If requested by the Manager, the subject of the dispute shall be put in writing, so far as is reasonably practicable. The consultation process shall commence as soon as mutually agreed and within 1 working day of the dispute or likely dispute having been indicated or within such other period as the Parties may agree.

Stage 3 If a matter cannot be resolved following the above procedures, the Parties should enter into consultation at a higher level on both sides, as the Parties consider appropriate. At this stage the employee, employee representative or ForestrySA, can choose to have the matter referred for mediation to an agreed industrial relations consultant, which may include the Public Sector Workforce Relations, Department of the Premier and Cabinet, who shall arrange a conference to discuss the matter and assist if agreed to by the Parties.

If requested the subject of the dispute shall be put in writing, so far as is reasonably practicable.

- 4.13.7 Upon receiving written notice of election from an eligible temporary employee pursuant to sub-Clause 4.13.4, ForestrySA must, within 4 weeks of receiving such notice or prior to the expiration of the employee's current contract, whichever is the earlier, indicate in writing whether the conversion to permanent employment is, or is not, agreed to. Where the conversion is not agreed to, ForestrySA must provide written reasons for same.
- 4.13.8 Where an employee's election to convert to permanent employment is not agreed to and the employee considers that in not agreeing ForestrySA has acted unreasonably, the employee may seek to have the dispute resolved through the Grievance and Dispute Avoidance and Settlement Procedure set out in Clause 3.2.
- 4.13.9 Where an eligible temporary employee's election to convert to permanent status is agreed to:
- (a) The hours of duty that will apply under the new, permanent contract of employment will be the average of the ordinary hours worked by the employee

- 4.14.3 Where an employee is unable to take a meal break by the time 5 hours have elapsed, the employee must be paid 1.5 times the employee's ordinary rate until a meal break is commenced unless the employee and their Manager agree that the employee may elect to work up to an additional 60 minutes at the ordinary hourly rate before commencing a meal break.
- 4.14.4 The additional payment prescribed in Clause 4.14.3 is not payable if:
  - 4.14.4.1 The meal break is not taken due to a request made by or on behalf of the employee;

- 4.14.5 An employee performing the duties of a Forest Maintenance Worker may, by agreement, take a 15 minute break without pay for morning and/or afternoon tea.

#### **4.15 BANKING OF TIME**

##### **4.15.1 Workplace Flexibility**

- 4.15.1.1 Banking of Time is a flexible arrangement of working time in excess of the ordinary working hours for an employee (excluding a casual) which allows an employee to negotiate how, and when, hours will be worked within agreed limits and conditions and operational needs of the business. These arrangements apply where agreed between an employee and ForestrySA at the workplace. The introduction of Banking of Time is not intended to increase or reduce the total number of ordinary hours that must be worked by any employee, nor is this arrangement introduced to facilitate an employee banking time so as to subsequently convert the time to a payment.
  - 4.15.1.2 Banking of Time arrangements are designed for the mutual benefit of an employee and ForestrySA, and are introduced to make the workplace more family-friendly and responsive to the needs of an individual employee.
  - 4.15.1.3 Banking of Time arrangements will also take into consideration the needs of the particular workplace and client service responsibilities. The Manager of a particular group will consider the particular needs of the business when determining how and when Banked Time can be taken. Every reasonable effort will be made to mutually agree when Banked Time is taken.
-

- 4.15.1.4 If an employee is directed and authorised to work in excess of their ordinary hours of duty then either overtime rates or Banking of Time in lieu apply as per this Agreement. The employee will advise their Manager before commencing additional time of the employee's decision to either receive overtime rates or have the additional hours credited to their Banked Time accrual before commencing the additional time. Such Banking of Time hours are to be credited on an hour for hour basis.
- 4.15.1.5 An employee who has elected to be paid overtime when directed to work additional hours may alter that choice to accrue Banked Time but only for the current pay period.

