- meal allowance; and

- motor vehicle allowance.

6.2 Employees will be eligible for first aid, meal and motor vehicle allowances in accordance with the Award.

6.3 The Parties acknowledge and accept that annual leave loading referred to in the Award has been absorbed in the Employee's base rate of pay.

7. EMPLOYEE CONSULTATIVE COMMITTEE

7.1 The Employee Consultative Committee is responsible for negotiating, reviewing and monitoring the implementation of this Agreement, and resolving concerns and/or disputes arising from its operation.

7.2 The Employee Consultative Committee shall ideally comprise of equal number of employee and employer representatives, with employee representatives being duly elected by the Employees covered in this Agreement. At no time will a Committee be established where employer representative numbers are greater than employee representatives.

7.3 Through this forum, the Parties will aim to:

- Reach decisions through consensus;
- Consider reports and ideas generated by Council management or employees;
- Review and monitor the operation and implementation of the Agreement;
- Consider and implement agreed suggestions for continuous improvement; and
- Resolve any disputes arising out of the operation of the Agreement.

8. CHANGE MANAGEMENT

8.1 The parties recognise that change is an ongoing feature for the work environment, and is a consequence of meeting the needs and expectations of the community. Therefore, the appropriate change of management is essential for the benefit of all parties.

8.2 Employees directly affected by the Council's change management plans will be consulted.

8.3 For the purpose of this Agreement, 'change' is deemed to include, but is not limited to, any or all of the following:

- Improvements to work practices;
- Purchase of new equipment;
- Introduction of new technology;
- Change in workforce size and structure;

- Resource sharing;
- Amalgamation with other organisations; or
- Consideration of alternative service delivery.

8.4 Consultation will include verbal and/or written communication. The Council undertakes to provide, in writing, to the Employees and the Union (or other employee representative), on request, all relevant information concerning the proposed change, including the expected effects on Employees. The input of Employees and that of their representatives through consultation will be genuinely considered before finalising and implementing plans.

8.5 As part of the consultative process, the Council will discuss with the Employees affected, among other things, the changes being considered, the basis for such contemplated changes, the effects such changes are likely to have on Employees, measures which will be taken to eliminate or lessen any adverse effects on Employees (if any), and the Council will give due consideration to matters raised and alternatives submitted by the Employees in relation to the contemplated changes.

9. EMPLOYMENT SECURITY

9.1 It is recognised that improvements in productivity and work practices should not be limited by strictly maintaining the present work force and structure. Where significant improvement in the delivery of service can be identified through changes to the organisational structure and/or outsourcing, and following consultation, reductions in staff numbers can occur.

9.2 Where organisational change, or structural, budgetary and financial restraints, result in positions no longer being required, such circumstances will be dealt with in the following ways:

- Natural attrition;
- Redeployment to a position of the same classification level, where a vacancy exists;
- Redeployment to a position of lower classification level with income maintenance, where a vacancy exists;
- Voluntary separation; and
- Forced separation.

9.3 It is the primary aim of the Council to redeploy Employees into a vacant position of equal classification and status in circumstances where that Employee's position is identified as no longer being required by the Council.

9.4 If redeployment into a vacant position of equal classification and status is not feasible, an Employee may be offered redeployment into a vacant position of lower classification level on the following basis:

- 9.4.1 the Council will, as a matter of priority, provide training to assist the redeployee in the new position;

- 9.4.2 the Employee's pre re-deployment salary shall be maintained until the salary of the new classification level equals the Employee's pre-deployment salary. All incremental advances due under this Agreement will be excluded until this time; and
- 9.4.3 the Employee may make application to the CEO for a voluntary separation package if redeployment to a lower classification does not meet the Employee's expectations.
- 9.5 If an Employee's position is no longer required by the Council, whether or not the Employee can be redeployed within the Council (either to the same or lower classification), the Employee may make application to the CEO to access a voluntary separation package.
- 9.5.1 The granting of any such application will be at the absolute discretion of the CEO.
- 9.5.2 If an Employee's application is approved, the voluntary separation package will be calculated in accordance with Clause 9.6 below.
- 9.6 Should an Employee receive a voluntary separation package, such package shall comprise of:
- Ten (10) weeks' notice of termination or payment in lieu of notice;
 - Three (3) weeks of salary as severance payment for each year of service with the District Council of Ceduna, capped at 104 weeks (inclusive of the notice period); and
 - Equivalent of 10% of the value of the employee's annual salary for the purpose of outplacement counselling services, provided on a reimbursement basis.
- 9.7 If there is no suitable position into which the employee may be redeployed and the employee has not applied for a voluntary separation package, the Council will pursue a forced separation with the employee. In such circumstances, the employee will be entitled to a package equivalent to that outlined in Clause 9.6 above.

