  - determination, if appropriate, of actions to achieve targets
- 2.5.7. Where the Corporation, through the review process, has determined that actions are required to bring about internal competitiveness, they may include changes to work practices and service delivery. Employees will be provided with necessary training to facilitate these changes.

Provided that where this Agreement makes provision for alteration of any of the matters referred to herein, an alteration shall not be deemed to have significant effect.
- 2.6.4. The Corporation shall discuss with the employees affected and their union/s, the introduction of the changes, the effects the changes are likely to have on employees and the measures to avert or mitigate the adverse effects of such changes on employees and shall give prompt consideration to matters raised by the employees and/or their unions, in relation to changes.

- 2.6.5. As soon as change is considered, there will be consultation involving all parties who may be affected by the change.

For the purposes of such discussion, the Corporation shall provide in writing to the employees concerned and their union/s, all relevant information about the changes including the nature of the changes proposed; the expected effects of the changes on employees and any other matters likely to affect employees, provided that the Corporation shall not be required to disclose confidential information, the disclosure of which would be detrimental to the interests of the Corporation.
- 2.6.7. Any changes that will affect employee numbers will occur in accordance with Clause 2.7 - Affected Employees of this Agreement.

## **2.7. Affected Employees**

- 2.7.1. The means of adjustment in those situations where organisational change results in positions being no longer required will be dealt with as follows:

- a) Where, as a consequence of implemented changes, employees are deemed excess to requirements, the Corporation undertakes to make practicable efforts, in consultation with the affected employee/s and the unions, to transfer the employee/s to other positions within the Corporation commensurate as near as possible to their existing classifications and skills.

Where such a transfer is not practicable within a period of 6 (six) months, the employee/s may be provided where possible with a transfer to other work and the Corporation will provide appropriate training opportunities to ensure that the employees attain the appropriate skills to satisfactorily undertake those duties.

- b) Where an employee is transferred to a position carrying a lower classification than their "old" classification, their wage rate will be maintained for a period of twelve (12) months.

Such wage rates shall not include "as earned" allowances or additional benefits directly applicable to the previous position. These wage rates will, however, receive all increases during that twelve (12) month period that would have been afforded to the employee had he or she remained in that classification and all other "payable for all purposes" allowances.

- c) At the conclusion of the twelve (12) month period, where an employee has been transferred to a position holding a lower classification, such employee will retain their "old" wage rate and will not receive the benefit of increases to that wage rate until the employee's "new" classification "catches up" and the differential is absorbed. At this time the employee will be reclassified to the new classification.

- 2.7.2. Employees whose positions are deemed excess to requirements may also be offered a Targeted Voluntary Separation Package (TVSP).

- 2.7.3. If the Corporation is faced with circumstances that may necessitate an employee(s) being made forcibly redundant, the Corporation will enter into discussions with the relevant parties to this Agreement. These discussions will provide the opportunity for the parties to negotiate an improved redundancy agreement.

- 2.7.4. While these negotiations are proceeding, the following conditions will apply:

- The existing redundancy provisions as per the policy on Guidelines for Targeted Voluntary Separation Packages, are accepted as the minimum entitlement.
  - The provisions of Clause 1.5 - No Extra Claims of this Agreement allow for this negotiation to take place.
  - There shall be no forced redundancies except in circumstances described previously in this clause.
- 2.7.5. Where, as a result of such discussions, a variation to this clause is required, the Agreement provides parties with a procedure for such discussions, as referred to in Clause 2.1 – Dispute Settling Procedure and such variation will only have effect if:
- it is agreed by all the parties who are bound by this Agreement when the variation is made, and
  - it is approved by the SAET in accordance with the provisions of the *Fair Work Act SA 1994*.