#### **4.15.2 Banking of Time – Flexible Arrangements**

- 4.15.2.1 The maximum number of hours that can be worked in one day should normally be restricted to 10 hours provided that no more than 5 hours are worked without a minimum 30 minute meal break, subject to Clause 4.14.3. By mutual agreement with their Manager an employee may work more than 10 hours in a day but not more than 12 hours.
- 4.15.2.2 An employee is not permitted to take Banked Time in excess of their accrued Banked Time.
- 4.15.2.3 The Chief Executive may withdraw access to any Banking of Time system as part of performance or disciplinary processes.
- 4.15.2.4 An employee who accrues Banked Time cannot lose that entitlement and must take the entitlement in accordance with the following:
  - (a) With the agreement of ForestrySA, an employee may accrue up to 75 hours of Banked Time before being subject to a direction to reduce that time;
  - (b) The Executive General Manager of a particular group may authorise a credit in excess of 75 hours on a case by case basis due to operational needs, but in any event such additional credit must be taken within 2 months.
- 4.15.2.5 Where an employee has accrued more than 75 hours of Banked Time they may apply to their Executive General Manager to have such time converted into a payment at their ordinary rate of pay.

#### **4.15.3 Banking of Time – Paid Day Off (PDO)**

Two methods are used within ForestrySA.

- 4.15.3.1 For operational reasons, it may be appropriate and more effective for particular groups of employees to have a weekday on which all employees will be off during a particular work cycle, e.g. the work site shuts down for a day once each 4 weeks and 8 hours are worked on the other 19 weekdays of those 4 weeks, or
  - 4.15.3.2 Rostering an employee off on various days of the week during a particular work cycle, e.g. employees take various days off according to a roster so as to avoid a shutdown. This is the preferred method during the Fire Season to ensure enough employees are available for fire crews.
  - 4.15.3.3 The following will apply for the management of PDO's
    - (a) An employee works a 40 hour week, thus accumulating 2.0 hours per working week towards their Banked Time credit. Other than when Personal
-

Leave is taken, if a full 8 hours per day is not worked, then the 2.0 hours per week accrued will be reduced by 0.4 hours per day for those days.

- (b) An employee will not accrue time towards Banked Time credit whilst on leave other than paid Personal Leave.
- (c) An employee is required to have a completed Leave Application form to apply for a PDO.
- (d) An employee cannot take Personal Leave on a scheduled Paid Day Off and shall have that day stand as the Paid Day Off and will not be permitted to substitute another day.
- (e) An employee who is required to work on a scheduled Paid Day Off and is given prior notice will be paid at the ordinary time rate and be given a substitute Paid Day Off.
- (f) An employee who is recalled to work on a scheduled Paid Day Off without notice will be paid in accordance with the relevant recall provision of Part 7 of this Agreement and will not be entitled to substitute another day off in lieu of the Paid Day Off.
- (g) The Executive General Manager of a particular work group may authorise a credit in excess of 75 hours on a case by case basis due to operational needs, but in any event such additional credit must be taken within 2 months.

4.15.4 An employee who transfers from a group utilising a PDO system will maintain their Banked Time credit.

**4.15.5 Payment on termination of employment**

Where an employee's employment with ForestrySA terminates, any credit in the employee's Banked Time accrual as at the date of termination will be paid to the employee.

**4.15.6 Transitional Arrangements**

Any TOIL, PDO or Flexitime accrual at the date of implementation of this Agreement will be transferred to an employee's Banked Time credit.

**4.16 A RANGER'S EMPLOYMENT CONDITIONS**

This Clause will be read and interpreted in conjunction with other Clauses of this Agreement provided that where there is any inconsistency the provisions of this Clause will take precedence, other than Part 6.

**Definitions**

**Ranger:** Is an employee of ForestrySA who is appointed as such and is responsible for the exercise of supervisory and operational duties associated with management of the Native Forest Reserves, and the community use of the State Forest Reserves to ensure the protection of natural and commercial forest resources and the enhancement of visitor activities. **Roster Change:** An alteration made to an employee's duty roster for an extended period.

---

**Roster Variation:** A variation made to an employee's duty roster for a particular pay period such as swapping a weekend or single day with another Ranger or working an additional day or days.

A Ranger is expected to work 150 hours per 28 days including weekends and Public Holidays, and it is expected that of the 150 hours there will be a minimum of 30 hours week end work.