10. GRIEVANCE/DISPUTE RESOLUTION PROCEDURE

- 10.1 The purpose of the Grievance/Dispute Resolution Procedure (**the Procedure**) is to provide all Parties with a structured process to discuss and resolve all matters of grievance and dispute regarding any matter arising from this Agreement.
- 10.2 During the implementation of the Procedure, work within the Council, and at all Council work locations, will proceed without stoppage or the imposition of any bans, work limitations or restrictions whatsoever, except in the case of genuine occupational health and safety issues as defined in the *Work Health and Safety Act 2012* (SA).
- 10.3 At each of the following stages of this Procedure, a record will be made of the discussions, and relevant outcomes.
- **Stage 1**

Any Employee, and/or a nominated representative on the Employee's behalf, with a grievance or complaint, will promptly raise the matter(s) with the appropriate Supervisor, who will endeavour to resolve the matter as soon as possible.

- **Stage 2**

If the matter is not settled at Stage 1, the Employee(s), and/or their nominated representative, shall discuss the matter with the appropriate Immediate Manager.

- **Stage 3**

Should the matter remain unresolved, the Employee(s), and/or the nominated representative, or the Union, may refer the matter to the CEO.

- 10.4 If the above Procedure does not resolve the grievance, either party, or their representative(s), may apply to the SAET for conciliation and, if the grievance remains unresolved, arbitration, subject to the SAET having jurisdiction to deal with the matter. The parties agree that any arbitrated decision of the SAET will be binding on all parties to the dispute, subject to the parties' rights of appeal under the relevant legislation.
- 10.5 Where practical, Stages 1, 2 and 3 (as above) should be completed within seven (7) working days of the grievance being raised at Stage 1.
- 10.6 At any of the above stages, parties may agree to mediation, or an alternative process, in lieu of the prescribed steps in this Clause. In such cases, the parties shall equally bear the cost (if any) of such process.

11. FIXED-TERM EMPLOYMENT

- 11.1 The Council may offer fixed-term employment contracts on the following grounds:
 - 11.1.1 For a specific project of defined duration;
 - 11.1.2 For a position, which is funded by an external body;
 - 11.1.3 To replace an employee who is on leave for a period of greater than three (3) months;
 - 11.1.4 Where it is considered that the long-term requirements of a position are uncertain, e.g. financial considerations, environmental concerns or impending legislative change; or
 - 11.1.5 Where it is by mutual agreement between the Parties.
- 11.2 A fixed-term employment contract offered by the Council will be subject to the following conditions:
 - 11.2.1 Except where Clause 9 applies, where an Employee, who is employed on an ongoing basis with the Council, is appointed to a fixed-term position, the Employee will return to their substantive position at the end of the fixed-term period, with original employment conditions and

remuneration, provided the period of the fixed-term contract does not exceed two (2) years.

- 11.2.2 Where the period of the fixed-term contract exceeds two (2) years, the fixed-term position may become the Employee's substantive position. Therefore, at the end of the fixed-term contract period, the employee may not return to the former position. The Employee's former position may be filled for the period of the fixed-term by another fixed-term contract.

12. PERFORMANCE EVALUATION SYSTEM

- 12.1 The parties acknowledge the importance of performance reviews as a formal mechanism by which the Council and individual employees can review performance, convey work expectations, set goals and discuss career development and progression.
- 12.2 The employees agree to participate in a performance review, pursuant to the performance evaluation system, at least once per financial year. The review will typically be held around the Employee's anniversary date.
- 12.3 It is acknowledged that discussion and consultation will occur, on an ad hoc basis, between reviews.

13. RECLASSIFICATION

- 13.1 Any request for reclassification shall be examined and determined by the employer within one (1) month of receipt of such application.
- 13.2 Any recommendations supporting a reclassification must be forwarded to the CEO for approval.
- 13.3 The Employee applying for reclassification will be provided with written confirmation of the decision on their application. Any new (successful) reclassification shall take effect from the date of application.

