the range of duties the officer performs is suitably increased in stages.
- S4.71 If an eligible officer performs alternative or modified duties pursuant to a recovery/return to work plan, the employer must pay an appropriate wage or salary in respect of those duties.

PART 7 - MUTUAL OBLIGATIONS

- S4.72 When an eligible officer is entitled to receive benefits pursuant to this Schedule the employer must reasonably:
- S4.72.1 manage the eligible officer's injury; and
- S4.72.2 provide services and assistance to further the eligible officer's recovery and return to work and / or the community and to alleviate the impact of the disability so far as is possible; and
- S4.72.3 at the officer's request, review any service/s or entitlements provided pursuant to this Schedule and/or investigate any matter, if it appears to the officer that the employer may not be complying with this Schedule and provide the officer with written advice about the outcome of any such review or investigation and any actions the employer will take arising out of any such review or investigation.
- S4.73 An officer receiving income compensation under this Schedule must not breach the obligation of mutuality defined by s48(3) and (4) of the RTW Act. If an officer breaches mutuality, mutuality may be restored in accordance with the principles applicable under the RTW Act. A breach of mutuality does not alter the officer's entitlement to compensation for medical and / or related expenses.

PART 8 - REDUCTION, DISCONTINUANCE & SUSPENSION OF INCOME COMPENSATION

- S4.74 If an eligible officer's entitlement to income compensation under this Schedule ceases or will cease or reduces or will reduce (including because the officer has ceased to be an eligible officer), payments of income compensation may only be discontinued or reduced in accordance with this Part.
- S4.75 Unless S4.52 applies (work capacity reviews – 13 weeks' notice), no cessation or reduction of payments of income compensation may occur until the officer has received at least 28 days written notice of any such cessation or reduction.
- S4.76 If a person (or the Association on the person's behalf) disputes a decision to reduce, discontinue or suspend their payments of income compensation (by either an application to SAET or the invocation of a dispute resolution procedure in this Award or an applicable enterprise agreement) within one month of the person receiving notice of a decision by the employer to reduce, discontinue or suspend income compensation under this Schedule:
- S4.76.1 the operation of the decision is suspended and—

- S4.76.1.1 the income compensation must continue or, if the decision has already taken effect, the income compensation must be reinstated (to its previous level), until the matter first comes before a member of SAET; and
- S4.76.1.2 the employer must make a payment to the person of any income compensation that has not been made between the date that the decision took effect and the date the income compensation is reinstated;
- S4.76.1.3 unless the person elects in writing not to receive payments under this clause; and
- S4.76.2 SAET may as it thinks fit and from time to time, and after having regard to the nature and circumstances of the case—
 - S4.76.2.1 further suspend the operation of the decision (from time to time) until the dispute is resolved to avoid the person suffering financial hardship and extra weight must be given to the desirability of requiring the continuation of payments if SAET considers it is reasonably open to the person to dispute the relevant decision;
 - S4.76.2.3 vary or revoke a decision under this clause, including to provide that weekly payments will only continue, or continue at a reduced rate, if the person complies with conditions determined by SAET;
 - S4.76.2.4 make an order to pay an amount relating to all or any weekly payments that have not been made to the officer during the dispute.
- S4.77 If a dispute is ultimately resolved in favour of the employer and the person has been paid more than the person's lawful entitlements to income compensation pursuant to S4.76, the employer may, at the employer's discretion (but subject to this Schedule):
 - S4.77.1 recover the excess (and any interest on the excess) from the officer as a debt; or
 - S4.77.2 set off the amount recoverable under S4.77.1 against liabilities of the employer to pay the officer under this Schedule or a compensation Act.
- S4.78 If it is reasonable in the circumstances, the employer may set off or recover an amount under S4.77.1 as a single lump sum, or by periodic payments, or by a combination of a lump sum and periodic payments, or in some other manner agreed between the employer and the person in writing, however:
 - S4.78.1 the employer cannot require a person to make periodic payments exceeding 10% of the person's net income ("net income" means income after an appropriate deduction is made for any income tax and child support payable by the person and any deductions made because of a garnishee order or similar order or requirement or any other deduction imposed by statute) without the person's written agreement;
 - S4.78.2 the employer may, in its absolute discretion, waive (absolutely or subject to such conditions as the employer thinks fit) the whole or any part of an amount it is entitled to recover, and shall do so if:

- S4.78.2.1 the employer is satisfied that the person is experiencing severe financial hardship, or it appears appropriate to do so because of any other special circumstances specific to the person; or
- S4.78.2.2 the employer considers it appropriate considering the likely costs associated with recovering the amount and the amount itself;
- S4.78.3 unless the person has provided materially false or misleading information to the employer that caused the employer to make the relevant payment/s, the employer must grant these remissions if the total amount payable is repaid within the following periods:
- S4.78.3.1 a 15% remission if the total amount is repaid within 1 month of the person first receiving written notification of the amount they are liable to pay;
- S4.78.3.2 a 10% remission if the total amount is repaid within 6 months of the person first receiving written notification of the amount they are liable to pay.
- S4.79 If a person has made a payment (including by an amount being set off) to the employer under S4.78, the employer must, within two months of end the financial year in which the payment is made, furnish the person with a statement that sets out:
- S4.79.1 the total amount paid by the person during that financial year; and
- S4.79.2 the amount left to be paid (if any); and
- S4.79.3 must furnish a final statement within 2 months after the debt is extinguished.

Interaction between paid annual and/or long service leave and income compensation – suspension

- S4.80 If an eligible officer takes paid annual or long service leave, the employer may suspend the income compensation that would otherwise be payable to the eligible officer when the eligible officer is on that leave if the employer complies with the notice requirements of this clause.
- S4.81 If the employer proposes to suspend the income compensation that would otherwise be payable during such a period of leave, the employer must provide the eligible officer with written notice of that proposal (including details of when income compensation payments under this Schedule will resume) within 14 days of the eligible officer requesting the relevant paid leave.
- S4.82 The eligible officer may withdraw the request for paid leave at any time within 14 days of a written notice under S4.81.
- S4.83 The employer cannot compel an eligible officer to take leave when they are entitled to income compensation.

PART 9 – ADJUSTMENTS TO INCOME COMPENSATION

Economic adjustments to the level of income compensation

- S4.84 If an eligible officer is incapacitated for work or appears likely to be incapacitated for work for more than one year, the employer must, during each year of incapacity, review the income compensation for the purpose of making an adjustment to the amount of the income compensation under this Part.

Quantum of economic adjustments – industrial instruments

S4.85 Subject to S4.87, the Notional Weekly Earnings of an eligible officer who is entitled to income compensation shall be adjusted to reflect any increases in the rates of remuneration applicable to the classification held by the officer (or, where relevant, any successor classification) immediately prior to the particular injury occurring and prescribed by an award or enterprise agreement.

Notice requirements before economic adjustment decided

S4.86 At least 28 days before deciding the quantum of an economic adjustment pursuant to this clause, the employer must give the eligible officer written notice of the following.

S4.86.1 The increase in the rate of remuneration the employer says applies pursuant to S4.85 and how the proposed economic adjustment has been calculated by applying that increase to the eligible officer's pre-existing Notional Weekly Earnings.

S4.86.2 The increase in the rate of remuneration the employer says would be applicable if an economic adjustment was made in accordance with the Wage Price Index for total hourly rates of pay excluding bonuses for South Australia, and how an economic adjustment would be calculated by applying that increase to the eligible officer's pre-existing Notional Weekly Earnings, and the eligible officer's right to elect in writing to receive an economic adjustment on that basis rather than in accordance with S4.85.

S4.86.3 The eligible officer's right to make written representations to the employer on the review within a reasonable time specified in the notice.

Election for economic adjustment based on Wage Price Index not industrial instrument

S4.87 If an eligible officer elects in writing to have their Notional Weekly Earnings adjusted in accordance with the Wage Price Index for total hourly rates of pay excluding bonuses for South Australia, the employer must adjust the eligible officer's Notional Weekly Earnings accordingly.

