4 Organisational Change

4.1 General Principles

The District Council of Yankalilla is committed to ensuring that the services it provides to the community are delivered in the most efficient and cost effective manner and are appropriate for and responsive to community needs.

Reviewing our services is an important element of our approach to continuous improvement. Continuous evaluation and improvement is necessary to ensure that we keep up with changes in community expectations, business practice, legislation and technology.

The parties acknowledge that change may take place in the organisation particularly through the introduction of new services, the discontinuation of services and the implementation of more efficient and effective work practices and arrangements.

The intent of this clause is to address change that has the potential to create a significant impact for employees. Significant impact includes but is not limited to:

- 4.1.1 significant change in the composition, operation or size of the workforce or in the skills and jobs required;
- 4.1.2 the change of hours of work;
- 4.1.3 the need for retraining or transfer of employees to other work or locations and restructuring of jobs; and
- 4.1.4 redundancy

4.2 Redundant positions

4.2.1 There shall be no forced redundancies during the life of this Agreement.

Any determination being made regarding redundant positions will be made by the organisation in conjunction with the Union.

The means of adjustment in those situations where organisational change results in positions being no longer required will be dealt with via natural attrition or in one of the following ways:

- Redeployment to a position of the same classification level.
- Redeployment to a position of lower classification level with income maintenance.
- Voluntary Separation Package.

However, employees may seek a voluntary separation package at any stage of the process, provided that no more than two (2) months has lapsed in the redeployed position.

4.3 Redeployment

It is the primary aim to redeploy employees into a position of equal classification and status as their pre-redeployment position.

If after examining all options, it is agreed by all the parties that redeployment to such a position is not feasible, an employee may be redeployed into a position at a lower classification level.

The employee's pre-redeployment salary shall be maintained until the salary of the new classification level equals the employee's pre-redeployment salary. For the first 24 months of income maintenance the employee shall receive all incremental and agreement wage increases due under the pre-redeployment position.

The employee must agree to the redeployment, which shall occur under the Redeployment and Retraining Guidelines attached at Appendix B.

The employee will, as a matter of priority, be provided with training to assist the employee into the new position.

If the employee agrees to be redeployed to a position within the organisation that is not substantially similar to, or that considered on an overall basis, is less favourable than their pre-redeployment position, the employee has up to two (2) months from commencement in the redeployed position to confirm acceptance of that position. If they elect to not accept the position, the organisation shall provide training so that the employee may undertake another role.

4.4 Voluntary Separation Package

Should an employee apply for and be approved by the organisation to take a voluntary separation package, such package shall comprise of:

- The payment of ten (10) weeks' pay (based on total salary) in lieu of notice.
- A redundancy payment of three (3) weeks per year of continuous service in Local Government and 25% of one (1) weeks remuneration per completed month of the remainder with a maximum number of weeks payable being 104.
- The salary immediately prior to separation shall determine the amount of the voluntary separation package.
- A payment of the equivalent of 10% of annual salary for outplacement counselling to assist the employee to find alternative employment. This amount may be incorporated into the employee's redundancy pay following negotiation between the employee and Council.
- Pro-rata Long Service Leave shall be paid whether or not the seven (7) years of service has been attained.
- The employer shall apply to the Deputy Commissioner for taxation to have the separation package paid pursuant to this clause, approved as a bona fide redundancy payment or early retirement scheme benefit under the relevant sections of the Income Tax Assessment Act.

5 Rates of Pay and Related Matters

5.1 Superannuation

5.1.1 The parties agree that all employees shall have their choice of superannuation fund.

5.1.2 Statewide Super will remain the default fund where employees do not advise of an alternative superannuation fund for receipt of contributions. The employer shall pay superannuation contributions in respect of each employee into Statewide Super.

5.1.3 The amount of the employer superannuation contributions will be:

5.1.3.1 For each employee who is making 'Salarylink' contributions to Statewide Super:

- a) 9.5% of the employee's salary; and
- b) Any additional contributions which the employer is required to pay under the terms of the rules governing Statewide Super; and
- c) Any additional superannuation contributions which the employer agrees to pay in respect of the employee.

5.1.3.2 For non-contributory members:

- b) Any additional superannuation contributions that the employer agree to pay in respect of the employee.

5.2 Salary Sacrifice

5.2.1 Subject to the following conditions and the rules of the relevant fund and law, an employee may apply to the employer to salary sacrifice any part of their salary to make additional contributions to Statewide Super:

5.2.1.1 The employee's gross salary for all purposes, including but not limited to superannuation, annual leave and long service leave shall be pre-sacrificing salary.

5.2.1.2 Any arrangement shall be by mutual agreement between each individual employee and the employer, provided that approval by the employer shall not be unreasonably withheld.

5.2.1.3 The application shall be in writing on the relevant form provided by Payroll and shall detail the percentage of salary to be sacrificed together with a statement that the 'cash' component is adequate for their ongoing living expenses.

5.2.1.4 The arrangements made may only apply to future salary arrangements and cannot be retrospective

5.2.1.5 The individual agreement to salary sacrifice may be rescinded by the employee provided a full pay period of prior notice in writing is given to Payroll Officers.

