ASU Representatives will be afforded reasonable requests to attend Trade Union training courses and conferences in order to enhance their knowledge and skills in order for them to perform their representative role.

## **EMPLOYMENT ARRANGEMENTS**

### **CLAUSE 16 - RECRUITMENT**

Council confirms its preferred position is to recruit from within rather than to recruit external applicants. This results in assisting employee career paths, provides opportunities for employees 'down the line' to progress to more senior levels, and benefits the Council by utilising the expertise within the existing employee group.

- 16.1 Vacancies may be simultaneously advertised in the outside media and within Council.
- 16.2 Selection to all vacancies shall be made on the basis of 'merit' except where redeployees are available who may, either with or without training, be able to satisfactorily perform the duties, in which case preference shall be afforded to such employees.
- 16.3 All employees who apply for the vacant position and who meet any essential qualification requirement shall be interviewed for the vacancy.
- 16.4 Where an internal and external applicant are considered equal on merit following the selection process, preference will be given to the internal candidate.
- 16.5 Internal applicants who are unsuccessful in gaining an advertised position will be provided with feedback from the selection panel and, where applicable, with appropriate training to further their career opportunities.

### **CLAUSE 17 - BACKUP / HIGHER DUTIES**

Career development opportunities for employees can be further enhanced with the ability to gain on the job experience by backing up more senior positions. This will occur wherever possible for positions below the level of Director whenever a position is temporarily vacant for more than 5 working days.

- 17.1 Where a position is to be vacant for up to 13 weeks, the appointment to higher duties is at the discretion of the Manager. Managers are encouraged to make short term backup positions available to a range of candidates. Preference should be given to employees who have indicated during their performance review (EDP), a willingness/desire to perform higher duties. The selection for higher duties need not necessarily be based on merit in these instances.
- 17.2 Where a position is to be temporarily vacant in excess of 13 weeks, expressions of interest are to be invited from staff.

### **CLAUSE 18 - INTERNAL SECONDMENT**

Within the spirit of clause 14 and 15, employees who apply for and are selected to vacant fixed term positions shall be afforded the following conditions.

- 18.1 For vacancies up to and including 12 months, the right of return to their substantive position with original employment conditions and remuneration applying.

- 18.2 For vacancies exceeding 12 months and up to and including 3 years, the employee's tenure will be maintained but right of return to their substantive position is waived. The organisation will seek to place the employee into a position at their substantive level, however, if this cannot be achieved the VSP provisions as they apply at the time the fixed term contract is signed shall prevail.
- 18.3 For vacancies of a fixed term nature exceeding 3 years, the employee will be required to relinquish permanent status and take up the conditions of the advertised contract position.
- 18.4 The "right of return" to the employee's substantive position is available subject to employee/management agreement for the first 12 months of appointment.

## **CLAUSE 19 - TRAINING & DEVELOPMENT**

The parties support the provision of training as a means of assisting employees to perform their role to their highest standard. Council recognises the value placed by employees on training and development as a means of ensuring job performance and thereby greater job satisfaction and establishing career paths within local government.

- 19.1 A training plan derived from the annual Employee Development Program (EDP) will be used for all employees and will form the basis of the Council's annual Training and Development Program. Training identified using EDP will be given priority over other training requests.
- 19.2 During the life of this Agreement the parties agree to work cooperatively in identifying any barriers to the access of training and development which may lead to the under-representation of women in management positions across the organisation.
- 19.3 Council is committed to providing adequate funds to enhance the skills of its workforce through the provision of equitable training and development opportunities.
- 19.4 Council will provide employees with easy access to information on training courses and seminars.
- 19.5 Employees who are unsuccessful in obtaining promotional positions within Council will be provided with feedback on their application and where appropriate, offered training to improve their competitiveness.
- 19.6 Council will encourage mentoring as a training and development strategy.

## **CLAUSE 20 - SUPERANNUATION**

The parties agree that the employer will pay employer superannuation contributions in respect of each employee into Local Super.