Timing of economic increase based on industrial instrument

S4.88 An economic increase reflecting changes to remuneration in an award or enterprise agreement operates from the date of the employer's decision on the review, back-dated to the date of the relevant changes in rates of remuneration.

Timing of economic increase based on Wage Price Index

S4.89 An economic increase in accordance with S4.87 operates from the end of the year of incapacity in which the review is made.

Adjustments due to change from original arrangements

S4.90 The employer may, on its own initiative and must at the written request of an eligible officer, review the calculation of the Average Weekly Earnings of the eligible officer (and therefore the Notional Weekly Earnings of the eligible officer) for the purpose of making an adjustment due to:

S4.90.1 a change in a component of the eligible officer's remuneration used to determine Average Weekly Earnings (including a component constituted by a non-cash benefit); or

S4.90.2 a change in the equipment or facilities provided or made available to the eligible officer (if relevant to Average Weekly Earnings).

- S4.91 Before the employer begins a review under S4.90, the employer must give the eligible officer written notice informing the eligible officer of the proposed review and inviting the eligible officer to make written representations to the employer on the subject of the review within a reasonable time specified in the notice.
- S4.92 If the employer finds on a review under S4.90 that there has been a change that warrants an adjustment contemplated by S4.90, the employer shall make the relevant adjustment.
- S4.93 An adjustment under S4.90:
- S4.93.1 will take effect as an adjustment to the eligible officer's Notional Weekly Earnings (and may therefore increase or reduce income compensation under this Schedule); and
 - S4.93.2 operates from an appropriate date determined by the employer (which may be an antecedent date but not a date that is before the date of the change on which the adjustment is based and not so as to result in a retrospective reduction in income compensation).
- S4.94 For the purposes of a review under S4.90, the employer may, by notice in writing to the eligible officer to whom the review relates, require the eligible officer to furnish any information that the employer reasonably determines to be relevant to the review.
- S4.95 If an eligible officer fails to comply with a requirement under S4.94 within the time allowed in the notice, the employer may suspend income compensation payments to the eligible officer.
- S4.96 On completing a review under S4.90, the employer must give the eligible officer written notice setting out the employer's decision on the review, and the eligible officer's rights to dispute the employer's decision.
- S4.97 S4.90 through S4.103 do not limit the rights of the employer under any other clause of this Schedule.

General Review of weekly payments

- S4.98 The employer may, on its own initiative and must if requested in writing by an eligible officer, review the amount of the weekly payments made to an eligible officer. The employer is not required to comply with a request for such a review if the request is made within 3 months of the completion of an earlier review.
- S4.99 Before the employer begins a S4.98 review under this clause, the employer must give the eligible officer written notice informing the eligible officer of the proposed review and inviting the eligible officer to make a written representation to the employer on the subject of the review within a reasonable time specified in the notice.
- S4.100 If the employer finds on a S4.98 review that the eligible officer's entitlement to income compensation has ceased, or has increased or decreased, the employer must adjust and may discontinue the income compensation to reflect that finding.
- S4.101 For the purposes of a S4.98 review, the employer may, by notice in writing to an eligible officer who is receiving weekly payments, require the eligible officer to submit to an examination by an IMA nominated by the employer or require the eligible officer to furnish evidence of the eligible officer's earnings (other than earnings paid by the employer).
- S4.102 If an eligible officer fails to comply with a requirement under S4.101 within the time allowed in the notice, the employer may suspend income compensation payments to the eligible officer.

- S4.103 On completing a S4.98 review, the employer must give the eligible officer written notice setting out the employer's decision on the review, and the eligible officer's rights to dispute the employer's decision, in accordance with S4.104.