### **GUIDELINES FOR TARGETED VOLUNTARY SEPARATION PACKAGES**

#### **1. APPLICATION OF GUIDELINES**

##### **1.1. Definition**

A Targeted Voluntary Separation Package (TVSP) is defined as a separation payment made in circumstances where a position is declared surplus to organisational needs, proper consultation occurs, the employee is notified, invited to apply for, and voluntarily takes up a separation package. The following payment formula will apply:

- Four (4) weeks up front plus four (4) weeks' notice plus three (3) weeks' pay for each year of service up to a maximum of 104 weeks.

##### **1.2 Use of Guidelines**

Decisions relating to the application of TVSP's will be made by the Chief Executive Officer in consultation with the relevant director. Prior to decisions being made, directors are to be notified of the position being declared surplus and the reasons for the decision. A TVSP is an offer by the employer to an employee and can only be activated by an acceptance of the offer by the employee.

A TVSP may be offered to an employee whose substantive position is declared surplus, or who is part of a group where some or all of the positions are declared surplus to the requirements of the Corporation.

##### **1.3. Non-eligibility**

Casual employees or persons employed on negotiated employment contracts which include specific entitlements for redundancy, are not entitled to a TVSP under these guidelines.

##### **1.4 Conditions of Offer**

Employees occupying positions identified by the Corporation as surplus to organisational needs may either be redeployed or invited to express an interest in receiving a TVSP. When employees are notified that their position has been declared surplus, they may be provided with a period of up to twenty-one (21) days to consider and accept an offer of a TVSP.

An offer and payment of the TVSP is conditional upon the following:

- (a) the employee voluntarily terminating their employment with the Corporation from any position in which he/she is employed
- (b) the employee not applying for, engaging in, accepting or remaining in any employment whatsoever (whether as an employee, apprentice or trainee) with the Corporation for a period of two (2) years from the date on which the employee's termination takes effect
- (c) the employee having notified the Corporation of each and every workers compensation injury and/or disability
- (d) the employee not suffering any other workers compensation injury or disability between the date of the offer of the TVSP and the time at which the employee terminates his or her services on the final day of employment. It is

at the Corporation's discretion as to whether an offer of a TVSP will be withdrawn should a compensable injury be sustained

- (e) the employee having finalised all outstanding workers compensation claims
- (f) the employee repaying an amount equal to the weekly payment up to the amount paid as a separation package, if any employee receives any subsequent weekly worker's compensation payments arising out of any industrial action arising out of the employee's employment with the Corporation
- (g) Where an employee who has accepted an offer of a TVSP dies before separating or before payment of the TVSP, payment of the TVSP should be made in the same manner as other outstanding payments to employees (e.g. long service leave)

#### 1.5. Permanent Part-time Employment

Permanent part-time employees (excluding casual employees) are entitled to appropriate benefits on a pro rata basis.

#### 1.6 Surplus Positions Identified While Employees are on Long-Term Leave

Employees absent from work on approved periods of long-term leave, e.g. long service leave, maternity leave, study leave and special leave who, before proceeding on leave, occupied a position which has been declared surplus during the period of leave and, but for the taking of the leave would have been offered a TVSP, may be offered a TVSP prior to the expiration of the leave. The Corporation needs to ensure that appropriate notification and adequate consultation occurs in the circumstances of employees on leave.

#### 1.7 Administration of the Guidelines

Where any error may have occurred in the calculation of the separation package, the package shall be adjusted, and any overpayment shall be repaid to the Corporation irrespective of the cause or nature of the error of calculation. Any underpayments will be paid to the employee as soon as practicable.

#### 1.8 Re-employment Following Targeted Voluntary Separation

Employees who leave the Corporation with a TVSP will not be re-employed by the Corporation for a minimum period of two (2) years - refer 1.4(b) Conditions of Offer.

Where an employee who has taken a TVSP joins a consultancy firm which, in the future, may successfully tender for work, or they successfully tender for work on his/her own account and the work performed does not constitute an employer/employee relationship, it would not breach TVSP provisions.

