These changes have been developed through a process of consultation and participation which will continue during the implementation of the Agreement and thereafter.

The parties to the Agreement will continue to strive to be a best practice organisation, characterised by a positive work culture, enhanced work responsibilities and more flexible management. To be a best practice organisation there is a commitment to continuous improvement through training/learning, with a highly skilled and flexible workforce and recognition of the value of all people in the organisation.

This Agreement incorporates continuous improvement achieved through enhancing and utilising employee skills within a flexible work environment. This will occur within a framework of active employee involvement and participation. The Agreement also recognises the ongoing nature of change and the requirement to use appropriate technologies and employee training to deliver efficiency improvements.

The objective of this Agreement is to develop and support a flexible work force and management structure committed to the continuing improvement of productivity and efficiency within the Council.

The objectives of this Agreement include the following but are not limited to:

- Develop a high degree of team work, trust and shared commitments to the achievement of real and sustainable improvements in productivity and efficiency.
- Increase the level of individual expertise of employees through the provision of training, multi-skilling and skills improvement programs.
- Provide employees with a quality work environment with improved job satisfaction.
- Promote open and honest communications in all aspects of Council operations.
- Provide improved remuneration and working conditions for all employees.

Our major focus will be to demonstrate to our community that the Council provides value for money and that we are achieving the best possible outcomes for them. All work sections will work towards this goal through their continuous improvement strategies.

Where it is considered that a service review is required, a clear, inclusive review process will be followed. Any recommended changes to the service and/or its mode of delivery that may have a significant impact on employees will be consulted in accordance with the "Consultation" and "Significant Impact" definitions within this Agreement.

The Enterprise Agreement Consultative Committee shall serve as the appropriate consultative forum to deal with the introduction of change.

### **1.7 Resource Sharing**

Council and employees express an ongoing commitment to resource sharing with other organisations and Local Government bodies in an endeavour to maximise the efficient utilisation of human, financial and material resources of the Council in all areas of services and operation.

In relation to Resource Sharing/secondment of staff to other Councils, if variations in pay rates, hours of work or conditions exist between Council Collective Agreements, these are to be negotiated with all parties prior to the commencement of these other duties.

All processes and strategies implemented in accordance with the Agreement shall comply with the South Australian *Equal Opportunity Act 1984*.

### 2.2 Anti-Discrimination

It is the intention of the parties to this Agreement to achieve the principal object in Section 3(m) of the Act through respecting and valuing the diversity of the workforce by helping to prevent and eliminate discrimination on the basis of race, colour, sex, sexual preference, age, physical or mental disability, marital status, family responsibilities, pregnancy, religion, political opinion, national extraction or social origin.

Accordingly, in fulfilling their obligations under clause 3.1 (Dispute Avoidance/Settlement Procedure), the parties must make every endeavour to ensure that neither the Agreement provisions nor their operation are directly or indirectly discriminatory in their effects.

Nothing in this clause is to be taken to affect:

- Any different treatment (or treatment having different effects) which is specifically exempted under the Commonwealth anti-discrimination legislation;
- An employee, the employer or the Union pursuing matters of discrimination in any State or Federal jurisdiction, including by application to the Human Rights and Equal Opportunity Commission;

## 3. Dispute Resolution

### 3.1 Dispute Avoidance / Settlement Procedures

Given Council's Grievances Procedure relating to the resolution of individual grievances, it is expected that the procedures outlined in this clause will only need to be adopted where the concern or complaint about the application of this Agreement relates to a group or groups of employees.

It is anticipated that the majority of issues will be brought to the attention of, and addressed by, supervisors/team leaders at the work site as part of day-to-day operational activity.

The employer and employees agree to follow all stages in the Dispute Avoidance/Settlement Procedure to ensure that all matters receive prompt attention and are resolved by consultation, negotiation, mediation and/or conciliation wherever possible at the enterprise level.