PART 10 - DECISIONS ON CLAIMS

- S4.104 The employer must provide its written decision on a claim for entitlements under this Schedule (including a decision to cease or reduce or suspend income compensation and decisions to review income compensation and decisions on recovery/return to work plans) to the person who made the claim (including by their representative). The written decision must include the information required by s31(8)(b) of the RTW Act and regulation 20 of the RTW Regulations.
- S4.105 The employer must decide claims for entitlements under this Schedule (including claims for the provision of a recovery/return to work plan) as quickly as reasonably practicable and where the claim is for income compensation must, wherever practicable, endeavour to decide the claim within 10 business days from receipt of the claim.
- S4.106 A person (or the Association acting on their behalf) who believes there has been undue delay in deciding a claim or other matter affecting the person under this Schedule may apply to SAET for expedited determination of the matter.
- S4.107 An application for an expedited determination of a matter cannot be made until at least 10 business days after the matter was placed before the relevant decision-maker.
- S4.108 On an application for expedited determination of a matter, SAET may (in addition to such other powers as SAET may have) give directions SAET considers necessary to expedite the determination of the matter or decide the matter itself.
- S4.109 If SAET decides a claim on an application for expedited decision, the decision is to be treated as a decision of the employer.

PART 11 - DISPUTE RESOLUTION

- S4.110 For the avoidance of doubt and without limiting such other legal rights as the employer, the Association and a person claiming an entitlement under this Schedule may have:
- S4.110.1 disputes over the employer's decisions on entitlements under this Schedule may be resolved pursuant to chapter two part one of the Fair Work Act 1994 and /or chapter two part two of the Fair Work Act 1994 (including concurrently) and any successor legislation to those provisions; and
- S4.110.2 proceedings and dispute resolution processes taking issue with the employer's decision/s on entitlements under this Schedule may be commenced by either the person claiming the entitlement or the Association.
- S4.111 Proceedings in the SAET about the employer's decision/s on entitlements under this Schedule should, so far as is reasonably practicable, be heard together with such other proceedings between the same parties in the SAET as may exist.

PART 12 - COSTS OF PROCEEDINGS

General Entitlement To Costs

- S4.112 A party (other than the employer) is entitled, subject to this Schedule, to an award against the employer for the party's reasonable costs of proceedings for resolution of the matter before SAET.
- S4.113 Costs may only be awarded to cover the cost of representation by a legal practitioner or an officer or employee of the Association and disbursements incurred by a party to proceedings before SAET up to a reasonable amount reasonably incurred, subject to the qualification that costs for medical services reimbursed as disbursements in the proceedings are limited to the scales of charges applicable at the relevant time that apply for the purposes of s33 of the RTW Act or, if a service is not covered by a scale of charges under that section, to an amount determined in accordance with the principles that apply under that section.
- S4.114 If SAET is of the opinion that a party:
- S4.114.1 has acted unreasonably:
 - S4.114.1.1 in bringing proceedings before SAET; or
 - S4.114.1.2 in view of an assessment or recommendation of a SAET member under s43(13) of the *South Australian Employment Tribunal Act 2014*; or
 - S4.114.1.3 without limiting S4.114.1.2 — in failing to discontinue or settle any proceedings before the conclusion of the hearing of a matter; or
 - S4.114.1.4 in relation to any other aspect of the conduct of proceedings before SAET; or
 - S4.114.2 has acted frivolously or vexatiously in bringing or in relation to the conduct of proceedings before SAET,
SAET may—
 - S4.114.3 decline to make an award of costs in favour of the party and may further (if it thinks fit) make an award of costs against the party; or
 - S4.114.4 reduce the amount of the award of costs to which the party would otherwise have been entitled.
- S4.115 Subject to S4.116, an award of costs to cover professional advice or assistance may, if SAET considers appropriate, be made in favour of the person who provided the professional advice or assistance.
- S4.116 An award of costs to cover the cost of representation by an officer or employee the Association is payable to the Association.
- S4.117 An award of legal costs cannot exceed 85% of the amount that would be allowable under the relevant Supreme Court scale if the proceedings were in the Supreme Court.

