CLAUSE 4: OBJECTIVES

4.1 Developing Our Culture

Council understands that constructive leadership, management, and teamwork are significant elements necessary to maximise both community benefit and Employee satisfaction. The parties will work together towards building a

constructive culture, which means showing a balanced concern for getting the job done whilst also satisfying the needs of the individual or group.

Basic characteristics of a constructive culture include:

- a) A tendency toward consensus decision-making;
- b) The ability to generate creative solutions;
- c) A high level of enjoyment and satisfaction; and
- d) A commitment to increasing organisational effectiveness.

4.2 Multiskilling Our Workforce

The parties to this Agreement understand that a viable future for in-house delivery of services is to some degree dependent upon the workforce being committed to a multi-functional approach. This means the willingness to work across the wide range of disciplines covered under the Award and not remain limited to working in specific work streams such as civil works or horticulture. It is also recognised by all parties that the ongoing improvement of existing skills is an essential component of meeting customer needs in a competitive environment.

4.3 Working to Plan

To achieve more efficient and proactive outcomes for the community and to provide for planned maintenance, the parties to this Agreement agree that work is to be planned ahead of time with sufficient lead time. This will be achieved, in part, through the implementation of teamwork plans.

4.4 Maximising Time on The Job

The parties to this Agreement agree that starting on site rather than at Council's Depot should be an option for Employees. This arrangement may be varied depending on program/project logistics but will apply by mutual consent between the relevant immediate supervisor and individual work teams. Agreement to starting on-site should not be unreasonably withheld. Where Employees start on site, the arrangements outlined in Clause 8.1 of the Local Government Employees Award do not apply.

All works teams also agree to comply with the recognised departure and return times as follows:

- a) All work teams are to have departed the Depot within 15 minutes of the planned start time and to return no earlier than 15 minutes from the planned finish time;
- b) Employees are to access toilet facilities at the nearest location to the worksite; and,
- c) All Employees working away from the Depot are to have prepared materials sufficient to complete the workday by the time of departure from the Depot.

4.5 Continuous Improvement

Continuous improvement is a key to ensuring Council provides appropriate quality cost effective services to the community. Council will continually look to improve workplace methods, practices, quality, and productivity to ensure the community receives value for money with an efficient and effective workforce. To ensure the changing needs of the community are met, services will be reviewed and revised on an ongoing and as needs basis.

The parties agree that participation by Employees is essential to ensure decisions have given due consideration of Employees experience and knowledge to achieve desired outcomes. The shared aims of the parties are to co-operatively and constructively work together in achieving benefits for Council, Employees and the Community.

CLAUSE 5: PERIOD OF OPERATION

- 5.1 This Agreement shall take effect from the first pay period after 1 July 2023 (notwithstanding the actual date of approval by the South Australian Employment Tribunal SAET) and remain in force until 30 June 2024. CLAUSE 9: CONSULTATIVE MECHANISMS

9.1 The parties agree that the effective operation of this Agreement is dependent upon open and honest communication and trust between the parties. The primary method of communication and the framework to facilitate management and Employees working together will be via the Workplace Consultative Committee (WCC). This committee commits to meeting at a minimum quarterly to ensure information is not only conveyed to all Employees, but that all Employees have the opportunity to have their opinions heard.

- 10.2 The parties recognise that safety education and safety programs shall be fundamental in achieving this objective. There shall be strict compliance with all relevant Acts and Regulations, and implementation of Industry Codes and Practice to provide protection to stakeholders.

 - 10.5.2 Where it has been identified that an Employee is suffering from the effects of alcohol, drug or substance abuse, then this should be managed in accordance with Council's policy.
 - 10.5.3 Reasonable assistance, including counselling, will be given to the Employee if requested by the Employee.

CLAUSE 11: PROBATIONARY PERIOD

- 11.1 The Council will engage any new Employee for a probationary period of six months from the Commencement Date.

- 11.6 This clause excludes employees engaged as Casuals.

CLAUSE 12: MANAGING ORGANISATIONAL CHANGE

12.1 Job Security

The parties agree that changes to workplace methods, practices, quality and productivity must be consistent with the efficient operation of Council. Further, the parties acknowledge that the current workforce of Council is a critical element in the provision of quality services. Arbitrary job reductions will not be pursued to secure the ongoing improvements in productivity and efficiency sought under this Agreement.

The parties are committed to optimising the employment security of Employees by;

- a) Taking steps to ensure Council has the benefit of a stable and committed workforce and that no forced redundancies will take place during the life of this Agreement for Employees covered by this Agreement (excluding casuals and temporary Employees).
- b) Training and developing Employees to increase their level of skill and ability and providing retraining when necessary. Training needs will be identified through the performance development review (PDR) process and, where appropriate, the development of competency development plans in a timely manner. Managers should ensure necessary training, development and competency assessment is provided, consistent with the relevant policies and procedures of the Employer.
- c) Providing an environment that supports career development and equal employment opportunity.
- d) Implementing consultative mechanisms to ensure timely advice and discussion between Employees and management about any significant changes to service delivery that may impact upon Employee requirements.