During the implementation of the Dispute Avoidance/Settlement Procedure, work will proceed without stoppage or the imposition of any bans, limitations or restrictions unless there is a clear danger to the health and safety of employees or members of the public.

If a dispute in relation to any change of work practice is notified, management will not take action to alter the status quo unless there is a clear danger to the health and safety of employees or members of the public by maintaining the status quo.

Stage One: The employees and/or employee representative will contact the relevant supervisor/team leader and attempt to resolve the concern or complaint at that level.

Stage Two: If the concern is not resolved at Stage One, an employee(s) and/or the workplace employee representative will meet with the relevant supervisor/team leader and/or manager.

Stage Three: If the matter is not resolved at Stage Two, an employee(s) and/or the workplace employee representative will meet with the relevant General Manager and the Human Resources Manager and, if necessary, the Chief Executive, with a view to resolving the matter.

Stage Four: In the event that the matter remains unresolved after Stages One, Two and Three, either party to the dispute may refer the matter to the Commission for resolution by conciliation, in the first instance, but if not successful, arbitration. The parties agree to adhere to any final determination of the Commission.

The process contained in Stages One, Two and Three should be completed within a reasonable time of the issue being raised at Stage One to ensure its expedient resolution.

Throughout this process, employees will be entitled to representation. This may be in the form of a work colleague, workplace representative or union representative.

Where an employee disputes the classification assigned to their position by the employer in accordance with clause 5.1, the employee may apply to the Commission to establish a Board of Reference in the terms of this Agreement for the purposes of determining the classification, provided that the employee is in the employment of the Council at the time such application is made.

### **3.2 Agreement Access**

The employer shall provide a current copy of this Agreement and the Award for perusal by employees in an accessible place for the perusal by employees in respect to salaries, classification criteria and conditions of service relating to their employment.

### **3.3 Notice Boards**

The employer shall permit a notice board to be erected at the workplace, or at each discrete part of the workplace, to facilitate communication between the employer and the employees as well as the Union and employees.

## 4. Employment Relations and Security

### 4.1 Code of Conduct

The Council recognises that its most valuable asset lies within its human resources. The human resources have a significant influence on the level and quality of service, the economics within which the services are provided and the viability of the organisation now and into the future.

In recognition of their value and contribution to the Council, the following principles of conduct shall be afforded to all employees:

- Employment and promotion shall be based on the proper assessment of merit;
- Employees shall be treated fairly, consistently and with dignity and shall not be subjected to arbitrary or capricious acts or omissions;
- There shall be no discrimination against employees or persons seeking employment;
- Employees shall be afforded equal opportunities to secure promotion and advancement in their employment;
- Employees shall be employed in worthwhile and constructive employment and be afforded proper access to training and development;
- Employees shall be provided with safe, healthy and satisfying work environments which are free from harassment or intimidation; and
- Employees shall be remunerated at rates commensurate with their responsibilities.

In return the following principles of conduct shall be observed by all employees:

- Employees shall comply with all statutes and legislation impacting on their employment in addition to Council's policies and procedures; providing however that such policies and procedures are lawful and reasonable.
- Employees shall be conscientious in their performance and scrupulous in the use of official information, equipment and facilities; and
- Employees shall in their dealings with members of the Council, community, clients, and fellow employees, exercise proper courtesy, consideration and sensitivity.

### 4.2 Employment Security

The importance of a flexible workforce enabling Council to respond to changing community demand and legislative requirements is acknowledged. It is therefore recognised that Council's workforce will need to comprise a mixture of full-time, part-time and casual employees, employees on fixed term contracts and agency personnel. This mix will provide the flexibility necessary to enable Council to provide security of tenure to permanent employees.

Council is committed to ensuring security of employment and as such supports the principle of "no forced redundancies" and there shall be no forced redundancies of permanent employees during the life of this Agreement.