14. HIGHER DUTIES

- 14.1 An employee, who is directed by the employer to perform duties of a higher value than that for which the employee is classified, will be paid at the wage rate commensurate with the higher duties performed on each occasion those higher duties are performed.
- 14.2 Where a position will be temporarily vacated in excess of 13 weeks, expressions of interest may be invited from Employees to backfill the temporarily vacated position. Any decision to appoint an employee to do so will remain at the discretion of the CEO.
- 14.3 The following applies to employees who are appointed to backfill a temporarily vacated position pursuant to Clause 14.2:
- 14.3.1 The Employee will be paid at the wage rate commensurate with the higher duties performed during that period;

- 14.3.2 If an Employee takes leave during that period, the leave will be paid (assuming payment is due) at the higher duties rate.

15. WORKING HOURS ARRANGEMENT

- 15.1 An Employee will be required to undertake 152 ordinary hours of work in each four-week period, with all hours worked within the Span of Hours.
- 15.2 Typically, the ordinary hours for administrative employees will be worked between the Span of Hours (as defined in Clause 5) subject to the operational requirements of their role.
 - 15.2.1 Employees will be entitled to an unpaid meal break of up to one hour each work day, to be taken between 11.30am and 2.30pm, subject to the operational requirements of their role.
 - 15.2.2 The pay period for all Employees will be calculated from Monday to Sunday each week and paid fortnightly via Electronic Fund Transfer following each pay period.
- 15.3 By mutual agreement between an Employee and the Employer, an Employee's ordinary hours of work may be altered to assist the Employee's or the Council's needs, provided that all ordinary hours of work occur within the Span of Hours.
- 15.4 If the Council requires an Employee to vary their ordinary hours of work, where possible, the Council will provide at least 24 hours notice.
- 15.5 The parties agree that, typically, the Employees will work 19 days over each consecutive four-week period. This means that, in each consecutive four-week cycle, an Employee works 152 hours over nineteen days and the 20th day is a Rostered Day Off (RDO).
- 15.6 Specific arrangements can be negotiated between the Employee/work group and the Employer to alter the working hours arrangement.
- 15.7 Typically, ordinary hours of work will be eight (8) hours for each working day in the 19-day cycle.
- 15.8 The Employer will provide Employees with a roster defining the four-week working cycle, which will detail the working days and RDO (assuming sufficient time has been accrued).
- 15.9 Employees may only take a RDO where sufficient time has been accrued during the corresponding four-week roster cycle, it being noted that:
 - 15.9.1 Employees do not accrue time toward a RDO during absences on parental and long service leave;
 - 15.9.2 Employees will continue to accrue time towards a RDO during their absences on annual and personal (sick/carer's) leave. The hours accrued in these circumstances will be added to the Employee's annual and personal (sick/carer's) leave bank as appropriate. Accordingly, consistent with the ordinary hours of work being 8.00 hours as provided in Clause 15.7 where an Employee accesses their annual and/or

personal (sick/carer's) leave, 8.00 hours will be deducted from the respective leave bank for each day of leave taken.

- 15.10 Where an RDO falls on a public holiday, another day will be substituted by mutual agreement between management and Employees, or in the absence of mutual agreement, by the relevant Manager having regard to work commitments.
- 15.11 An Employee may apply to the Employer, prior to the scheduled RDO, to change the day that the RDO is to be taken. The Employer maintains the discretion with respect to the Employee's application.
- 15.12 If, for operational reasons, the Employer requires an Employee to undertake duties on a scheduled RDO, the RDO will be deferred to another day within four weeks of the request (subject to Clause 15.13), or will be paid at overtime rates in accordance with this Agreement. In such circumstances, the Council will endeavour to give the employee at least 48 hours' notice of the requirement to work on a scheduled RDO.
- 15.13 An Employee may apply to the employer to bank an RDO to be accessed at another pre-arranged date. A maximum of four RDOs may be banked under this arrangement at any time.
- 15.14 The only exception to Clause 15.13 will be where a specific project or function required by the Council will result in employees needing to work regular and/or significant additional hours for the duration of the project, which may include working on a RDO.

In such circumstances, the Immediate Manager may seek approval from the CEO for employees to accrue in excess of four RDOs. However, such arrangement and approval will be subject to a defined timeframe that specifies, among other matters, when the accrued RDOs must be taken.

- 15.15 The Employer reserves the right to direct the Employee to take any or all banked RDOs upon the provision of 4 weeks' notice.