5.2.1.6 The employee shall bear the responsibility and costs associated with taxation and any other matters in respect of the salary sacrifice arrangements. This means that contributions made to Statewide Super will be adjusted (at the employee's cost) to take account of taxation payable in relation to those contributions.

5.2.1.7 Salary sacrifice contributions will be treated as employer contributions and are likely to be preserved.

5.2.1.8 The employee accepts that if they enter into a salary sacrifice arrangement pursuant to this clause, the employee's take home pay will be less than that provided for in Appendix A.

5.2.2 During the term of this Agreement, the employer may introduce salary sacrifice arrangements for employees to lease vehicles and other goods allowed by the Australian Taxation Office.

5.3 Allowances

5.3.1 It is agreed between the parties that where a driver's licence is required to undertake work duties (motor vehicle licence or heavy vehicle licence) and it is outlined as a job requirement in the job description for the position, the Council will pay an allowance covering the licence costs.

industrial instrument whether the Employee claims for such entitlements or not. (For example, an Employee who is eligible for 10 weeks of Council Paid Parental Leave and who is also eligible for any Government Paid Parental Leave which is expected to be paid by the Council, will be entitled to the monetary difference (if any) between the amount the Employee is entitled to receive by way of Government Paid Parental Leave, and the amount the Employee is entitled to receive pursuant the Council Paid Parental Leave entitlement.)

Appendix B – Redeployment and Retraining Guidelines

1 Introduction

- 1.1** The Council shall endeavour to provide ongoing employment in accordance with the Change Management Clause of this Agreement to any employee whose position is found to be excess to requirements and who wishes to remain in the Councils employ.
- 1.2** The employee will be consulted, with the aim of reaching agreement on the acceptability of a position to the individual prior to redeployment to that position.
- 1.3** To facilitate redeployment employees will:
 - a) Have assistance in the form of career counselling and the provision of financial advice as appropriate.
 - b) Be encouraged to apply for vacant positions at any level provided they meet the selection criteria for the vacant position to the reasonable satisfaction of the appropriate Manager and it is consistent with their skills and experience.
- 1.4** At all times employees are to be treated with respect and dignity and any redeployment option must be treated as a high priority and give due regard to the personal situation of the employee.
- 1.5** Notwithstanding the contents of these guidelines the employer will endeavour to ensure that all instances the best person for the job will be appointed.

2 Purpose

- 2.1** The purpose of this policy is to enable Council to redeploy employees to meet the employer's needs in a fair and consistent manner.

3 Responsibility

- 3.1** All Managers are responsible for the effective implementation and administration of this policy.
- 3.2** The Enterprise Bargaining Committee is responsible for monitoring the effectiveness of this policy.
- 3.3** The employee is responsible to genuinely consider all reasonable redeployment options and locations.

4 Management of Redeployment

In accordance with the Change Management clause of this Agreement, appropriate consultation will occur prior to the introduction of change.

- 4.1** When an employee occupies a position, which is declared surplus to requirements the appropriate Manager shall:
 - 1. Immediately advise the Chief Executive;
 - 2. Retain responsibility for the welfare of the employee until redeployment;
 - 3. Give the employee written confirmation of the proposed change to their employment conditions. It is noted that clause 3.4.3 sets out salary maintenance provisions;
 - 4. Meet with the employee on a regular basis (at intervals to be agreed between the employee and Manager) to discuss options or developments and to outline the process and assistance available to them.
- 4.2** The overriding priority in redeployment is to place the employee in a position (fulltime or part time) that is on terms and conditions substantially similar to, and considered on an overall basis,

no less favourable than the employee's pre-redeployment position. To facilitate this the following options will be considered:

Same job type

Same work level

Similar job type or work level (same \$), minor skill difference that can be learnt in 3-6 months

Different job type*

Different work level*

*Employee will be required to undertake appropriate training and skill development.

4.3 The Chief Executive will be responsible for coordinating the redeployment program. This will include:

1. Advising redeployed employee of appropriate job opportunities;
2. Arrange a skill survey for each redeployed employee;
3. Providing appropriate support and counselling as required;
4. Ensuring redeployed employees are properly informed of their employment status;
5. Ensuring the Union is consulted;
6. Ensuring identified training needs are satisfied.

4.4 The Manager of the area to which the employee is to be redeployed is responsible for:

1. Supporting employees who have been redeployed to their Department;
2. Arranging for employees who have been redeployed to their Department to be properly inducted into the local work environment paying particular attention to Work Health and Safety issues;
3. Arranging appropriate training for employees who have been redeployed to their department; and
4. Preparing ongoing feedback on performance and development;
5. Ensuring temporary redeployed are provided with all necessary support to enable them to properly undertake the temporary assignment.

5 Employee requiring redeployment

5.1 Employees requiring redeployment will be given information, support and opportunity by their Managers to fulfil the following responsibilities:

1. To fully inform themselves of the various options available;
2. To actively and positively seek an approved position compatible with their skills;
3. To seriously consider any positions offered by the employer;
4. To undertake training which is considered necessary to enable them to carry out the duties of the position to which they are redeployed.