A Ranger is required to perform their ordinary hours of duty between 8.00 am and 6.00 pm.

Duties are to be worked in accordance with a roster over all 7 days of the week including Public Holidays as determined by ForestrySA except that:

- (a) Unless otherwise agreed between ForestrySA and the Ranger, the Ranger will not work more than 20 days in a 4 week period;
- (b) A Ranger will not work more than 10 consecutive days without a day off;

- (a) Public Holidays rostered and worked in any financial year will attract an extra payment of 1.5 times the employee's hourly rate for normal hours worked. (7.5 hours for Public Holiday paid as normal salary as part of roster plus 7.5 hours at 1.5 times the hourly rate)
- (b) Hours worked in excess of 7.5 hours will attract overtime payment at 2.5 times the hourly rate.

- (b) Where a Ranger is required to work on active duty for all of the 7 days of the week and a Public Holiday falls between Monday to Friday on a day which is their rostered day off that employee will be paid a day's pay.
  - i. An employee who is entitled to a day's pay is to be paid for the time that they would have usually worked on that day of the week on which the Public Holiday falls.
  - ii. If the Ranger and employer agree, in lieu of an extra day's pay, the employee will be given an alternative rostered day off on the working day immediately preceding or immediately following the Public Holiday, or as soon as practicable thereafter.

#### **4.16.3 Penalty rates**

Ordinary time rostered on a weekend will attract a penalty of 50% on actual time worked. Weekend hours are based on 15 hours over both days worked according to the Roster. However the hours may vary on individual days. (e.g. Saturday worked 9 hours and Sunday worked 6 hours).

#### **4.16.4 Banking of Time**

- 4.16.6.4 Any On-Call Allowance is payable only when the Ranger is rostered for On-Call as distinct from being rostered for work.
- 4.16.6.5 If a Ranger on the On-Call roster wishes to interchange with another Ranger, prior approval must be obtained from the Manager.

#### **4.16.7 Recall to work**

- 5.1.3 Salaries will be paid fortnightly by electronic funds transfer.

### **5.2 SALARY PACKAGING**

- 5.2.1 This Clause applies for the period an employee enters into a Salary Sacrifice Agreement. A Salary Sacrifice Agreement ("**SSA**") is the formal administrative instrument between ForestrySA and the employee, which enables salary packaging arrangements to be put in place.

- 5.2.4 Where, on cessation of employment, ForestrySA makes a payment in lieu of notice; or a payment in respect of accrued annual or long service leave entitlements (instead of transferring leave credits to another SA Public Sector Employer in the event the employee immediately becomes employed by that Employer party), the payment thereof shall be based on the salary that would have been payable had the employee not entered into a SSA.

- 5.6.3 Additional Duties Allowance should be used when it is necessary to have some additional duties performed over and above an employee's existing duties for a short period of time.
- 5.6.4 The allowance is paid where the additional duties increase the **work value** of the position. This should not be confused with an increase in **work volume** or a **variation of duties** that equate to the employee's existing classification level.
- 5.6.5 For longer term situations, (i.e. longer than 12 months) a temporary position should be created at the appropriate classification and filled in accordance with the merit principal, and in situations where there is a need to pay an employee an allowance beyond 12 months, even if the employee has been paid an allowance for different circumstances over that period, the approval of the Chief Executive is required.

- 8.1.1.1 If employed other than as a seven day week worker - 4 weeks (20 days) annual leave with pay.
- 8.1.1.2 If employed as a seven day week worker, i.e. an employee who is rostered to work their ordinary hours over 7 days of the week and who is rostered to work regularly on Sundays and Public Holidays - 5 weeks (25 days) annual leave with pay subject to working at least half the Sundays and Public Holidays occurring within a financial year.
- 8.1.1.3 If employed for part of a service year as a seven day week worker will be granted annual leave pro rata on the basis of 5 weeks (25 days) per annum with respect to completed months of service as a seven day week worker.
- 8.1.1.4 If employed for part of a service year as a seven day week worker for more than one period, then all such periods, whether or not each such period constitutes a completed month of service, will be aggregated for determining completed months of service as a seven day week worker.

