5. NO RETRENCHMENT

- 5.1** The parties acknowledge that, for the life of the Agreement, there will be no forced retrenchment of employees with the right to ongoing employment bound by this Enterprise Agreement. Where improved services and efficiencies are obtained which result in staff becoming surplus to requirements, Government House will provide those employees with access to redeployment opportunities in accordance with Government policy and procedures in existence at the time.

6. REDEPLOYMENT

- 6.1** The parties agree to abide by Commissioner's Standard No. 2 – 'Quality Staffing - ' issued by the Commissioner for Public Employment and as amended from time to time.

In particular, the parties note and agree to the following:

Pending assignment/transfer/placement in an ongoing position, an excess employee will be provided with and will undertake temporary work. During the period the employee is undertaking such temporary work, Government House (or its redeployment case manager) will identify, in consultation with the employee, opportunities for training, re-training or other relevant development in order to expand the employee's options for redeployment. The employee will co-operatively and actively participate in any such identified training, retraining or other relevant development opportunities.

If after a period of 6 months as an excess employee no suitable ongoing position has been offered or accepted, the excess employee may be directed to a position/work (which may be external to Government House) that is within the excess employee's skills or abilities, with training if required. A position or package of work will be deemed suitable even if it involves variation to any, or all of, starting and finishing times, distance from home (provided every effort is made so as not to involve relocation of the employee's household and due consideration is given to the employee's personal circumstances), or rate of pay (provided that this clause will not affect the Income Maintenance clause in Standard No. 2). An employee who has been an excess employee for at least 6 months will be subject to this clause. If an employee believes the direction to be unreasonable, the employee may request the Commissioner for Public Employment (or delegate) to mediate between the employee (including a representative of an employee association, if applicable) and Government House (or its redeployment case manager) in order to resolve the issue.

An excess employee will:

- (i) with assistance and support, prepare, maintain and provide in a timely manner an up to date resume to Government House's redeployment case manager or other designated person;
- (ii) attend interviews as requested and participate in them in a positive and constructive manner;
- (iii) actively co-operate in Government House's (or its redeployment case manager's) efforts to effect redeployment to an ongoing position (including redeployment to a position on a trial basis);
- (iv) comply with any reasonable request/direction from Government House's redeployment case manager or other designated person (however designated); and
- (v) comply with all attendance requirements.

7. SALARY AND WAGE ADJUSTMENTS

7.1 This clause refers to the wage and salary schedules appearing in Appendix 1A: Salaries Schedule and Appendix 1B: Wages Schedule.

7.2 Except as provided by this clause, the salaries and wages payable to employees are those detailed in Appendix 1A: Salaries Schedule and Appendix 1B: Wages Schedule, which provide for salaries and wages which will operate from the first pay period commencing on or after 1 October 2004 and 1 October 2005 respectively.

The salary increases detailed in Appendix 1A are based on the following annual percentage increases:

ASO1 to ASO3 (and equivalents)	- 4% per annum;
ASO4 to ASO6 and MAS-1 (and equivalents)	- 3.75% per annum; and
ASO7 and above (and equivalents)	- 3.5% per annum.

The wage increases detailed in Appendix 1B are based on annual increases of \$30 per week.

The increases for salaried and weekly paid employees to be paid on the 1 October 2004 are to incorporate the administrative wage increase of 3.5% per annum already granted in January 2005.

7.3 This sub-clause applies to "pegged employees". A "pegged employee" is an employee who is in receipt of a wage rate which has been pegged at a rate above that which is generally payable in relation to the employee's classification or position.

A pegged employee will not be entitled to any percentage or other increase in wage rate by reason of this Enterprise Agreement, unless the increase to the substantive rate of pay for an employee's classification, or position, brings that rate up to an amount higher than the pegged rate. In that event, the increase payable will be the difference between the new substantive rate and the pegged rate.

Once the rate of pay for a pegged employee's classification equals or exceeds the employee's pegged rate, the employee will, for all purposes, be regarded as not being subject to a pegged rate of pay.

- 7.4 The wage or salary payable to an employee as at the applicable date shall not reduce by reason of a wage or salary schedule in this Enterprise Agreement.

8. SALARY PACKAGING ARRANGEMENTS

8.1 This clause applies for the period an employee enters into a Salary Sacrifice Agreement. A Salary Sacrifice Agreement (SSA) is the formal administrative instrument between the employer and the employee which enables salary packaging arrangements to be put in place.

