- 7.1 To encourage and develop a high level of skill, innovation and excellence among employees of Wakefield Regional Council through the provision of training and skills improvement programs.
- 7.2 The parties believe that the desire to embrace measures aimed at achieving improved productivity will ultimately lead to the success of the organisation and therefore offer to employees a sustainable level of job security.

CLAUSE 8 ENTERPRISE AGREEMENT CONSULTATIVE COMMITTEE

To facilitate the effective operation of this agreement, a joint Enterprise Agreement Consultative Committee (EACC) shall be formed comprising equal numbers of employer and staff representatives (including at least one ASU member) and shall meet on two occasions of each year or more often as is required.

The consultation will commence before a definite decision has been made by the employer to make the changes referred to in 9.1 above.

For the purposes of such consultation, the employer will provide in writing to the employees concerned and the Union all relevant information about the changes.

CLAUSE 10 EMPLOYMENT SECURITY

10.1 General Principals

In the event of a position being made redundant as a result of:

- * Any amalgamation which affects the area of the council;
- * Re-organisation or significant restructure of Council operations and/or staff functions;
- * The contracting of work previously performed;
- * Technological change or the reduction or abolition of functions or services carried out by the Council.

The following arrangements shall apply in respect to the employment security of the Council's employees:

10.1.1 No forced redundancies

Natural attrition, voluntary redundancies and redeployment shall be the only means of adjustment in those situations where employees are no longer required by the Council, based on the provisions of Clause 10.1.

10.2 Redeployment

- 10.2.1 It is the primary aim to redeploy employees into a position of equal classification and status as their pre-redeployment position.
- 10.2.2 If after examining all options, it is agreed by the parties that redeployment to such a position is not feasible, an employee may be redeployed into a position of lower classification level.
- 10.2.3 Maintenance of remuneration prior to the position being discontinued will remain.
- 10.2.4 Within the three month period of commencing the redeployed position, Council must keep open the right of the redeployed employee to consider redundancy arrangements as outlined in clause 10.3 at the employee's pre-redeployment remuneration level.

10.3 Voluntary Redundancies

For the period of this agreement there will be no forced redundancies. Where a position is identified as being redundant and the employee is offered and accepts a voluntary separation package (VSP), the minimum terms of that redundancy are as detailed below.

For each year of continuous service in local government; 3.5 weeks of the total salary as severance payment plus, pro-rata amount per part year of service calculated as 3 weeks salary multiplied by the number of completed weeks and divided by 52.

Pro-Rata long service leave will be paid whether or not seven years of service has been attained. In the event a part time or casual employee has less than 3 years continuous service, the calculations of accrued leave will be based on actual hours worked.

10.4 Recruitment and Promotion

All appointments will be based on the principles of merit, fairness and afford existing employees with every opportunity for career development and access to career paths and promotions.

The Council will advertise internally and may advertise externally for staff concurrently inside and outside its workforce but will only proceed to consider the merits of external applicants once all internal applicants have been considered and deemed unsuitable.

10.5 Retraining Scheme

- 10.5.1 A personal retraining scheme shall be available to any redeployee who has been unable to secure employment within the Council in work for which the employee has the necessary skills, qualifications and/or experience, and is unlikely, without retraining, to secure an appropriate position within the Council.
- 10.5.2 A personal retraining scheme shall be in writing and agreed between the employee and the Chief Executive Officer.
- 10.5.3 A personal retraining scheme will generally be based on attaining those skills that the Council believes will require recruitment action in the future.

 - * to replace an employee who is on extended leave greater than three months.
- 11.3 A fixed term employment contract offered by the employer will contain the following provisions:
- 11.3.1 The term of the contract shall be no greater than three years, unless the contract relates to a Management Executive role, in which case it shall be no greater than five years.
- 11.3.2 The incumbent may terminate the contract by giving the employer a minimum of four weeks notice.
- 11.4 All other terms and conditions of the contract shall be consistent with and not contrary to this Agreement.

12.1 At the conclusion of each twelve month period, as measured from the anniversary date of the employee's commencement of employment, a part-time employee shall be eligible for incremental progression within each salary level.

 - Year 3 and ongoing allowance of \$300.00 (excl GST)
- 16.3 In the case of permanent part time employees, both the initial allocation and annual allowance shall apply on a pro rata basis. The allocation will be based on number of days worked per week, not the number of hours per day.
- 16.4 In the case of full time staff undertaking duties for a leave replacement, the employer will give due consideration to the application of the Year 3 allowance.
- 16.5 In the case of part time staff undertaking additional hours, the employer will give due consideration to the application of the Year 3 allowance in the event this is greater than the pro rata basis.

An employee may apply to take pro rata long service leave (for the taking of leave only) after seven years of continuous service. By agreement, an employee may take all or part of their long service leave at half pay thus doubling the period of long service leave taken.

Where an employee's contract of employment is altered, resulting in reduced hours of work, the employee shall not be disadvantaged in terms of long service leave entitlements. Accordingly, long service leave entitlement accrued at the time of change shall be preserved and the employee shall thereafter accrue long service leave entitlements at the new accrual rate.

Long Service Leave shall be calculated on the ordinary hourly rate of pay applicable at the time of taking leave.

- 21.4 Absence from work during paid maternity leave shall count as service for sick leave, annual leave and long service leave purposes.
- 21.5 Where the pregnancy of an employee terminates earlier than 20 weeks prior to the expected date of delivery, her entitlement to any leave under this clause shall cease.

In extenuating circumstances the employer will consider the application of this section in full or in part to partner employees where it can be satisfied that the employee is the primary care giver.

- 30.2 Any contribution made by the employer on behalf of the employee will represent a deemed contribution. A deemed contribution is made on behalf of the member and is paid from gross salary, thus effectively reducing the taxable salary of the employee.