12.2 Organisational Structure

The parties agree that the organisational structure must support the achievement of Council's strategic plan whilst ensuring optimum productivity is achieved through the principles of continuous improvement.

Consequently, the organisation structure will from time to time be reviewed to ensure that it supports the achievement of the Council's strategic plan.

12.3 Shared Services

Council will continue to explore opportunities within the Eastern Region Alliance (ERA), as well as other councils, to enter into shared service arrangements to ensure it provides appropriate quality cost effective services to the community. Where a decision is made to engage in such an arrangement the consultation process set out in this Agreement will occur following such determination and prior to any implementation of such arrangements.

In the event that an Employee's position within Council is made redundant by way of a shared services arrangement resulting in a new entity taking over responsibility of the position and the Employee is offered and chooses to transfer to the new entity such an Employee shall have all accumulated entitlements, recognized by Council, discharged at the time of the transfer. Redundancy compensation shall not be payable by Council in such a situation.

In the event that an Employee's position within Council is made redundant by way of a shared services arrangement resulting in a new entity taking over responsibility of the position and the Employee is offered but chooses not to accept transfer to that similar position, 12.5.2 will apply.

12.4 External Service Providers

It is the clear position of Council to provide services to the community utilising its own Employees. During the life of this Agreement, Council will invest in appropriate skill development, systems, and equipment to ensure its workforce is able to deliver quality and efficient services to the community.

Council may, however, determine from time to time to utilise external service providers where any of the following criteria is met;

- 12.4.1 Specialised and/or highly technical tasks for which Council does not have the necessary equipment, resources or expertise.
- 12.4.2 Short term work including emergency circumstances when employment of additional permanent Employees cannot be justified (recognising that the Award and this Agreement allow for the use of fixed term, casual and Agency Employees).
- 12.4.3 Large or labour intensive works where the Council is unable to apply the required equipment or resources without adversely affecting

existing services or operations.

12.4.4 It can be clearly demonstrated that it is in the public interest to utilise external service providers.

12.5 Change Management

The parties recognise that organisational change is an essential consequence of meeting the needs and expectations of the community.

The Council is committed to honest and open consultation with Employees and their representatives. Any proposed significant change(s) would be subject to consultation with directly affected Employees.

Changes should be planned and take into account all resource implications, particularly those that are related to Employees. The likely consequence of change should be considered and possible scenarios, including the financial and human costs of each, considered. Council will act fairly and objectively with the individuals affected by change and minimise disruption, distress and costs to both Employees and the organisation itself.

Employees, and/or their nominated representatives, directly affected by management's plans will be consulted regarding these plans and their implementation.

Consultation will include both verbal and written communication. The Council shall provide in writing to the Employees, the Union, and their representatives on request all relevant information concerning the proposed change, including the expected effects on Employees. The input of Employees and that of their representatives through consultation will be genuinely considered before finalising plans and implementation.

In the event of redundancies occurring or positions becoming under-utilised as a result of organisational change, a re-organisation or restructure of Council operations and/or Employees functions, the contracting out of work previously performed, technological change or the reduction or abolition of functions or services carried out by the Council, the following arrangement(s) shall apply in respect to the employment security of all Council's permanent Employees:

12.5.1 Under-utilised Employee

An Employee may become "under-utilised" where one or more of the following occurs:

- a) Discontinued functions, operations or activities.
- b) Amalgamation of functions, operations or activities.

- c) There are more Employees than is necessary for the efficient and economical working of the Department or Work Area.

- d) Introduction of technological change that will displace functions, operations or activities.
- e) Structural change, including but not limited to, workplace change and/or restructuring.

12.5.2 Redeployment

The Council will make all reasonable efforts to redeploy Employees who have been identified as under-utilised, provided that such redeployment has been identified as available. An Employee shall be entitled to representation throughout this process.

Where Employees have been deemed to become under-utilised, the following will apply:

12.5.3 Redeployment Principles

The following principles will apply to the redeployment of under-utilised Employees:

- a) Under-utilised Employees will be assisted sensitively and consistent with the requirements of merit and equity. Every effort must be made to place the Employee into a position suitable to the Employee's existing skills, experience and substantive salary level whilst also meeting the needs of Council.
- b) Under-utilised Employees who are considered for redeployment will for their part make all reasonable efforts to participate in processes such as assessment and retraining to maximise their redeployment opportunities.
- c) Concurrent with the Council's responsibility to attempt to redeploy and retrain an under-utilised Employee, the Employee has a responsibility to actively seek alternative employment within the Council and if so desired external to the Council.
- d) Having particular regard for the personal circumstances for the Employee, the redeployment is not to disadvantage the Employee unduly; however, disadvantage will also have regard to the overall employment environment before and after the redeployment.