For the purpose of this sub-Clause, a "period" is defined as any time rostered as a seven day week worker which includes a Sunday and/or a Public Holiday as part of the ordinary hours of duty.

- 8.1.1.5 The annual leave to which an employee is entitled should preferably be taken in one or two periods unless ForestrySA is satisfied that good reason exists for allowing the leave to be taken otherwise e.g. Christmas close down, urgent personal reasons. Leave can be taken in part days.

- 8.8.10.4 Special adoption leave may be taken concurrently by an employee and the employee's spouse.
- 8.8.10.5 Where paid leave is available to the employee, ForestrySA may require the employee to take such leave instead of special adoption leave.

#### **8.8.11 Transfer to a safe job - maternity leave**

- 8.8.11.1 If, in the opinion of a legally qualified medical practitioner:
    - (a) Illness or risks arising out of the pregnancy; or
    - (b) Hazards connected with the work assigned to the employee, make it inadvisable for the employee to continue her present work, the employee must, if ForestrySA considers that it is practicable to do so, be transferred to a safe job at the rate and on the conditions attaching to that job until the commencement of maternity leave.
  - 8.8.11.2 If the transfer to a safe job is not considered practicable, the employee is entitled, or ForestrySA may require the employee, to take leave for such period as is certified necessary by a legally qualified medical practitioner.
  - 8.8.11.3 Leave under this Clause 8.8.11 will be treated as maternity leave.
-

#### **8.8.12 Part-time work**

An employee who is pregnant or is entitled to parental leave may, by agreement with ForestrySA, reduce the employee's hours of employment to an agreed extent subject to the following conditions:

- 8.8.12.1 Where the employee is pregnant, and to do so is necessary or desirable because of the pregnancy; or
- 8.8.12.2 Where the employee is entitled to parental leave, by reducing the employee's entitlement to parental leave for the period of such agreement.

  - (b) Provide an opportunity for the employee to discuss any significant effect the change will have on the status or responsibility level of the position the employee held before commencing parental leave.
- 8.8.13.2 The employee shall take reasonable steps to inform ForestrySA about any significant matter that will affect the employee's decision regarding the duration of parental leave to be taken, whether the employee intends to return to work and whether the employee intends to request to return to work on a part-time basis.
- 8.8.13.3 The employee shall also notify ForestrySA of changes of address or other contact details which might affect ForestrySA's capacity to comply with sub-Clause 8.8.13.1.

#### **8.8.14 Return to work after parental leave**

- 8.8.14.1 An employee must confirm the employee's intention to return to work, by notice in writing, to ForestrySA given at least 4 weeks before the end of the period of parental leave.

  - 8.8.14.4 An eligible casual employee who is employed by a labour hire company who performs work for a client of the labour hire company will be entitled to the position which they held immediately before proceeding on parental leave. Where such a position is no longer available, but there are other positions available that the employee is qualified for and is capable of performing, ForestrySA shall make all reasonable attempts to return the employee to a position comparable in status and pay to that of the employee's former position.
-

#### **8.8.15 Return to Work on a Part Time Basis**

- 8.8.15.1 Subject to this Clause, if agreed between the Chief Executive and employee, an employee's return to work after maternity or adoption leave can be on a part-time basis, at the employee's substantive level, until the child's second birthday.
- 8.8.15.2 The following conditions apply to an employee applying to return on a part time basis:
- 8.8.15.3 The Chief Executive will consider an employee's request having regard to both the operational needs of the business or particular workplace, and the employee's circumstances.
- 8.8.15.4 The employee will provide such request at least 6 weeks prior to the date on which the employee's maternity or adoption leave is due to expire, and will provide to the Chief Executive such information as may reasonably be required, including the proportion of time sought, and the date of the relevant child's 2<sup>nd</sup> birthday.
- 8.8.15.5 At least 6 weeks prior to the relevant child's second birthday, the employee will advise the Chief Executive whether the employee will revert to employment on a full time basis or seeks to continue to be employed on a part-time basis.