#### 1.9 Position to be Abolished

Where a position is declared surplus and the incumbent offered a TVSP or redeployment, that position will be abolished and not re-filled.

### 2. **CALCULATION OF ENTITLEMENTS**

#### 2.1. Final Annual Pay

- 2.1.1. Final pay is determined by the gross ordinary time earnings for the twelve (12) months prior to separation or the substantive salary at the time of separation (whichever is the higher). It does not include leave loading or overtime and is not the employee's pay at the time of separation, converted to an annual rate. However, it shall include allowance payments which are payable for all purposes.
- 2.1.2 If an employee has been in receipt of a continuous higher duty allowance for the twelve (12) months immediately preceding the acceptance of a TVSP, then this allowance will be included in the final annual pay calculation.
- 2.1.3 If an employee has been required to perform higher duties and paid a higher rate in accordance with Higher Duties/Mixed Function provisions for at least 50% of his or her time, for a continuous period of at least twelve (12) months immediately preceding the date of acceptance of a TVSP, then the actual fortnightly allowance will be included in the final annual pay calculation.
- 2.1.4 Where an employee has, during 50% or more of pay periods in the twelve (12) months immediately preceding the date on which he or she receives notice of separation, been paid an allowance for shift work, the weekly average amount of shift allowance received during the twelve (12) month period shall be counted as part of a week's pay. Where Service Pay is paid, this amount will be included in determining the final weekly wage.

## 2.2 Workers Compensation

Where an employee has been receiving weekly payments of workers compensation during the twelve (12) months prior to separation, in calculating gross ordinary time earnings, the TVSP payment is based on 100% of gross ordinary time earnings, (calculated in accordance with 2.1.1. to 2.1.4 above), had the employee been at work, including those employees whose weekly payment of workers compensation has been subject to reduction.

## 2.3 Leave Without Pay

For the purpose of determining a week's pay for an employee who has been absent on leave without pay for all or part of the twelve (12) month period preceding the separation date, calculation shall be based on the gross ordinary time earnings (calculated in accordance with 2.1 and 2.2 above) as if the employee had been on duty and been paid.

## 2.4 Years of Service

Years of service is the difference between the actual start date and the separation date less the leave without pay. Years of service accounts for full years plus pro rata of the current year of service in which a TVSP offer is made.

## 2.5 Continuous Service

Continuous Service for the purposes of calculating a separation package shall be in accordance with the provisions of the Long Service Leave Act. "Service" is defined as that period of continuous service with the Corporation of the City of Adelaide and not across the sector.

## 2.6 Superannuation

Payments from the relevant superannuation fund will be in accordance with the relevant Trust Deed.

Any enquiries regarding legislative provisions, superannuation entitlements and rollover requirements should be referred to the employee's nominated super account or the Financial Services Department for the Corporation of the City of Adelaide Superannuation Fund.

## **2.7 Other Award Entitlements on Termination**

Apart from the TVSP, employees will receive all other statutory entitlements i.e. annual leave, long service leave and annual leave loading.

## **3. SERVICES TO EMPLOYEES**

- 3.1. Outplacement Services - at the discretion of the director, the Corporation may provide outplacement support to an employee who has accepted an offer of a TVSP.
- 3.2 Retirement and Financial Services - Statewide Super conduct pre-retirement seminars on a regular basis. The seminars provide information about general retirement issues and financial planning to employees approaching retirement.
- 3.3. Employees should be encouraged to seek personalised advice from an independent financial planner on specific financial planning and retirement matters.
- 3.4 Employees are to be allowed reasonable time off with pay in order to obtain advice in regard to TVSPs.
- 3.5 Managers should ensure that employees are fully aware of their right to have a representative present at discussions with management regarding their employment.