"Local Super" means the superannuation scheme established under the Local Government Act 1934 (SA) that continued in existence under Part 2 of Schedule 1 of the Local Government Act 1999 (SA) (**1999 Act**), and continues in existence under a trust deed dated 25 November 2008 (**Trust Deed**) pursuant to amendments to the 1999 Act that took effect on

1 January 2009 and as amended from time to time.

20.1 The amount of the employer superannuation contribution will be:

- a) For each employee who is making "Salarylink Contributions" to Local Super:
  - (i) 3% of the employee's salary; and
  - (ii) any additional contributions which the employer is required to pay in respect of the employee pursuant to the Trust Deed as advised by Local Super from time to time to finance the Salarylink benefit for the employee; and
  - (iii) any additional superannuation contributions which the employer agrees to pay in respect of the employee.

"Salarylink Contributions" has the meaning given to that term under the Trust Deed.

- b) For each other employee who is a member of Local Super:
  - (i) contributions which the employer must pay to a superannuation fund in respect of the employee in order to avoid becoming liable for a shortfall in respect of the employee under the Superannuation Guarantee (Administration) Act 1992 (Cth); and
  - (ii) any additional superannuation contributions which the employer agrees to pay in respect of the employee.

## **CLAUSE 21 - SALARY SACRIFICING**

Employees who are contributing members to the Local Government Superannuation Scheme (*LOCAL SUPER SA - NT*) may elect to have their current contribution paid by Council pre-tax thus reducing their taxable salary. By agreement between the Chief Executive Officer and the employee, the employee can elect to increase this contribution thus salary sacrificing his/her salary (including an Award based salary). Such an arrangement allows an employee to increase his/her employer superannuation contribution to *LOCAL SUPER SA - NT* by paying from the employee's pre-tax income and accepting an appropriate reduction in the employee's taxable salary. The salary sacrificing arrangement shall be at no cost to Council.

21.1 All such requests will be initiated by the employee in writing and will require the approval of the Chief Executive Officer or his/her delegate. No reasonable request will be refused.

21.2 Such requests will detail the amount of salary to be sacrificed, to a maximum of 50% of the employee's salary, together with a signed statement that the "cash component is adequate for the employee's ongoing living expenses".

21.3 The following "no disadvantage test" is to be applied that provides for salary sacrificing arrangements to be entered into providing, the terms and conditions of the arrangement shall not, when viewed objectively, be less favourable than the entitlements otherwise available to the employee under the award.

21.4 All salary sacrificed superannuation contributions are Deemed Contributions and treated as preservable employer contributions, therefore no benefit will be available until the employee is permanently retired after the relevant preservation age.

- 21.5 The increased employer superannuation contribution shall be paid to the Local Government Superannuation Scheme, (*LOCAL SUPER SA – NT*) who will formally advise Council of the employee's preferred salary/superannuation mix, including:
- Superannuation Salary,
  - Deemed contributions rates and amounts, including legislated employer Superannuation Act contributions, and
  - Gross taxable salary.
- 21.6 The employee shall bear the responsibility and costs associated with taxation and other matters in respect of the salary sacrificing arrangements.
- 21.7 An employee may elect to vary their salary sacrificing arrangements once per year with the change in contributions being effective as from the first pay period after 1<sup>st</sup> July of each year. An employee may apply to enter or withdraw from a salary sacrificing arrangement at any time.

## **CLAUSE 22 – FLEXIBLE WORKING ARRANGEMENTS**

The City of Mitcham aims to retain employees by providing employment options. The City is committed to offering a range of flexible working arrangement options for employees as provided for in the Flexible Working Arrangements Policy. These options could include:

- Flexible working hours;
- Purchased leave;
- Part-time or;
- Job-share work; or
- Work from home arrangements.

- 22.1 **Work From Home.** The parties agree to develop a policy on working from home in the first 12 months following certification of this Agreement. This does not prevent ad hoc requests being approved in special circumstances where requested.

## **CLAUSE 23 - EMPLOYMENT SECURITY**

Council is committed to ensuring security of employment and as such supports the principle of 'no forced redundancies' and there shall be no forced redundancies of permanent employees during the life of this Agreement.

- 23.1 Where organisational change results in positions being no longer required, occupants of the position/s will be dealt with in one of the following ways. Within 3 months from the date of the position being declared redundant, Council will:

23.1.1 Make an offer of a permanent position at the same classification level; or if no such position is available;

23.1.2 Make an offer of a permanent position at a lower classification level with income maintenance for a period of 12 months or, should the offered position not be acceptable; make an offer of a voluntary separation package calculated in accordance with sub-clause 23.3 and an offer of independent financial advice regarding accepting the separation package.

