5. CONTRACT OF WORK

5.1. Employment Categories

Employment may be offered as full-time, part-time or casual and may also be for fixed-term periods.

Full-time and part-time employees shall be employed by the fortnight. Two weeks notice to terminate the contract will be required by either party or in lieu of notice the payment or forfeit of two weeks pay.

5.3. Terms of Engagement (Casuals)

Casual employees shall be engaged on an hourly basis, provided that on any day of engagement they receive a minimum payment equivalent to 3 hours work. Payment is to be paid at the classification appropriate to the work performed. A casual loading of 20% in lieu of recreation leave, sick leave and public holidays is applicable.

5.4. Probation

All employees engaged will be subject to a probationary period when first appointed to a classification. The probation will be determined at the time of appointment depending on the role appointed to and will vary from a minimum of 4 weeks to a maximum of 26 weeks.

During this probation, subject to conditions of this agreement, the employment of the employee may be terminated for unsatisfactory performance by the Trust. In all instances the employee will be advised of the performance problem and be provided with an opportunity to improve their performance. At the conclusion of the probation period, the Trust shall either:

- confirm the appointment in writing;
- terminate the appointment;
- extend the probation for a further period to enable the employee a further opportunity to improve to a satisfactory level of performance.

For employees engaged after 6 November 1998 pays shall be calculated 2 weeks in arrears.

5.7. Remuneration packaging

This clause applies for the period an employee enters into a Salary Sacrifice Agreement. A Salary Sacrifice Agreement (SSA) is the formal administrative instrument between the employer and the employee which enables salary packaging arrangements to be put in place.

Subject to this clause, the salary payable to an employee, or applicable to a position where the occupant elects to enter into a SSA, pursuant to this Agreement will be the salary payable under the SSA, notwithstanding any other provision in, or Schedule of, this Agreement.

Any entitlement to payment of overtime, leave loading or shift allowance will be based on the salary that would have been payable had the employee not entered into a SSA.

Where, on cessation of employment, the employer makes a payment in lieu of notice; or a payment in respect of accrued recreation or long service leave entitlements (instead of transferring leave credits to another public sector employer, in the event the employee immediately becomes employed by that employer party), the payment thereof shall be based on the salary that would have been payable had the employee not entered into a SSA.

Any additional costs associated with providing this non salary benefit is to be borne by the employee.

The Trust undertakes to abide by the provisions of the Industrial Relations Commission of SA and the Fair Work Act 1994.

5.9. Change of Employment Status

The Trust recognises the need to balance work and family life and will consider any request made by an employee to change employment status from full-time to part-time or other requests for voluntary flexible working arrangements.

The granting of any such request will have regard to both the Trust's operational requirements and the employee's circumstances

29. WORKERS COMPENSATION REHABILITATION ARRANGEMENTS

It is agreed that the Trust may transfer employees subject to Work cover Rehabilitation Scheme arrangements into positions covered by this Agreement even though those employees may have previously worked for the Trust in positions not covered by this Agreement.

It is further agreed as a part of this arrangement that where such transfers take place no demarcation of work barriers will be raised by the Association.

30. REDUNDANCY

Conditional on approval of this Enterprise Agreement, the Trust and the Association hereby acknowledge their commitment to the 1996 Memorandum of Understanding (MOU) to the following effect:

- The operation of the MOU has been extended by the South Australian Government up to and including 21 December 2009 for employees covered by the South Australian Government Wages Parity (Salaried) Enterprise Agreement 2006.
- There will be no forced redundancy for employees bound by this Enterprise Agreement for the period during which the MOU has been extended, ie up to and including 21 December 2009.
- At this time the Trust agrees to review this commitment having regard to the relevant provision applying in the South Australian Government Wages Parity Enterprise Agreement at that time.
- The terms of the MOU do not form part of this Enterprise Agreement.

For the purposes of this Enterprise Agreement, a reference to the MOU is to be taken as a reference to the MOU varied in the manner provided in Attachment A to this Enterprise Agreement. The terms of Attachment A are agreed by the parties. Attachment A is included only for the purpose of information and does not form part of this Enterprise Agreement.

