5. WAGES & RELATED MATTERS

5.1 Superannuation Fund and Payments

- 5.1.1 Choice of fund applies which gives existing and new Employees the option to nominate a superannuation fund of their choice in accordance with applicable legislation.
Unless the Employer is required to make superannuation contributions into another fund for the Employee in order to comply with applicable superannuation legislation, the Employer will make superannuation contributions into the Hostplus Superannuation Fund (**Hostplus**) being the nominated default fund, or its successor.
- 5.1.2 The amount of the Employer superannuation contribution will be as follows:
- (a) For each Employee who is making a Salarylink Contribution to Hostplus:
 - i. 3% of the greater of Member's Salary or ordinary time earnings;

 - (b) For each other Employee:
 - i. contributions which the Employer must pay to a superannuation fund in respect of the Employee in order to avoid a charge under superannuation legislation; and

- ii. any additional superannuation contributions which the Employer agrees to pay in respect of the Employee.
- 5.1.3 The Hostplus rules set out in the Trust Deed in respect to Employees making a Salarylink Contribution ensure that Employees are provided with at least a minimum benefit that meets the requirements of the *Superannuation Guarantee (Administration) Act 1992* (Cth).
- 5.1.4 Salary sacrificing of superannuation contributions shall be available to Employees. An Employee may elect to vary the amount of salary sacrifice paid to an eligible superannuation fund on a prospective basis at any time during the life of this Agreement.
- 5.1.5 The Employee's salary referred to in this Agreement shall be the pre-sacrificed salary. However, the parties agree that the net salary paid to an Employee will be reduced by any amount salary sacrificed to superannuation.
- 5.1.6 For the purposes of this clause:
 - "Salarylink Benefit" has the meaning given to that term under the Trust Deed.
 - "Salarylink Contribution" has the meaning given to that term under the Trust Deed.
 - "Member's Salary" has the meaning given to that term under the Trust Deed.
 - "Trust Deed" means the Hostplus Superannuation Fund Trust Deed, as amended or replaced from time to time.

5.2 Salary Sacrifice

5.2.1 Superannuation

Subject to the following conditions an employee may apply to Council to salary sacrifice any part of his/her salary/wages including workplace agreement based salary/wages to make additional contributions to the Superannuation Fund.

- 5.2.1.1 As salary sacrifice is a complex matter, it is the employee's responsibility to seek advice and fully understand all implications of salary sacrifice before seeking to enter into this arrangement.
- 5.2.1.2 The employee's gross salary for all purposes, including but not limited to superannuation, annual leave and long service leave shall be pre-sacrificing salary.
- 5.2.1.3 Any such arrangement shall be by mutual agreement between each individual employee and Council, provided that approval by Council shall not be unreasonably withheld.
- 5.2.1.4 The application shall be in writing on the relevant form provided by Payroll and shall detail the percentage of salary to be salary sacrificed together with a statement that the "cash" component is adequate for his/her ongoing living expenses.
- 5.2.1.5 The arrangements made may only apply to future salary arrangements and cannot be retrospective.
- 5.2.1.6 The individual agreement to salary sacrifice may be rescinded by the employee provided a full pay period of prior notice in writing is given to the Payroll Officers.
- 5.2.1.7 The employee shall bear the responsibility and costs associated with taxation and any other matters in respect of the salary sacrifice arrangements. This means that contributions made to a Superannuation Fund will be adjusted (at the employee's cost) to take account of taxation payable in relation to those contributions.

5.2.1.8 Salary sacrifice contributions will be treated as employer contributions and are likely to be preserved.

5.2.1.9 Employees who participate in salary sacrifice arrangements acknowledge that there will be a reduction in their take home pay as a consequence of the salary sacrifice arrangement.

5.2.2 Remote Area Housing

The Tatiara District Council area is classified as being in a remote area.

5.2.2.1 Key employee retention and attraction is critical to the long term health and success of the Tatiara District Council. The ability to retain and attract employees ensures customer satisfaction, satisfied employees, retention of organisational knowledge and learning, and effective succession planning.

5.2.2.2 In accordance with paragraph 60(2)(c) of the *Fringe Benefits Tax Assessment Act 1986* (FBTAA), Council received a private ruling from the ATO to offer salary packages to current and future employees who have their usual place of residence in a remote area, and provide them with remote area housing assistance.

5.2.2.3 Employees now have the option to undertake salary sacrificing in accordance with the Tatiara District Council *Salary Sacrificing Policy and Procedures* ("the Policy") and the *Fringe Benefits Tax Assessment Act 1986* (FBTAA).

5.2.2.4 Salary sacrificing is offered to employees subject to this private ruling being upheld by the Australian Taxation Office.

5.2.2.5 Salary sacrificing is where employees elect to receive part of their pay as a deduction for personal expenses (e.g. mortgage, rent, energy costs). The expense is paid by Council from the employee's pre-tax income. Thus the payment is made "tax free". Investment property mortgages cannot be packaged – it must be the employee's principal place of residence.

5.2.2.6 By salary sacrificing their salary, employees have the opportunity to reduce the amount of tax that they pay. This increases their take home pay.