- 23.2 One option must be accepted within six (6) months from the date offered. Should the lower classified position be accepted, income maintenance will commence from the date of acceptance. The employee will, as a matter of priority, be provided with training to assist the re-deployee into the new position.

23.3 The separation package will be calculated at 8 weeks remuneration (in lieu of notice) plus 3 weeks salary for each completed year of continuous service in local government. However, service for which an employee has already received a redundancy settlement from another Council shall not be included for the purpose of determining the length of service for the purposes of this clause. This package will be limited to a maximum of 104 weeks and must be applied for by the employee within six (6) months from the date offered.

23.3.1 Once a separation package has been accepted and upon termination of employment, the employee is entitled to approved outplacement assistance of up to 10% of annual salary payable to the mutually agreed outplacement agency.

## **CLAUSE 24 - GRIEVANCE/DISPUTE RESOLUTION PROCEDURE**

The purpose of this Dispute Resolution Procedure is to provide a system to discuss and resolve all matters of grievance and dispute. Parties agree to use all stages in the Grievance/Dispute Resolution Procedure to ensure that all issues receive prompt attention and resolved where possible by conciliation at the Enterprise level.

### 24.1 Stage One

The employee / or Employee/s Representative will contact the relevant manager and attempt to settle the issue.

### 24.2 Stage Two

If not settled at Stage One, the employee and Employee/s Representative and, if requested the Union Industrial Officer will meet with the manager and Human Resource Manager (HRM) and if necessary the Divisional Director.

### 24.4 Stage Four

If the matter is not resolved at Stage Three, the CEO, HRM or the Employee Representative / Union Industrial Officer (ASU), shall seek resolution through the South Australian Industrial Relations Commission.

24.5 This procedure is not intended to preclude ultimate access by either party to the South Australian Industrial Relations Commission for conciliation or arbitration purposes.

24.6 Nothing in this clause would prevent an employee from lodging a claim for underpayment of salary or wages in accordance with the provisions of the SA Fair Work Act 1994.

## **CLAUSE 25 - CASUAL EMPLOYMENT**

Both parties recognise the need for the organisation to be responsive to community needs and to have a mobile, flexible workforce to cater for "seasonal" or unusual work peaks. The engagement of casual employees to undertake such work is acknowledged. To ensure maximum benefit of such contracts the hours limit is extended from the 800 hour limit of the Award to 1200 in any one year for library staff engaged in library duties.

25.1 Permanent work that becomes available will be offered to permanent part time employees with relevant skills before being offered as casual employment.

## **CLAUSE 26 - FIXED TERM CONTRACTS OF EMPLOYMENT / SERVICE AGREEMENTS**

26.1 Fixed Term Contracts of employment will be available for senior positions above level 6. All other Fixed Term Contracts will be in accordance with the Award unless agreed by the SBU. Whilst it is recognised that extenuating circumstances can occur, Council does not intend to use Fixed Term Contracts below level 7 other than as provided for in sub-clause 3.1.4.1 the Award.

26.2 In addition, in order to encourage and recognise individual performance, the parties agree for Management to have the unfettered right to offer Service Agreements to any employee at any classification.

26.3 Fixed Term Contracts and Service Agreements shall be entered into by mutuality; that is by agreement. Any employee offered a Service Agreement will be notified by Council in writing that advice may be sought from the ASU or other agent regarding the negotiated terms and conditions.

26.4 Employees recognise the existing right of the Chief Executive Officer to make over award payments to employees. Such over award payments shall have no precedence on future incumbents and shall have no flow-on effect to other employees or employment categories.

## **CLAUSE 27 - PROFESSIONAL DEVELOPMENT LEAVE**

Employees who make application may be granted (by the Chief Executive Officer or his/her delegate) up to twelve (12) months leave without pay to undertake a course of study or to take up a vocational or professional development placement subject to the employee having five years continuous service at the time of commencing the leave.

27.1 Council will consider all applications on their merits taking into account operational arrangements and practicalities, and the demonstrated benefits to Council.

27.2 Absence on professional development leave shall not break the continuity of service of an employee but shall not be taken into account in calculating the period of service for any purpose defined in the Award or Agreement.

27.3 An employee on professional development leave for up to three months is entitled to return to the position they held immediately before proceeding on that leave.