Costs liability of representatives

- S4.118 If a professional representative acting for a party to proceedings before SAET under this Schedule (whether personally or through an employee or agent) has caused costs to be incurred improperly or without reasonable cause or to be wasted by undue delay or negligence or by any other misconduct or default, SAET may order:

- S4.118.1 that all or any of the costs between the professional representative and their client be disallowed or that the professional representative repay to their client the whole or part of any money paid on account of costs;
- S4.118.2 that the professional representative pay to their client all or any of the costs which their client has been ordered to pay to any party;
- S4.118.3 that the professional representative pay all or any of the costs of any party other than their client.
- S4.119 Without limiting S4.118, a professional representative is in default for the purposes of that clause if any proceedings cannot conveniently be heard or proceed, or fail or are adjourned without any useful progress being made, because the professional representative failed to:
- S4.119.1 attend in person or by a proper representative; or
- S4.119.2 file any document which ought to have been filed; or
- S4.119.3 lodge or deliver any document for the use of SAET which ought to have been lodged or delivered; or
- S4.119.4 be prepared with any proper evidence or account; or
- S4.119.5 otherwise proceed.
- S4.120 SAET may not make an order against a professional representative under S4.118 unless SAET has informed the professional representative of the nature of the order proposed and allowed the professional representative a reasonable opportunity to make representations, and call evidence, in relation to the matter.
- S4.121 SAET may order that notice of any proceedings or order against a professional representative under S4.118 be given to the client in such manner as SAET directs.
- S4.122 SAET's power to make an order under S4.118 is exercisable by a presidential member of SAET or another member of SAET who is authorised by a presidential member of SAET to make the particular order.

PART 13 – MISCELLANEOUS

Interest on Delayed Income Compensation

- S4.123 If:
- S4.123.1 income compensation, or part of income compensation, is not paid as and when required to be paid under this Schedule; or
- S4.123.2 the payment of income compensation is delayed pending resolution of a dispute over the employer's decision/s on an entitlement to income compensation under this Schedule; then
- S4.123.3 interest will be paid on any arrears, however, no interest is payable under this clause if the delay is attributable to some fault on the part of the eligible officer.

Interim payments

- S4.124 A person may, pending the final determination of a claim, apply to the employer for interim payments of income compensation under this Schedule.

S4.125 The employer must offer to make interim payments if it fails to determine the relevant claim within 10 business days after the date of receipt of the claim unless the failure to determine the claim is:

S4.125.1 due to the unreasonable failure or refusal of the person making the claim to attend a medical examination arranged by the employer; or

S4.125.2 because the employer has arranged an examination for the purposes of a work capacity review and that examination is yet to occur.

S4.126 If on the final determination of a claim (if the employer rejects the claim, the claim is finally determined when any relevant proceedings have been completely finalised) an amount the officer was not entitled to has been paid under this clause, the employer may recover that amount as a debt in a Court of competent jurisdiction.

Income Compensation & Leave Entitlements

S4.127 Section 50 of the RTW Act is incorporated into this Schedule. To the extent that s50 of the RTW Act is inconsistent with clauses S4.80 through S4.83, those clauses prevail.

S4.128 The references to "weekly payments" in s50 of the RTW Act as incorporated into this Schedule are to be read as references to income compensation pursuant to this Schedule.

Injuries that develop gradually

S4.129 The date when an injury that develops gradually or is a disease will be taken to have occurred will be determined in accordance with RTW Act s188.

Costs associated with lump-sum payment agreements

S4.130 If the employer offers an eligible officer a lump sum payment agreement, and the eligible officer incurs costs in having one or more of annexures A, B or C to such an agreement completed by a professional adviser, a financial adviser or a recognised health practitioner, the employer must reimburse the eligible officer for any such costs subject to any limits applicable at the time the relevant advice is obtained pursuant to ss53 and 54 of the RTW Act.

Review & anomalies

S4.131 The Association and the employer shall:

S4.131.1 jointly review the operation of this Schedule with that review to commence 2 years after the order incorporating this Schedule in this Award is made and to conclude within 2 months of commencement; and

S4.131.2. use their best endeavours to resolve perceived anomalies or perceived unfair situations arising out of the operation of this Schedule or the alteration to the rights of employees arising out of the change from the WR&C Act to the RTW Act.