5.2.2.7 Council will offer salary packages to current and future employees who have their usual place of residence in the Tatiara District Council, and eligible employees may receive remote area housing assistance in the form of:

- 50% of the interest expense on their home mortgage;
- 50% of the rent incurred by the employee in respect of housing rent;
- 50% of the energy costs that the employee incurs connected with their principal place of residence.

5.2.2.8 An agreement between employees and the CEO will be put in place to allow flexible remuneration of salary packages. The administration of salary packaging is undertaken by the DCCS and FM and will include:

- The TDC will administer salary sacrificing arrangements in consultation with its financial advisors, and is the approved administrator or provider ("the provider") of these services to eligible employees.
- All salary sacrificing items will be deducted from their fortnightly pay and paid into their nominated bank account:

- To minimise the administrative expense in managing the salary sacrificing program, employees are entitled to make up to a maximum of four (4) adjustments throughout each financial year. To make any changes to their salary sacrificing arrangements, employees will need to contact the Payroll Officer in the first instance.
- On terminating employment, the employer's responsibility for deducting money from the employee's pay ends, and the total responsibility reverts to the employee.
- Annual reconciliation will be undertaken at the end of the FBT year (31 March) which usually results in either an under or over amount in an employee's package. This amount will either be reduced or increased through an employee's overall remuneration. Reconciliation also occurs at termination of employment.

5.3 Allowances

5.3.1. The following allowances will be paid:

5.3.1.1 Meal Allowance. An employee required to work overtime in excess of one and half hours after working ordinary hours will be paid **\$21.70** to meet the cost of a meal, or, at the option of the employer, be provided with an adequate and suitable meal.

5.3.1.2 First Aid Allowance. A certified first aid officer who is nominated by the employer to act on such certificate shall be paid an allowance of **\$18.30** per week from the 1st full pay period after 1 July 2022.

5.3.1.3. Motor Vehicle Allowance. A Council vehicle will be made available wherever possible. If a vehicle is available, but the employee prefers to use his/her own vehicle, Council shall reimburse the cost of the fuel to travel to and from the venue. If a Council vehicle is not available, then the rates set by the Australian Taxation Office for travel allowance shall be paid.

5.3.1.4. Tool Allowance. A tradesperson will be paid an allowance of **\$23.50** per week where they supply and maintain their own tools ordinarily required in the performance of the work performed as a tradesperson. This allowance will apply to apprentices on the same percentage basis as provided by this Agreement.

5.3.1.5. Mobile Phone Allowance – It is agreed that in circumstances during normal working, or approved overtime hours, where a Council owned telephone or two-way radio is not available, that an employee may use their own mobile phone to contact the Council Depot or Supervisor for important operational requirements.

Such use of private mobile phones shall be kept to an absolute minimum and it is agreed that where possible, a return call from the Council Depot/Office should be arranged.

Reimbursement for related telephone call costs will be paid by an annual allowance of \$165, plus \$20 for a mobile phone case. The amount will be paid each December.

5.3.1.6. Exhumation Allowance – "An employee is entitled to receive an exhumation allowance of \$185. whenever the employee performs an exhumation.

An exhumation is a process initiated by the legal authorities of the Attorney General and the approved interested party, and is the

disinterment of the remains of a body from a grave, requiring an employee to enter the grave to remove as much human or other remains (including the coffin) intact as is practicable. An employee also participates in the process of an exhumation where the employee must personally handle human remains in the exhumation procedure as described above.”

- 5.3.2 The above allowances shall be increased in years 2 and 3 of the agreement, from the first pay period on or after 1 July for each year of the agreement, in line with no less than the wage adjustment percentage for each year of the agreement. That increase shall ensure that the allowance is no less than the current industry standard.

5.4. Drivers Licence and Other Required Licences

- 5.4.1. Provision for reimbursement of drivers licence is to occur annually provided that:
- 5.4.1.1. Employee pays for licence and maintains currency in accordance with job requirements.
 - 5.4.1.2. Employee notified management of impediments, loss or downgrading.
 - 5.4.1.3. Management will provide relevant on the job training and additional skills based driver training.
 - 5.4.1.4. Employees must present their licence upon request for verification annually.
- 5.4.2. If an employee loses their licence, Council will consider all available options to enable that employee to retain their position. These alternatives could include:
- 5.4.2.1. Providing alternative manual type duties for that employee;
 - 5.4.2.2. Allowing the employee to use up available Long Service Leave and annual leave;
 - 5.4.2.3. Allowing the employee time off without pay.
- 5.4.3 Council will reimburse employees for any other special licence they need to carry out their normal work duties. This could include licences like Fork Lift and Elevated Work Platform.

5.5 Mixed Functions / Higher Duties

- 5.5.1. Mixed Functions
- 5.5.1.1. An employee engaged for four (4) hours or more on any one (1) day on duties carrying a higher rate than their ordinary classification will be paid the higher rate for that day. If for less than four (4) hours on any one (1) day, the higher rate for the time so worked is paid.
 - 5.5.1.2. Provided, however, that where performance of such work becomes a normal and constant feature of the employee's substantive position (for an accumulated period of 500 hours in a 12-month period), then the employee will be reclassified to that level.