## **Appendix B**

### **EMPLOYEE DISCIPLINARY POLICY AND PROCEDURES**

#### **1.1 The purpose of this procedure is to:**

- Ensure that all leaders have a framework in which to effect responsible disciplinary processes within the workplace
- Ensure that all employees know and understand the disciplinary processes
- Ensure that all employees have the opportunity to improve their performance and/or modify their behaviour so that they are able to maintain a satisfactory level of performance and/or meet acceptable standards of behaviour
- To provide a workplace environment where employees are committed to performing to the best of their abilities
- To ensure that employees perform to expected standards and that they are aware of those standards and are suitably trained to satisfy those standards
- To ensure that work practices and methods are designed and conducted in such a way to avoid risk of injury and risk to health of employees

#### **1.2 Representation**

- The employee may have another person of their choosing present at all stages of the disciplinary process

#### **1.3 The Process - Minor and Serious Misdemeanours**

- For the purposes of this procedure, a misdemeanour relates to both poor work performance and unacceptable behaviour.
- A single misdemeanour can be categorised as either a minor misdemeanour or a serious misdemeanour.
- A number of minor misdemeanours may be categorised as a serious misdemeanour.

#### **1.4 Minor Misdemeanour**

- A minor misdemeanour need not be dealt with based on a formal disciplinary action but may be dealt with informally by a leader.
- Where an employee repeats unacceptable behaviour and/or performance or commits further misdemeanours(s) the leader will exercise discretion as to the appropriate course of action. Each situation will be considered on its merits.
- The leader may decide to effect further counselling and/or guidance or may decide that the situation needs to be regarded as a serious misdemeanour and the formal disciplinary process effected.

#### **1.5 Serious Misdemeanour**

- A performance and/or behaviour matter may be immediately determined as serious in nature, in which case the formal disciplinary process commences.

## **1.6 Formal Disciplinary Action (Serious Misdemeanour)**

### **The First stage**

- 1.6.1 The leader will investigate the matter.
- 1.6.2 Following the investigation the employee will be informed of the facts and asked to provide a response.
- 1.6.3 If the employee's response is unacceptable, then he/she will be given a first warning.
- 1.6.4 The leader will keep a detailed record of the serious misdemeanour, the employee's response and the warning given. The warning will be confirmed in writing to the employee and the employee asked to sign it as an acknowledgment. A copy of the document will be provided to the employee and to People Services.
- 1.6.5 The employee may provide a written account of their version of the alleged serious misdemeanour to be included with the leaders' report.

### **The Second Stage**

- 1.6.6 In the event of the serious misdemeanour being repeated or further misdemeanours committed, the leader may effect counselling or guidance session(s) or may decide that formal disciplinary action is necessary. The procedure to be followed is as per 1.6.1 (in conjunction with People Services) and 1.6.2 of the first stage.
- 1.6.7 If it is decided to effect further counselling and/or guidance the leader will keep a detailed record of any counselling and/or guidance session(s) conducted. A copy of the document will be provided to the employee to People Services.
- 1.6.8 If the employee's response is unacceptable a second warning will be given in the presence of a more senior line leader. The same procedure as per 1.6.4 and 1.6.5 of the first stage will be followed.
- 1.6.9 When situations arise where an employee commits misconduct bordering upon gross misconduct the leader, after consulting a more senior leader may elect to immediately apply the third stage process.

### **The Third stage**

- 1.6.10 In the event of further misdemeanour, the leader having conducted an investigation will, in the presence of a more senior leader meet with the employee, advise of the facts and seek a response.
- 1.6.11 If the response is unacceptable the employee will be given an opportunity to state any reasons why action should not be taken to terminate their services.
- 1.6.12 All of the facts, including the employee's response and reasons will then be referred to People Services who will consult with the relevant director (or his/her delegate) to decide if termination of employment or other formal disciplinary action is appropriate.
- 1.6.13 If termination of employment is appropriate, the employee will be advised and given pay in lieu of notice. A formal letter of termination to the employee will detail the reasons for termination of employment.

- 1.6.14 If the employee is to be demoted and/or transferred, they will be so advised and a formal letter written to them.