16. PENALTY RATES ON ORDINARY TIME

If an Employee is directed to work their ordinary hours of work outside of the span of hours, the Employee is entitled to be paid an hourly rate of 125% of the ordinary rate of pay applicable to his/her classification for any hours worked outside of the Span of Hours.

17. OVERTIME

- 17.1 This Clause applies to Employees engaged on a part-time basis in the same manner as it applies to Employees engaged on a full-time basis. For the purposes of clarification, a part-time Employee will only receive overtime payments where the Employee has completed in excess of the ordinary hours of work per week, as stipulated in Clause 15.1 of the Agreement.
- 17.2 The parties acknowledge that there will, on occasion, be a need for Employees to work hours in excess of their ordinary work hours to meet the operational requirements of the Council.

- 17.3 All time worked in excess of 8 hours of work and/or outside of the Span of Hours on any day rostered to work (overtime), will be paid at the appropriate overtime rate (as defined under the Award) until completion.
- 17.4 An Employee recalled to work after the expiration of the Employee's ordinary rostered work hours, or on an un-rostered work day where work was pre-advised will be paid the following:
 - 17.4.1 A minimum payment of two (2) hours at the relevant rate set out below:
 - 17.4.1.1 Monday – Saturday – Time and a half (150%) until the completion of the overtime worked on that day;
 - 17.4.1.2 Sunday – Double time (200%) for all time worked until the completion of the overtime worked on that day; or
 - 17.4.1.3 Public Holidays – Double time and a half (250%) for the actual time worked until the completion of the overtime worked that day, plus the balance of hours not worked that day to be paid at the ordinary rate.
- 17.5 An Employee requires the express, written approval of the Employer before additional hours or overtime hours may be worked. Such approval must be sought prior to the overtime being worked.

18. TIME OFF IN LIEU

- 18.1 If an Employee works overtime in accordance with Clauses 17.3 and 17.4, the Employee may, in lieu of payment for the overtime worked, and with the prior, written approval of the employer, bank the additional hours worked, on an hour-for-hour basis (**TOIL**), in accordance with this Clause. Such approval will be at the absolute discretion of the Employer.
- 18.2 TOIL is to be taken on an hour-for-hour basis, and at a time agreed by the employer.
- 18.3 Employees may accrue TOIL up to a maximum equivalent to three (3) days of the employee's normal roster, at any time.
- 18.4 The only exception to Clause 18.3 will be where a specific project or function required by the Council will result in Employees needing to work regular and/or significant overtime for the duration of the project.
- 18.5 In such circumstances, the Immediate Manager may seek approval from the CEO for the relevant Employees to accrue excess hours of TOIL. However, such arrangement and approval will be subject to a defined timeframe that specifies, among other matters, when the accrued TOIL must be taken.
- 18.6 The Employer reserves the right to direct the Employee to take any or all banked TOIL upon the provision of reasonable notice.
- 18.7 An Employee may apply to the Employer to transfer one single RDO to TOIL in a six (6) month period.
- 18.8 The employer will in June each year convert any part RDO hours (outside the normal RDO cycle) into TOIL for that employee.

19. ON-CALL AND CALLOUT

- 19.1 For the purposes of this Clause, the following definitions apply:
- 19.1.1 **'Callout'** means when an Employee is recalled to work, after leaving the Employer's premises, to undertake work not previously advised or arranged. A callout can only be initiated by a call from Council's after hours call service provider and that you are the person on call, or where the on call person requires assistance to deal with an urgent matter only after approval have been given by the Employer, or where the Employer has contacted the Employee directly;
 - 19.1.2 **'On-call'** means when an Employee is required by the Council to be in a state of immediate readiness for work, which includes not being under the influence of alcohol or drugs, and being within sufficient proximity to the Council to enable prompt attendance should a callout be required;
 - 19.1.3 **'Weekday Night'** means Monday to Thursday, inclusive, from the end of the employee's work day until 7am the following day;
 - 19.1.4 **'Day'** means the 24-hour period, from 7am on one day to 7am the following day. This period is limited to Friday (from cessation of duties until 7am Saturday), Saturday, Sunday, public holiday, RDO, or during a shutdown period.
- 19.2 Employees acknowledge that Council must be in a position to provide specific functions to the community on a 24/7 basis. To provide these functions suitably skilled Employees may be placed on a rostered "on call" schedule.
- 19.3 An Employee cannot opt out of being placed on a rostered "on call" schedule, unless otherwise previously agreed in writing with the Council.
- 19.4 Where an Employee has been rostered to be on-call, the Employee may be required and agrees to perform various functions during the on-call period. The various functions include, but is not limited to, the Regulatory functions of the Council.
- 19.5 Where an Employee has been rostered to be on-call on a Weekday Night, the Employee will receive an on-call allowance of \$50 per Weekday Night.
- 19.6 Where an Employee has been rostered to be on-call on a Day, the Employee will receive an on-call allowance of \$75 per Day.
- 19.7 Where an Employee has been rostered to be on-call but fails to acknowledge or respond to a call within the defined period of time as specified in the relevant policy, the on-call allowance for that day will not be paid, unless the Employer is satisfied that there are extenuating circumstances and the payment is authorised by the CEO.
- 19.8 If an Employee is recalled to work when on-call, as defined by this Clause, and the matter can be attended to without the Employee having to leave their residence or the location where the call is taken, no callout payment will apply.