#### **8.8.16 Right to request**

- 8.8.16.1 An employee entitled to parental leave pursuant to Clause 8.8.3, may request ForestrySA to allow the employee:
  - (a) To extend the period of simultaneous unpaid leave provided for in sub-Clauses 8.8.3.3(a) and 8.8.3.4(a) up to a maximum of 8 weeks;
  - (b) To extend the period of unpaid parental leave provided for in sub-Clause 8.8.3.2 by a further continuous period of leave not exceeding 12 months;
  - (c) To return to work from a period of parental leave on a part-time basis until the child reaches school age, to assist the employee in reconciling work and parental responsibilities.
- 8.8.16.2 ForestrySA shall consider the request having regard to the employee's circumstances and, provided the request is genuinely based on the employee's parental responsibilities, may only refuse the request on reasonable grounds related to the effect on the workplace or ForestrySA's business. Such grounds might include cost, lack of adequate replacement staff, loss of efficiency and the impact on customer service.
- 8.8.16.3 The employee's request and ForestrySA's decision made under sub-Clause 8.8.16.1(b) and (c) must be recorded in writing.
- 8.8.16.4 Where an employee wishes to make a request under sub-Clause 8.8.16.1(c), such a request must be made as soon as possible but no less than 7 weeks prior to the date upon which the employee is due to return to work from parental leave.

#### **8.8.17 Termination of employment**

- 8.8.17.1 An employee on parental leave may terminate their employment at any time during the period of leave by giving the required notice.
  - 8.8.17.2 ForestrySA must not terminate the employment of an employee on the ground of her pregnancy or an employee's absence on parental leave. Otherwise the rights of ForestrySA in relation to termination of employment are not affected by this Clause.
-

#### **8.8.18 Replacement Employee**

- 8.8.18.1 A replacement employee is an employee specifically engaged or temporarily promoted or transferred, as a result of an employee proceeding on parental leave.
- 8.8.17.2 Before ForestrySA engages a replacement employee ForestrySA must inform that person of the temporary nature of the employment and of the rights of the employee who is being replaced.

#### **8.8.19 Paid Parental Leave**

- 8.8.19.1 An employee who is granted maternity leave or adoption leave will be entitled to the benefits provided by this Clause.
- 8.8.19.2 Subject to this Clause, an employee, other than an eligible casual employee, who has completed 12 months continuous service immediately prior to the birth of the child, or immediately prior to taking custody of an adopted child (as applicable) is entitled to 16 weeks paid maternity leave or adoption leave (as applicable) on or after 22 December 2009.
- 8.8.19.3 An employee who, at the time of taking such maternity leave or adoption leave, has been employed by ForestrySA for not less than 5 years (including any periods of approved unpaid leave) will be entitled to 18 weeks on or after 12 months after the approval of this Agreement.
- 8.8.19.4 The following conditions apply to an employee applying for paid maternity leave or paid adoption leave:
- (a) The total of paid and unpaid maternity/adoption/parental/special leave is not to exceed 104 calendar weeks in relation to the employee's child. For the purposes of this Clause, child includes children of a multiple birth/adoption.
  - (b) An employee will be entitled to the applicable maximum period, paid at the employee's ordinary rate of pay (excluding allowances, penalties or other additional payments) from the date maternity/adoption leave commences. The paid maternity/adoption leave is not to be extended by Public Holidays, rostered days off, programmed days off or any other leave falling within the period of paid leave.
  - (c) At the time of applying for paid maternity leave or paid adoption leave, the employee may elect in writing:
    - (i) To take paid leave in 2 periods split into equal proportions during the first 12 months of the commencement of their paid leave; or
    - (ii) To take the paid leave at half pay in which case, notwithstanding any other Clause of this Agreement, the employee will be entitled, during the period of leave, to be paid at half the ordinary rate of pay (excluding allowances, penalties or other additional payment) from the date maternity/adoption leave commences; or
    - (iii) A combination of (i) and (ii)
  - (d) A Part Time employee will have the same entitlements as a full-time employee, but paid on a pro-rata basis according to the average number of contracted hours during the immediately preceding 12 months (disregarding any periods of leave).
  - (e) During periods of paid or unpaid maternity leave, personal leave with pay will not be granted for a normal period of absence for confinement. However, any illness arising from the incidence of the pregnancy may be covered by personal leave to the extent available, subject to the usual provisions relating to the provision of a medical certificate and the medical certificate indicates that the illness has arisen from the pregnancy.
-