## **1.7 Gross Misconduct - Instant Dismissal**

The Corporation has the right to dismiss an employee without notice for gross misconduct. In such instances, the employee will only be entitled to payment for work already performed.

- 1.7.1 Gross misconduct occurs when an employee is guilty of a serious offence and his or her conduct is such as to repudiate his/her contract of employment. Each case will be considered on its merits.
- 1.7.2 The leader will thoroughly and immediately investigate the matter.
- 1.7.3 The employee will be informed of the facts and given an opportunity to respond. The employee will be advised that immediate dismissal is a consideration and be given the opportunity to call witnesses and respond fully.
- 1.7.4 A decision to dismiss will only be made following consultation between People Services and the relevant director (or his/her delegate).
- 1.7.5 Where an immediate decision is not practical the leader may suspend the employee from duty without loss of ordinary pay.
- 1.7.6 If it is determined that the immediate dismissal is the appropriate course of action then the employee will be advised both verbally and in writing.
- 1.7.7 If it is determined that alternative disciplinary action is more appropriate, the options available within part 1.3 being the warning process and/or guidance and counselling and/or demotion or transfer may be effected in accordance with this procedure.

## **Appendix C**

### **Rostered Days Off 9-Day Fortnight Arrangement**

- 1.1. The provision to work a nine (9) day fortnight is made between the parties to this Agreement based on a 76 hour fortnight. This clause shall supersede any previous arrangements made with respect to this issue.
- 1.2. This arrangement is made on the basis that it will entail no reductions of service, nor any additional cost in providing and maintaining existing services, nor will it inhibit the development of any service that the Corporation wishes to introduce.
- 1.3. Employees covered by this Agreement will work their ordinary hours in such a manner as to provide one Rostered Day Off (RDO) every ten (10) working days. It is further provided that the average ordinary hours worked shall not exceed 76 hours per fortnight.
- 1.4. The arrangements for the nine day fortnight shall be as follows:
  - The hours of work shall be 8.5 per day for eight (8) days, eight (8) hours for one (1) day and one (1) day rostered off in a two (2) week cycle.
  - Normal commencing and finishing times will be as rostered and agreed in accordance with the provisions of this Agreement.
  - The rostered day off may occur on any day of the fortnight as mutually arranged between local management and employees on a local basis. When mutual agreement cannot be reached, arrangements for the rostered day off shall be determined by the relevant leader.
- 1.5. When an RDO falls on a public holiday, another day will be substituted by mutual agreement between management and employees, or in the absence of mutual agreement, by the relevant leader having regard to work commitments.
- 1.6. Public Holidays and Bereavement Leave will be allowed for the number of ordinary hours that the employee would normally work on the day at the appropriate total daily rate.
- 1.7. Any rostered days off arrangement made does not alter or vary the number of hours leave with full pay that an employee would be entitled to receive pursuant to the Award if the arrangement had not been made.
- 1.8. This arrangement does not alter or vary the number of days leave with full pay that an employee would be entitled to pursuant to any Award, if this arrangement had not been made.
- 1.9. Annual Leave and paid Sick Leave is debited as actual time lost.
- 1.10. A deduction from wages is made equal to actual time lost for unauthorised absences from duty.
- 1.11. Employees will not be eligible for Personal Leave in respect of absences on rostered days off, as such absences occur outside working hours.
- 1.12. When an employee is absent on the working day preceding, or following, a rostered day off consecutive with a weekend, no paid Personal Leave will be approved unless a medical certificate or other reasonable evidence is presented verifying the absence.
- 1.13. Call back arrangements and payments on any RDO shall be the same as those, which currently apply on a Saturday.