12.5.4 Suitable Alternative Position

- a) A decision about the suitability of a position for an under-utilised Employee is to be made having regard to, and attempting to match as far as practicable, matters including, but not restricted

to, hours of work, quantum of hours of work and rates of pay. The skills, knowledge and experience will also be taken into consideration, including the ability to retrain and obtain relevant skills within 12 months.

- b) A suitable alternative position may include a position of a lower remuneration and/or classification level below the Employee's previously held substantive position.
- c) Where a suitable alternative position is available the affected Employee will be offered the position in preference to other Employees.
- d) Offers of redeployment will be in writing, quoting the classification, salary/wage, and location and attaching a copy of the position description.
- e) All vacancies must be considered for suitability to under-utilised Employees before the vacancy is advertised internally or externally to determine whether the skills of the Employee match (including with reasonable retraining) the required skills of the vacancy.

12.5.5 Redeployment to a Lower Classification

Where an Employee is redeployed to a position carrying a lower classification, their pre-transfer wage will be maintained for a period of two years. At the conclusion of the two-year period the Employee will be reclassified in accordance with the new position. The Chief Executive Officer may elect to negotiate a longer period to satisfy any extraordinary circumstances.

12.5.6 Training

Where Council considers that a suitable alternative position(s) is available and it has been identified that skill or knowledge differences exist between the current job and proposed job, management will provide the under-utilised Employee with a position description, proposed training program and discuss the position with the Employee.

- a) The training program is to be developed by the manager in consultation with the Employee. The program will then be confirmed in writing prior to appointment to the new position. The purpose of the program is to ensure that the Employee can overcome identified skill or knowledge differences.
- b) Council undertakes to provide the necessary training for all Employees affected by workplace changes that result in under-utilisation.

- c) All training is to be at the Council's expense and any training that may have to take place outside normal working hours will be paid at the normal rate of pay.
- d) Within the first six (6) months following redeployment in an alternate position, an under-utilised Employee may still apply to the Chief Executive Officer for a voluntary separation (severance) package (as prescribed within Clause 12.5.4). Any such application may or may not be approved.

12.5.7 Redundancy

- a) A 'redundancy' will be identified only after all reasonable effort has been made to redeploy an under-utilised Employee utilising the Redeployment Process as defined within 12.5.2 and no suitable position is available.
- b) Where a determination is made that a redundancy exists, Council may elect to offer a voluntary separation (severance) package to the affected Employee. Employees are under no obligation to accept an offer.
- c) Where the affected Employee has indicated no interest in a voluntary separation (severance) package, consideration shall be given to expanding the field of Employees whom may be offered such a package.

12.5.8 Voluntary Separation (Severance) Package

An Employee who agrees to take a voluntary separation package as a result of a redundancy shall be entitled to the following amount of severance pay in respect to a continuous period of service:

- a) Equivalent of twelve (12) weeks remuneration plus three (3) weeks' pay for each completed year of service to a maximum of one-hundred and four (104) weeks.
- b) \$2,000 outplacement fee (paid to the service provider).
- c) Pro-rata Long Service Leave when seven (7) years of service has been attained.

12.5.9 Re-Employment

An Employee, who has taken a voluntary separation package under the provisions of this Clause, shall not be re-hired or re-employed in any direct or indirect capacity for a period of two (2) years from the date of separation from the Council.

All Employees are to ensure that when using employment agencies to

engage temp staff for any purpose, it must be specified that the requirement is for temp staff who have not accepted a voluntary separation package funded by Council in the last two (2) years.

12.5.10 Vacancies

Permanent vacancies arising out of organisational change under this Clause shall be advertised internally in the first instance and may be advertised externally. All Employees including those on fixed term contracts shall be entitled to apply for such vacancies.

Agency staff working for Council may only apply for these vacancies if they are advertised externally.

CLAUSE 13: LEAVE

13.1 Annual Leave

Annual leave shall accrue as prescribe in Clause 7.1 of the Award.

The debiting of whole days for annual leave shall be made to reflect the total daily hours of work the Employee would normally have worked on the day the leave is taken.