19.9 If an Employee is recalled to work when on-call, as defined by this Clause, and is required to leave their residence or the location where the call is taken to attend to the matter, the Employee will be entitled to be paid at the appropriate rate as prescribed in Clause 17.4.1 for all time taken to attend to the callout. A minimum payment for a callout on any day is two (2) hours.

19.10 When an employee is on-call, and a function of being on-call requires the employee to undertake pre-advised task/s, undertaking the pre-advised tasks will not constitute a callout as defined in Clause 19.1.1. The employee will be paid (excluding public holidays) single time for the first hour and then 150% for each additional hour, or part thereof, to complete the pre-advised task/s. Public Holiday payments will be at double time and a half (250%) for the actual time worked until the completion of the overtime worked that day (minimum 1 hour), plus the normal hours paid for a public holiday day.

20. TRAVELLING TIME

Any travel time required to be undertaken by the Employee in the course of their employment, other than travelling to and from work, will be paid at normal time.

21. ANNUAL LEAVE

21.1 This clause does not apply to casual employees.

21.2 All Employees shall, after the completion of twelve (12) months continuous service, be entitled to four (4) weeks annual leave exclusive of public holidays, such leave to be paid for at normal weekly salary. Part time Employees will be entitled to annual leave on a pro rata basis.

21.3 No more than 40 days annual leave may be accrued at any one time by an Employee without the written approval of the CEO.

21.4 Nothing in this Clause will preclude an Employee from reaching an agreement with the Employer to continue to accrue annual leave entitlements without having to take such entitlements within the timeframe contemplated in Clause 21.3.

21.5 Nothing contained in Clauses 21.2 – 21.4 prohibits the employer from requiring an Employee to take annual leave in excess of the limit defined in Clause 21.3 by giving the Employee notice of the requirement at least two (2) weeks before the period of annual leave is to begin.

22. PAYMENT OF ANNUAL LEAVE

The parties acknowledge that payment of annual leave will not be made or accepted in lieu of taking annual leave except in the case of termination of employment, in accordance with the Award. Advance payment of annual leave will not occur.

23. PERSONAL LEAVE (SICK AND CARER'S LEAVE)

23.1 The parties acknowledge that Employees are able to access accrued personal leave where they are unable to attend for duties, due to a personal illness or injury, or to be the primary caregiver for a family member who is suffering from an illness or injury.

- 23.2 If an Employee does not have sufficient personal leave to cover a desired personal leave absence, the Employee may, with the approval of the employer, access any other accrued leave, such as TOIL, RDOs, annual leave or long service leave.
- 23.3 If an Employee is absent for more than two consecutive days, the Employee is required to furnish a medical certificate to the Council in respect of their illness/injury, or that of the person for whom they were the primary caregiver.
- 23.4 Notwithstanding the requirement at Clause 23.3, the Council reserves the right to require a medical certificate in respect of single day absences.
- 23.5 If an Employee intends to absent themselves from the workplace for personal leave reasons, the Employee is required to advise, or make a genuine endeavour to advise, his/her Supervisor (or his/her nominee) before the Employee's usual start time. If this is not possible, the Employee must notify his/her supervisor as soon as possible, but no later than 24 hours of the commencement of the absence.
- 23.6 If an Employee does not have sufficient accrued leave entitlements to cover the period of personal leave, and if the circumstances are exceptional, the Employee may make application to the CEO for special leave, which may be paid or unpaid.