- 8.1.1 Subject to this clause, the salary payable to an employee, or applicable to a position where the occupant elects to enter into a SSA, pursuant to this Enterprise Agreement will be the salary payable under the SSA, notwithstanding any other provision in, or Schedule of, this Enterprise Agreement.
- 8.1.2 Any entitlement to payment of overtime, leave loading or shift allowance will be based on the salary that would have been payable had the employee not entered into a SSA.
- 8.1.3 Where, on cessation of employment, the employer makes a payment in lieu of notice; or a payment in respect of accrued recreation or long service leave entitlements (instead of transferring leave credits to another Government Public Service employer in the event the employee immediately becomes employed by that employer party), the payment thereof shall be based on the salary that would have been payable had the employee not entered into a SSA.

9. WORKLIFE FLEXIBILITY

9.1 Family Carer's Leave

- 9.1.1 Employees may access up to five days of their normal paid sick leave entitlement in any one year to provide support for a sick family member. The family member must be either a member of the employee's household, a person who is dependant on the employee's care, or a near relative of the employee as defined in the State Equal Opportunity Act 1984.
- 9.1.2 This access is available if the following conditions are satisfied:
- 9.1.2.1 The employee must have responsibility for the care of the family member concerned; and
- 9.1.2.2 The employee produces satisfactory evidence of sickness of the family member, if requested.
- 9.1.3 The ability to access this leave does not in any way limit an employee's right to apply for special leave in accordance with arrangements provided elsewhere for this leave.

9.2 Paid Maternity Leave and Paid Adoption Leave

- 9.2.1 An employee who is granted maternity leave or adoption leave that commences on or after 5 May 2005 will be entitled to the benefits provided by this clause

- 9.2.3 Subject to this clause, an employee, other than a casual employee, who has completed 12 months of continuous service before taking custody of an adopted child is entitled to up to twelve weeks paid adoption leave.
- 9.2.4 The following conditions apply to an employee applying for paid maternity leave or paid adoption leave:
- 9.2.4.1 The total of paid and unpaid leave is not to exceed 104 calendar weeks;
- 9.2.4.2 An employee will be entitled to twelve weeks leave, paid at the employee's ordinary rate of pay (excluding allowances, penalties or other additional payments) from the date maternity/adoption leave commences. The paid

maternity/adoption leave is not to be extended by public holidays, rostered days off, programmed days off or any other leave falling within the period of paid leave.

- 9.2.5 At the time of applying for paid maternity leave or paid adoption leave, the employee may elect in writing:
- (a) to take the paid leave in 2 periods of 6 weeks during the first 12 months of the commencement of their paid leave; or
 - (b) to take the paid leave at half pay in which case, notwithstanding any other clause of this Agreement, the employee will be entitled, during the 24 weeks, to be paid at half the ordinary rate of pay (excluding allowances, penalties or other additional payments) from the date maternity/adoption leave commences; or
 - (c) a combination of (a) and (b).
- 9.2.6 Part-time employees will have the same entitlements as full time employees on a pro-rata basis according to the average number of contracted hours during the immediately preceding 12 months (disregarding any periods of leave).
- 9.2.7 During periods of paid or unpaid maternity leave, sick leave with pay will not be granted for a normal period of absence for confinement. However, any illness arising from the incidence of the pregnancy may be covered by sick leave to the extent available, subject to the usual provisions relating to production of a medical certificate and the medical certificate indicates that the illness has arisen from the pregnancy.

9.3 Return to Work on a Part Time Basis

- 9.3.1 Subject to this clause, an employee is entitled to return to work after maternity or adoption leave on a part time basis, at the employee's substantive level, until the child's second birthday.
- 9.3.2 The following conditions apply to an employee applying to return on a part time basis:
- a) The employee will provide such request at least 6 weeks prior to the date on which the employee's maternity or adoption leave is due to expire, and will provide to the employer such information as may reasonably be required, including the proportion of time sought, and the date of the relevant child's second birthday;
 - b) At least 6 weeks prior to the relevant child's second birthday, the employee will advise the employer whether the employee will revert to employment on a full time basis or seeks to continue to be employed on a part time basis.
 - c) An employee's return to work on part time will be on a non-discriminatory basis so as to operate in the same manner as any other employee returning from a period of leave.