- 27.4 An employee upon returning to work after development leave of more than 3 months duration, shall be entitled to a position at the same classification.
- 27.5 An employee on professional development leave may terminate their employment at any time during the period of leave by notice given in accordance with the Award.
- 27.6 Professional development leave shall not be taken 'back to back', ie. An employee must have completed the qualifying period of service (five years continuous service) to be eligible for each instance of professional development leave.

## **CLAUSE 28 - LONG SERVICE LEAVE**

Long Service Leave will be administered in accordance with the SA Long Service Leave Act, 1987 with the provisions of this Act incorporated in this Agreement. The intent of this provision is that there should be no diminution of entitlements currently provided by the Long Service Leave Act as at 1 July 2011, for the life time of this Agreement. - 28.3 An employee may take Long Service Leave in the following manner:
- (i) normal pay for the period taken;

## **FAMILY FRIENDLY**

### **CLAUSE 32 – FLEXIBLE WORKING HOURS**

In the absence of any other written agreement entered into by the parties to this agreement, the hours of work shall be as provided in this clause;

- 32.1 The parties accept that flexitime is intended so that employees can attend to personal matters during working hours. This means that all employees have access to flexi time unless the nature of the job makes it difficult or impossible for the accrual and taking of flexi time. Where this is the case, a prior agreement between the employee and supervisor/manager is necessary where the employee's normal working hours are to change.
- 32.2 The ordinary hours of work of an employee shall not exceed 38 hours per week, nor 10 hours per day, to be worked Monday to Friday inclusive.
- 32.3 The span of ordinary hours shall be 7.00 am to 7.00 pm for employees based at the Civic Centre and 6.00 am - 8.00 pm for Depot based employees.
- 32.3 The normal working day within the span of ordinary time hours for full time employees shall be 7.6 hours, with a starting time and finishing time determined by the Chief Executive Officer, or relevant manager, after consultation with the employees affected.
- 32.4 It is accepted that employees on a flexitime system can work longer hours on some days in order to accrue flexi hours up to a maximum of 15.2 hours as allowed under this clause, subject to work being available, that the work is completed in a timely and acceptable fashion, and that customer service is not compromised. This accrued amount may only be exceeded by arrangement with the Chief Executive Officer. To ensure consistency across the organisation, the senior management team will determine the circumstances under which this could occur.
- 32.5 Overtime may only be worked at the direction of the Chief Executive Officer irrespective of an employee's starting time. Overtime is paid only after 8 hours have been worked in any one day.
- 32.6 There will be no payment of flexitime accrued above 15.2 hours, but in these circumstances a review of the employees work arrangements will occur.
- 32.7 Employees may, with the approval of their manager and at the convenience of the work unit, take time off using accumulated hours of credit. Such absence is conditional on suitable arrangements being in place to maintain service levels. In special circumstances employees may go into debit with accrued hours, provided that suitable arrangements are in place to maintain service levels.
- 32.7.1 During the Christmas / New Year period and where the Council closes services during this period, staff affected who are on flexi-time can take the three non Public Holidays off as Flexitime by going into debit to a maximum of 10 hours.
- 32.8 The CEO may withdraw from an employee access to flexitime provisions should the arrangement impact adversely on the efficiency of the work unit and / or service delivery, or should the employee be found to be abusing the system.

32.9 The operation of flexible working hours is detailed in the Human Resource Administrative Instruction entitled Flexible Working Hours applying at the time of signing this agreement. Any changes shall only occur after consultation with the SBU and the employees affected by the proposed changes.

32.10 LIBRARY SERVICE Employees providing the Library Service shall work over a 2 week roster in providing a seven day Library Service with the total hours worked in any 2 consecutive week period not exceeding 76 hours.

32.10.1 Sick Leave, Annual Leave and Public Holidays shall be treated as the time that would have been worked had the employee not taken leave

32.10.2 Public Holidays. All employees shall be entitled to Public Holidays without any deduction of pay on any day prescribed as a holiday by the South Australian Holidays Act 1910 (as amended) and any other days that may from time to time be proclaimed as Public Holidays in the State of South Australia.