- (f) Where both prospective parents are employees covered by the Agreement, the period of paid maternity or adoption leave (as applicable) may be shared by both employees, provided that the total period of paid maternity or adoption leave does not exceed the applicable maximum and that the leave is taken in periods of not less than 4 weeks and has regard to the operational needs of ForestrySA.
- (g) The entitlements in this Clause will be in addition to, but cannot be taken at the same time as, leave that may be taken as a result of the Commonwealth's Paid Parental leave scheme.

9.1.3 Payment at the ordinary rate of pay in lieu of the notice prescribed in Clause 9.1.1 and/or Clause 9.1.2 must be made if the appropriate notice period is not given. Employment may be terminated by part of the period of notice specified and part payment in lieu.

9.1.4 In calculating any payment in lieu of notice, ForestrySA must pay the wages an employee would have received in respect of the ordinary time the employee would have worked during the period of notice had the employee's employment not been terminated.

9.1.5 The period of notice in this Clause does not apply in the case of:

- (a) Dismissal for conduct that at common law justifies instant dismissal;

#### **9.1.7 Statement of Employment**

At the employee's request ForestrySA must provide to an employee whose employment has been terminated, a written statement specifying the period of the employee's employment and the classification of or the type of work performed by the employee.

---

#### 9.1.9 Notice of Termination by Employee

In order to terminate employment an employee must give ForestrySA the following notice:

Period of Continuous Service / Period of Notice

Not more than 1 year / at least 1 weeks notice

- (f) Interruption or termination of the employee's service arising directly or indirectly from an industrial dispute if the employee returns to the service of ForestrySA in consequence of the settlement of the dispute.
- (g) Transfer of the employment of an employee from one employer to a second employer where the second employer is the successor or assignee or transmittee of the first employer's business. In this case, service with the first employer is deemed to be service with the second employer.
- (h) Interruption or termination of the employee's service by ForestrySA for any reason other than those referred to in this Clause if the worker returns to the service of ForestrySA within 2 months of the date on which the service was interrupted or terminated.
- (i) Any other absence from work for any reason other than those referred to in this Clause, unless written notice is given by ForestrySA that the absence from work is to be taken as breaking the employee's continuity of service. Such notice must be given during the period of absence or no later than 14 days after the end of the period of absence.

#### 9.2.2 Calculation of period of service

Where an employee's service is deemed to be continuous under this Clause, the period of absence from work is not to be taken into account in calculating the employee's period of time served with ForestrySA except:

- (a) To the extent that the employee receives or is entitled to receive pay for the period; or
  - (b) Where the absence results from a decision of ForestrySA to stand the employee off without pay.
-

### **9.3 MEMORANDUM OF UNDERSTANDING**

Subject to this Clause and conditional on approval of this Agreement, the South Australian Government and Associations that are signatories to the 1996 Memorandum of Understanding (MOU) each hereby acknowledge their recommitment to that MOU to the following effect:

### OBJECTIVE:

The primary objective of these translation arrangements is to provide agreed processes, guidance and direction for ForestrySA to translate an **“In Scope”** employee into the new Classification and Remuneration structure identified in Schedule 3.

### DEFINITIONS:

(For the purposes of applying these Translation Arrangements)

**“Administrative Services”** means the classification structure for an employee performing clerical, administrative and related tasks under the ForestrySA Administrative Agreement 2007. The type and nature of the work and the definitions of each Level of work were described in Schedule 5 of that Agreement.

**“Assessment”** means the procedures and criteria used to assess the competencies of an “In Scope” employee that translates into the Classification and Remuneration Structure.

**“Classification and Remuneration Structure”** or **“C&RS”** means the 10 Level classification and remuneration structure contained in this Agreement as set out in Schedule 3.

**“Competencies”** mean those specific competencies developed by ForestrySA resulting from the activity and task workshops for Forest Maintenance Workers, Operational Services Supervisors and for other ForestrySA occupational groups. These also include duties and competencies documented in ForestrySA Position Descriptions.