- 1.14. Where an employee is required to work on a programmed rostered day off, the overtime rates as prescribed in Clause 6.3 of the Adelaide City Corporation Award, 1998 will apply.
- 1.15. The parties agree that there are benefits for the Corporation and the employees in allowing greater flexibility through the banking of RDO's, to enable project and/or seasonal work to be carried out in a continuous manner. Employees may be required to accumulate up to a maximum of five (5) RDO's. No further accumulation of RDO's will occur until all of the accumulated RDO's are taken or paid out. All hours of work performed on an RDO will be calculated at ordinary time rate. Accumulated time will be taken off on an hour for hour basis.
- 1.16. RDO entitlements will be taken within 1 July to 30 June at a time mutually agreed between the leader and employee/s. Provided that where mutual agreement is not able to be reached prior to the end of the financial year, the leader will require the employee to take any accrued RDO entitlements through the provision of two (2) weeks' notice.
- 1.17. Where the leader is unable to approve time off during 1 July to 30 June due to operational demands, the time accrued will be paid out at a rate of time and a half of the ordinary hourly rate. Accumulated RDO's should be taken as a block of time off unless other arrangements are agreed.
- 1.18. This arrangement may be reviewed by the parties after six (6) months of its operation and through a process of consultation and agreement, resolve any issues arising from the operation of this arrangement.
- 1.19. Any disagreement or dispute arising out of the application of the RDO - Nine Day Fortnight Arrangement will be resolved in accordance with the provisions of Clause 2.1 – Dispute Settling Procedure.

### **CLAUSES APPLICABLE TO METAL TRADES EMPLOYEES ONLY**

1. Employer and Employee Duties
2. Casual Employment
3. Abandonment of Employment
4. Procedure for Classifying Employees
5. Training
6. Schedule A – Classification Definitions

#### **1. Employer and Employee Duties**

##### *Summary*

*An employee has certain obligations to carry out duties as directed. Any direction by the employer must be consistent with a safe and healthy work environment.*

- 1.1 An employer may direct an employee to carry out such duties as are within the limits of the employee's skills, competence and training consistent with the classification structure of Schedule A – Classification Definitions of this Appendix provided that such duties are not designed to promote de-skilling
- 1.2 An employer may direct an employee to carry out such duties and use such tools and equipment as may be required provided that the employee has been properly trained in the use of such tools and equipment
- 1.3 Any direction issued by an employer under this clause is to be consistent with the employer's responsibilities to provide a safe and healthy working environment

#### **2. Casual Employment**

- 2.1 A casual employee is to be one engaged and paid as such. A casual employee for working ordinary time shall be paid an hourly rate calculated on the basis of one thirty-eighth of the weekly award wage prescribed for the work being performed, plus a casual loading of 25%. The loading constitutes part of the casual employee's all-purpose rate.
- 2.2 A casual employee, other than an irregular casual employee who has been engaged for a sequence of periods of employment under this Agreement during a period of six (6) months shall thereafter have the right to elect to have his or her contract of employment converted to full-time employment or part-time employment if the employment is to continue beyond the conversion process.
- 2.3 The employer of such an employee shall give the employee notice in writing of the provisions of this clause within four (4) weeks of the employee having attained such period of six (6) months.  
  
The employee retains his or her right of election under this clause if the employer fails to comply with this paragraph.
- 2.4 Any such casual employee who does not within four (4) weeks of receiving written notice elect to convert his or her contract of employment to a full-time employment or a part-time employment will be deemed to have elected against any such conversion.
- 2.5 Any casual employee who has a right to elect under clause 2.2, upon receiving notice under clause 4.3 or after the expiry of the time for giving such notice, may give four (4) weeks' notice in writing to the employer that he or she seeks to elect to convert his or her

contract of employment to full-time or part-time employment, and within four (4) weeks of receiving such notice the employer shall consent to or refuse the election but shall not unreasonably so refuse. Any dispute about a refusal of an election to convert a contract of employment shall be dealt with as far as practicable with expedition through the dispute settlement procedure.

2.6 Once a casual employee has elected to become and been converted to a full-time employee or a part-time employee, the employee may only revert to casual employment by written agreement with the employer.