The goal of redeployment is not to place the employee in any job, but rather to place them in an appropriate job which is consistent with the employee's skills and abilities. Where organisational change results in positions being no longer required, occupants of the position(s) will be dealt with in one of the following ways:

- Make an offer of a permanent position at the same classification level; or if no such position is available;
- Make an offer of a permanent position at a lower classification level with income maintenance to be maintained.

The offer must be accepted within six (6) months from the date offered. Should the lower classified position be accepted, income maintenance will commence from the date of acceptance. The employee will, as a matter of priority be provided with training to assist the redeployment into the new position, and have assistance in the form of career counselling and financial advice where appropriate.

Council will provide the necessary training or re-training to enable a redeployed employee to take up an appropriate permanent position in the organisation. The training program shall be agreed between the employee and the relevant manager prior to acceptance of the job offer.

#### **4.3 Recruitment and Promotion**

The Council shall ensure that recruitment and selection is equitable and fair and based on:

- Merit
- Legislative requirements
- EEO considerations
- Good human resource management practices

Council is committed to providing employment and promotional opportunities for its existing employees. Vacancies for new or existing positions will be advertised internally. However, where expedient, vacancies deemed appropriate will be concurrently advertised internally and externally. Vacancies are not required to be advertised in the event of the redeployment or reclassification of a position as per clause 4.2 – redeployment and 5.1 – reclassification.

#### **4.4 Appointment and Probation**

All employees shall be on probation for a term of three (3) months from initial engagement with the employer.

Monthly assessments will be made at the one (1) month, two (2) month and three (3) month mark where the performance of the employee shall be assessed. A copy of each probation review will be provided to the employee.

In light of the assessment, the probationary period of the employee on probation may be extended for a further term of three (3) months and the employee shall be provided with a written copy of the assessment.

Should the probationary period be extended after the initial three (3) months probationary period, regular monthly assessments will be maintained.

In the event of an adverse assessment being made during the probationary period, the employee shall be entitled to reasonable counselling and training, the nature of which is at the discretion of employer.

The employer reserves the right not to confirm the appointment on or before the completion of the 3 month probationary period in the event that the employee is not performing at the required level and/or is considered unsuitable for the position.

#### 4.5 Casual Employment

An employee engaged for a period of 800 hours or less in any year (measured from the anniversary date of the employee's commencement of employment) may be engaged as a casual on an hourly contract of employment and such employee shall be entitled to be paid a loading of 20% (or as otherwise defined in the Award), in addition to the appropriate ordinary time hourly rate prescribed under the Agreement for the normal duties involved.

The loading compensates the casual employee for the non-applicability of leave entitlements (other than Long Service Leave, where applicable and where otherwise specified in this Agreement) and payment for public holidays not worked.

An employee, employed for more than 800 hours in a year, shall be engaged as a part-time or full-time employee, unless the employer and the employee otherwise agree. The employer and employee shall sign a written copy of any such mutual agreement.

A casual employee shall be entitled to overtime or penalty payment at the prescribed rates in respect of work performed outside ordinary time hours of work or in excess of the ordinary hours of work provided for under clause 6.2 of this Agreement. Overtime and penalty rates for casual employees shall be applied to the hourly rate which includes loading.

Casual employees may be engaged on an hourly contract of employment for a minimum period of two (2) hours.

Additional hours that become available shall be offered to permanent part-time employees with relevant skills where possible before being offered to casual employees.

The provisions of the following clauses do not apply to casual employees:

- Employment Security – Clause 4.2
- Employee Development and Training – Clause 8
- Annual leave – Clause 7.1
- Sick and Family Leave - Clauses 7,
- Compassionate Leave – Clause 7.9.

#### 4.6 Part Time Employment/Job Sharing

The employer and employees recognise there are significant advantages provided by part-time employment and job sharing.

All employees are entitled to apply to work on a part-time basis or job share a position.

Council will consider all applications on their merits taking into account operational arrangements, individual needs and practicalities.

No current permanent full-time employee will be forced to work in a part-time or job share position.

