- (iii) Employees should be made fully aware of the seriousness of the situation and that the formal action may lead to termination of employment should their performance not improve.
- (iv) Strategies will be jointly developed to provide support and guidance to the Employee that may involve a series of one-to-one meetings, training or any other methods that may assist the Employee to redress the poor performance.
- (v) An agreed date will be set for the review of the Employee's performance that will be no longer than six weeks and no shorter than two weeks from the date of the first counselling meeting. The outcome of this review will result in either noted improvement of performance or progression to the next step of the Formal Disciplinary procedure.
- (vi) Notes of the counselling meeting will be kept and filed on Employee's personnel file and the Employee will receive a letter confirming that a first formal warning has been issued. The letter should outline the reason for the first formal warning, the improvements that need to be made and the strategies to be adopted to assist in performance improvement.

B.10.5.2 Step Two – Review/Second Formal Warning

- (i) At the time of review, the Employee's performance may have improved to such a degree that there will be no need for any further formal process. Should this be the case, all records in relation to this matter may be removed from the personnel file immediately or, alternatively and if deemed appropriate, remain on record for no more than 12 months.
- (ii) If some improvement in performance has been achieved, the ongoing formal process will be left in place and a further review date established and areas requiring continued improvement shall be identified and recorded.
- (iii) Should it be determined that performance has not improved and that further disciplinary action is necessary then a Second Formal Warning will be issued.
- (iv) The Employee will be made fully aware of the matter of concern regarding performance and will be given a clear understanding of the steps that will need to be taken for performance to be improved.
- (v) Employees should fully understand the seriousness of the situation and that formal action, should performance concerns not be redressed, will lead to termination of employment.
- (vi) Once again strategies should be jointly developed to provide support and guidance to the Employee to assist the Employee to redress the poor performance.
- (vii) A date will be set for review that will be no longer than six weeks and no shorter than two weeks from the date of the first counselling meeting. The outcome of this review will result in either noted improvement of performance or progression to the next step of the Formal Disciplinary procedure.
- (viii) As previously, notes of the counselling meeting will be kept and filed on the Employee's personnel file and the Employee will receive a letter confirming that a second formal warning has been issued. The letter should outline the reason for the second formal warning, the improvements that need to be made and the strategies to be adopted to assist in the performance improvement.
- (ix) Before any disciplinary action is taken, the Employee shall be supplied, in writing, the grounds of the proposed dismissal. A conference shall be convened by Council as soon as possible to discuss the issues raised on the written grounds and to endeavour to devise an appropriate resolution to the problem. The conference shall be attended by at least one representative of Council, the Employee concerned and the Employee's representative.
- (x) The representative of Council shall be the Chief Executive Officer or his/her nominee.
- (xi) The conference shall consider alternatives to dismissal, including re-deployment of the Employee, placing the Employee in another position for which the Employee is qualified and suitable or withholding an increment for an agreed period of time. If this involves a reduction in status of the Employee, such Employee shall not suffer any reduction in salary until the expiration of two (2) weeks after the reduction in status has taken effect.

B.10.5.3 Step Three Review/Termination

- (i) As with Stage Two, the Employee's performance may have improved to such a degree that there will be no need for any further formal process. Should this be the case all records in relation to this matter may be removed from the personnel file immediately, or alternatively, remain on record for no more than 12 months.
- (ii) Performance may have improved, however it is viewed that ongoing formal processes should be left in place and a further review date established.
- (iii) Should it be determined that performance has not improved and that termination of employment is warranted, then the Employee will be made fully aware of the matters regarding performance which have lead to the termination. Termination of employment will be confirmed in writing.

- S6.8.12.4 Have effect on an anniversary date being January 1 in each year.
- S6.8.13 Despite any other clause in this Schedule, trainees may not be employed under this Schedule under the traineeship schemes and in the areas of employment listed in Section B.

Clause S6.9 Dispute Settling Procedures

For matters not dealt with in accordance with the Act, the procedures to avoid industrial disputation contained in the Agreement will apply to trainees.

Clause S6.10 Dispute Settlement Over Traineeship Schemes

- S6.10.1 A party may initiate this procedure when that party wishes to argue that this Schedule should not provide for employment under a particular traineeship scheme despite the allocation of the scheme to a Wage Level by Section A.
- S6.10.2 The party shall:
 - S6.10.2.1 Notify the relevant parties of an intention to dispute the particular traineeship scheme, identifying the scheme.
 - S6.10.2.2 Request the parties with an interest in the scheme to meet with them at a mutually agreed location.
 - S6.10.2.3 If agreement cannot be reached the matter may be referred to the Commission for conciliation.
 - S6.10.2.4 If agreement is not reached during conciliation then an application may be made to include the traineeship scheme in Section B.

Clause S6.11 Part-Time Traineeships

- S6.11.1 This clause shall apply to trainees who undertake a traineeship on a part-time basis by working less than full-time hours and by undertaking the approved training at the same or lesser training time than a full-time trainee.
 - S6.11.1.1 A part-time trainee (other than a school-based trainee) will be engaged to work for no less than a minimum average of 20 hours per week.
 - S6.11.1.2 A part-time school-based trainee may be engaged to work less hours than the minimum hours prescribed by this Schedule and the Agreement provided that the trainee remains enrolled in compulsory

education.

S6.11.2 Wages

S6.11.2.1 The tables set out below are the hourly rates of pay where the training is either fully off-the-job or where 20% of time is spent in approved training. These rates are derived from a 38 hour week.