2.7 If a casual employee has elected to have his or her contract of employment converted to full-time or part-time employment in accordance with clause 2.6, the employer and employee in accordance with this subparagraph, and subject to clause 2.6, shall discuss and agree upon:

- (i) which form of employment the employee will convert to, that is, full-time or part-time, and
- (ii) if it is agreed that the employee will become a part-time employee, the number of hours and the pattern of hours that will be worked

Provided that an employee who has worked on a full-time basis throughout the period of casual employment has the right to elect to convert his or her contract of employment to full-time employment and an employee who has worked on a part-time basis during the period of casual employment has the right to elect to convert his or her contract of employment to part-time employment, on the basis of the same number of hours and times of work as previously worked, unless other arrangements are agreed upon between the employer and employee.

Following such agreement being reached, the employee shall convert to full-time or part-time employment.

Where, in accordance with clause 2.5 an employer refuses an election to convert, the reasons for doing so shall be fully stated to and discussed with the employee concerned and a genuine attempt made to reach agreement.

Any dispute about the arrangements to apply to an employee converting from casual employment to full-time or part-time employment shall be dealt with as far as practicable with expedition through the dispute settlement procedure.

2.8 By agreement between the employer and the majority of the employees in the relevant workplace, or section of it, or with the casual employee concerned, the employer may apply clause 2.7 (i) as if the reference to six (6) months is a reference to twelve (12) months, but only in respect of a currently engaged individual employee or group of employees. Any such agreement shall be recorded in the time and wages records. Any such agreement reached with an individual employee may only be reached within the two (2) months prior to the period of six (6) months referred to in clause 2.7 (i).

2.9 An employer when engaging a person for casual employment must inform the employee then and there that the employee is to be employed as a casual, stating by whom the employee is employed, the job to be performed and the classification level, the actual or likely number of hours required, and the relevant rate of pay.

2.10 On each occasion a casual employee is required to attend work the employee is entitled to payment for a minimum of four (4) hours work.

- 2.11 In order to meet his or her personal circumstances, a casual employee may request and the employer may agree to an engagement for less than the minimum of four (4) hours. Any dispute about a refusal to such a request is to be dealt with as far as practicable with expedition through the dispute settlement procedure.
- 2.12 An employee must not be engaged and re-engaged to avoid any obligation under this clause.
- 2.13 *Caring Responsibilities*
- 2.13.1 Subject to the agreed evidentiary and notice requirements, employees are entitled to not be available to attend work, or to leave work:
- (i) if they need to care for members of their immediate family or household who are sick and require care and support, or who require care due to an unexpected emergency, or the birth of a child; or
  - (ii) upon the death in Australia of an immediate family or household member
- 2.13.2 The employer and the employee shall agree on the period for which the employee will be entitled to not be available to attend work. In the absence of agreement, the employee is entitled to not be available to attend work for up to forty-eight (48) hours (i.e., two (2) days) per occasion. The casual employee is not entitled to any payment for the period of non-attendance.
- 2.13.3 An employer must not fail to re-engage a casual employee because the employee accessed the entitlements provided for in this clause. The rights of an employer to engage or not to engage a casual employee are otherwise not affected.

### **3. Abandonment of Employment**

*Summary: This clause describes the circumstances which amount to abandonment of employment by an employee.*

- 3.1. The absence of an employee from work for a continuous period exceeding three (3) working days without the consent of the employer and without notification to the employer shall be prima facie evidence that the employee has abandoned their employment.
- 3.2. Provided that if within a period of fourteen (14) days from their last attendance at work or the date of their last absence in respect of which notification has been given or consent has been granted an employee has not established to the satisfaction of the employer that they were absent for reasonable cause, they shall be deemed to have abandoned their employment.
- 3.3. Termination of employment by abandonment in accordance with this subclause shall operate as from the date of the last attendance at work or the last day's absence in respect of which consent was granted, or the date of the last absence in respect of which notification was given to the employer, whichever is the later.

