- S3.1.4 **Assessment instrument** means the form provided for under the Supported Wage System that records the assessment of the productive capacity of the person to be employed under the Supported Wage System.

CLAUSE S3.2 ELIGIBILITY CRITERIA

Employees covered by this clause will be those who are unable to perform the range of duties to the competence level required within the class of work for which the employee is engaged under this Award, because of the effects of a disability on their productive capacity and who meet the impairment criteria for receipt of a **Disability Support Pension**.

(The clause does not apply to any existing employee who has a claim against the employer which is subject to the provisions of workers' compensation legislation or any provision of this Award relating to the rehabilitation of employees who are injured in the course of their current employment).

The Award does not apply to employers in respect of their facility, programme, undertaking service or the like which receives funding under the *Disability Services Act 1986* and fulfils the dual role of service provider and sheltered employer to people with disabilities who are in receipt of or are eligible for a **Disability Support Pension**, in accordance with the requirements of the *Disabilities Services Act 1986* and the Standard contained therein, as amended from time to time.

* Where a person's assessed capacity is 10% they shall receive a high degree of assistance and support.

CLAUSE S3.4 ASSESSMENT OF CAPACITY

For the purpose of establishing the percentage of the Award rate to be paid to an employee under this Award, the productive capacity of the employee will be assessed in accordance with the *Supported Wage System* and documented in an *assessment instrument* by either:

- (a) the employer and a union party to the Award, in consultation with the employee or, if desired by any of these;
- (b) the employer and an **accredited Assessor** (as defined) acceptable to the employee and the employee's advisers and to the employer.

S3.5.2 All **assessment instruments** shall be agreed and signed by the parties to the assessment, provided that where a union which is party to the Award, is not a party to the assessment, it shall be referred by the Registrar to the union by certified mail and shall take effect unless an objection is notified to the Registrar within 10 working days.

CLAUSE S3.6 REVIEW OF ASSESSMENT

The assessment of the applicable percentage should be subject to annual review or earlier on the basis of a reasonable request for such a review. The process of review shall be in accordance with the procedures for assessing capacity under the **Supported Wage System**.

CLAUSE S3.7 OTHER TERMS AND CONDITIONS OF EMPLOYMENT

Where an assessment has been made, the applicable percentage shall apply to the wage rate only. Employees covered by the provisions of the clause will be entitled to the same terms and conditions of employment as all other workers covered by this Award paid on a pro rata basis.

CLAUSE S3.8 WORKPLACE ADJUSTMENT

An employer wishing to employ a person under the provisions of this clause shall take reasonable steps to make changes in the workplace to enhance the employee's capacity to do the job. Changes may involve re-design of job duties, working time arrangements and work organisation in consultation with other workers in the area.

- S3.9.2 During the trial period the assessment of capacity shall be undertaken and the proposed wage rate for a continuing employment.
- S3.9.3 The minimum amount payable to the employee during the trial period shall not be less than \$103.17 per week.
- S3.9.4 Work trials should include induction or training as appropriate to the job being trialled.