32.10.3 Days which are recognised days of public holiday but are un-declared as they fall on a weekend, shall not be regarded as a public holiday. Instead Council may, with adequate consultation, close the service for the day and allow staff rostered to work on the day, to be granted annual leave or take time off in lieu, except for

a) where Christmas Day and New Year's Day fall on weekends, they will be treated as public holidays, notwithstanding that additional days may have been proclaimed as public holidays; and

b) Part-time employees:

i) whose ordinary hours include Saturday and/or Sunday, and

**CLAUSE 33 – PART TIME EMPLOYMENT**

The parties recognise that there may be valid reasons for a part-time employee to vary their normal working hours. However, given that part-time workers often have other commitments outside of their normal hours of work, any variation to normal working hours must be agreed between the employer and employee. The following arrangement shall apply where hours of work are varied for part-time employees.

33.1 Any extension of hours to a normal working day shall be paid at the normal rate, provided that no more than 7.6 hours is worked in any one day.

33.2 An employee may work additional days at the normal rate of pay, provided that:

33.2.1 the days worked are between Monday to Friday, within the span of hours relevant to the work area

33.2.2 the employee is paid for a minimum of three hours work.

- 33.3 Where additional work becomes available due to employee absences or peak periods, part time employees may agree to a short term variation to their contracted hours to undertake that work. In such circumstances the employee shall not work more than 10 hours per day, or more than 38 hours per week without attracting overtime.
- 33.4 Part-time employees are entitled to pro-rata annual leave, sick leave, special leave, study leave and payment for public holidays on which they would normally be on duty, according to the hours normally worked. A temporary extension (or reduction) in an employee's working hours may affect subsequent leave entitlements as well as affecting payment for the current period. Variations must therefore be approved and recorded on the employee's leave records.
- 33.5 At the conclusion of each twelve month period, as measured from the anniversary date of the employee's commencement of employment, a part-time employee shall be eligible for incremental progression within each salary level.

#### **CLAUSE 34 – EMERGENCY LEAVE**

The parties recognise that unplanned leave is costly and disruptive to the Council in terms of work not completed and general workplace disruption. The parties also recognise the need for some flexibility in the management of and the taking of unplanned leave. This is especially desirable in providing some form of leave to employees to attend to responsibilities of a personal nature.

- 34.1 An employee may access up to three days of their sick leave per year as Emergency Leave to attend to:
- 34.1.1 matters of urgent and pressing necessity, eg a house burgled, fire, flooding or such other unforeseen circumstances;
  - 34.1.2 other pressing domestic family or personal matters where adequate notice is not possible and/or accrued "TOIL" / flexitime is not available.
- 34.2 Part time employees shall be entitled to three days Emergency Leave on a pro rata basis according to the number of hours they work.
- 34.3 Nothing in this clause shall diminish the rights under Clause 6.8 (Family Leave) of the Award nor prevent the Chief Executive Officer from granting special leave for an employee in circumstances of exceptional need.

#### **CLAUSE 35 – 48/52 PURCHASED LEAVE**

The parties agree to a 48/52 Purchased Leave without pay model. The parties expect the model to increase staff retention, produce savings and provide greater flexibility to employees in meeting family and personal interests. Under the 48/52 Purchased Leave model, an employee is granted up to 4 weeks leave without pay each year. However by spreading the 48 weeks pay over a working year (52 weeks), the employee receives the same fortnightly pay for the whole year.

- 35.1 Eligibility: All employees may apply for Purchased Leave, including contract employees, providing they have at least one year's employment remaining. The 48/52 model is a voluntary mode of employment. This mode of employment is not automatic with each application being considered on its merit. (There will be no retrospectivity of 48/52 periods).
- 35.2 Application: Employees shall apply for Purchased Leave in writing on a form provided. Purchased Leave can be applied for in weekly blocks of up to 4 weeks.
- 35.3 Leave Entitlements: Purchased Leave does count as service and therefore leave accruals and increment dates will not be affected.

#### **CLAUSE 36 – 4 / 5 PURCHASED LEAVE**

Council recognizes that employees may wish to take an extended career break for the purposes of travel, family or lifestyle reasons. Such requests may be either taken as unpaid leave, in accordance with Special Leave With-Out Pay provisions (SLWOP) as outlined in Council's Human Resources Delegation Manual, or self funded leave in accordance with the 4 / 5 Purchased Leave as provided below.

4 / 5 Purchased Leave is an arrangement between an individual employee and the Council, whereby the employee is paid 80% of their annual pre-tax salary for 4 years, during which time the remaining 20% is paid into a trust fund on behalf of the employee. The employee is then entitled to take the fifth year as purchased leave, during which the employee is paid from the trust fund in equal fortnightly instalments which will be taxed appropriately.