### **4. Procedure for Classifying Employees**

- 4.1 The procedures for reclassifying employees under this Agreement are set out in the National Metal and Engineering Competency Standards Implementation Guide distributed by the Manufacturing Industry Skills Council.

- 4.2 Without detracting from any of the processes set out in 4.5, any disputes in relation to classification or reclassification, including disputes relating to the terms of the National Metal and Engineering Competency Standards Implementation Guide, shall be handled in accordance with the Dispute Resolution Procedure in this Agreement.
- 4.3 It shall be a term of the Agreement that where there is agreement to implement the standards at the enterprise, or in the event that the classification of an employee is called into question, the issue shall be settled by the application of competency standards in accordance with this clause and the National Metal and Engineering Competency Standards Implementation Guide or by reference to the minimum training requirement in the relevant classification definition, except as provided in paragraphs 4.4, 4.5 and 4.6 below.
- 4.4 Where the employee has a relevant qualification recognised as a minimum training requirement for the level at which the employee seeks to be classified and he/she is exercising or will be required to exercise the skills and knowledge gained from that qualification necessary for that level of work the employee shall be classified appropriately. It is up to the employer to demonstrate reasons for a qualification that is a recognised minimum training requirement not being regarded as relevant for an employee's work. Any disputes which cannot be resolved at the enterprise level over the application of this clause in the first instance are to be referred to the National Oversighting Committee prescribed in clause 4.5.1.
- 4.5 Where skill standards have not been finalised in respect of any class of work, and this is necessary for determining an employee's classification, employees performing such work shall not be reclassified until such standards are available except as provided for in paragraphs 4.4 and 4.6 of this sub-clause.
- 4.6 Where the situation described in paragraph 4.5 above applies, but not under any other circumstances, an employee may be reclassified on the basis that the employee meets the requirements of the classification definitions prescribed in Appendices G and H of the previous Metal Industry Award 1984 (the old classification definitions) or in respect of employees covered by the previous Metal Industry Award 1984 Parts II and V, the relevant provisions of the Metal Industry Award Restructuring Manual sections 6.2 and 10 and the definitions in the previous Metal Industry Award Part II.
- 4.7 All employees engaged under the Agreement at the relevant classification levels shall be subject to the metal and engineering competency standards.
- 4.8 Other provisions to be followed where competency standards are being implemented in an enterprise:
- (i) Management and employee representatives responsible for oversighting the implementation of competency standards within enterprises shall be given access to briefing and/or training courses on the standards prior to implementation.
  - (ii) Such briefings/training courses on the metal and engineering competency standards and Implementation Guide. These briefings/training courses can be either a joint briefing delivered by the parties or by one party with the approval of other relevant parties at the enterprise or an approved course delivered by a Manufacturing Industry Skills Council recognised provider with the approval of the relevant parties at the enterprise level shall be approved by the Manufacturing Industry Skills Council.

The above does not exclude the delivery of additional training or advice by the parties or the Manufacturing Industry Skills Council to enterprises.

#### 4.9 *Facilitation of Implementation*

4.9.1 A Board of Reference as set out in sub-clause 4.11 shall be established from time to time for the purpose of resolving any disputes or difficulty or likely dispute or difficulty in relation to the implementation of competency standards either at the industry or enterprise level.

4.9.2 If any problem arises in relation to implementation of the standards at the enterprise level, which cannot be resolved by the parties at that level, then it shall be referred to the Board of Reference as set out in subparagraph 4.9.1.

Notwithstanding the above, the rights of any party to pursue whatever other course of action is available under the Fair Work Act (SA) 1994 remains available.

#### 4.10 *Points*

The points to be assigned to the classification levels shall be:

and in accordance with Table 2 in the National Metal and Engineering Competency Standards Implementation Guide.

#### 4.11 *Board of Reference - Competency Standards Implementation*