9.4 Reimbursement of Reasonable Child Care Costs

- 9.4.1 Where an employee, other than a casual employee, is given less than 24 hours prior notice that the employee is required to work outside of their ordinary hours of work, and consequently the employee utilises paid child care, the employer will reimburse the reasonable child care costs incurred by the employee arising from performing such work, subject to this clause.
- 9.4.1.1 The prior period of 24 hours is to be calculated from the time at which the work is to begin.
- 9.4.1.2 The work, or the hour/s to be worked, is not part of a regular or systematic pattern of work or hour/s performed by the employee.
- 9.4.1.3 The reimbursement will be in respect of the reasonable costs incurred by the employee in respect of the work.
- 9.4.1.4 Reimbursement will be made for child care costs in respect of Registered Care or Approved Care after all other sources of reimbursement have been exhausted. Where the child care costs are incurred for child care not in a registered or approved centre, reimbursement will be made in accordance with a child care reimbursement rate, and guidelines, published from time to time by the Commissioner for Public Employment.

9.4.1.5 The employee will provide the employer with a Child Benefit Claim Form for either Registered Care or Approved Care, tax invoice/receipt, or other supporting documentation as may from time to time be required detailing the cost incurred, or reimbursement sought, in respect of the work.

9.4.1.6 For the purposes of this clause, a reference to work is a reference to the work outside the employee's ordinary hours, or regular or systematic pattern of work or hour/s, for which less than 24 hours prior notice is given.

9.5 Reimbursement of Reasonable Travel Costs

9.5.1 Where an employee, other than a casual employee, is required to work outside of their ordinary hours of work and the period of work starts or finishes outside of the ordinary timetabled operating hours of public transport, the employee will be entitled to reimbursement of reasonable home to work or work to home (as applicable) travel costs, subject to this clause.

9.5.1.1 The work, or the hour/s to be worked, is/are not part of a regular or systematic pattern of work or hour/s performed by the employee.

9.5.1.2 The employee ordinarily uses public transport.

9.5.1.3 Travel is by the most direct or appropriate route.

9.5.1.4 Reimbursement of reasonable taxi costs, or mileage at a rate determined from time to time by the Commissioner for Public Employment.

9.5.1.5 The employee will provide the employer with such tax invoice/receipt or other supporting documentation as may from time to time be required detailing the cost incurred or reimbursement sought.

10. MINIMUM HOURS OF ENGAGEMENT

10.1 A casual employee will be engaged for a minimum period of three hours, unless otherwise expressly agreed between the employer and the employee.

10.2 A part-time employee will be engaged for a minimum period of three hours, unless otherwise expressly agreed between the employer and the employee.

11. VOLUNTARY FLEXIBLE WORKING ARRANGEMENTS

11.1 The parties acknowledge the mutual benefit to the employer and employee of Voluntary Flexible Working Arrangements to balance work and other (including family) commitments.

11.1.1 The employer will consider an employee's request to participate in a Voluntary Flexible Working Arrangement having regard to both the operational needs of the workplace and the employee's circumstances.

11.1.2 This clause applies for the period an employee participates in a VFWA.

a) Subject to this clause, the salary or wages payable to an employee, or applicable to a position, where the employee elects to participate in a VFWA, will be adjusted to take account of the VFWA in which the employee is participating, notwithstanding any other provision in, or Schedule of, this Enterprise Agreement or relevant Award.

b) Where an employee is participating in a Purchased Leave type of VFWA, the rate of pay to be used for calculating overtime payments, leave loading or shift penalties will be the rate of pay that would have been payable had the employee not been participating in the Purchased Leave arrangement.

c) Where an employee is participating in a Compressed Weeks type of VFWA, the nominated normal hours for any day will constitute the employee's ordinary hours for the day. Overtime will only be payable where the employee is required to work hours in excess of those ordinary hours on any day or in excess of the total of those ordinary hours in a week.

d) Where, on cessation of employment, the employer makes a payment in lieu of notice; or a payment in respect of accrued recreation or long service leave entitlements, the payment thereof (or the transferred leave credits) shall have regard

to any period/s in which the employee participated in a VFWA and be adjusted accordingly.

12.2 Occupational Health, Safety and Injury Management

12.2.1 The management and staff of Government House are committed to supporting and engendering a safety culture that promotes the adoption of safe work practices. The management and staff will continue to work towards implementing an OHS&IM system to progressively meet the requirements of the WorkCover Self Insurers Performance Standards. The key areas of the systems to be addressed are:

- Maintain and review the OHS&IM Policies and supporting procedures, covering the relevant components of the Standard.