Table 3: Wage rates for part-time Certificate IV Traineeships (\$ per hour):

Trainees undertaking a part-time AQF IV traineeship shall receive the relevant hourly rate for AQF III trainees at Wage Levels A, B or C as applicable under Table 1 or 2 with the addition of 3.8 per cent of that wage rate.

An adult trainee (as defined) who is undertaking a part-time traineeship for an AQF IV qualification shall receive the following hourly rate as applicable based on the allocation of AQF III qualifications:

Wage Level	First year of traineeship	Second year of traineeship
Wage Level A	\$17.17	\$17.83
Wage Level B	\$16.55	\$17.17
Wage Level C	\$15.03	\$15.59

S6.11.3 The hours for which payment shall be made are determined as follows:

- S6.11.3.1 Where the approved training for a traineeship (including a school based traineeship) is provided off-the-job by a registered training organisation, for example at school or at TAFE, these rates shall apply only to the total hours worked by the part-time trainee on-the-job.
- S6.11.3.2 Where the approved training is undertaken solely on-the-job and the average proportion of time to be spent in approved training is 20% (i.e. the same as for the equivalent full-time traineeship), then the total hours on-the-job shall be multiplied by the applicable hourly rate, and then 20 per cent shall be deducted.

S6.11.3.3 Where the approved training is partly on-the-job and partly off-the-job and the average proportion of time to be spent in approved training is 20% (i.e. the same as for the equivalent full-time traineeship), then the total of all hours spent in work and training shall be multiplied by the applicable hourly rate, and then 20 per cent shall be deducted.

Note: As noted in clause S6.8, 20 per cent is the average proportion of time spent in approved training, which has been taken into account in setting the wage rates for most full-time traineeships.

S6.11.3.4 Where a person was employed part-time by an employer under this Agreement immediately prior to becoming a part-time adult trainee with that employer, such person shall not suffer a reduction in the hourly rate of pay by virtue of becoming a trainee.

S6.11.3.5 Where the normal full-time weekly hours are not 38 the appropriate hourly rate may be obtained by multiplying the rate in the table by 38 and then dividing by the normal full-time hours.

S6.11.4 General formula

S6.11.4.1 For traineeships not covered by S6.11.2.1, the following formula for calculation of wage rates shall apply:

The wage rate shall be pro-rata the full-time rates based on variation in the amount of training and/or the amount of work over the period of the traineeship, which may also be varied on the basis of the following formula:

Full-time wage rate x Trainee hours - average weekly training time 30.4*

* Note: 30.4 in the above formula represents 38 ordinary full-time hours less the average training time for full-time trainees (i.e. 20%). A pro-rata adjustment will need to be made in the case where the Agreement specifies different ordinary full-time hours: for example where the ordinary weekly hours are 40, 30.4 will be replaced by 32.

- (a) Full-time wage rate means the appropriate rate as set out in S6.8.4, S6.8.5, S6.8.6 and S6.8.7 of this Schedule.
- (b) Trainee hours shall be the hours worked per week including the time spent in approved training.
- (c) Average weekly training time is based upon the length of the traineeship specified in the traineeship Agreement or Training Agreement as follows:

$$7.6 \times 12$$

Length of the traineeship in months

Note 1: 7.6 in the above formula represents the average weekly training time for a full-time trainee whose ordinary hours are 38 per week. A pro-rata adjustment will need to be made in the case where the Agreement specifies different ordinary time hours for example, where the ordinary weekly hours are 40, 7.6 will be replaced by 8.

Note 2: The parties note that the Training Agreement will require a trainee to be employed for sufficient hours to complete all requirements of the traineeship, including the on the job work experience and demonstration of competencies. The parties also note that this would result in the equivalent of a full day's on the job work per week.

S6.11.5 Example of the calculation for the wage rate for a part-time traineeship

A school student commences a traineeship in year 11. The ordinary hours of work in the Agreement are 38. The Training Agreement specifies two years (24 months) as the length of the traineeship.

Average weekly training time is therefore $7.6 \times 12/24 = 3.8$ hours.

Trainee hours totals 15 hours; these are made up of 11 hours work which is worked over two days of the week plus 1-1/2 hours on the job training plus 2-1/2 hours off the job approved training at school and at TAFE.

So the wage rate in year 11 is:

$\$247 \times 15 - 3.8 = \91.00 (plus any applicable penalty rates under the Agreement)

The wage rate varies when the student completes year 11 and passes the anniversary date of 1 January the following year to begin year 12 and/or if trainee hours changes.

S6.11.6 Employment conditions for all part-time trainees

- S6.11.6.1 A part-time trainee shall receive, on a pro-rata basis, all employment conditions applicable to a full-time trainee. All the provisions of the Agreement shall apply to part-time trainees except as specified in this Schedule.
- S6.11.6.2 However, a trainee undertaking a school based traineeship may, with the agreement of the trainee, be paid an additional loading 20 per cent on all ordinary hours in lieu of annual leave, sick leave, personal leave and public holidays. Notwithstanding this, where a trainee is called upon to work on a public holiday the provisions of the Agreement shall apply.
- S6.11.6.3 A part-time trainee may, by agreement, transfer from a part-time to a full-time traineeship position should one become available.
- S6.11.6.4 The minimum engagement periods specified in the Agreement shall also be applicable to part-time trainees.