**“Competencies Training and Development Program”** means a personalised program developed for an employee to support them in the development and improvement of identified deficiencies of competencies, so that they may perform the duties and responsibilities of their new classification as a result of being translated into the Classification and Remuneration Structure.

**“Forest Maintenance Worker”** or **“FMW”** means an employee previously identified as a weekly paid employee remunerated under Schedule 1 of ForestrySA Administrative Agreement 2007 and classified in accordance with the work Level definitions in Schedules 2 and 3 of that Agreement.

**“Implementation Team”** means a team of management and employee representatives appointed by ForestrySA to facilitate the implementation of these Translation Arrangements. The composition of the team and its terms of reference are as agreed to at the SBC.

---

**“In Scope”** means a ForestrySA employee who was employed immediately prior to the commencement of this Agreement in one of the following categories as defined in this Schedule:

FMW	Forest Maintenance Workers
ASO	Administrative Services
PO	Professional Officers
TGO	Technical Grades
OPS	Operational Services

**“Job Evaluation”** means the evaluation of job size of ForestrySA positions using the Mercer CED Job Evaluation System.

**“Operational Services”** means a classification which provided for a variety of ForestrySA functions including construction/maintenance operations, field-based services or inspections/investigations incorporating the regulatory requirements of legislation, assistance to professional staff undertaking projects and related activities and support to the general operating requirements of ForestrySA. The work requires the application of practical-based skills and knowledge gained through the acquisition of post secondary qualifications and/or on-the-job training and experience. Classification was in accordance with the work Level definitions contained in Schedule 5 of the previous ForestrySA Administrative Agreement 2007.

**“Professional Officers”** means a classification structure in which work consists of research, development, review and extension of established principles of a recognised professional discipline, the application of skills, knowledge and professional judgement to a variety of situations. The nature of the work demands professional knowledge at the outset and the development of discipline expertise gained through experience on the job. **“Technical Grades”** means a classification structure that consists of positions which provide direct assistance to, but on occasions operate in isolation from, an employee classified within the Professional Services Stream. In a general sense, such positions undertake or participate in technical project work which requires a level of applied knowledge above that which can be generally gained by experience. ## TRANSLATION PRINCIPLES

1. An in scope employee will be eligible for translation into the Classification and Remuneration Structure contained in this Agreement and shall receive appropriate personal correspondence informing them of their eligibility and progression through the implementation process. An in scope employee will be translated in accordance with the Translation Tables contained in this Schedule.
  2. An employee in the categories described in the ForestrySA Administrative Agreement 2007, ASO (Administrative Services), PO (Professional Officers), TGO (Technical Grades), OPS (Operational Services) shall receive an increase of 2.5% effective from 10 October 2009 on the ForestrySA 2008 pay rate scales in preparation for translation into the Classification and Remuneration Structure.
  3. An employee described as a Forest Maintenance Worker in the ForestrySA Administrative Agreement 2007 will receive an increase of \$ 21.60 per week effective from 10 October 2009 on the ForestrySA 2008 pay rate scales in preparation for translation into the Classification and Remuneration Structure. Allowances paid to a Forest Maintenance Worker under Schedule 1 of the ForestrySA Administrative Agreement 2007 have been incorporated in Schedule 3 of this Agreement as part of the normal rate of pay.
  4. The Translation and Assessment process for an employee into the Classification and Remuneration Structure will be part of this Agreement. A nominal completion date for the translation process will be within 2 pay periods from the date of approval of this Agreement by the IRCSA. Assessments, where required, arising from translation will be completed within 12 months of approval of this Agreement by the IRCSA.
  5. ForestrySA shall be responsible for the application of and management of the Translation Arrangements. This will be facilitated through the appointment of an Implementation Team. ForestrySA will provide the resources for classifying jobs and assessing competencies required for translation of an employee to the Levels of the new structure.
  6. For the purposes of these Translation Arrangements, an employee will retain their current classification anniversary date. This includes any appointment to a substantive position prior to the application of the new structure.
  7. Incremental Steps for an employee translating to the new structure will occur on an annual basis (unless the employee is fixed at a Step within a Level as a result of the assessment process set out below) but will be subject to satisfactory performance as determined by using the ForestrySA Performance Development System.
  8. If disagreement occurs on any aspect or process of the Translation Arrangements, an employee can lodge a written grievance with the Manager Human Resources who will then review the matter. If the grievance includes a position evaluation issue, the Manager Human Resources will arrange to have the employee's position re-evaluated by Mercer Human Resource Consulting. Failure to resolve a disagreement at this level will result in the matter being dealt with in accordance with Grievance and Dispute Avoidance Settlement Procedure as set out in Clause 3.2 of this Agreement.
-