All existing part-time employees shall be offered additional hours, whenever practicable to do so, before any new, casual or temporary employees are engaged.

The normal working hours of a part-time employee may be changed by mutual agreement between the employee and the employer. This provision applies to meet the short-term requirements of either party or in respect to an increase or decrease in normal hours of duty.

Where a part-time employee agrees, they may work up to 38 hours per week within the ordinary span of hours without attracting overtime.

A minimum period of 12 months will be required before a part-time employee will progress to the next incremental step.

Where a part-time employee is required to work outside of the ordinary span of hours, the appropriate overtime rates will apply.

All work performed in excess of 38 hours per week is to be paid at the appropriate overtime rate and work performed out of the specified ordinary span of hours is to attract the appropriate penalty.

The employee shall, where possible, be given a minimum of 24 hours notice of Council's need for the working of additional hours.

Adjustments to all entitlements are to be made proportionate to the additional hours worked over the employee's contractual hours of duty.

Part-time employees who work additional hours beyond those specified in their contract of employment will access their accrued annual leave and sick leave hours in proportion to the hours actually worked. Employees will not accrue any leave entitlements during times when overtime penalty rates apply.

A part-time employee working on a roster system will be paid for any public holidays that fall on a day they are normally rostered to work.

#### 4.7 Fixed Term Employment

Council may offer fixed term employment contracts on the following grounds:

- For a specific project of defined duration;
- For a position which is funded from an external body;
- To replace an employee who is on extended leave greater than three (3) months;
- Where it is considered that the long-term requirements for a position are uncertain, e.g. financial considerations, environmental concerns or impending legislative change.

A fixed term employment contract offered by the employer will contain the following provisions:

- The term of the contract shall be for no less than three (3) months and for no greater than three (3) years duration (when a fixed term contract is to be extended past the initial expiry date, the minimum three (3) month provision will not apply).
- The incumbent may terminate the contract by giving the employer the minimum notice required.
- Where the employer decides to continue with the same position for a further fixed term, or additional funding from an external body is provided, the incumbent shall be provided with the opportunity to renew the contract subject to having performed their duties satisfactorily in accordance with the position description and Council's performance management process.
- Where it is a requirement of the funding body to recall, withdraw or change any of the funding conditions, this does not mean that the employee will have an automatic right to renew the contract as the employer may decide to re-advertise the position.
- Where a permanent employee is appointed to a fixed term contract position, they will revert back to their permanent role at the conclusion of the term, unless the position was accepted with the knowledge that the employee was required to permanently surrender their permanent employment at the time of the appointment.
- When a fixed term contract is to be extended for a period of less than three (3) months past the initial expiry date, the minimum three (3) month notice provisions above will not apply.

#### 4.8 Notice of Termination by an Employee

Any employee, other than a casual employee, desiring to terminate their employment shall give to the employer a minimum of two (2) weeks notice of their intention to do so, or in lieu thereof, the employee shall forfeit two (2) weeks salary. Provided that, where the express provisions of an officer's employment provides for a longer period of notice, such provisions shall apply.

A casual employee desiring to terminate their employment shall give the employer at least one (1) day's notice of their intention to do so.

## 5. Rates of Pay and Related Matters

### 5.1 Reclassification

An employee may, upon written request, have their classification reviewed by the employer. The review shall be conducted in accordance with the classification criteria (refer Appendix 2), and the Council's Reclassification Procedure, as amended from time to time.

Any request for a reclassification shall be examined and determined by the employer within one month of receipt of such application by the authorised officer. Date of reclassification shall take effect from the date of application, and be applied on a "point to point" basis (e.g. the employee shall be placed on that incremental step of the new classification level which is appropriate to the length of time that he or she has been performing the duties on which the classification is based).

The applicant shall be provided with written confirmation of the decision on their application. If the applicant is unsuccessful, written reasons shall be provided.