12.3 Access to Training

The management and staff of Government House are committed to and acknowledge the mutual benefit of planned human resource development and the provision and participation in relevant development opportunities (including accredited training). During the life of the Agreement, management representatives will meet with staff to discuss development needs and opportunities (such as formal training, industry visits and cross skilling) which will enhance their ability to undertake their work.

As a result of these discussions, individual or group training and development plans will be established, and implemented in accordance with the needs and at the convenience of Government House.

12.4 Career Path

Should any vacant positions arise within the scope of this Agreement, consideration will be given to the suitability of current staff to fill the position on a temporary or permanent basis. Vacancies will be filled in accordance with the principles set out in Part 2 of the Public Sector Management Act.

13. NO EXTRA CLAIMS

13.1 This Enterprise Agreement and its wage and salary schedules will be taken to have satisfied and discharged all claims of any description (whether as to monies or conditions) in respect of the State Governor's Enterprise Agreement.

13.2 The parties undertake that for the period until the current State Governors Establishment Enterprise Agreement is superseded by this Enterprise Agreement, neither jointly nor severally will any of them make any application to the Commission, nor demand upon any other party in respect of any matter dealt with, or arising out of, the State Governor's Establishment Enterprise Agreement.

13.3 The rates of pay provided for in this Enterprise Agreement are inclusive of all previously awarded safety net adjustments and all future increases during the term of this Agreement, arising out of

State Wage Case decisions, including safety net adjustments, living wage adjustments or general increases, howsoever described.

- 13.4** Subject to this clause, the employees and associations undertake that for the term of this Enterprise Agreement, they will not pursue any further or other claims within the parameters of this Enterprise Agreement, except where consistent with State Wage Case principles.

14. CONSULTATIVE PROCESSES

- 14.1** For the purpose of this agreement the definition of consultation involves the informed discussion between Government House, its employees and their representatives, the aim of which is to identify all information and opinions to be considered prior to Government House making a decision on workplace change or other issues which are likely to have a significant effect on employees.
- 14.2** The parties to this Agreement agree that the Single Bargaining Centre (SBC) is the peak forum for Enterprise Bargaining discussions, consultation and negotiation for Government House.
- 14.3** To facilitate the processes of consultation, the parties agree to establish working parties and/or consultation committees as required.

15. GRIEVANCE AND DISPUTE AVOIDANCE PROCEDURES

- 15.1** This procedure aims to avoid industrial disputes in Government House. Where a dispute occurs, it provides a means of settlement based on consultation, co-operation and discussion with the aim of the avoidance of interruption to work performance.
- 15.2** Except where a bona fide health and safety issue is involved, during any dispute the status quo existing immediately prior to the matter giving rise to the dispute will remain. Work will continue as it was prior to the matter giving rise to dispute.
- 15.3** No party will be prejudiced as to final settlement by the continuance of work in accordance with this clause.
- 15.4** All parties have a right to seek representation in order to resolve any dispute.
- 15.5** Any grievance or dispute will be handled as follows:
- 15.5.1** Stage 1 Discussions between the employee/s and supervisor.
 - 15.5.2** Stage 2 Discussions involving the employee/s and/or nominated representatives or delegates with the relevant management representative or nominated delegate.

At this stage, discussions may include representatives of the CE, DAIS (from Public Sector Workforce Relations) and/or Department of Premier and Cabinet (from the Human Resources Section).
- 15.6** A dispute will not be referred to the next stage until a genuine attempt to resolve the matter has been made at the appropriate level.
- 15.7** There will be a commitment by the parties to achieve adherence to this procedure including the earliest possible advice by one party to the other of any issue or problem which may give rise to a grievance or dispute. Throughout all stages of the procedure all relevant facts will be clearly identified and recorded.
- 15.8** Sensible time limits will be allowed for the completion of the various stages of the discussions. Discussions outlined in each of the first two stages above should, if possible, take place within 24 hours after the request of the employee/s or their representative.
- 15.9** Emphasis should be placed on a negotiated settlement. However, if the process breaks down, or is exhausted without the dispute being resolved, any party may refer the matter to the Industrial Relations Commission of South Australia, where appropriate. In order to allow for peaceful resolution of grievances the parties will be committed to avoid industrial disputation while the procedures of negotiation and conciliation are being followed.
- 15.10** The parties will ensure that all practices applied during the operation of the procedure are in accordance with safe working practices.