## ASSESSMENT

1. Assessment applies to an in scope employee who is likely to receive a Significant Financial Advantage. Upon translation into a Level of the new Classification and Remuneration Structure, and the following process shall apply.
  - 1.1. An assessment shall be conducted, based on the employee's competencies and agreed Position Description, within 3 months of approval by IRCSA of this Agreement. The assessment shall be used to confirm the translation status of the employee into the new structure. The employee will be advised in writing of the result.
  - 1.2. For a Forest Maintenance Worker the classification for translation will be determined in accordance with the Classification Manual for Forest Maintenance Workers. Any other employee will be translated based on their existing substantive classification immediately prior to the approval of this Agreement and the assessment undertaken to ascertain if they can progress to the top Step of their Level will be through a job evaluation.
  - 1.3. Where the assessment determines that the employee's competencies do meet the requirements of the new Level, that employee shall be confirmed in that Level, effective from the first pay period on or after the date of approval by IRCSA of this Agreement, and will move through the remaining Steps of that Level on their classification anniversary date and subject to satisfactory performance as determined by using the ForestrySA Performance Development System.
  - 1.4. Where the assessment determines that the employee's competencies do not match the requirements of the new Level, that employee shall be provided with the opportunity to participate in a Competencies Training and Development Program to enable confirmation of classification in a new Level and to allow progression through the Steps in that Level. The Competencies Training and Development Program shall be offered for a period of between 3 to 12 Months, or longer if approved in the circumstances as set out in 1.6. During that Program period the employee shall receive the salary rate for the Level and Step resulting from translation.
  - 1.5. At the successful completion of the program, the employee shall be formally confirmed into the Classification and Remuneration Structure, effective from the first period on or after the date of assessment, by way of a letter of advice from the EGM Human Resources and receive the appropriate salary rate.
  - 1.6. Where this initial strategy results in the employee being assessed as not yet competent at the Level they have been translated to, the outcome shall be reviewed (in consultation with the employee) by the Section Manager who will then make recommendations to the EGM Human Resources to either:
    - (a) Continue with further training and development; or
    - (b) Confirm that the employee is fixed at their translated Step within their Classification Level and continue to have regard to the employee's situation as part of the Performance Development System and/or the regular review of organisational arrangements as conducted from time to time by management.

## **CLASSIFICATION MANUAL FOR FOREST MAINTENANCE WORKERS**

The Classification Manual for Forest Maintenance Workers has been developed by a working party selected from a representative group to provide clarity on the duties, tasks and competencies required for each of the Levels 1 to 4 in the C&RS. This Manual identifies an appropriate range of duties and tasks for particular Classification levels to enable assessment for the purpose of appointing an employee to an appropriate Level.

The Manual will be subject to on-going amendment due a range of factors, including technological change and continual improvement in the way work is conducted. For these reasons it is not appropriate to include the Classification Manual within this Agreement. Where the need to make change is identified, then prior to changes being made, a consultative group shall be established to consider those proposed changes. The Manager Human Resources shall Chair and coordinate a working party on an as needs basis including representation from the Australian Workers Union and the Construction Forestry Mining Energy Union – Forestry Furniture Products Division SA Branch. In any event, a review of the Classification Manual must take place before 1 July 2012.

A current copy of the Classification Manual shall be maintained on the ForestrySA Intranet, and any affected employee shall be advised of any agreed changes through Worksite Communication Meetings.