6 Training

6.1 Training and development programs will be developed to meet an individual employee's needs and the employer's operational requirements. The training or retraining of an employee to enable redeployment to an identified position should be given priority over normal operational training except where such training is for safety reasons.

7 Temporary Placement

7.1 Where an approved position is not readily available, excess employees may be seconded or temporarily transferred to another job. This could include assisting with short term placements

to meet customer service needs. Placements of this nature should be seen as an opportunity to enhance future work prospects and may require some additional training.

- 7.2** Where possible temporary placements should be of reasonable duration, not exceeding four (4) weeks.
- 7.3** Managers will monitor all temporary placement arrangements to ensure that the employee's needs and the Councils customer service needs are being met.

8 Procedure

The employer will maintain a register of employees declared surplus and:

- a) Ensure a skill survey is conducted for each redeployed employee;
- b) Advise each employee of potential vacancies;
- c) Ensure identified training needs are satisfied;
- d) Ensure all redeployed employees are fully informed of these guidelines.

Appendix C – Part time Study Assistance Policy

The District Council of Yankalilla recognises the importance of trained and skilled employees in achieving its goals. The Training and Development Policy provides a framework which supports organisational learning and personal development. The Part Time Study Assistance Policy is an additional mechanism for developing employees and provides support in the form of fee reimbursement or study leave to facilitate that development. Employees may elect to take either option – study leave or fee reimbursement, but not both. Employees on a fixed term contract of employment may apply for part time study assistance provided the length of the contract exceeds 12 months. The final approval for Study Leave or Fee Reimbursement is at the discretion of the Chief Executive.

1 Application to Undertake Study

1.1 Counselling

An employee who wishes to undertake part time studies should discuss the course of study and the relationship to their work situation with their Manager. The Manager, along with the employee and working in conjunction with the Human Resources Officer would consider the following:

- a) The relationship of the proposed study to the Business Plan
- b) The demands of the study program at a personal and work related level
- c) Any pre-requisites for entry into the study program.

1.2 Application

Employees, who after counselling wish to make a formal application to undertake a study program, should complete the appropriate application form (obtainable from the Human Resources Section).

There are two forms from which to choose, depending on whether the application is for fee reimbursement or study leave. Relevant material, for example course content should be attached to the form to support the application. All documentation should be forwarded to the relevant Manager for consideration.

In assessing the application the Manager will take into account the following:

- a) The application has been lodged prior to the commencement of the academic year
- b) The employee's present situation and future career aspirations.
- c) Whether the course results in the achievement of a formal qualification (Certificate, Diploma or Degree level qualification).
- d) The employee having received counselling before enrolling in the course, in relation to the commitment required to complete the course in a reasonable timeframe.
- e) The employee's conduct and performance is satisfactory

1.3 Reimbursement of Fees – Study Allowance

The Manager may authorise Study Allowance in accordance with the following conditions:

- a) Study Allowance will only be paid to employees pursuing approved study course outside of working hours where no paid Study Leave has been approved.
- b) Study Allowance reimbursement shall be for two thirds (2/3) or the total cost of fees including lecture/tuition fees, compulsory union/general service fees and HECS
- c) Reimbursement of fees shall be on successful completion of units/subjects at the end of each academic term/semester
- d) All amounts claimed must be supported by official and original receipts and academic transcript of results
- e) To qualify for Study Allowance, a person must be an employee of Council at the time the examination results are published.

- f) A person newly employed will be eligible for Study Allowance for that part of the fees relating to the period during which the employee has been in the employ of Council, providing that agreement to do so has been reached prior to the commencement of employment.
- g) Documentary evidence of those subjects of an approved course passed during the year or semester must be supplied to the Manager. These will be forwarded to the Human Resource Office for inclusion on the employee's personal file.
- h) Where an employee is awarded a scholarship or assistance under another scheme, the study allowance will be limited to that amount not covered by the scholarship or scheme.

1.4 Text and Reference Books

Up to \$200 per annum may be reimbursed for text/reference books.

1.5 Study Leave

Employees are to attend courses in their own time wherever possible. In instances where scheduled lectures/tutorials are in working hours, paid leave of up to five (5) hours per week including travel time, may be granted for attendance at lectures, tutorials and practicals, provided the course is approved and authorised by the relevant Manager.

Paid leave will not be granted for repeat subjects unless the relevant Manager believes that extenuating circumstances existed which caused or largely contributed to the failure. Leave without pay and leave on a make-up basis may be granted by the Chief Executive. A formal written application will be required to undertake this option.

Where examinations are held during working hours, leave to attend the examination will be with pay.

1.6 General

Managers need to closely monitor the progress of approved employees on an ongoing basis, and in particular, at the conclusion of each academic year/semester when examination results are available.

All employees undertaking subsidised study should provide documentary evidence of their examination results to their Manager. This documentation will be forward to Human Resources for inclusion on the employee's personal file.

Employees will only be able to seek the Study Allowance or Study Leave for one degree or post graduate course. Extraordinary circumstances should be referred in writing to the Chief Executive for consideration.