If unsatisfied with the decision, the officer may choose to access the dispute settling procedures in clause 3.1 of this Agreement.

### 5.2 Payment of Wages

Payment of wages will be made to employees fortnightly by electronic funds transfer into a nominated account of a bank or other recognised financial institution of the employee's choice.

### 5.3 Higher Duties

An employee, who is directed by the employer to perform duties of higher value, outside or exceeding those of the classification to which the employee has been appointed, whether or not the said duties of higher value coincide with those of another classification for which a higher salary scale is fixed by this Agreement, shall be paid while performing such duties not less than:

- The minimum salary rate for the higher paid classification if the employee substantially performs the duties thereof; or
- A salary rate commensurate with the value of the duties the employee is so directed to perform.
- Provided that the employee is directed to perform such duties, the employee shall perform them on the first occasion for a continuous period of five (5) working days or more.

On subsequent occasions:

- Employees classified at Level 5 and above – five (5) days;
- Employees classified below Level 5 – four (4) days

OR

- An aggregate of 10 days in a four (4) week period.

Relief cashiers or positions containing a supervisory component (where the employee's normal position does not contain a supervisory component) when the subsequent acting period shall be for one day in order to become entitled to higher duty pay.

Notwithstanding the other provisions of this clause, an officer who performs higher duties as a relief cashier during lunch hours and during such other time as may be necessary, shall be paid on each occasion for the actual time so worked (with a minimum of one hour's payment for any one day) when acting as a relief cashier, at the rate of a cashier according to years of service in such relief cashier work.

#### **5.4 Availability Allowance**

This clause applies to any employee instructed to be available for recall to work outside of their normal working hours.

Immediate Standby - For the purposes of this clause, "availability duty" means a situation where the Council issues a written direction to an employee requiring that employee to hold themselves on immediate standby to attend work during prescribed times outside their normal working hours.

An employee instructed to carry out availability duty in accordance with a written direction by Council to hold themselves on immediate standby, shall receive, in addition to the salary otherwise payable, an amount equal to 10% of the employee's hourly rate for each hour or part thereof that the employee is required to be on immediate standby.

Arrangements in relation to immediate standby and/or lesser state of readiness may be further amended by mutual agreement between Council and the employee, in writing, to deal with individual circumstances and remuneration for those purposes.

#### **5.5 Study Leave**

Employees shall be entitled to request study leave to attend courses, classes or training programs which are of mutual benefit to the employee and the employer. General Managers will have the discretion to grant or deny requests for study leave. The amount of study leave to be granted will be considered based on the requirements of the course, class or program as well as the staffing requirements and level of responsibility relevant to their position.

#### **5.6 Superannuation**

The parties agree that the Local Government Superannuation Scheme will be the default superannuation fund for employees. Employees will have the option of nominating (in writing) an alternative superannuation fund.

The amount of employer superannuation contribution means:

- Contributions which the employer must pay to a superannuation fund in respect of the employee in order to avoid the imposition of a superannuation guarantee

charge under the Superannuation Guarantee (Administration) Act 1992 (Commonwealth); and

- Any additional superannuation contributions that the employer agrees to pay in respect of an employee.

The parties agree that the employer shall make superannuation contributions in respect of each employee amounting to 10% of the employee's salary. This shall take effect from the first full pay period on or after 1 January 2012.

The employer will bear the administration cost for this benefit. Any other costs will be met by the employee.

### 5.7 Salary Sacrifice

Subject to the following conditions, an employee may apply to Council to salary sacrifice part of their salary.

As salary sacrifice is a complex matter, it is the employee's responsibility to seek advice and fully understand all implications of salary sacrifice before seeking to enter into this arrangement.

The employee's gross salary for all purposes, including but not limited to superannuation, annual leave and long service leave shall be pre-sacrificing salary.

Any such arrangement shall be by mutual agreement between each individual employee and Council, provided that approval by Council shall not be unreasonably withheld.

The arrangements made may only apply to future salary arrangements and cannot be retrospective.