13.2 Purchased Leave

- 13.2.1 Employees may purchase up to four weeks additional leave per annum (pro rata for part time Employees). A request will not automatically be granted, and approval will depend upon the application of the criteria outlined in 13.2.9
- 13.2.2 In the event that the application is denied on the basis of 13.2.9 iv), an appeal may be made to the relevant General Manager. The General Manager's decision will be final and binding.
- 13.2.3 Employees may apply for one, two, three or four weeks of unpaid leave, funded by salary deductions, spread evenly over the year. This allows Employees to continue to receive pay during the period(s) of purchased leave.
- 13.2.4 Applications for Purchased Leave must be made by the first of May each year to their General Manager or nominee.
- 13.2.5 Purchased Leave can only be taken in whole week blocks.
- 13.2.6 Purchased Leave must be utilised in the financial year in which it is purchased, or it will be lost.
- 13.2.7 A period of Purchased Leave will count as a period of service.

- 13.2.8 Approval of Purchased Leave will be determined by the relevant General Manager in consultation with the Business Unit Leader.
- 13.2.9 Decisions to approve an application of Purchased Leave will be based upon the following factors:
- a) Long Service Leave is not available;
 - b) Annual Leave entitlement is not to exceed four (4) weeks upon the Employees anniversary date;
 - c) If approved the combination of Annual Leave and Purchased Leave is not to exceed a total of eight (8) weeks at any given time; and
 - d) Operational requirements at the time of request.
- 13.2.10 An Employee's fortnightly deductions will remain unchanged if they elect to be part of the Purchased Leave scheme.
- 13.2.11 Where an Employee/Employer requests cancellation of the Purchased Leave before the leave has been taken due to exceptional circumstances, and this is agreed, a refund of the salary will be paid as a lump sum.
- 13.2.12 Where an Employee ceases paid employment during the year in which the Purchased Leave has been approved, reconciliation will occur to ensure that all monies owing to the Employee or Council are accounted for and appropriate recovery or payment is made.

13.3 Personal/Family Leave

The parties recognise that absenteeism is costly, affects efficiency and is disruptive to the whole organisation in terms of work not undertaken and loss of service. Accordingly, the following arrangement will apply to assist Employees to reconcile their family and work responsibilities.

13.3.1 Personal Leave

The entitlement for Sick Leave accrued under the Local Government Employees' Award can be used for:

- a) absences from work due to personal illness (excluding any workers' compensation related injury);
- b) the care and support of an Employee's immediate family (see definitions) or household members when they are ill, providing they are responsible for the care of the person concerned – generally, an Employee should not take carers leave when another person has taken leave for the same purpose; and
- c) to deal with emergency situations or other matters of a pressing

domestic nature that cannot be scheduled outside of normal work hours or during annual leave or rostered days off.

Employees must advise their direct supervisor as soon as reasonably practicable before the commencement of their shift that they cannot attend work and should advise of their return date as soon as it is known.

A medical certificate or satisfactory evidence may be required when:

- a) Personal Leave exceeds two consecutive days; or
- b) Personal Leave is taken either side of a public holiday, rostered day off or weekend; or
- c) more than five single days of Personal Leave are taken in a year; or

CLAUSE 23: GRIEVANCE SETTLEMENT PROCEDURE

- 23.1 The formal grievance process is available to all Employees to ensure they are treated fairly and equitably.

23.4 The following grievance settlement procedures should be followed (excluding grievances related to Fair Treatment – the Council has a policy and procedures related to these grievances).

Stage 1

Employees should, in the first instance, seek to resolve any disputes with the relevant supervisor, as should supervisors be proactive in seeking to resolve any dispute with the Employees concerned. Should it be inappropriate for any Employee to speak to a supervisor, they can move to Stage 2 of the process.

Stage 2

If the matter is not resolved at Stage 1, an aggrieved Employee may report the issue to a Workplace Representative. The Representative and the aggrieved Employee will discuss the issue with the Employee's Manager in order to seek a resolution.

Stage 3

If not resolved at Stages 1 and 2, the issue is to be referred to the Chief Executive Officer or relevant General Manager who will liaise with the Union Industrial Officer/Organiser, where requested by the Employee to do so.

Stage 4

If not resolved at Stage 3, the grievance will have escalated to dispute status and referred to the South Australian Employment Tribunal for conciliation and if necessary, arbitration. The process contained in Stages 1 to 3 should be completed within seven days of the issue being raised at Stage 1.

23.5 At any stage of the above process, the parties agree to maintain the status quo and the Employee shall continue working until the matter is resolved.

23.6 Nothing in this process prevents the Employee from involving the Union Industrial Officer/Organiser at any stage.

CLAUSE 24: DISPUTE RESOLUTION

Any disputes arising under this Agreement shall be dealt with through the following steps:

- a) either party shall raise the matter with the other through formal written communication and attempt to resolve the issue by negotiation;

- c) if this does not succeed then the matter may be referred to the South Australian Employment Tribunal for it to exercise its conciliation powers; and

- d) if the conciliation does not resolve the matter then the parties will place it before the South Australian Employment Tribunal for arbitration.