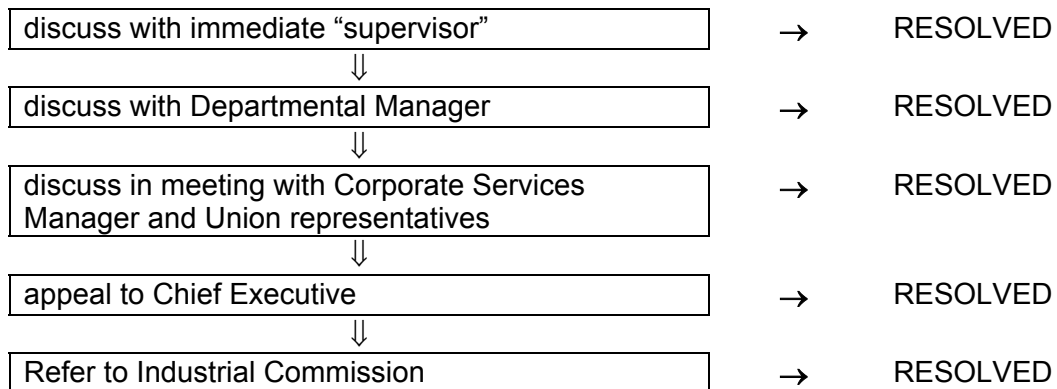

Where improved services and efficiencies are obtained which result in staff becoming excess to requirements, the Trust will provide these employees with

access to redeployment opportunities and Targeted Voluntary Separation Packages in accordance with Government policy and procedures as available from time to time.

31. GRIEVANCES

All employees have the right to “natural justice” to air any grievances they have either with issues relating to other employees or anything relating to their work without fear of retribution or discrimination in any form.

Employees should attempt to resolve any grievance where possible through their immediate “supervisor” (this is likely in many instances to be their Department Manager). where this is not possible (for any reason) or where the issue is not satisfactorily resolved the employee can access through any of the following steps:

32. DISPUTES

In the event of a dispute the following procedure will be followed:

- 32.1 The Union will advise the Trust in writing of any significant concern or complaint known to the Union in relation to the terms of this Agreement, conditions of employment or industrial matters in general;
- 32.2 The Union will enter into negotiations with the Trust prior to the sanctioning of imposition of bans, limitations or any other industrial action by its members employed by the Trust;
- 32.3 In the event that any matters referred to in point 30.1 above remain unresolved following the negotiations provided for in point 30.2 above, the matter shall be referred to the Industrial Commission prior to the Union sanctioning any decision to embark on industrial disruption in any form.
- 32.4 Except where a bona fide health and safety issue is involved, during any dispute the status quo existing immediately prior to the matter giving rise to the dispute will remain. Work will continue as it was prior to the matter giving rise to the dispute.
- 32.5 The Trust and the Union agree to ensure that the dispute settling procedures are followed with the objective being to ensure no loss of productivity or loss of service or loss of salary.

The procedure outlined in this clause is the formal process which is to occur. It is expected that issues will be addressed at an informal level between the parties prior to this process being used.

33. CONSULTATION

The parties have undertaken a process of consultation in the formation and finalisation of this agreement. Both parties are committed to the ongoing implementation of matters specified within this agreement.

The parties commit to the following consultative principles:

- Consultation involves the sharing of information and the exchange of views between employers and persons or bodies that must be consulted and the genuine opportunity for them to contribute effectively to any decision making process.
- Employers consult in good faith, not simply advise what will be done.
- It is an accepted principle that effective workplace relationships can only be achieved if appropriate consultation between the parties occurs on a regular basis.
- Workplace change which will affect a significant number of employees should not be implemented before appropriate consultation has occurred with employee representatives.
- Employee representatives will be given the opportunity to adequately consult with the people they represent in the workplace, in relation to any proposed changes that may affect employees' working conditions or the services employees provide.

34. NO EXTRA CLAIMS

During the life of this Agreement the parties undertake not to pursue claims except where consistent with and contemplated by this Agreement and except where consistent with the State Wage Case Principles, or their successor.

The employees covered by this Agreement and the Trust acknowledge that this Agreement satisfies all claims that might have arisen from any of the Agreements superseded by this Agreement.

The salaries provided for in this Agreement are inclusive of all previously awarded Safety Net Adjustments and all future increases arising out of National and State Wage Case decisions, including Safety Net Adjustments, living wage adjustments or general increases, however described.

35. QUANTUM AND TIMING

One wage increase of 3.5% will apply to the ordinary hours payment specified in Schedule A to employees covered under Clause 2 of this Agreement, payable from 7 November 2007.