The individual agreement to salary sacrifice may be rescinded by the employee provided a full pay period of prior notice in writing is given to Payroll Officers, and an employee can elect to vary the amount of salary sacrifice paid to the Local Super scheme as required.

The employee shall bear the responsibility and costs associated with taxation and any other matters in respect of the salary sacrifice arrangements. This means that contributions made to the Local Government Superannuation Scheme will be adjusted (at the employee's cost) to take account of taxation payable in relation to those contributions.

The employee accepts that if they enter into a salary sacrifice arrangement pursuant to this clause, the employee's take home pay will be less than that provided for in Appendix 1.

Employees may use salary sacrifice to:

- Make additional contributions to their nominated superannuation scheme. The application shall be in writing on the relevant form provided by Payroll and shall detail the percentage of salary to be salary sacrificed up to a maximum of 80%, together with a statement that the "cash" component is adequate for their ongoing living expenses.

- Lease a motor vehicle through Council's agreement with a leasing provider of Council's choice.

## 6. Working Arrangements

### 6.1 Hours of Work

The parties recognise the benefits of flexible working hours and agree that the business needs of an organisation should determine its hours of operation, rather than the traditional approach of regulated hours of operation determining the delivery of the service. Operating hours for the purpose of this clause shall be governed by:

- Council's business needs.
- The business needs of the work area.
- Internal and external customer service requirements.
- Inter-relationships (dependency, impact, service) of the work area with other parts of the organisation.
- Parameters further defined in this clause.

### Span of Ordinary Hours and Arrangement of Hours

The ordinary span of hours shall be 7.30 am to 6.30 pm, Monday to Friday, excluding public holidays.

The standard hours of work for full time employees shall be one hundred and fifty-two hours to be worked on any 19 of the 20 ordinary working days Monday to Friday (excluding public holidays) in each four-week period between the hours of 8.30am and 5.15pm with a 45 minute break for lunch each day.

- The standard hours of work for full time Visitor Information Centre employees shall be one hundred and fifty-two hours to be worked on any 19 of the 20 ordinary working days Monday to Sunday (including public holidays). Normal daily hours are worked between 8.30am and 5.15pm (45 minutes for lunch) on Monday to Sunday.

For an employee under this Agreement working in Library and Customer Service Centres the ordinary span of hours shall be 7.30 am to 6.30 pm, Monday to Saturday, excluding public holidays:

- The standard hours of work for full time Library and Customer Service employees shall be one hundred and fifty-two hours to be worked on any 19 of the 20 ordinary working days Monday to Saturday (excluding public holidays). Normal daily hours are worked between 8.30am and 5.15pm (45 minutes for lunch) on Monday to Saturday.

An unpaid meal break of at least 30 minutes will be taken after any continuous five (5) hour period of work.

Full time employees are required to work a minimum of 7.6 hours on each working day, unless an employee has made arrangements with their manager to work fewer hours as a consequence of taking accrued time off.

Each employee will record their daily working hours on an approved attendance record and submit this to their manager for endorsement at the end of each two (2) week period.

It is agreed between the parties that workloads can fluctuate resulting in the necessity for work to be performed, on occasions, outside of normal hours to achieve timeframes. Similarly, an employee may wish to alter their normal working day to meet urgent personal needs.

Accordingly, hours may be altered on the following basis without attracting penalty rates:

- Where mutually agreed, an employee may change his or her normal start and finish time provided that time worked is between 7.30am and 6.30pm Monday to Friday (excluding public holidays), provided no more than 10 hours in any one day are worked, and provided a meal break of at least 30 minutes is taken after each continuous 5 hour period of work.
- Where additional time is worked, time-in-lieu (on a time for time basis) may be taken off at a time mutually agreed between the employee and his or her supervisor up to a maximum of 24 hours. Once 24 hours of time-in-lieu have been accrued, the employee must either take all or part of time-in-lieu accrued, gain authorisation from his/her General Manager to exceed 24 hours of time-in-lieu, or have all or part of time-in-lieu paid out to them.
- By mutual agreement flexible hours may be worked during a weekend at ordinary rates. A record shall be kept of all such hours and will be reviewed at the time of negotiating the next Enterprise Agreement.