- 36.1 Each request for SLWOP or 4/5 Purchased Leave will be considered on its own merits and approval shall be subject to organisational needs of the Council. Where an arrangement for 4/5 Purchased Leave is approved, the employee and the Council will mutually agree on a start date for the arrangement. The arrangement will expire 5 years after that commencement date.
- 36.2 An employee is entitled to apply for 4 / 5 Purchased Leave providing they have had at least 12 months of continuous services with the City of Mitcham.
- 36.3 Compulsory Employer Superannuation contributions shall be adjusted to the 4 / 5 Purchased Leave salary.
- 36.4 All accrued annual leave is to be used prior to commencing the 4 / 5 Purchased Leave arrangement. All leave taken during the 4 year period will be paid at the reduced 80% salary.
- 36.5 The 20% pre tax deduction shall be deposited into a trust account established by Council in the employee's name and the amount which includes interest shall be paid to the employee in the form of salary in the 5<sup>th</sup> year.
- 36.6 The 12 months leave does not break the continuity of service of the employee, but is not taken into account in calculating annual or sick leave entitlements. The period will be recognized for Long Service Leave purposes as provided in the Long Service Leave Act 1987 (SA)

- 36.7 Should the employee resign from employment with the City of Mitcham, the amount held in the trust account on behalf of the employee shall be paid to the employee on termination and recorded as PAYG earnings for tax purposes.

### **CLAUSE 37 – CARER’S LEAVE**

Employees who make application may be granted by the Chief Executive Officer up to 12 months leave without pay to care for an immediate family member subject to the following conditions:

- 37.1 The employee shall have five years continuous service at the time of taking the leave.
- 37.2 The employee must be the primary care giver for the person concerned.
- 37.3 The ‘person concerned’ must be a member of the employee’s immediate family. The term ‘immediate family’ includes a spouse, a defacto spouse, a child or an adult child (including an adopted child, a step child or an ex nuptial child), parent, grandparent, grandchild, or sibling of the employee. The employee shall, in their application, give the employer the name of the person requiring care and their relationship to the employee, their reasons for taking such leave including the degree of dependency required and length of absence.
- 37.4 Employees may work on a casual basis while on carer’s leave. The rate of pay will be based on the classification of the position to which the employee is so engaged.
- 37.5 Absence on carer’s leave shall not break the continuity of service of an employee but shall not be taken into account (other than when engaged as a casual) in calculating the period of service for any purpose defined in the Award or Agreement.
- 37.6 An employee on carer’s leave for up to three months is entitled to the position which he or she held immediately before proceeding on carers leave.
- 37.7 An employee, upon returning to work after carer’s leave of more than three months duration, shall be entitled to a position at the same classification.
- 37.8 Carer’s leave may be extended but under no circumstances will the absence on carer’s leave extend beyond 12 months.
- 37.9 Carer’s leave may be taken immediately following a period of Family Leave (where applicable). In these instances the combined period of leave shall not extend beyond (2 years). Carer’s leave shall not be taken ‘back to back’ with professional development leave.
- 37.10 An employee on carer’s leave may terminate their employment at any time during the period of leave by notice in accordance with the Award.

- 38.2 The period of paid maternity / adoption leave will be paid in two parts;
- half during the period of the employee's maternity / adoption leave as nominated by the employee, and
  - half on the employee's return to work following the conclusion of their maternity / adoption leave. This will have the effect of doubling the employee's pay for their initial period of their return to work, or one and a half pays (time and a half) should the employee have nominated to take maternity leave at half pay as provided in clause 37.3.
- 38.3 The paid leave may be taken at half pay thereby doubling the maternity / adoption leave to a maximum of 24 weeks.
- 38.4 Any public or other statutory holiday which may fall within the period of nominated paid maternity /adoption leave shall be counted as a day of such maternity /adoption leave;
- 38.5 Absence from work during the paid maternity / adoption leave shall count as service for sick leave, annual leave and long service leave purposes.
- 38.6 Where the pregnancy of an employee terminates earlier than 20 weeks prior to the expected date of delivery, her entitlement to any leave under this clause shall cease.

#### **CLAUSE 39 – PAID PATERNITY & ADOPTION LEAVE**