The ordinary working hours will not exceed 10 hours in any one day.

Two paid tea breaks of 10 minutes per day will be allowed. The break shall be taken at the employee's normal workstation where practicable at such times as are arranged by the employer and shall allow for the continuity of work where the circumstances so require.

Where mutually agreed between the employee and his or her supervisor, an employee may defer the taking of rostered days off, providing however, no more than a maximum of three days can be accrued at any one time.

Employees who regularly and directly supervise employees covered by the Local Government Employees Award and depot based employees who regularly provide administrative support to those employees may work the same hours as those employees provided such hours do not exceed 152 ordinary time hours in a four week period.

## 6.2 Overtime

All work performed in excess of the ordinary hours of duty per week or before the ordinary commencing hour or after the normal ceasing hour on any day Monday to Friday inclusive shall be paid for at the rate of time and a half for the first three hours and double time thereafter until the completion of the overtime worked.

All time worked on a Saturday before noon shall be paid for at the rate of time and one half for the first three hours and double time thereafter.

All time worked on a Sunday or afternoon on Saturday shall be paid for at double time.

All time worked on a public holiday shall be paid for at double time and one-half. Employees required to work overtime on any such occasion shall be paid a minimum of three hours work at the appropriate overtime rate.

Employees paid at Level 6 increment 1 or above shall be entitled to overtime payments or paid time in lieu calculated at the Level 5 increment 3 salary rate.

The employer and the employee may agree to a suitable employment package to take account of work that is likely to be performed outside the ordinary hours of work and other similar contingencies inherent in the work. Such an agreement shall be entered into by mutual agreement and recorded in writing.

Any employee shall attend meetings of the Council by which he/she is employed, whether meetings of the Council or any committee thereof, whenever required to do so, notwithstanding that any such meetings may be held outside the employee's ordinary hours.

## 6.3 Penalty Rates on Ordinary Time

Employees working on Saturdays and Sundays as part of their ordinary hours will receive a loading of 50%, in addition to their normal wage. Saturday to commence at midnight on Friday and Sunday to finish at midnight on Sunday.

Employees working on public holidays as part of their ordinary hours may elect to receive either:

- 150% in addition to their ordinary time rate of pay; or
- 50% in addition to their ordinary time rate of pay, plus paid time off in lieu equal to the number of hours worked, to be taken at a time that is mutually agreed between the employee and the employer.

Employees who are regularly rostered over seven (7) days, including Sundays and public holidays, shall be granted an additional week of annual leave.

If an employee works Saturday and Sunday as part of their ordinary week, then they shall be entitled to two (2) consecutive days off during the period Monday to Friday, which shall be mutually agreed between the parties.

The penalty provisions of this sub-clause will not apply to supervisory staff as defined in the last paragraph under 6.1.

All time worked in excess of ordinary hours in any one day or exceeding an average 38 hours per week shall be paid at the appropriate overtime rate as prescribed in clause 6.2 hereof.

These provisions are not intended to alter or affect flexitime or rostered hours arrangements.

#### **6.4 Time Off In Lieu Of Overtime**

By mutual agreement between the employee and the employer, at a time convenient to both, time off may be taken in lieu of overtime payment as per the following:

Time equal to the amount of overtime worked together with a payment representing the difference between the normal time rates and the appropriate penalty rate.

#### **6.5 Christmas / New Years Staffing**

The parties confirm that the office shall remain open on normal working days between Christmas Day and New Years Day each year, and with sufficient staff available to ensure that a suitable level of customer service is available for this period of this year.

The Chief Executive will make arrangements for such staffing levels in consultation with staff.

#### **6.6 Call Out**

The provisions for a "Call Out" or "Recall" will only apply when an employee has left work on the understanding that they are not required for the remainder of the day.

An employee recalled to work, including Council meetings, whether notified before or after leaving the employer's premises, shall be paid for a minimum of three (3) hours work at the overtime rate.

Where the employee is being paid an availability allowance in accordance with clause 5.4 of this Agreement, a minimum of two (2) hours work, at the appropriate overtime rate will be paid for each time the employee is so recalled, provided that, except in the case of unforeseen circumstances arising, the employee shall not be required to work the full two (2) or three (3) hours, as the case may be, if the job the employee was recalled to perform is completed within a shorter period. Overtime worked in the circumstances specified in this subclause shall not be regarded as overtime for the purpose of clause 6.4 above when the actual time worked is less than three (3) hours on such recall or on each of such recalls. This clause shall not apply where the overtime is continuous (subject to a reasonable meal break) with the completion or commencement of ordinary working time.

## 13. Appendix 2 - Classification Criteria

### 13.1 Classification

#### General Officers

The aim of the classification process is to ensure as far as practicable, that work features, responsibilities, skills, knowledge, experience and qualifications are evaluated in comparable terms irrespective of discipline. The salary structure encompasses employees engaged in work of an administrative, community, environmental, technical or professional nature.

The first step in establishing the most appropriate classification for a position involves the gathering and documenting of information about the position and describing it in a form that can be used to compare the job with the classification criteria. The quality and extent of the information gathered is very important in this process, as it will be used to determine the appropriate classification for the position.

Based on the information gathered, a job description will be prepared specifying the responsibilities, duties, skills knowledge and/or experience required in the position.

After the job description is complete a systematic comparison with the classification criteria will be undertaken. This assessment is used to determine the appropriate classification of the position.

All officers are classified according to the General Officer structure.

To facilitate the ready and precise classification of all occupations, classification criteria have been developed describing the General Features, General Responsibilities, Specific Responsibilities and Skills Knowledge, Experience and Qualifications and/or Training. There are eight distinctive levels within the structure.

When classifying a position all aspects of the job must be considered against the total classification criteria and the classification level. The total responsibilities of the position must be compared with the total responsibilities of the level, rather than comparison with selected parts.

The job description will be tested against more than one level for appropriateness.

#### Senior Officers

Positions within this structure exceed the classification levels of the General Officer structure and are generally characterised by managerial responsibility, high accountability and a high degree of personal ability. The Stream consists of 4 management bands based on the Chief Executive Officer salary.

The structure shall consist of 4 management bands:

- Band 4 shall encompass 2 levels below the level afforded to the CEO
- Band 3 shall fall 1 level below Band 4
- Band 2 shall fall 1 level below Band 3
- Band 1 shall fall 1 level below Band 2

This formula shall apply to all employers with the exception of a Council where the CEO is classified at Level 10 or above, in which case Band 4 shall encompass 3 levels below the level afforded to the CEO.

The Council shall adopt the salaries prescribed for the appropriate level unless by agreement with the Senior Officer, alternative arrangements are negotiated, with the basis for the agreement being the first salary point for the appropriate level. By agreement between the Council and Senior Officer, further remuneration (as part of a salary package) may be negotiated subject to the adoption of mutually agreed performance indicators and/or other processes agreed between the Council and Senior Officer.

### **Progression Through The Levels**

At the conclusion of each 12-month period following appointment to a classification a full time officer shall be eligible for incremental progression within each salary level on annual basis upon completing full-time equivalent hours.

A minimum period of 12 months will be required before a part-time employee will progress to the next incremental step.

### **Study Leave for Classification Progression**

The employer may approve an employee's application for study leave (either wholly or in part) in order for the employee to obtain a qualification that is necessary to enable the employee to progress through the award classification structure.

Such leave shall require approval by the employer, whether paid or not, if taken during normal working hours.
